

PLYMOUTH HARBOR PLAN

PUBLIC MEETING NOTICE

Over the next year, Plymouth Marine and Environmental Affairs, Harbormaster, Harbor Committee and Urban Harbors Institute (UHI) of UMass Boston will be working to develop the first Plymouth Harbor Plan. A Harbor Plan is a planning document that will define the communities' vision for the future of Plymouth harbor. We need your help to define this "vision" and request your input, comments and attendance.

We have scheduled 3 public meetings for your convenience and have set some suggested topics for discussion. While topics are suggested, the meetings are open to all input/ comments and the public is encouraged to attend. The following email was also set up for questions and comments if you are unable to attend any of the meetings:

plymouthharborplan@gmail.com

If you are wondering what a finalized harbor plan looks like, you can visit UHI's website and view other communities' harbor plans:

<https://www.umb.edu/uhi/expertise>
or you can attend one of the public meetings to learn more.

We hope you can attend one of the scheduled meetings.
