

2012 ANNUAL REPORT

**Town of Plymouth,
Massachusetts**

Our Vision (adopted by the Board of Selectmen)

Plymouth is America's Hometown. Through our history, our government and our people, we reflect the basic tenets of America: freedom, community, and diversity. In all aspects of our town, we shall promote these tenets.

Our government shall provide a high level of service to our citizens, be responsive to their needs and advocate on their behalf. Through responsible budgeting, best management practices, effective planning, utilization of technology, and innovative thought, our government will provide the highest level of service possible.

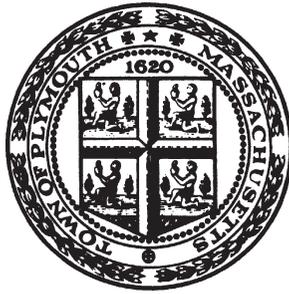

Our public education will provide our children with the opportunity to be whatever they want to be and to prepare them to be responsible citizens of the world. Through a strong educational program and with well built and maintained facilities, this vision will be sustained.

Our economy will encourage businesses of all sizes to locate, build and grow in Plymouth. Through the development of strong public and private initiatives, Plymouth will provide the necessary tools to encourage economic growth and job development.

Our quality of life will remain high. Through the effective delivery of services to our citizens, long-term planning, respect for our natural environment, a strong educational system, a vibrant economy, and a diverse and attractive community, Plymouth will remain a desirable location for people to live.

With an eye to the future, a respect for our history and with pride in our community, Plymouth will be a model for the state and the nation.

**ANNUAL REPORT
OF THE
Town of Plymouth
Massachusetts**

**FOR THE YEAR ENDING
DECEMBER 31
2012**

Town Report Edited by
Laurence R. Pizer, Town Clerk

**TOWN MEETING WARRANTS,
MINUTES, AND ELECTION RESULTS**

TOWN OF PLYMOUTH
SPECIAL ELECTION
JANUARY 14, 2012

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the inhabitants of Plymouth qualified to vote in elections, to meet in:

- Precinct 1 Hedge School
- Precinct 2 Cold Spring School
- Precinct 3 Town Hall
- Precinct 4 Plymouth North High School
- Precinct 5 Plymouth Community Intermediate School
- Precinct 6 Manomet Elementary School
- Precinct 7 Indian Brook School
- Precinct 8 Cedarville Fire Station
- Precinct 9 South Elementary School
- Precinct 10 Federal Furnace School
- Precinct 11 Plymouth Airport
- Precinct 12 Plymouth South High School
- Precinct 13 West Elementary School
- Precinct 14 Indian Brook School
- Precinct 15 Stonebridge Club

in said Plymouth on Saturday, the Fourteenth Day of January, 2012, between the hours of Eight O'Clock in the forenoon and Eight O'Clock in the afternoon, to cast a vote for the following questions:

Question 1

Shall the Town vote to approve the action of the Representative Town Meeting whereby it was voted under Article 29 of the October 24, 2011 Fall Annual Town Meeting that the Town accept the provisions of G.L. c.64L, section 2(a) authorizing the imposition of a local excise in the statutory amount of .75% on the sale of restaurant meals originating within the Town and authorize the Board of Selectmen to file special legislation providing that the additional revenue collected be placed in a fund to be used only for the Town's 400th anniversary celebration and public infrastructure improvements to the Town Square, Burial Hill, and Court Square?

Yes _____

No _____

SUMMARY

In Massachusetts, there is a statewide sales tax on meals of 6.25% of the price of the meal. A local acceptance statute, G.L. c. 64L, Section 2 (a), authorizes an increase of .75% on the sales tax on meals. Representative Town Meeting members voted under Article 29 of the October 24, 2011 Fall Annual Town Meeting to accept the statute and increase the meals tax by .75%, from 6.25% to 7%. Town

Meeting voted further under said Article 29 to authorize the Board of Selectmen to petition the General Court for special legislation to require that the additional sales tax revenue collected be placed in a special account to be used only for the Town's 400th anniversary celebration and public infrastructure improvements to the Town Square, Burial Hill, and Court Square. This question asks whether voters approve the action taken by the Town Meeting.

A YES vote will approve the action of Town Meeting increasing the sales tax on meals in Town from 6.25% to 7% and authorize the filing of special legislation to limit the use of such additional revenue for the Town's 400th anniversary celebration and specified public infrastructure improvements.

A NO vote will reject the action of Town Meeting and maintain the sales tax on meals in Town at 6.25%.

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof, fourteen days at least before the election, in the Town Office Building and make return thereof with your doings thereof at the time and place above-mentioned.

Given under our hands this the _____ day of November, 2011.

Approved as to Legal
Form and Content

BOARD OF SELECTMEN

TOWN COUNSEL

William T. Hallisey, Jr.
Chairman

John T. Mahoney, Jr.

Sergio O. Harnias

Mathew J. Muratore

Belinda A. Brewster

Plymouth, ss

Pursuant to the foregoing Warrant, I have this day warned the Inhabitants of Plymouth qualified to vote in elections to meet in Precinct 1, Hedge School, Precinct 2, Cold Spring Elementary School, Precinct 3, Town Hall, Precinct 4, Plymouth North High School, Precinct 5, Plymouth-Carver Intermediate School, Precinct 6, Manomet Elementary School, Precinct 7, Indian Brook Elementary School, Precinct 8, Cedarville Fire Station, Precinct 9, South Elementary School, Precinct 10, Federal Furnace Elementary School, Precinct 11, Plymouth Airport, Precinct 12, Plymouth South High School, Precinct 13, West Elementary School, Precinct 14, Indian Brook Elementary School, Precinct 15, Stonebridge Club, in said Plymouth to cast their votes for this question between the hours of Eight O'Clock in the forenoon and Eight O'Clock in the afternoon on Saturday, the Fourteenth Day of January, 2012, by posting copies of this Warrant in the Town Office Building and in a public place in each precinct, fourteen days at least before such meeting.

Town Clerk

2012 SPECIAL TOWN MEETING WARRANT

Saturday, April 7, 2012

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at Plymouth North High School on the seventh of April, 2012, at 8:00 AM, to act on the following articles to wit:

ARTICLE 1: Withdrawn

ARTICLE 2A: To see if the Town will vote to transfer a sum of money to be added to funds already appropriated under Article 7 of the 2011 Annual Town Meeting for the purpose of supplementing departmental expenses, or otherwise amend said vote, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2B: Withdrawn

ARTICLE 3: To see if the Town will vote to raise and appropriate or transfer a sum of money to pay certain unpaid bills of a prior fiscal year, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 4: To see if the Town will vote to raise and appropriate, transfer from available funds or borrow a sum of money for the construction and/or repair and/or purchase and/or lease of buildings and/or replacement of departmental buildings, and/or equipment and/or capital facilities for various departments of the Town and/or for feasibility and other types of studies as follows:

or take any other action relative thereto

BOARD OF SELECTMEN

ARTICLE 5: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-Law and Collective Bargaining Agreements contained therein, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 6: Withdrawn

ARTICLE 7: To see if the Town will vote to amend the vote taken by the Town under Article 11 of the October 2011 Fall Town Meeting by rescinding a portion of the borrowing authorization for the purchase of a fee simple interest in the land containing .629 acres, more or less, and the buildings thereon located at 463 Ryder Way, in the Town of Plymouth located on Plymouth Long Beach shown on Assessors' Map 37A , as Lot 350; and further to appropriate from the Sale of Real Estate account or otherwise fund a sum of money for the remaining balance of said acquisition, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 8: To see if the Town will vote to appropriate or transfer funds from Free Cash to the Other Post Employment Benefit fund established by vote of the Town under Article 29 of the April 2, 2011 Annual Town Meeting, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 9: To see if the Town will vote to accept the provisions of G.L. c.32, §12(2), Option (d), paragraph 10, as inserted by Section 29 of Chapter 176 of the Acts of 2011, as it pertains to the so-called "Increase of Allowance to Survivors of Deceased Members", which acceptance would allow an increase from \$250 to \$500.00 per month to be paid to survivors of deceased members of the state teachers' and state employees' retirement system, which paragraph and increase was also accepted by the Plymouth Retirement Board, or to take any other action relative thereto.

RETIREMENT BOARD

ARTICLE 10: To see if the Town will vote to accept the provisions of G.L. c.32, §90D ½, as inserted by Section 48 of Chapter 176 of the Acts of 2011, as it pertains to the so-called "Increase of retirement allowance for retirees with 25 years, to an amount to not exceed \$15,000.00 per year", which section and increase was also accepted by the Plymouth Retirement Board, or to take an action relative thereto.

RETIREMENT BOARD

ARTICLE 11: To see if the Town will vote to increase fees for Municipal Lien Certificates as provided for under MGL, Chapter 40, § 22F, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 12: To see if the Town will vote to authorize the Board of Selectmen to petition the General Court for special legislation to amend the Town Charter as recommended by the Charter Review Committee in its report entitled, "Town of Plymouth Proposed Charter Amendments Final Draft," dated February 9, 2012, on file with the Town Clerk; provided, however, that the General Court may make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approve amendments to the bill before enactment by the General Court, and authorizing the Board of Selectmen to approve amendments which shall be within the scope of the general public objectives of the petition, or take any other action relative thereto.

CHARTER COMMITTEE

ARTICLE 13: To see if the Town will vote to authorize the Board of Selectmen to acquire by purchase, gift, eminent domain or otherwise for general municipal purposes the following described property on such terms and conditions as the Board of Selectmen deem appropriate and to accept the deed to the Town of Plymouth of a fee simple interest in the land containing 2.5 acres more or less located at 00 Long Pond (commonly described as the corner property by the Police Station), in the Town of Plymouth shown on Assessors' Map 83 , as Lots 2F and 2-2A and to enter into all agreements and execute any and all instruments as may be necessary on behalf of the Town to effect said acquisition; and as funding therefor to authorize the Treasurer with the approval of the Board of Selectmen to borrow \$1,000,000.00, more or less, and to issue notes and bonds therefor under Chapter 44 of the General Laws or any other enabling authority, or to take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 14: Withdrawn

ARTICLE 15: Withdrawn

ARTICLE 16: To see if the Town will vote to amend Section 205-23(J) of the Zoning Bylaw to allow one major recreational equipment item, as defined in that section, to be parked in front of a building line provided the Planning Board finds that said major recreational equipment is adequately screened from public view with landscaping, fencing or other materials acceptable to the Planning Board, or take any other action relative thereto.

Department of Planning & Development

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notice thereof fourteen days at least before such meeting in the Town Office Building and make return thereof with your doings thereon at the time and place above mentioned.

Given under our hands this the ____ day of March 2012.

2012 ANNUAL TOWN MEETING WARRANT

Saturday, April 7, 2012

To the Town Clerk of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth qualified to consider and vote on articles at the Annual Business Meeting of the Town of Plymouth to meet at Plymouth North High School, on Saturday, the Seventh Day of April, 2012, at 8:00AM to act on the following articles to wit:

ARTICLE 1: Withdrawn

ARTICLE 2: To hear the reports of the several Boards and Officers and Committees of the Town thereon.

BOARD OF SELECTMEN

ARTICLE 3: To see what action the Town will take under the provisions of G.L. c.44, §53E 1/2 regarding the establishment, annual re-authorization or renewal as the case may be of revolving funds, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 4: To see what action the Town will take pursuant to Chapter 173 of the General By-Laws regarding the formation, reformation, organization, continuation or discharge of existing Committees created by vote of Town Meeting, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 5: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-Law and Collective Bargaining Agreements contained therein, or take any other action relative thereto

BOARD OF SELECTMEN

ARTICLE 6: To see what action the Town will take pursuant to G.L. c.41, §108 with regard to fixing the salaries of elected Town Officials, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7A: To see what action the Town will take to provide a reserve fund and to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, toward defraying charges and expenses of the Town, including water, sewer, solid waste and airport enterprises and debt and interest, for the ensuing twelve month period beginning July 1, 2012, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7B: To see what action the Town will take to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, toward defraying charges and expenses of the Town for the water enterprise and debt and interest, for the ensuing twelve month period beginning July 1, 2012, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7C: To see what action the Town will take to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, toward defraying charges and expenses of the Town for the sewer enterprise and debt and interest, for the ensuing twelve month period beginning July 1, 2012, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7D: To see what action the Town will take to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, toward defraying charges and expenses of the Town for the solid waste enterprise and debt and interest, for the ensuing twelve month period beginning July 1, 2012, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7E: To see what action the Town will take to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, toward defraying charges and expenses of the Town for the airport enterprise and debt and interest, for the ensuing twelve month period beginning July 1, 2012, or take any other action relative thereto.

