Online Payment Center

Upon acceptance of payment, your sticker will be mailed to you.

If you choose not to take advantage of our online payment option, you may still purchase your stickers at the Treasurer/Collector Office at Town Hall.

Options

You have two (2) options for purchasing your municipal sticker; either by electronic check or by credit card.

Electronic Check

It is free to pay by electronic check. You will need one of your checks with you when you pay your bill online in order to get your account number and the bank's routing number from it. You will be shown where this information is on your check.

Credit Card

We accept MasterCard and Discover for credit card payments. There will be a convenience fee for each online payment. The credit card service provider charges the fee to your credit card. When paying by credit card, the fee amount will appear in a separate box and will be totaled with the amount of the tax. To see the credit card fee schedule, click on the following:

Security

Your payment transaction is secure by state of the industry encryption methods and certified through VeriSign.
