

TOWN OF PLYMOUTH

Solid Waste Division
Department of Public Works
159 Camelot Drive
Plymouth, Massachusetts 02360

PROGRAM CHANGE

AS OF JULY 1, 2016 TOWN OF PLYMOUTH *OPTION A - CURBSIDE SERVICE* SUBSCRIBERS WILL BE GRANTED “*RECYCLE ONLY ACCESS*” AS PART OF THEIR SOLID WASTE DISPOSAL PROGRAM

Town Curbside Service subscribers currently receive weekly trash pickups and biweekly recycling pickups by ABC Disposal. As of July 1st, they will also have access to the recycling portion of the Transfer Station for no additional fee.

This will enable them to dispose of excess recycling, as well as:

- Televisions & Computer Monitors (\$10 CRT Removal Fee)
- Refrigerators, Freezers, Air Conditioners & Dehumidifiers (\$15 Freon Removal Fee)
- Propane Tanks (\$2 Disposal Fee)
- Tires (\$2+ Disposal Fee)
- Grass Clippings & Leaves
- Scrap Metal
- Fluorescent Bulbs & Mercury Containing Items
- Auto Batteries
- Waste Motor Oil & Antifreeze.

In order to comply with monitoring at the Transfer Station, the signup process for *Option A – Curbside* will be changing. All participants in any of the Solid Waste Disposal Options will need to present a copy of their Vehicle Registration. If a vehicle's registration is not provided upon purchase of service, a violation will be issued when the vehicle enters the Transfer Station.

If you have any questions regarding this change or any of the Town's Solid Waste options, please contact Sandy Strassel at (508) 830-4162, Ext. 100.

*PLEASE NOTE: Curbside Subscribers that have only signed up for *Option A – Curbside*, will not be allowed to drop household trash at the Transfer Station. A \$100 fine will be issued for any violations of this service.

TOWN OF PLYMOUTH