BOARD OF SELECTMEN

or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 10: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to the Unemployment Compensation Fund, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 11: Withdrawn

ARTICLE 12: To see if the Town will vote to appropriate from the Town Promotion Fund created pursuant to Chapter 4 of the Acts of 1993, a sum or sums of money for programs and projects that enhance the beautification, recreational resources, public safety, promotional and marketing activities, events, services and public improvements, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 13: To see if the Town will vote to appropriate a sum of money from available funds as the State's share of the cost of work under G.L. c.90, §34 (2)(a) of the Massachusetts General Laws, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 14A: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to the Stabilization Fund, as authorized by the provisions of G.L. c.40, §5B as amended, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 14B: To see if the Town will vote to establish an Airport Stabilization Fund, as authorized by the provisions of G.L. c.40, §5B for capital projects for the Airport, which fund shall be under the care and custody of the Town Treasurer, and further, to raise and appropriate, transfer from available funds or borrow for the purpose of funding said Airport Stabilization Fund, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 15: To see if the Town will vote to approve an amendment to the payment in lieu of taxes agreement between the Town and Entergy Nuclear Generation Company for the property known as the Pilgrim Nuclear Generation Station, as on file with the Town Clerk and entitled 'First Amendment to the Amended and Restated Payment in Lieu of Tax Agreement', dated November 29, 2011, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 16A: To see if the Town will vote, pursuant to G.L. c.44B, to appropriate from the Community Preservation Fund estimated annual revenues, fund balance, or reserves, or otherwise fund, a sum of money as a grant to the Plymouth Taskforce for the Homeless for the acquisition of the multi family residence located at 54 Russell Street, Plymouth MA, shown as Assessors Map 19 Lot 13 for

community housing purposes, and to authorize the Town Manager, in consultation with the Community Preservation Committee, to enter into a grant agreement with said Taskforce for the Homeless for setting forth the terms and conditions upon which the funds may be expended, which agreement shall include requirements that the creation and use of the affordable housing units shall be eligible for inclusion on the Subsidized Housing Inventory maintained by the Department of Housing and Community Development for the Town of Plymouth, and that the Taskforce for the Homeless grant to the Town an affordable housing restriction(s) in the property, and to authorize the Board of Selectmen to accept an affordable housing restriction(s) on said property for seven to eight affordable units, or take any other action relative thereto.

COMMUNITY PRESERVATION COMMITTEE

ARTICLE 16B: To see if the Town will vote to transfer from the Community Preservation Historical Fund estimated annual revenues, fund balance, or reserves, or otherwise fund, the sum of \$300,000 or other sum as a grant for the preservation, rehabilitation and restoration of forty stain glass windows in the First Parish Meetinghouse Church, which windows are identified as #1 through #40 in the Community Preservation Application submitted to the Community Preservation Committee on January 11, 2012 by the First Parish Meetinghouse Church, which windows are located on the property at the Town Square shown as Assessors Map 19, Lot 21, Assessors parcel ID 019-000-021-000, and further, that the grant agreement between the Town and the First Parish Meetinghouse Church shall include requirements that the Church provide the Town with an Historic Preservation Restriction meeting the requirements of G.L. c.184 on the windows, and an easement to be mutually agreed upon providing for increased public access to the Church; and further, to authorize the Board of Selectmen to accept said restriction and easement, and to authorize all appropriate Town officials to enter into all agreements and execute any and all instruments as may be necessary on behalf of the Town to effect said purchase; or take any other action relative thereto.

COMMUNITY PRESERVATION COMMITTEE

ARTICLE 16C: To see if the Town will vote to authorize the Board of Selectmen to acquire by purchase or otherwise for open space purposes pursuant to the Community Preservation Program and to accept the deed to the Town of Plymouth of a Conservation Restriction from the Wildlands Trust in 7.4 acres of land, more or less, in the Town of Plymouth located between Long Pond Road and Morgan Road, shown on Assessors Map 69 as Lots 71 (a portion of), 72A and 72B for \$175,000.00, said Conservation Restriction to be held under the care, custody, and control of the Conservation Commission, and further the Wildlands Trust shall grant an easement to the Town to utilize the Community Building/Barn located on such property for Town committee meetings for free or at cost with the permission of the Wildlands Trust, which permission shall not unreasonably be denied, and further, to authorize the Board of Selectmen to accept said easement and authorize the Board of Selectmen or other appropriate officials to enter into all agreements and execute any and all instruments as may be necessary on behalf of the Town to effect said purchase; and as funding therefor to appropriate from the Community Preservation Fund estimated annual revenues, fund balance, or reserves, and/or borrow a sum of money pursuant to G.L. c.44B or any other enabling authority, and to authorize the Treasurer, with the approval of the Board of Selectmen to issue bonds and notes therefor, or take any other action relative thereto.

COMMUNITY PRESERVATION COMMITTEE

ARTICLE 16D: To see if the Town will vote to hear and act on the report of the Community Preservation Committee on the Fiscal Year 2013 Community Preservation budget and to appropriate from the Community Preservation Fund a sum of money to meet the administrative expenses and all other necessary and proper expenses of the Community Preservation Committee for Fiscal Year 2013,

including debt service on previously approved projects and further to reserve for future appropriation amounts as recommended by the Community Preservation Committee: a sum of money for the acquisition, creation and preservation of open space excluding land for recreational use, a sum of money for acquisition, preservation, restoration and rehabilitation of historic resources, a sum of money for the acquisition, creation, preservation and support of community housing, and a sum of money for a Budgeted Reserve, or take any other action relative thereto.

COMMUNITY PRESERVATION COMMITTEE

ARTICLE 17A: To see if the Town will vote to raise and appropriate or transfer a sum of money from available funds to fund a contract to assist the School Department in recovering Medicaid reimbursements, or taken any other actions relative thereto.

SCHOOL COMMITTEE/BOARD OF SELECTMEN

ARTICLE 17B: To see if the Town will vote to raise and appropriate or transfer from available funds, a sum of money to fund the transportation costs of out of district Agricultural Vocational students, or take any other action relative thereto.

SCHOOL COMMITTEE/BOARD OF SELECTMEN

ARTICLE 18: To see if the Town will vote to increase the rate of interest that accrues on property taxes deferred by eligible seniors under G.L. c.59, §5, Clause 41A to 4%, with such rate to apply to taxes assessed for any fiscal year beginning on or after July 1, 2012, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 19: To see if the Town will vote to amend Chapter 23 of the General Bylaws, as recommended by the Town Clerk and on file with the Town Clerk's Office and entitled 'Proposed Changes to Chapter 23 General Bylaws Concerning Kennels', dated January 12, 2012, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 20: To see if the Town will vote to amend the General Bylaws, Chapter 23, Animals, Article 1, Dog Control, as follows:

(1) By inserting in §23-1 the following new definition:

VICIOUS - - Dogs meeting the following descriptions, as determined by the Animal Control Officer, shall be considered vicious:

- A. Any dog found to, without provocation, attack, threaten or terrorize any person on any public ground including streets and sidewalks.
- B. Any dog with a history of attacking without provocation or has caused injury to any human being or domestic animal.
- C. Any dog that bites, injures, assaults, or attacks a human being or domestic animal.
- D. Any dog found to be involved or trained in dog fighting.
- E. Provided, however, that notwithstanding the above criteria, no dog may be considered vicious for inflicting injury or damage to a person who:
 - i. is found to be willfully trespassing or in the process of any other tort offense on the property of the animal's owner; or

ii. teases, torments, abuses, or assaults the dog.

(2) By amending §23-2 by deleting the text of §23-2(A) (4) and inserting in place thereof the following, "If found to be a vicious dog."

(3) By amending §23-2 by deleting §23-2(A)(5) and renumbering the remaining content accordingly;

(4) And further, by amending §23-21, Classification, by deleting the word "pitbulls" and inserting, after the words "wolves" the following, "Any dog found to be vicious under Section 23-1 of the Town Bylaws."

Or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 21: To see if the Town will vote to amend the General Bylaws by inserting a new section, Chapter 164, entitled "Stretch Energy Code", for the purpose of regulating the design and construction of buildings for the effective use of energy, pursuant to Appendix 115.AA of the Massachusetts Building Code, 780 CMR, the "Stretch Energy Code", including future editions, amendments or modifications thereto, a copy of which is on file with the Town Clerk, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 22: To see if the Town will vote to amend Chapter 173-3 of the Town General Bylaws, Meeting and Election Dates, by changing the date for convening the Fall Annual Town meeting from the "fourth Monday in October" to "a Saturday in October or November", or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 23: To see if the Town will vote to transfer the care, custody, management and control of a certain parcel of land shown as Lot 23 on Assessors Map 19 from the School Department for school purposes to the Board of Selectmen for general municipal purposes or for the purpose of conveyance, including sale, transfer or lease, and further, to authorize the Board of Selectmen to convey said land pursuant to the requirements of G. L. c. 30B, the Uniform Procurement Act, and on such terms and conditions as may be deemed to be in the best interests of the Town, or take any other action relative thereto.

ARTICLE 31: To see if the Town will vote to amend its Zoning Bylaw, Section 205-58, Floodplain District and Section 205-17, Lot Regulations, Paragraph G (4) (a) by adopting revised Flood Insurance Rate Maps (FIRM) for the Town of Plymouth, Massachusetts, Plymouth County, as on file with the Planning and Development Office, or take any other action relative thereto.
PLANNING AND DEVELOPMENT

ARTICLE 32: To see if the Town will vote to amend the General Bylaws, Chapter 196, Wetlands Protection, Section 196-3 Definitions, and Section 196-4 Jurisdiction, by adopting revised Flood Insurance Rate Maps (FIRM) for the Town of Plymouth, Massachusetts, Plymouth County, as on file with the Planning and Development Office, or take any other action relative thereto.
CONSERVATION COMMISSION

ARTICLE 33: Withdrawn

ARTICLE 34: To see if the Town will vote to amend Zoning Bylaw, Section 205-23-J part 2 "Off Street Parking" by inserting the exceptions listed below.

1. For purposes of these regulations, major recreational equipment is defined as including boats and boat trailers, travel trailers, pickup campers or coaches (designed to be mounted on automotive vehicles), motorized dwellings, tent trailers, and the like, and .
2. cases or boxes used for transporting recreational equipment, whether occupied by such equipment or not.
3. No major recreational equipment shall be parked or stored on any lot in a residential district other than in a carport or enclosed building or behind the building line of the principal building; provided, however, that such equipment may be parked anywhere on residential premises for a period not to exceed 24 hours during loading or unloading. No such equipment shall be used for living, sleeping, or housekeeping purposes when parked or stored on a residential lot, or in any location not approved for such use. All equipment which does not conform to these regulations shall be considered nonconforming and shall comply in accordance with § 205-25.

Excluding: If the major recreational equipment is unable to be parked behind the principle building line due to a hardship caused by circumstances relating to the following: soil conditions, topography of the land, the principle building being placed on the lot making it detrimental to park the major recreational equipment behind the building line. Then it must be adequately screened with sufficient landscaping, fencing, or both. If it is unfeasible to landscape or fence the major recreational equipment it shall be covered by an appropriate cover made for the major recreational equipment. All hardship cases shall be reviewed by the local authority having jurisdiction and shall determine whether a hardship exists. If it is determined a hardship exist the approvals of materials to comply with this by law shall be reviewed by the local authority having jurisdiction.

Or take any other action relative thereto.

BY PETITION, Jo Ann Salamone, et al.

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notice thereof seven days at least before such meeting in the Town Office Building and make return thereof with your doings thereon at the time and place above mentioned.

MOTIONS
Saturday, April 7, 2012**

The Moderator called the meeting to order at 9:15 AM in the Auditorium of Plymouth North High School. The quorum continued from the Annual Town Meeting.

The return of the warrant having been properly served, Town Meeting waived the reading of the return and of the warrant.

ARTICLE 1: There was no motion. Town Meeting took no action.

ARTICLE 2A: Mr. Nassau moved that the Town vote to transfer a sum of money to be added to funds already appropriated under Article 7 of the 2011 Annual Town Meeting for the purpose of supplementing departmental expenses, or otherwise amend said vote, as follows:

ARTICLE 2A			
Sources	Amount	Uses	Amount
Additional State Aid		Salary Reserve	
Received October 2011	<u>\$ 239,637</u>		<u>\$ 239,637</u>
Total	\$ 239,637	Total	\$ 239,637
Fixed Costs		Fixed Costs	
Snow & Ice – Personal Services	<u>\$ 15,000</u>	Snow & Ice – All Other Expenses	<u>\$ 15,000</u>
Total	\$ 15,000	Total	\$ 15,000

The motion PASSED.

