Bid 21545R, Water Meters							
	Company	Est. Quantity	Bid Bond	Addenda	Signature	Unit Prices	Total Amount
	EASTON WINWATER WORKS		X	X	X		\$ 2,410,456.10
1	5/8" water meter with encoder register with AMR radio	11,500				\$ 141.30	\$ 1,624,950.00
2	5/8" pit water meter with encoder register with AMR radio	4				\$ 141.30	\$ 565.20
3	3/4" water meter with encoder register with AMR radio	1,200				\$ 164.53	\$ 197,436.00
4	3/4" pit water meter with encoder register with AMR radio	1				\$ 164.53	\$ 164.53
5	1" water meter with encoder register with AMR radio	1,060				\$ 172.28	\$ 182,616.80
6	1" pit water meter with encoder register with AMR radio	20				\$ 172.28	\$ 3,445.60
7	1 1/2" water meter with encoder register with AMR radio	110				\$ 310.43	\$ 34,147.30
8	2" turbine water meter with encoder	3				\$ 954.63	\$ 2,863.89
9	register with AMR radio	3				*	*
10	2" turbine unitized measuring elements for existing turbines	123				\$ 366.19	\$ 45,041.37
11	2" nutating disc P.D. water meters with encoder register with AMR radio	124				\$ 110.47	\$ 13,698.28
12	2" compound water meter with encoder register(s) with AMR radio module(s)	12				*	*
13	2" compound water meter unitized measuring elements for existing compounds	20				\$ 1,373.91	\$ 27,478.20
14	3" turbine water meter with encoder register with AMR radio module	20				*	*
15	3" turbine unitized measuring elements for existing turbines	2				\$ 2,491.87	\$ 4,983.74
16	3" compound water meter with encoder register(s) with AMR radio module(s)	2				*	*
17	3" compound water meter unitized measuring elements for existing compounds	2				\$ 1,732.79	\$ 3,465.58
18	4" turbine water meter with encoder register with AMR radio module	2				*	*
19	4" turbine unitized measuring elements for existing turbines	5				\$ 2,780.66	\$ 13,903.30
20	4" compound water meter with encoder register(s) with AMR radio module(s)	5				*	*
21	4" compound water meter unitized measuring elements for existing compounds	2				\$ 2,730.03	\$ 5,460.06
22	6" turbine water meter with encoder register(s) with AMR radio module(s)	2				*	*
23	6" turbine unitized measuring elements for existing turbines	2				*	*
24	6" compound water meter unitized measuring elements for existing compounds	4				*	*
25	6" fire protectus service meter unitized measuring element for existing meters	5				\$ 4,207.59	\$ 21,037.95
26	8" turbine water meter with encoder register(s) with AMR radio module(s)	5				*	*
27	8" turbine unitized measuring elements for existing turbines	5				*	*
28	8" compound water meter unitized measuring elements for existing compounds	5				*	*
29	8" fire protectus service meter unitized measuring element for existing meters.	1				*	*
30	10" fire protectus service meter unitized measuring element for existing meter.	1				\$ 57,500.00	\$ 57,500.00
31	Portable drive-by meter reading unit with necessary appurtenances, charging, and permits required start and finished early	1				\$ 41,500.00	\$ 41,500.00
32	mobile RF AMR system including route-manager software	1				\$ 6,000.00	\$ 6,000.00
*	BID PRICING COULD NOT BE OBTAINED FROM THE SOLE SOURCE VENDOR.