ARTICLE 2B: There was no motion. Town Meeting took no action.

ARTICLE 3: There was no motion. Town Meeting took no action.

ARTICLE 4: There was no motion. Town Meeting took no action.

ARTICLE 5: Mr. Nassau moved that the Town vote to amend the Classification and Compensation Plans and the Personnel By-Law and Collective Bargaining Agreements in accordance with the memorandum from the Director of Human Resources, located on Page 29 in the printed Report & Recommendations of the Advisory & Finance Committee, dated January 24, 2012 and the memorandum from the Director of Human Resources, located in the printed Supplemental Report & Recommendations of the Advisory & Finance Committee, dated March 27, 2012

The motion PASSED

ARTICLE 6: There was no motion. Town Meeting took no action.

ARTICLE 7: Mr. Nassau moved that the vote adopted by the Town under Article 11 of the Warrant at the October 2011 Fall Town Meeting, which vote authorized the borrowing of funds for and the purchase of a fee simple interest in the land containing .629 acres, more or less, and the buildings thereon located at 463 Ryder Way, in the Town of Plymouth located on Plymouth Long Beach shown on Assessors' Map 37A, as Lot 350, is hereby amended so as to rescind \$757,000 of the \$850,000 authorized to be borrowed for such purchase, and to replace such amount by appropriating \$757,000 to be used for the purposes of said Article 11 from the Sale of Real Estate Fund, which funds were derived from the sale of 132-134 Court Street.

The motion PASSED unanimously.

ARTICLE 8: Mr. Nassau moved that the Town vote to transfer from General Fund Free Cash the sum of \$562,327 to fund the Other Post Employment Benefit Trust fund established by vote of the Town under Article 29 of the April 2, 2011 Annual Town Meeting.

Mr. Hallisey moved to amend the main motion by reducing the amount to be transferred from General Fund Free Cash by \$100,000, for a total appropriation of \$462,327.

The motion to amend FAILED.

On the main motion the motion PASSED unanimously.

ARTICLE 9: Mr. Nassau moved that the Town vote to accept the provisions of G.L. c.32, §12(2), Option (d), paragraph 10, as inserted by Section 29 of Chapter 176 of the Acts of 2011, as it pertains to the so-called "Increase of Allowance to Survivors of Deceased Members", which paragraph and increase was also accepted by the Plymouth Retirement Board.

The motion PASSED.

ARTICLE 10: Mr. Nassau moved that the Town vote to accept the provisions of G.L. c.32, §90D ½, as inserted by Section 48 of Chapter 176 of the Acts of 2011, as it pertains to the so-called "Increase of retirement allowance for retirees with 25 years, to an amount to not exceed \$15,000.00 per year", which section and increase was also accepted by the Plymouth Retirement Board.

The motion PASSED.

ARTICLE 11: There was no motion. Town Meeting took no action.

ARTICLE 12: Mr. Nassau moved that the Town vote to authorize the Board of Selectmen to petition the General Court for special legislation to amend the Town Charter as recommended by the Charter Review Committee in its report entitled, "Town of Plymouth Proposed Charter Amendments Final Draft," dated February 9, 2012, on file with the Town Clerk, and as further amended by the Advisory & Finance Committee in the printed Report & Recommendations, provided, however, that the General Court may make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approve amendments to the bill before enactment by the General Court, and authorizing the Board of Selectmen to approve amendments which shall be within the scope of the general public objectives of the petition.

TOWN OF PLYMOUTH, MASSACHUSETTS

CHARTER

PREAMBLE

We, the people of the Town of Plymouth, Massachusetts, in order to reaffirm the customary and traditional liberties of the people with respect to the conduct of our local government and to take the fullest advantages inherent in the home rule amendment of the constitution of the Commonwealth, do hereby adopt the following home rule charter for this town.

All elected and appointed town officials, town employees and volunteers agree when taking an oath of office to serve or accepting a job offer for the Town of Plymouth to strictly adhere to this home rule Charter in the course of conducting their duties

CHAPTER 1

POWERS OF THE TOWN

Section 1 Incorporation

1-1-1 The present Town of Plymouth, Massachusetts, within its territorial limits as now or may hereafter be established by law, is hereby continued as a body politic and corporate under the name Town of Plymouth.

Section 2 Scope of Town Powers

1-2-1 The town shall possess, exercise and enjoy all powers possible under the constitution and laws of the Commonwealth of Massachusetts as fully and completely as though they were expressly enumerated in this Charter.

Section 3 Form of Government

1-3-1 This Charter provides for the representative town meeting-selectmen-town manager form of government.

Section 4 Construction of Charter

1-4-1 The powers of the town under this Charter shall be construed liberally in favor of the town and the specific mention of particular powers in this Charter shall not be construed as limiting in any measure the general powers of the town as stated in this chapter.

Section 5 Intergovernmental Relations

1-5-1 Consistent with any constitutional or statutory provision, the Town of Plymouth may exercise any of its powers or perform any of its functions, and may participate in the financing thereof, jointly or in cooperation, by contract or otherwise, with any one or more municipalities, civil divisions, subdivisions or agencies of the Commonwealth, other states or the United States government.

CHAPTER 2

THE LEGISLATIVE BRANCH: REPRESENTATIVE TOWN MEETING

Section 1 **Division of the Town into Precincts**

2-1-1 The town shall be divided into voting precincts which shall contain, as nearly as possible, an equal number of inhabitants. Each voting precinct shall be composed of compact and contiguous territory, as prescribed by general law.

Section 2 **Composition, Membership, and Eligibility**

2-2-1 The town shall have a representative town meeting which shall consist of representative town meeting members who are elected for three-year (3) overlapping terms. The number of representative town meeting members shall be determined as follows: Each precinct shall elect (9) members; this provision shall be implemented by each precinct electing three (3) members in each annual town election occurring after the effective date of this Charter. Should the number of precincts in the town change, the total number of regular town meeting members shall increase or decrease accordingly.

2-2-2 Any registered voter of the town shall be eligible for election to town meeting membership.

2-2-3 The Town Clerk shall serve as clerk of the representative town meeting. The Town Clerk shall cause notice of all meetings to be posted in the ~~town office building and a public place within each precinct~~ Town Hall, in the Town's libraries, and posted on the Town's website. The Town Clerk shall mail copies of the notice to the place of residence of all representative town meeting members, citing the place, date, and time of the meeting.

2-2-4 The Town Clerk shall keep a detailed journal of all representative town meeting proceedings and perform such other duties as may be assigned by this Charter, by-law, or vote of the representative town meeting.

2-2-5 Representative town meeting members shall serve without compensation or monetary allowance for any expenses incurred in the performance of their duties.

2-2-6 Representative town meeting members shall occupy sections assigned to them by the Town Clerk in a section of the hall which has been reserved exclusively for them.

2-2-7 Any representative town meeting member who is unable to attend a representative town meeting session shall provide notice of his or her anticipated absence, and the expected duration of the absence, to the Town Clerk prior to such session.

Section 3 **Powers**

2-3-1 The representative town meeting shall exercise all legislative powers of the town.

2-3-2 The representative town meeting shall consider and act upon all proposed by-laws.

2-3-3 The representative town meeting shall have the power to consider and act upon, pursuant to its

legislative authority, with or without amendments, all proposed operating and capital improvement budgets, bond issues, and all other financial proposals of the town and such other matters as prescribed by law and all matters that appear on the town warrant, except as otherwise provided by general law.

2-3-4 The Committee of Precinct Chairs described in Section 2-11-4 may from time to time appoint subcommittees of itself or committees of Town Meeting members to review town by-laws, town meeting rules and for such other purposes as they shall deem appropriate and shall make recommendations to the Representative Town Meeting and/or the moderator at least annually. The committee also may perform other duties designated to facilitate the business of town meeting. In addition to any other powers conferred upon it by the representative town meeting, the Committee of Precinct Chairs shall periodically review the rules of procedure that govern the conduct of the representative town meeting and report its finding to the representative town meeting at least annually.

Section 4 Procedures

2-4-1 The representative town meeting shall meet at least twice (2) in each calendar year. The first such meeting, the spring annual representative town meeting, shall be convened during the period of March through April, at a time fixed by by-law. The spring annual representative town meeting shall be concerned primarily with the determination of all matters that concern raising, appropriating, or transferring funds, including, but not limited to the adoption of an annual operating budget covering all town agencies. The second such meeting shall be held during the last four calendar months, at a time fixed by by-law.

The budget, as adopted at the spring annual representative town meeting, may be reopened by a citizen-petitioned article pursuant to G.L. c.39, § 10, or any other applicable law, or may be reopened by an affirmative vote of a majority of the members of the Board of Selectmen.

2-4-2 The quorum necessary for the conduct of representative town meeting business shall be two-thirds (2/3) of the total number of elected representative town meeting members. A smaller number than the required quorum may adjourn any meeting forthwith to a stated date, time, and place.

2-4-3 The representative town meeting shall always operate in open session and secret ballots shall not be allowed.

2-4-4 The order of consideration of the articles on the warrant may be changed only by a two-thirds (2/3) vote of those present and voting.

2-4-5 The representative town meeting may adopt rules and regulations relating to its procedures and its methods of operation.

2-4-6 Except in the case of a unanimous voice vote as declared by the Moderator, a roll call vote shall be required for all final main motions with respect to the following subject matters: adoption or amendment of zoning by-laws; adoption or amendment of general by-laws; and fiscal matters which are defined as any appropriation, borrowing, fund transfer, or the creation of or re-authorization of such enterprise or revolving funds as may be authorized by state law, provided, however, that in the event of a vote which the Moderator determines to be near unanimous, the Moderator may elect to take a roll call of only those voting in the minority.

2-4-7 In the event that the Advisory and Finance Committee fails to comply with the provisions of Section 2-12-2 of this Charter, the scheduled representative town meeting shall convene and then adjourn to such a date as would allow the Advisory and Finance Committee to make copies of its detailed written report available to representative town meeting members and voters fourteen (14) days prior to said date, except that two thirds (2/3) of the representative town meeting members in attendance may vote to waive the 14 day requirement of Section 2-12-2.

If the Advisory and Finance Committee has failed to consider a warrant article, the representative town meeting may consider that article provided that two thirds (2/3) of the representative town meeting members in attendance vote to so do. No such vote shall be taken unless the article has been presented to the Advisory and Finance Committee.

Section 5 Attendance of Representative Town Meeting Members

2-5-1 Representative town meeting members shall attend all representative town meeting sessions. Each calendar day during which any portion or portions of a representative town meeting or meetings is/are conducted shall be deemed to be a single "representative town meeting session".

2-5-2 During each representative town meeting session, the Town Clerk shall cause the attendance to be taken prior to the commencement of the session, and the Moderator shall take roll on at least one occasion after commencement of the session and a quorum has been reached. A record of those in attendance shall be kept open until the end of each representative town meeting session to enable latecomers to be recorded as present. The attendance record shall be public and be made part of the representative town meeting proceedings.

2-5-3 A representative town meeting member who ~~ceases to reside in the representative town meeting member's precinct during the term of office shall notify the Town Clerk, who shall declare the seat vacant as of the time of said notice~~ removes from the Town shall cease to be a town meeting member, and a representative town meeting member who removes from the precinct from which he or she was elected to another precinct may serve only until the next annual town meeting. The Town Clerk may also declare such seat vacant if the registrars of voters, pursuant to G.L. c.51, §§ 47B, 48, 49, or any other applicable law, determine that the representative town meeting member is illegally or incorrectly registered to vote in that precinct.

Section 6 Moderator

2-6-1 A Moderator shall be elected at the regular town elections for a term of three (3) years.

2-6-2 The Moderator shall have no vote unless the representative town meeting members present and voting are equally divided.

2-6-3 The Moderator shall preside at all representative town meeting sessions and shall perform such other duties as may from time to time be assigned to the office through by-law or vote of the representative town meeting.

2-6-4 Promptly following the annual town election, the Moderator shall appoint an Assistant Moderator for a term commencing at the first annual or special representative town meeting following such annual election, and ending on the date of the annual town election in the following year. Such appointment

shall be subject to the approval of the next annual or special representative town meeting. The Assistant Moderator shall substitute for the Moderator in the event that the Moderator is absent from a representative town meeting session or at the discretion and request of the Moderator, and shall carry out the duties of the Moderator excluding any exercise of appointing authority at such representative town meeting session. In the event that the Moderator cannot carry out the duties of his office by reason of death or disability, then the Assistant Moderator shall carry out all of the duties of the office of Moderator. The Assistant Moderator position shall be uncompensated.

Section 7 Rights of Non-Members

2-7-1 Residents and taxpayers of the town may speak on any article in a warrant.

Section 8 Compulsory Attendance

2-8-1 All town officers, the Town Manager, the town engineer, chairpersons of boards, commissions, and the Advisory and Finance Committee, and all department heads or those officials' designated representatives, shall attend all representative town meeting sessions. They shall have all the privileges of representative town meeting members, except the power to vote, unless they have been elected to the office of representative town meeting member. The absence of any such person shall not invalidate the actions of the representative town meeting.

Section 9 Filling Vacancies

2-9-1 The Town Clerk shall notify forthwith the precinct of any vacancy which occurs in a precinct delegation.

2-9-2 The person who received the highest number of votes among the unsuccessful representative town meeting member candidates at the most recent election in the precinct shall fill the vacancy until the next regular election. If such person declines, or is unable to fill the vacancy, the person who received the next highest number of votes among the unsuccessful representative town meeting member candidates at the most recent election shall fill the vacancy. If the vacancy cannot be filled in this manner, the precinct caucus delegation shall vote to fill the vacancy. If necessary, the Town Clerk shall call members of the precinct caucus delegation together by written notice and shall conduct the election.

Section 10 Conflict of Interest

2-10-1 Notwithstanding any general or special law to the contrary, any representative town meeting member who also holds a position of employment by the town shall be prohibited from voting on any town meeting article in which such employee, or such employee's department, has a financial interest. Such representative town meeting member shall notify the Town Clerk, in writing, prior to the representative town meeting session or during such session at such time as such member becomes so aware, as to any articles giving rise to such financial interest. This section shall apply to the annual budget article, or any later amendment thereto, as follows: The representative town meeting member is prohibited from voting on the budget line item for his or her department or agency, but shall not be prohibited from voting on any other line item, or from voting on the overall budget appropriation.

2-10-2 Notwithstanding any general or special law to the contrary, no representative town meeting member shall vote on any town meeting article in which an immediate family member, or any business

or organization in which the representative town meeting member serves as an officer, director, partner, or employee, or has a financial interest. For purposes of this section, "immediate family member" shall be defined as the representative town meeting member, his or her spouse and each of their parents, children, brothers, and sisters. Any such representative town meeting member shall notify the Town Clerk, in writing prior to the representative town meeting session, as to any articles giving rise to such financial interest.

2-10-3 For the purposes of Section 10 of Chapter 2 of this Charter, the "financial interest" of a representative town meeting member shall be determined pursuant to the interpretation of the term "financial interest" by the State Ethics Commission and applicable reported appellate court decisions, which are hereby incorporated by reference. The "financial interest" of a department shall be defined as any particular warrant article and related motions or votes which specifically refer to said department.

Section 11 **Caucuses**

2-11-1 The representative town meeting members from each precinct shall, within twenty (20) days following each town election, meet and elect from among their own precinct's representative town meeting members, a chairperson, vice-chairperson, and clerk, to serve for a term of one (1) year, and shall file a notice of such organization with the Town Clerk. If the Town Clerk fails to receive a notice of organization within twenty-one (21) days following a town election, the Town Clerk shall immediately call a meeting of the representative town meeting members from such precincts that have failed to organize, for the purposes of organizing.

2-11-2 Each precinct delegation shall hold a caucus meeting for the purpose of reviewing the subject matter of the upcoming representative town meeting. Caucus meetings may be held in conjunction with other precinct delegations.

2-11-3 Each precinct chairperson shall arrange for the posting of notices of caucus meetings in Town Hall *and on the Town's website*. Each such caucus meeting shall be conducted in accordance with G.L. c.39, § 23A et seq., the Open Meeting Law.

2-11-4 The precinct chairpersons shall meet together within forty-five (45) days following each town election, and shall organize as a Committee of Precinct Chairs, electing a Chairperson and a Clerk.

Section 12 **Advisory and Finance Committee**

2-12-1 An Advisory and Finance Committee of fifteen (15) members shall be appointed by the Moderator for three-year (3) overlapping terms. There shall be no more than three (3) members from each precinct of the town. The Advisory and Finance Committee shall choose from its members a chairperson and fill such other offices as it may create. The Moderator may fill any vacancy by appointment and the term of such appointment shall be for the remainder of the unexpired term of the person causing such vacancy.

Persons not registered to vote in the Town of Plymouth, Town of Plymouth employees, and representative town meeting members shall not be eligible for appointment to, or service on, the Advisory and Finance Committee.

2-12-2 The Advisory and Finance Committee shall conduct one (1) or more public hearings on the proposed operating and capital budget and shall issue its recommendations in a detailed written report and ~~make copies available to representative town meeting members and voters~~ shall mail copies to town meeting members postmarked not later than fourteen (14) days prior to the scheduled date of the representative town meeting and make copies available to voters at least fourteen (14) days prior to the scheduled date of the representative town meeting. In preparing its report, the Committee may require any town department, board, or office to furnish it with appropriate financial reports and budgetary information. If the Advisory and Finance Committee has failed to consider a warrant article, the representative town meeting may consider that article, provided that two thirds (2/3) of the representative town meeting members in attendance vote to do so. No such vote shall be taken unless the article has been presented to the Advisory and Finance Committee.

2-12-3 The Advisory and Finance Committee shall present the proposed budget to the representative town meeting.

2-12-4 In the final month of the fiscal year, no department, commission, office or agency may expend, except for amounts previously encumbered, more than one-twelfth (1/12) of its annual appropriation, unless expenditures have been approved by the Advisory and Finance Committee.

Section 13 Standing Committees

2-13-1. The representative town meeting shall have standing committees to manage its internal affairs and provide analysis and advisory opinions and report directly to town meeting as herein below provided, on all matters subject to legislative action with the exception of budgeting and finance matters.

Town meeting management shall be provided by a standing committee titled Committee of Precinct Chairs (see Section 11 Caucuses).

Analysis and advisory functions shall be provided by other standing committees, each devoted to different subject matter, with the exception of finance and budgeting, which will be handled separately (see below). At minimum, there shall be separate standing committees to analyze and advise on Planning, Land Use and Development and Public Infrastructure.

2-13-2. Additional standing committees can be created by a majority vote of town meeting. The Town Moderator, Chair of the Finance Committee, and Chair of the Committee of Precinct Chairs will appoint town members to all standing committees.

A standing committee shall consist of at least 9 representative town meeting members with no more than one member from the same precinct. Members will be selected from the body of town meeting members by a majority vote of the Town Moderator, Chair of the Finance Committee, and Chair of the Committee of Precinct Chairs, and serve for the remainder of their town meeting member term. The Town Moderator, Chair of the Finance Committee, and Chair of the Committee of Precinct Chairs will collectively assign warrant articles to different standing committees. An article may be assigned to more than one standing committee if warranted by the subject matter.

2-13-3. Each standing committee shall have the following responsibilities: (1) to familiarize themselves with how the town functions in their respective areas, as preparation for formal review of town meeting articles related to those town functions; (2) to research and analyze upcoming warrant articles related to the committee's area of specialty; (3) shall hold at least one public hearing to get community input about upcoming articles; and (4) and to present to town meeting the pros and cons

of proposed articles and their short- and long-term impacts related to their specialty, with an advisory report reflecting those judgments and a report on the vote of the committee; and shall mail copies to town meeting members postmarked not later than fourteen (14) days prior to the scheduled date of the representative town meeting and make copies available to voters. In preparing its report, each standing committee may require any town department, board or office to furnish it with appropriate information.; and (5) on those articles not related to budgeting or finance and that have been exclusively assigned to it, issue a report of a majority of the committee directly to the town meeting, whereupon the town meeting may, in the absence of a report of the Advisory and Finance Committee as provided in Section 2-4-7. consider the warrant article.
2-13-4. Financial analysis and advisory judgments will be made by the Advisory and Finance Committee, an appointed body outside town meeting (see Section 12 Advisory and Finance Committee). The Advisory and Finance Committee can review articles that are not exclusively of a financial nature, at its discretion, irrespective of the assignment of articles by the Town Moderator, Chair of the Finance Committee, and Chair of the Committee of Precinct Chairs.”

CHAPTER 3

THE EXECUTIVE BRANCH: THE BOARD OF SELECTMEN, THE TOWN MANAGER AND PLANNING BOARD

Section 1 The Board of Selectmen: Composition and Terms

3-1-1 A Board of Selectmen of five (5) members shall be elected for three-year (3) overlapping terms. The regular election for the office of selectman shall be held in accordance with Chapter Five of this Charter.

3-1-2 Vacancies in the office of selectman shall be filled by special election in accordance with G.L. c. 41, § 10, and any other applicable law.

Section 2 Board of Selectmen: General Powers and Duties

3-2-1 The Board of Selectmen shall be the chief executive body of the town. It shall serve as the goal setting, long-range planning and policy-making body of the town. It shall make recommendations on major courses of action to the representative town meeting. It shall adopt policy directives and guidelines which the officers, boards, committees, commissions and employees of the town shall implement. The Board of Selectmen shall maintain a policy handbook containing such policy directives and guidelines.

3-2-2 The Board of Selectmen shall have the power to enact rules and regulations to implement its policies.

3-2-3 The Board of Selectmen shall review the annual proposed operating and capital budgets submitted by the Town Manager and make recommendations with respect thereto as it deems advisable. The Town Manager shall present the budget, incorporating the recommendations of the Board of Selectmen, to the Advisory and Finance Committee.

3-2-4 The Board of Selectmen shall act as the licensing authority of the town and shall have the power and responsibility to issue licenses, to make all necessary rules and regulations regarding the issuance of

licenses, to attach conditions and impose restrictions in the public interest, and to enforce, or cause to be enforced, laws, rules and regulations relating to all businesses for which it issues licenses.

3-2-5 The Board of Selectmen shall have the power to approve all collective bargaining agreements to which the town is the contracting agency.

3-2-6 The Board of Selectmen shall be responsible, through the Town Manager, for the efficient and orderly operation of all agencies of the town except those under the direction of another elected town agency.

3-2-7 The Board of Selectmen may investigate or authorize the Town Manager, or another town officer or any agency, to investigate the conduct of any town department, office or agency. A detailed written report of any such investigation shall be filed in the Town Manager's office, and a report summarizing such investigation shall be printed in the next published annual town report.

3-2-8 The Board of Selectmen shall meet jointly with the School Committee, and all other elected boards of the town for the purpose of sharing information. The Board of Selectmen shall schedule the joint meeting(s), which shall be held no less than once (1) a year.

Section 3 **Appointments**

3-3-1 The Board of Selectmen shall appoint a Town Manager, town counsel, registrars of voters, election officers, constables, and members of all multiple-member boards, committees, and commissions except as otherwise provided in this Charter and/or the town by-laws.

Section 4 **Town Manager: Appointment and Removal**

3-4-1 The Board of Selectmen shall appoint a Town Manager by an affirmative vote of four (4) members of the Board.

3-4-2 The Town Manager shall be appointed solely on the basis of executive and administrative qualifications. The Town Manager shall be a professionally qualified person of proven ability, especially fitted to perform the duties of the office by education, training, and previous experience in municipal administration. The Town Manager shall have had at least five (5) years of full-time paid experience as a City or Town Manager, Assistant City or Town Manager, Town Administrator or Assistant Town Administrator, or the equivalent level of experience.

The town may, from time to time, establish such additional qualifications as deemed necessary and appropriate. The Town Manager shall not be subject to a personnel by-law, if any.

In addition to other terms as set forth in this Charter generally and in this Section 4 of Chapter 3 specifically, the Town Manager shall devote full time to the office and shall not hold any other public office, elective or appointive, nor engage in any other business or occupation during the term of office, unless such action is approved in advance, in writing, by the Board of Selectmen. With the approval of the Board of Selectmen, the Town Manager may serve as the town's representative to regional boards, commissions, and the like, but the Town Manager may not receive additional compensation from the town for such services.

To the extent permitted by law, the terms of the Town Manager's employment shall be the subject of a written agreement between the parties setting forth the length of service, compensation, vacation, sick leave, benefits, and such other matters (excluding tenure) as are customarily included in an employment contract.

3-4-3 The Board of Selectmen may discipline or discharge the Town Manager at any time by an affirmative vote of four (4) members of the Board of Selectmen. Within seven (7) days thereafter, the Town Manager may appeal the decision of the Board of Selectmen by filing a written request for a public hearing with the Board of Selectmen. If such a request is filed, the Board of Selectmen shall conduct a public hearing within fourteen (14) days of the written request, and act upon the appeal within seven (7) days after the public hearing.

3-4-4 The Board of Selectmen shall designate a qualified person to serve as Acting Town Manager and to perform the duties of the office during any vacancy of the Town Manager exceeding thirty (30) days caused by the Town Manager's absence, illness, suspension, removal, or resignation. The term of appointment of an Acting Town Manager shall not exceed one hundred eighty (180) days.

Section 5 Town Manager: Powers and Duties

3-5-1 The Town Manager shall be the chief administrative officer of the town. The Town Manager shall be responsible to the Board of Selectmen for the effective management of all town affairs placed in the Town Manager's charge by this Charter, the Board of Selectmen, by-law, or vote of the representative town meeting. The Town Manager shall be responsible for the implementation of town policies established by the Board of Selectmen.

The Town Manager shall:

a. unless otherwise provided herein and in Section 2 of Chapter 6 of this Charter, and except as may be otherwise provided in Civil Service Law, appoint, suspend, or remove all department heads, a Board of Assessors, and all officers, subordinates, and employees of the town, including those under grant funding, except employees of the school department. The Town Manager shall appoint a town clerk, whose duties shall be as specified in general or special legislation. In the case of an employee who works with a multiple-member board or the Plymouth Public Library Corporation, the Town Manager shall act in accordance with this Section only after consultation with that multiple-member board, or the Plymouth Public Library Corporation, as the case may be. Except as may be otherwise provided in Civil Service Law, appointments, suspension, or removals of Department and Division Heads, or equivalents regardless of title, shall take effect on the fifteenth (15) day after the Town Manager files notice of the action with the Board of Selectmen unless the Board shall within that period, by a vote of four members veto the action. The Board of Selectmen may, by a majority vote, waive this fifteen (15) day period, whereupon the action shall become effective forthwith. This same authority to veto the actions of the Town Manager provided herein to the Board of Selectmen shall accrue to the Planning Board in the case of the appointment, suspension or removal of the Director of Planning and Development;

b. fix the compensation of all town officers and employees appointed by the Town Manager within the limits of existing appropriations and personnel bylaws;

c. supervise all town departments under the jurisdiction of the Board of Selectmen and direct the operations of the town;

- d. may, with the approval of the Board of Selectmen, establish, reorganize, consolidate or abolish any department or position under the Town Manager's direction and supervision;
- e. administer, either directly or through designated persons, all provisions of general and special laws applicable to the town, and all by-laws and regulations established by the Board of Selectmen;
- f. coordinate the operational and strategic planning for the town;
- g. administer all grants received by the town;
- h. submit to the Board of Selectmen a written proposed operating budget for the ensuing fiscal year, providing in detail the estimated revenue from all sources and all expenditures, including debt services, for the previous, current and ensuing year;
- i. submit annually to the Board of Selectmen a five-year (5) capital improvements program, including a list of all capital improvements proposed for the next five (5) fiscal years with supporting data, cost estimates, methods of financing, recommended time schedules, and the effect on the operating budget or revenues for each proposed capital improvement;
- j. keep full and complete records of the financial and administrative activities of the town and render a detailed written report on all operations as often and for such periods as may be required by the Board of Selectmen;
- k. administer and enforce collective bargaining contracts, and personnel rules, regulations, and by-laws adopted by the town;
- l. develop and maintain a complete inventory of real and personal property of the town, except school property, at least annually.
- m. procure from the school department, a detailed written report of the complete inventory of real and personal school property for annual submission to the Board of Selectmen. The school department shall be obligated to prepare the detailed written report;
- n. have full jurisdiction over the lease, rental, and use of all town property, except schools, and shall be responsible for the maintenance and repair of all town property;
- o. be the Chief Procurement Officer under the provisions of G.L. c. 30B , responsible for the purchasing of all supplies, materials, and equipment for the town, including the bidding and awarding of all contracts, except for the school department;
- p. approve all warrants or vouchers for payment of town funds submitted by the Town Accountant;
- q. negotiate collective bargaining contracts on behalf of the Board of Selectmen, unless the Town Manager specifically designates another negotiator or negotiating team;
- r. represent the town at local, state, and regional meetings, and undertake public relations activities for the Board of Selectmen;

- s. have authority to examine, without notice, the activities of any agency under the Town Manager's control, or the conduct of any officer or employee thereof;
- t. have access to all town books and records necessary for the performance of the duties of Town Manager;
- u. conduct periodic operational and staffing evaluations of selected town departments, and provide a written report of the assessments performed to the Board of Selectmen and to the representative town meeting; and
- v. perform any other duties required by town by-laws, the Board of Selectmen, or vote of the representative town meeting.

Section 6 Department of Public Works

3-6-1 The Director of the Department of Public Works shall be appointed by the Town Manager and shall be a civil engineer or any other combination of experience and education including a Masters Degree in a related field. The Director of the Department of Public Works shall be qualified by education and experience for the duties of the office.

3-6-2 The Department of Public Works shall be responsible for:

a) the design, construction, maintenance, repair, and cleaning of roads, sidewalks, storm drains, bridges, and other public way related structures;

b) the maintenance, repair, ~~and~~ cleaning and custodial services of all buildings and grounds owned or leased by the Town;

c) the development and maintenance of all cemeteries, parks, and recreation facilities;

d) snow and ice removal;

e) providing for and supervising the collection and disposal of garbage and other refuse, and the maintenance and operation of all facilities for the disposal of the same;

f) the supervision, care and replacement of trees;

g) the design, construction, operation, and maintenance of all water and sewer facilities;

h) such other functions as the Town Manager assigns; and

i) the master planning of all infrastructure elements under their jurisdiction including but not limited to, public roadways, sidewalks, stormdrains, bridges, cemeteries, parks and recreation facilities, solid waste and waste water facilities all of which shall be coordinated and consistent with the Comprehensive Master Plan provided for in Chapter 3-14-4.

~~have general responsibility and supervision of the maintenance and custodial services for all town-owned buildings and grounds.~~

Section 7 **Board of Health**

3-7-1 A Board of Health of five (5) members shall be appointed by the Board of Selectmen for three-year (3) overlapping terms.

3-7-2 The Board of Health shall exercise such powers and duties as prescribed by the General Laws, this Charter and town by-laws.

Section 8 **Establishment and Scope of the Department of Finance**

3-8-1 There shall be a Department of Finance responsible for the fiscal and financial affairs of the town and for the coordination and overall supervision of all fiscal and financial activities of all town government agencies except the School Department. The Department of Finance shall include the functions of Accountant, Treasurer, Collector, Assessors and Director of Data Processing.

3-8-2 The Department of Finance shall be responsible for, and shall include, the following functions:

coordination of all financial services and activities of town government;

maintenance of all accounting records and other financial statements for all town government offices and agencies;

payment of all financial obligations on behalf of the town;

investment of town funds and management of debt;

receipt of all funds due to the town from any source;

maintenance of the system of property valuation;

rendering of advice, assistance, guidance and recommendations to all other town offices and agencies in any financial or fiscal affairs;

monitoring throughout the fiscal year of the expenditure of funds by town offices and agencies;

general supervision of the purchase of all goods, services, materials and supplies by the town; and

general supervision of all data processing functions, activities and equipment of town government offices and agencies.

Section 9 **Director of Finance**

3-9-1 The Town Manager shall appoint a Director of Finance. The Director of Finance shall be especially fitted by education, training, and experience to perform the duties of the office.

3-9-2 At the discretion of the Town Manager, the Director of Finance may serve as the head of any division within the department. The Town Manager also may designate a person to serve as head of more than one (1) division within the department.

3-9-3 The Director of Finance shall be responsible to the Town Manager for the effective operation of the Department of Finance and all fiscal and financial activities of town government. The Director shall coordinate and provide overall supervision for all activities of the department and, in consultation with the division head and the Town Manager, shall have the authority to direct and assign all personnel serving in that department.

3-9-4 The Director of Finance shall be responsible to the Town Manager and shall have the following specific powers and duties, subject to the direction of the Town Manager:

coordination of the financial functions of all departments and agencies and supervision of the following functions: accounting, treasury, tax collections, assessing, data processing, budgeting and procurement; ensure that each function is operating efficiently and in accordance with the applicable statute, by-law, code and/or accepted practice;

accountability for planning, organizing and providing administrative direction for all financial functions;

working with the Town Manager and the Board of Selectmen in developing strategic financial plans and policies;

compilation and submission of an annual operating budget and an annual capital improvement plan to the Town Manager. The Director shall receive all requests made for the expenditure of town funds from every town office and agency and shall assemble all such requests into a form deemed to be best suited to show a complete financial plan for all town funds and activities for the ensuing fiscal year. The proposed budget shall show in detail all estimated income from the proposed property tax levy and from every other source by category; and

general oversight, throughout the year, of the expenditure of all town funds pursuant to such budgets and expenditures as authorized by the representative town meeting.

Section 10 Conservation Commission

3-10-1 The Board of Selectmen shall appoint a Conservation Commission of seven (7) members for three-year (3) overlapping terms.

3-10-2 The commission shall exercise such powers and duties as prescribed by general law, this Charter, and town by-laws.

Section 11 Development and Industrial Commission

3-11-1 The Town Manager shall appoint a Development and Industrial Commission of nine (9) members for five-year (5) overlapping terms.

3-11-2 The Commission shall exercise such powers and duties as prescribed by general law, this Charter, and town by-laws.

Section 12 **Zoning Board of Appeals**

3-12-1 The Board of Selectmen shall appoint a Zoning Board of Appeals of five (5) members and two (2) associate members for three-year (3) overlapping terms.

3-12-2 The board shall exercise such powers and duties as prescribed by general law, this Charter, and town by-laws.

Section 13 **Establishment and Scope of the Department of Planning and Development**

3-13-1 There shall be a Department of Planning and Development responsible for the planning of the land use, environmental, community planning, and economic planning and development functions of the town. The Department of Planning and Development shall supervise and coordinate all planning and development activities of all town government offices and agencies. The Department of Planning and Development shall include the functions of comprehensive planning, subdivision control, zoning appeals, preservation of natural open space, community development, economic development, design review, redevelopment, and planning of new buildings and facilities.

3-13-2 The Department of Planning and Development shall be responsible for, and shall have, the following specific duties:

- a. development and maintenance of a Comprehensive Master Plan
- b. coordination of all land use planning and development activities of town government;
- c. administration of subdivision control rules and regulations;
- d. preservation of natural open space, and land acquisition and management;
- e. conservation administration and enforcement;
- f. redevelopment, revitalization and rehabilitation activities;
- g. administration of design review, historic district review, and zoning board of appeals, review and planning of affordable housing;
- h. administration of economic development;
- i. maintenance of all land use planning, development, and related records and reports for all town government offices and agencies;
- j. rendering of advice, assistance, guidance, and recommendations to all other town offices and agencies on land use, environmental, community and economic planning, and development matters; and
- k. cooperation with, and participation in, regional area planning.

Section 14 **Planning Board**

3-14-1 The town shall elect a Planning Board of five (5) members for five-year (5) overlapping terms.

3-14-2 The Planning Board shall exercise such powers and duties as prescribed by general law, this Charter, and applicable town by-laws.

3-14-3 The Planning Board shall serve as the long-range planning body of the town with respect to the planning of the physical, environmental, community, and economic development of the town. The Planning Board shall be responsible, through the Director of Planning and Development, for the efficient and orderly operation of all Planning Board functions and all related activities.

3-14-4 The Planning Board shall develop and maintain a Comprehensive Master Plan (CMP) which shall be the guidance document for departmental duties under Section 3-13-2, above, and for the Board's recommendations to the representative town meeting. The CMP shall be updated periodically to address current issues concerning the physical, environmental, community and economic development of the town, including planning strategies for Open Space Preservation, Land Acquisition, Village Centers Development, Economic Development, Housing, and Historic Preservation. The Board shall report annually to the representative town meeting to inform the town of all updates to the CMP and any implementation measures that may require town meeting approval. The Planning Board's recommendations on zoning by-law amendments to the representative town meeting shall be consistent with the CMP. The Planning Board shall solicit public comment and participation throughout the Comprehensive Master Planning Process and shall adopt the CMP and/or annual CMP updates only after a duly noticed public hearing.

3-14-5 The Planning Board shall make recommendations to the representative town meeting and to the Board of Selectmen on all matters concerning the planning of the physical, environmental, community, and economic development of the town as prescribed by general law, this Charter, and applicable town by-laws, and specifically with reference to the consistency of such matters with the current CMP.

3-14-6 At the request of the Planning Board any town board or agency dealing with significant public improvements relating to the physical, environmental, community or economic development of the town, shall report the status of such plans or development to the Planning Board so as to be evaluated and included in the CMP and in the Planning Board's recommendations to the representative town meeting and the Board of Selectmen.

3-14-7 The Planning Board may appoint committees to assist and advise the Board in carrying out its duties under this charter such as a Master Plan committee, a Land Use and Acquisition Committee and such other committees as the Board deems necessary to assist the Board in performing its duties. Failure of the Board to appoint such committees shall not relieve the Board of its responsibilities to fulfill all the duties enumerated under this charter.

3-14-8 The Planning Board shall appoint an open space committee comprised of nine persons to act in an advisory capacity to the Planning Board, representative town meeting with respect to the preservation of natural open space and to assist the Community Preservation Committee in fulfilling its duties under the Community Preservation Act. Five members shall be appointed by the Planning Board, two by the Selectmen and 2 by the Conservation Commission.

Section 15 **Director of Planning and Development**

3-15-1 There shall be a Director of Planning and Development appointed by the Town Manager with veto authority by the Planning Board as delineated in Chapter 3. The Director shall be a professionally qualified person of proven ability, especially fitted to perform the duties of the office by education and training. The Director of Planning and Development shall have had at least five (5) years of full-time paid experience in community planning and development.

3-15-2 At the discretion of the Town Manager, the Director of Planning and Development may serve as the head of any division within the Department of Planning and Development. The Town Manager may also designate one person to serve as the head of more than one division within the Department.

3-15-3 The Director of Planning and Development shall be responsible to the Planning Board for the effective operation of all Planning Board functions and all related activities. The Director shall coordinate and provide overall supervision of all activities of the Department of Planning and Development, and shall have, in consultation with the division head and the Town Manager, the authority to direct and assign all personnel serving in the Department of Planning and Development.

3-15-4 The Director of Planning and Development shall be responsible for, and shall have, the following specific duties:

coordination of the land use, environmental, community, and economic planning and development functions of all town departments and agencies;

supervision of the following functions: planning, preservation of natural open space, land acquisition, community development, economic development, design review, subdivision control, affordable housing, and zoning appeals;

assuring that each function is operating efficiently and in accordance with the applicable statute, by-law, code, and/or accepted practice;

accountability for long-range planning and organizing;

provision of administrative direction for all functions of the Department of Planning and Development; and

working with the Planning Board, Town Manager, and Board of Selectmen in developing strategic plans and policies.

Section 16 **Building Committee**

3-16-1 The Board of Selectmen shall appoint a Building Committee which shall consist of nine (9) members. The committee shall have among its members one (1) member of the Planning Board, a registered professional engineer or architect, an attorney, a person employed in the construction industry or a related trade or occupation, two (2) members of the School Committee and three (3) other ~~persons~~ residents. Members of the committee shall be appointed for three-year overlapping terms.

3-16-2 Upon the request of the Town Manager or a Department Head the Building Committee shall meet with various town departments from time to time to determine the need for additions or renovations to any existing buildings or facilities, for the construction of new buildings or facilities, or for the demolition or disposal of existing buildings. The committee shall report its recommendations to the Board of Selectmen and the Representative Town Meeting and the School Committee when applicable. Whenever any such work is authorized by the Representative Town Meeting, the Building Committee shall be responsible for the ~~supervision~~ oversight of all work relating thereto, including site planning, preliminary architectural drawings, final plans, and the ~~supervision~~ oversight of all construction.

3-16-3 Upon request of the Building Committee the town manager may provide support personnel to assist the Building Committee in carrying out its duties.

Section 17 Communication

3-17-1 The people of the Town of Plymouth wish to promote and ensure communication and collaboration between the Town's various Boards, Agencies and Departments.

3-17-2 The elected chairpersons, or, if the Chair is unavailable, another member designated by the Chair, of the Planning Board, Board of Selectmen, School Committee, Plymouth Redevelopment Authority, Plymouth Housing Authority, Advisory and Finance Committee, and the Committee of Precinct Chairs shall meet on a regular basis, at least quarterly.

The initial meeting shall be organized by the Board of Selectmen. Thereupon the members shall organize themselves in accordance with and be subject to Section 6-1-1. These meetings shall be subject to the Massachusetts Open Meeting Law M.G.L. c.30, §§ 18-25 et seq.

3-17-3 The meeting shall have available such Town resources as are necessary to enable it to properly perform its duties. All Town Department Heads shall be available to provide insight and information. Any other Town Committee, Board, Agency or Department may be invited to participate as a member of the meeting. Any Town Committee, Board, Agency or Department may request, but not require, an item be placed on the agenda for discussion.

3-17-4 The purpose of these meetings shall be to:

a. provide a forum wherein Town Boards, Agencies and Departments are communicating their decisions and concerns to each other as they relate to the Town's long term plans;

b. foster joint discussions of the long-term physical, economic and administrative needs and desires of the town;

c. encourage each Town Board, Agency and Department to be aware when its efforts need communication and coordination with others; and

d. report to Town Meeting on a yearly basis to keep it abreast of the coordination of long-term planning and implementation.

CHAPTER 4

ELECTED TOWN BOARDS AND OFFICERS

Section 1 **General Provisions**

4-1-1 Beginning with the first town election held after the effective date of this Charter, the town shall elect the following boards and offices:

a board of selectmen of five (5) members;

a school committee of seven (7) members who shall be elected for three-year (3) overlapping terms;

a housing authority of five (5) members, four (4) to be elected, and one (1) to be appointed in accordance with applicable law, for five-year (5) overlapping terms;

a planning board of five (5) members; and

a redevelopment authority of five (5) members, four (4) to be elected, and one (1) to be appointed in accordance with applicable law, for five-year (5) overlapping terms.

4-1-2 The terms of office of multiple-member boards shall overlap, except as general or special law may provide otherwise. Representative town meeting members shall be elected in accordance with Section 2-2-1 of this Charter.

4-1-3 During the term for which a member is elected, and for one (1) year following expiration of such term, no member of any elected board under this Charter shall be eligible to accept any paid position under such board or in the same department.

4-1-4 Vacancies in boards established under this chapter, except the Board of Selectmen, shall be filled by the Board of Selectmen, together with the remaining members of the appropriate board in accordance with the provisions of general law.

Section 2 **Simultaneous Elected Offices**

4-2-1 No representative town meeting member, or elected town official representing the entire town, shall hold simultaneously any other elected town office other than member of a Charter Commission. Any person who holds multiple offices in violation of this section shall promptly inform the Town Clerk as to which office that person will vacate. Election to any county, state or federal office *other than County Charter Commissioner* shall be deemed to be an event disqualifying an elected town official (including but not limited to representative town meeting member) from continuing in his or her elected town office.

CHAPTER 5

ELECTIONS

Section 1 Town Elections

5-1-1 The regular election for all town offices shall be by official ballot held on the second Saturday of May of each year.

5-1-2 The order in which names of candidates appear on election ballots for any office, including that of representative town meeting member, shall be determined by a drawing by lot conducted by the town clerk which shall be open to the public. Notification to the candidates and to the public shall be by publication in a local newspaper during the week preceding the week in which the day of the drawing is to take place. The ballot shall identify candidates seeking re-election with the phrase "Candidate for Re-election" placed next to the candidate's name.

5-1-3 Information for Voters

Notwithstanding section 22A of chapter 55 of the General Laws, section 21C of chapter 59 of the General Laws or any other general or special law to the contrary, the official election ballot in the town of Plymouth shall include a fair and concise summary of any binding or non-binding question to be submitted solely to the voters of the town, along with a 1-sentence statement describing the effect of a yes or no vote, both prepared by town counsel and approved by the board of selectmen. Submission to the town clerk of the summary and 1-sentence statement shall be governed by section 42C of chapter 54 of the General Laws. The board of selectmen shall, not less than 7 nor more than 14 days before an election at which a question is to be voted upon, publish the following in a newspaper of general circulation in the town: (1) the full text of the question; (2) a fair and concise summary of the question; and (3) the 1-sentence statement describing the effect of a yes or no vote on the question; provided, however, that failure to timely publish such information shall not affect the validity of the election. The board of selectmen shall also post the full text of each ballot question, the summary and the 1-sentence statement in at least 1 location in the town or on the town's official website and shall make the same available at each polling place on the day of the election. The town may, by by-law, require additional posting or publishing of such information, subject to available funds and any other conditions that may be imposed by by-law.

Section 2 Elections to be Nonpartisan

5-2-1 All town elections shall be nonpartisan, and election ballots for town offices shall be printed without any party mark, emblem, vignette, or designation whatsoever.

Section 3 Time of Taking Office

5-3-1 Any person duly elected to any office or board shall take up the duties of the office immediately upon certification, provided that such person shall first have been sworn to the faithful performance of the duties of that office by the Town Clerk.

Section 4 **Nomination of Candidates for Election to Representative Town Meeting**

5-4-1 The nomination of a candidate for election or reelection as representative town meeting member shall be made by separate nomination papers signed by not less than ten (10) registered voters of the precinct in which the candidate resides. Nomination papers shall be filed with the Town Clerk no later than the last day on which the nomination papers of candidates for other offices must be filed.

5-4-2 Nomination papers shall identify representative town meeting members seeking re-election with the phrase "Candidate for Re-election" placed next to each candidate's name.

5-4-3 The nomination procedure for all other elected positions shall be as set forth in general or special law.

Section 5 **Initiative**

5-5-1 Any ten (10) registered voters of the town may secure the inclusion of an article in the warrant for either of the annual representative town meetings by written petition to the Board of Selectmen. At least one hundred (100) registered voters may secure the same for any special town meeting.

Section 6 **Referendum**

5-6-1 A vote of the town meeting under any article in the warrant shall not be operative until ten (10) days after its final passage other than the following: (a) to adjourn; (b) to appropriate money for the payment of principal and interest of bonds and notes of the town; (c) to authorize the temporary borrowing of money in anticipation of revenues and (d) to amend zoning bylaws or as otherwise provided by statute.

5-6-2 If within ten (10) days of an affirmative vote of final passage by the representative town meeting, a petition signed by not less than three (3) percent of the registered voters in the town is filed with the Town Clerk asking that any question involved in such a vote be submitted to the voters of the town, then the town shall hold a referendum for the sole purpose of presenting the question to the voters of the town.

5-6-3 Within five (5) days after receipt of the petition the Town Clerk shall determine whether the petition contains a sufficient number of signatures. If there is a sufficient number of signatures, the Town Clerk shall inform the Board of Selectmen, who, with the Town Clerk, shall provide for a referendum to be held between thirty-five (35) and ~~forty-five (45)~~ ninety (90) days after such determination.

5-6-4 Each question to be voted on in the referendum shall be submitted to the voters in the following form: "Shall the town vote to approve the action of the representative town meeting whereby it was voted that (here insert a brief summary of the substance of the vote)?"

5-6-5 The vote on a referendum question shall be in accordance with the provisions of general law relating to special town elections.

Section 7 **Recall of Elective Officeholders**

5-7-1 Voters may recall any elected officeholder as herein provided.

5-7-2 Five hundred (500) registered voters of the town may file an initial petition containing the name of the officeholder sought to be recalled and a statement of the grounds for recall with the Town Clerk. No more than fifty (50) names shall be counted from any one (1) precinct of the town.

5-7-3 The Town Clerk shall thereupon deliver to the first ten (10) registered voters named on such initial petition, a sufficient number of copies of recall petition blanks demanding such recall. The Town Clerk shall keep these printed forms available. The Town Clerk shall sign and affix the official seal to the recall petition blanks that are issued. Photocopies of recall petitions which do not bear the official seal shall not be accepted by the Town Clerk. The recall petition blanks shall be dated and addressed to the Board of Selectmen, demanding the election of a successor to such office. The recall petition blanks shall contain the names of the ten (10) persons to whom the recall petition blanks are issued, the number of recall petitions issued, the name of the officeholder whose recall is sought, and the grounds for recall as stated in the initial petition.

5-7-4 The Town Clerk shall enter a copy of the recall petition in the town records. The recall petition shall bear the signatures and residential addresses of at least fifteen (15) percent of the registered voters and shall be returned to the Town Clerk within twenty (20) business days after the filing of the initial petition. All completed recall petitions containing the signatures requesting a recall election need not be submitted simultaneously.

5-7-5 The Town Clerk shall submit the recall petition to the registrars of voters within one (1) business day of receipt. The registrars of voters shall certify thereon the number of signatures which represent registered voters within seven (7) business days.

5-7-6 If the recall petition is certified by the registrars of voters as sufficient, the Town Clerk shall submit the same with a certificate so stating to the Board of Selectmen. Within three (3) business days of receipt of the certificate of certification, the Board of Selectmen shall give written notice by registered mail, of the receipt of the certificate to the officeholder sought to be recalled.

5-7-7 If the officeholder does not resign within five (5) business days thereafter, the Board of Selectmen shall order a special election to be held on a date fixed by them, which shall be not less than sixty (60) nor more than ninety (90) days after the date of the Town Clerk's certificate that a sufficient recall petition has been filed; provided, however, that if any other town election is to occur within one hundred (100) days after the date of the certificate, the Board of Selectmen shall postpone the holding of the special election to the date of such other election.

5-7-8 The nomination of candidates, the publication of the warrant for the recall election, and the conduct of the same, shall all be in accordance with the provisions of general law relating to elections. The election to replace the officeholder sought to be removed shall be held on the same day as the recall election.

5-7-9 The incumbent shall continue to perform the duties of office until the recall election. If not recalled, the incumbent shall continue in office for the remainder of the unexpired term. An incumbent having successfully survived a recall election shall not again be subject to recall during the same term of

office. If recalled, the incumbent shall be deemed removed upon the qualification of the successor who shall hold office for the remainder of the unexpired term. If the successor fails to qualify within five (5) business days after receiving notification of election, the incumbent shall thereupon be deemed removed and the office vacant.

5-7-10 The form of the question to be voted upon shall be substantially as follows: "Shall (here insert the name and title of the elective officeholder whose recall is sought) be recalled?" The action of the voters to recall shall require a majority vote, but shall not be effective unless the total of those voting for and against recall exceeds twenty (20) percent of the registered voters of the town.

5-7-11 No person, having been removed from office by recall or having resigned from office while recall proceedings were pending, shall be appointed to any town office within two (2) years following said removal or resignation.

5-7-12 Recall proceedings shall not be initiated during the first or last one hundred eighty (180) days of any officeholder's term of office.

Section 8 Recall of Representative Town Meeting Members

5-8-1 Representative town meeting members shall be subject to recall as generally provided in Section 7 of Chapter 5 of this Charter, provided:

that the words "representative town meeting member" shall be substituted for the word "officeholder" throughout Section 7 of Chapter 5 of this Charter;

that in Section 5-7-2 the number "one hundred twenty-five (125)" shall be substituted for the number "five hundred (500)," and that names submitted shall be those of registered voters residing in the precinct of the intended recall election;

that in Section 5-7-4, the recall petition shall include the signatures and residential addresses of at least fifteen (15) percent of the registered voters residing in the precinct, and the words "ten (10) business days" shall be substituted for the words "twenty (20) business days";

that in Section 5-7-7 the words "special precinct election" shall be substituted for the words "special election";

that in Section 5-7-10 the words "of the precinct" shall be substituted for the words "of the town"; and

that any vacancy created by a recall election shall be filled in accordance with the provisions of Section 9 of Chapter 2 of this Charter.

CHAPTER 6

TOWN BOARDS, COMMISSIONS, COMMITTEES, AND DEPARTMENT AND DIVISION HEADS

Section 1 General Provisions

6-1-1 All boards, commissions, and committees of the town shall organize annually as soon after the annual election as practicable, to elect necessary officers, establish quorum requirements, adopt rules of procedure, and maintain minutes. All boards, commissions, and committees of the town regularly shall file approved meeting minutes with the Town Clerk. Such minutes shall be made available for inspection to all persons requesting them.

Section 2 Delegation of Appointment, Discipline, and Removal Power

6-2-1 The powers conferred upon the Town Manager in Section 3-5-1(a) of this Charter, for all employees subject to the provisions of G.L. c.31, the Civil Service Law, (except Department and Division Heads, or their equivalents regardless of title, and school employees), may be delegated to the appropriate Department Heads. To the extent permitted by law, such powers, which shall include the ability to appoint, discipline, or discharge an employee, shall be subject to final approval by the Town Manager, without appeal or recourse to the Board of Selectmen.

6-2-2 All multi-member Board and Committee appointments made under the provisions of this Charter shall be for a specific term. Any person whose cumulative attendance falls below 50% in a twelve (12) month period, shall be deemed to have resigned from the appointed position. Thereafter, the position shall be considered vacant for all purposes.

6-2-3 All bodies who have the ability to appoint shall also have the authority to remove the appointee for cause, by a vote of the appointing authority, as defined in the establish process developed by the appointing authority.

CHAPTER 7

GENERAL PROVISIONS

Section 1 Charter Amendment

7-1-1 This Charter may be replaced, revised, or amended in accordance with the provisions of general law.

Section 2 Specific Provisions to Prevail

7-2-1 To the extent that any specific provision of this Charter conflicts with any general provision, the specific provision shall prevail.

Section 3 Severability of Charter

7-3-1 If any provision of this Charter is held invalid, the other provisions of this Charter shall not be affected thereby. If the application of this Charter or any of its provisions to any person or circumstances

is held invalid, the application of this Charter and its provisions to other persons and circumstances shall not be affected thereby.

Section 4 Continuation, Revision, and Republication of By-Laws

7-4-1 All special acts, by-laws, resolutions, rules, regulations, and votes of the town meeting in force on the effective date of this Charter, not inconsistent with its provisions, shall continue in force until amended or repealed.

Section 5 Enforceability of this Charter

7-5-1 The provisions of this Charter may be enforced by any applicable general or special law, including, but not limited to G.L. c.43B, § 14 and G.L. C. 231A.

Section 6 Periodic Charter Review

7-6-1 At least once in every five (5) years, a special committee shall be appointed by the town Moderator for the purpose of reviewing this Charter and to make a report, with recommendations, to the ~~next annual~~ representative town meeting concerning any proposed amendments which said committee may determine to be necessary or desirable.

Mr. Luszc moved to divide the question to consider:

(1) those amendments recommended by the Charter Review Committee for which the Advisory and Finance Committee has presented no amendments, as follows:

- Preamble
- Section 2-2-3
- Section 2-4-7
- Section 2-5-3
- Section 2-11-3
- Section 3-6-2
- Section 3-6-2(b)
- Section 3-6-2(d)
- Section 3-6-2(i)
- Section 3-16-2
- Section 3-17
- Section 4-2-1
- Section 5-6-3
- Section 6-2-2
- Section 6-2-3
- Section 7-6-1

(2) the amendment to Section 2-12-1 recommended by the Advisory and Finance Committee

(3) the amendment to Section 2-12-2 recommended by the Advisory and Finance Committee and the Charter Review Committee

(4) the amendment to Section 2-13-1 through 2-13-4 recommended by the Charter Review Committee

(5) the amendment to Section 3-17-1 through 3-17-4 recommended by the Charter Review Committee

With no objection from Town Meeting, Town Meeting will consider on the division as stated.

Ms. Hall moved to extend Mr. Luszcz's time by three minutes.
The motion PASSED.

The Moderator called a recess at 9:52 AM.
Town Meeting returned to order at 10:07 AM.

Motion 1:

Mr. Nassau moved that the Town vote to authorize the Board of Selectmen to petition the General Court for special legislation to amend the following sections of the Town Charter as recommended by the Charter Review Committee in its report entitled, "Town of Plymouth Proposed Charter Amendments Final Draft," dated February 9, 2012, and by the Advisory & Finance Committee in the printed Report and Recommendations:

Preamble
Section 2-2-3
Section 2-4-7
Section 2-5-3
Section 2-11-3
Section 3-6-2
Section 3-6-2(b)
Section 3-6-2(d)
Section 3-6-2(i)
Section 3-16-2
Section 3-17
Section 4-2-1
Section 5-6-3
Section 6-2-2
Section 6-2-3
Section 7-6-1

Provided, however, that the General Court make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approve amendments to the bill before enactment by the General Court, and authorizing the Board of Selectmen to approve amendments which shall be within the scope of the general public objectives of the petition.

David Peck moved to amend the main motion be amended by deleting Section 3-16-2 of the Charter in its entirety and inserting in place thereof the following:

3-16-2 Department Heads will meet with the Building Committee to review the scope of any building project for the addition, renovation, new construction, demolition and/or disposal of any Town facilities, regardless of funding source (general funds, debt financed, or leased); so as to see Building Committee support for funding of said project. Whenever such project is authorized, the Building Committee shall be responsible for the oversight of all work relating thereto, including site planning, preliminary architectural drawings, final plans and the oversight of all construction.

On the motion to amend, the motion FAILED.

On Motion 1, the motion PASSED.

Motion 2

Mr. Nassau moved that the Town vote to authorize the Board of Selectmen to petition the General Court for special legislation to amend Section 2-12-1 of the Town Charter as recommended by the Advisory & Finance Committee in the printed Report and Recommendations, provided, however, that the General Court may make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approve amendments to the bill before enactment by the General Court, and authorizing the board of Selectmen to approve amendments which shall be within the scope of the general public objectives of the petition.

The motion FAILED.

Kevin Doyle moved to insert a new clause at the end of the second sentence of Section 2-12-1 to provide as follows:

An Advisory and Finance Committee of fifteen (15) members shall be appointed by the Moderator for three-year (3) overlapping terms. There shall be no more than three (3) members from each precinct of the town; provided, however, that in the event that the number of incumbent members from a particular precinct increases due to redistricting or the change of residency of that member or another, no incumbent member need be removed, and further, any incumbent member or members affected by such redistricting or change of residency may be reappointed to the committee at the discretion of the Moderator. The Advisory and Finance Committee shall choose from its members a chairperson and fill such other offices as it may create. The Moderator may fill any vacancy by appointment and the term of such appointment shall be for the remainder of the unexpired term of the person causing such vacancy.

Mr. Luszc moved to amend the second main motion by deleting the end of the second sentence of Section 2-12-1 and inserting language to provide as follows:

An Advisory and Finance Committee of fifteen (15) members shall be appointed by the Moderator for three-year (3) overlapping terms. There shall be no more than three (3) members from each precinct of the town; provided, however, that in the event that the number of incumbent members from a particular precinct increases due to redistricting or the change of residency of that member or another, no incumbent member need be removed, and further, any incumbent member or members affected by such redistricting or change of residency may be reappointed to the committee at the discretion of the Moderator and may serve out their respective terms.

Mr. Luszc's motion to amend PASSED.

On Mr. Doyle's motion for Motion 2, the motion PASSED.

Motion 3

Mr. Nassau moved that the Town vote to authorize the Board of Selectmen to petition the General Court for special legislation to amend Section 2-12-2 of the Town Charter as recommended by the Charter Review Committee in its report entitled, "Town of Plymouth Proposed Charter Amendments Final Draft," dated February 9, 2012, and by the Advisory & Finance Committee in the printed Report and Recommendations, provided, however, that the General Court may make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approve amendments to the bill before enactment by the General Court, and authorizing the board of Selectmen to approve amendments which shall be within the scope of the general public objectives of the petition.

Keven Joyce moved to amend the motion of the Advisory and Finance Committee with respect to Section 2-12-2 by replacing the language inserted in the first sentence with, "which shall be made available at Town Hall to be picked up by Town Meeting Members and others and posted on the Town's website", so that the section will read as follows:

2-12-2 The Advisory and Finance Committee shall conduct one (1) or more public hearings on the proposed operating and capital budget and shall issue its recommendations in a detailed written report which shall be made available at Town Hall to be picked up by Town Meeting Members and others and posted on the Town's website at least fourteen (14) days prior to the scheduled date of the representative town meeting. In preparing its report, the Committee may require any town department, board, or office to furnish it with appropriate financial reports and budgetary information. **If the Advisory and Finance Committee has failed to consider a warrant article, the representative town meeting may consider that article, provided that two thirds (2/3) of the representative town meeting members in attendance vote to do so. No such vote shall be taken unless the article has been presented to the Advisory and Finance Committee.**

On Mr. Joyce's motion to amend, the motion FAILED on a counted vote of 38 in favor and 63 opposed.

On motion 3, the motion PASSED.

Motion 4

Mr. Luszczyk moved that the Town vote to authorize the Board of Selectmen to petition the General Court for special legislation to amend Section 2-13-1 through 2-13-4 of the Town Charter as recommended by the Charter Review Committee in its report entitled, "Town of Plymouth Proposed Charter Amendments Final Draft," dated February 9, 2012, provided, however, that the General Court may make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approve amendments to the bill before enactment by the General Court, and authorizing the board of Selectmen to approve amendments which shall be within the scope of the general public objectives of the petition.

Mr. Collins moved the previous question. The motion PASSED by greater than two-thirds.

On motion 4, the motion FAILED.

Motion 5

Mr. Luszczyk moved that the Town vote to authorize the Board of Selectmen to petition the General Court for special legislation to amend Section 3-17-1 through 3-17-4 of the Town Charter as recommended by the Charter Review Committee in its report entitled, "Town of Plymouth Proposed Charter Amendments Final Draft," dated February 9, 2012, provided, however, that the General Court may make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approve amendments to the bill before enactment by the General Court, and authorizing the board of Selectmen to approve amendments which shall be within the scope of the general public objectives of the petition.

The motion FAILED on a counted vote with 51 in favor and 52 in opposition.

Motion 6

Mr. Luszczyk moved that the Town vote to authorize the Board of Selectmen to petition the General Court

for special legislation to amend the Town Charter as recommended by the Charter Review Committee to correct the typographical errors as described below, however, that the General Court may make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approve amendments to the bill before enactment by the General Court, and authorizing the board of Selectmen to approve amendments which shall be within the scope of the general public objectives of the petition.

Section 2-2-7 3rd line extra space between Clerk and prior

Section 2-3-3 4th line extra space between town and and

Section 2-4-3 1st line extra space between session and and

Section 2-13-2 3rd line Add **meeting** after “town.”

Section 2-13-2 4th line Replace period after committees with **, as follows:**

Section 2-13-2 3rd paragraph 3rd line Replace comma with **a period.**

Section 2-13-3 17th line Replace period with **a comma.**

Section 2-13-4 End of paragraph remove **quotation mark.**

Section 3-14-8 2nd line Remove comma after Board and add **and the.**

The motion PASSED.

ARTICLE 13: Mr. Nassau moved that the Board of Selectmen is authorized to acquire by purchase for general municipal purposes the following described property on such terms and conditions as the Board of Selectmen deem appropriate and to accept the deed to the Town of Plymouth of a fee simple interest in the land containing 2.5 acres more or less located at 00 Long Pond Road (known as the corner property by the Police Station), in the Town of Plymouth, as shown on Assessors' Map 83, as Lots 2F and 2-2A and to enter into all agreements and execute any and all instruments as may be necessary on behalf of the Town to effect said acquisition; and to pay all costs of acquiring this property, the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow \$1,000,000.00 and to issue notes and bonds of the Town therefor under Chapter 44, Section 7(3) of the General Laws or pursuant to any other enabling authority.

Mr. Reilly moved to extend Mr. Botieri's time by thirty seconds.

The motion PASSED.

Mr. Howe moved the previous question. The motion FAILED.

Mr. Shirley moved to extend Mr. O'Brien's time by three minutes. The motion PASSED.

The Moderator call a recess at 12:04 PM.

The Moderator returned the meeting to order at 1:04 PM.

Mr. Howe moved the previous question. The motion FAILED to reach two-thirds with 54 in favor and 47 in opposition.

Mr. Howe moved the previous question. The motion PASSED.

The motion FAILED on a roll call vote with 44 in favor and 58 in opposition.

Mr. Parker moved to reconsider Motion 1 of Article 12. The motion FAILED.

ARTICLE 14: There was no motion. Town Meeting took no action.

ARTICLE 15: There was no motion. Town Meeting took no action.

ARTICLE 16: Mr. Nassau moved that the Town vote to amend Section 205-23(J) of the Zoning Bylaw in accordance with The Final Report and Recommendation of the Planning Board on the Petition of Joann Salamone, et al To Amend The Zoning Bylaw, Section 205-23 Parking, Storage, Or Use Of Major Recreational Vehicles.

**2012 ANNUAL TOWN MEETING
MOTIONS**

Saturday, April 7, 2012

The Moderator opened the meeting at 8:00 AM at Plymouth North High School.

The color guard came from Plymouth County Sheriff's Department Honor Guard under the direction of Honor Guard Commander Captain Duane Fortes, who led the Pledge of Allegiance followed by the National Anthem performed by a member of Plymouth High Schools' Choral Group under the direction of Brandon Coons. The Invocation was offered by Reverend Rollin Johnson of Plymouth, a retired minister.

Senator Therese Murray delivered her State of the State message.

Upon notification by Town Clerk, Laurence Pizer, of the presence of a quorum, the Moderator called the meeting to order at 8:15 AM.

Representative Vinny deMacedo delivered his State of the State message.

Representative Thomas Calter delivered his State of the State message.

The Moderator noted that Michael Rothberg was serving as Assistant Moderator.

William Hallissey, Jr. delivered his State of the Town Message.

Dennis Begley delivered the State of the Plymouth Schools message.

Marc Garrett delivered the State of Plymouth Planning message.

Theodore Bosen spoke for the Plymouth County Charter Review Commission.

Robert Nassau delivered opening remarks for the Advisory and Finance Committee.

The return of the warrant having been properly served, Town Meeting waived the reading of the return and of the warrant.

Mr. Nassau moved that adjourned sessions of this Town Meeting be held on April 9 and 10, 2012 at 7:30 p.m. at Plymouth North High School.

The motion PASSED.

Mr. Nassau moved to adjourn this Town Meeting until completion of the First and Second Special Town Meetings.

The motion PASSED at 9:15 AM.

The Moderator returned the meeting to order at 2:10 PM.

ARTICLE 1: There was no motion. Town Meeting took no action..

ARTICLE 2: Mr. Nassau moved that Town vote to receive the reports of several Boards, Officers and Committees of the Town thereon.

The motion PASSED.

ARTICLE 3: Mr. Nassau moved that the Town vote to establish revolving funds for certain Town Departments under the provisions of G.L. c.44, §53E ½ for the fiscal year beginning July 1, 2012, with

specific receipts credited to each fund, the purposes for which each fund may be spent, and the maximum amount that may be spent from each fund for FY2013 as follows:

TOWN OF PLYMOUTH, MASSACHUSETTS

Overlay Surplus	\$0.00
Premium for Debt Exclusion	\$232,759.08
Less Total Transfers	\$561,489.08
To be raised by the 2013 Tax Levy (General Fund revenues & other sources)	\$160,214,464.92

Mr. Parker moved to postpone indefinitely Article 7A-E.
The motion FAILED.

Ms. Jaynes moved to adjourn. The motion PASSED on a roll call with 97 in favor and 1 in opposition at 3:00 PM.

Annual Town Meeting 7 April 2012
Adjourned Session of 9 April 2012

Upon notification from Town Clerk, Laurence Pizer, that a quorum was present, the Moderator called the meeting to order at 7:30 PM.

Mr. Manfredi moved to amend line 31, Department of Public Works – Personal Services by increasing the amount appropriated from \$4,714,790 to \$4,758,800 and to make a corresponding increase of

\$44,010 in the amount to be raised by the tax levy.
The motion PASSED.

Mr. Hallisey moved to amend line 40, Member Insurance, by decreasing the amount appropriated from \$25,154,224 to \$24,954,224; and to make a corresponding reduction of \$200,000 in the amount to be raised from the tax levy.
The motion FAILED.

Mr. Hallisey moved to amend line 42, Non Enterprise Debt, by decreasing the amount appropriated from \$10,438,449 to \$10,258,449; and to make a corresponding reduction of \$180,000 in the amount to be raised from the tax levy.
The motion FAILED.

Mr. Hallisey moved to amend the main motion by adding funding to be transferred from free cash in the sum of \$618,368, and to make a corresponding reduction of \$618,368 in the amount to be raised from the tax levy.
The motion FAILED.

On Article 7A, as amended, the motion PASSED unanimously.

ARTICLE 7B: WATER ENTERPRISE FUND

Mr. Nassau moved that the Town vote to appropriate \$3,043,055 from Water Enterprise Receipts to defray Water direct costs and that \$1,102,265 as appropriated under Article 7A, be used for Water indirect costs, all to fund the total costs of operations of the Water Enterprise as follows:

Personal Services (Item #53)	\$ 1,021,834
All Other Expenses (Item #54)	\$ 1,231,381
Debt Service (Item #55)	\$ 789,840
Appropriated for Direct Costs	\$ 3,043,055
Indirect Costs – Charged to Enterprise Fund From General Fund (Item #56)	\$ 1,102,265
Total Cost – Water	\$ 4,145,320

ARTICLE 7B: WATER ENTERPRISE FUND

Mr. Manfredi moved to amend the main motion by increasing the amount to be appropriated from Water Enterprise Receipts in the amount of \$8,214 to \$3,051,269, and further, to add to Personal Services Item 53 the same amount, with a corresponding increase to Direct Costs, as follows:

Personal Services (Item #53)	\$ 1,030,048
All Other Expenses (Item #54)	\$ 1,231,381
Debt Service (Item #55)	\$ 789,840
Appropriated for Direct Costs	\$ 3,051,269
Indirect Costs – Charged to Enterprise Fund From General Fund (Item #56)	\$ 1,102,265
Total Cost – Water	\$ 4,153,534

On Mr. Manfredi’s motion to amend, the motion FAILED with 37 in favor and 62 in opposition.
 On Article 7B, the motion PASSED.

ARTICLE 7C: SEWER ENTERPRISE FUND

Mr. Nassau moved that the Town vote to appropriate \$4,487,363 from Sewer Enterprise Receipts to defray Sewer direct costs, and that \$318,110 appropriated under Article 7A, be used for Sewer indirect costs, all to fund the total costs of operations of the Sewer Enterprise as follows:

Personal Services (Item #48)	\$ 313,353
All Other Expenses (Item #49)	\$ 1,910,223
Debt Service (Item #50)	\$ 2,263,787
Appropriated for Direct Costs	\$ 4,487,363
Indirect Costs – Charged to Enterprise Fund From General Fund (Item #51)	\$ 318,110
Total Cost – Sewer	\$ 4,805,473

On Article 7C, the motion PASSED.

ARTICLE 7D: SOLID WASTE ENTERPRISE FUND

Mr. Nassau moved that the Town vote to appropriate \$4,930,027 from Solid Waste Enterprise Receipts to defray Solid Waste direct costs, and that \$270,610 appropriated under Article 7A, be used for Solid Waste indirect costs, all to fund the total costs of operations of the Solid Waste Enterprise as follows:

Personal Services (Item #58)	\$284,417
All Other Expenses (Item #59)	\$4,411,875

Appropriated for Direct Costs	\$4,930,027
Indirect Costs – Charged to Enterprise Fund From General Fund (Item #61)	\$270,610
Total Cost – Solid Waste	\$5,200,637

Ms. McCarthy moved to amend the main motion by decreasing the amount to be appropriated from solid waste enterprise fund receipts in the amount of \$3,600,000 to \$1,330,027 and further, to decrease Other Expenses Item 59 by the same amount with a corresponding decrease to Direct Costs, as follows:

Article 7D Solid Waste	Grand Total of Final Vote
Personal Services (Item #58)	\$284,417
All Other Expenses (Item #59)	\$811,875
Debt Service (Item #60)	\$233,735
Appropriated for Direct Costs	\$1,330,027
Indirect Costs – Charged to Enterprise Fund From General Fund (Item #61)	\$270,610
Total Cost – Solid Waste	\$1,600,637

Mr. Ellis moved the previous question on the amendment.
The motion PASSED.

On Ms. McCarthy’s motion to amend, the motion PASSED.

On Article 7D, the motion PASSED unanimously.

ARTICLE 7E: AIRPORT ENTERPRISE FUND

Mr. Nassau moved that the Town vote to appropriate \$2,686,215 from Airport Enterprise Receipts to defray Airport direct costs, and that \$176,450, as appropriated under Article 7A be used for Airport indirect costs, all to fund the total costs of operations of the Airport Enterprise as follows:

Personal Services (Item # 44)	\$ 438,195
All Other Expenses (Item #45)	\$ 2,248,020
Debt Service	\$ 0.00
Appropriated for Direct Costs	\$ 2,686,215
Indirect Costs – Charged to Enterprise Fund From General Fund (Item #46)	\$ 176,450
Total Cost – Airport	\$ 2,862,665

On Article 9B, all items PASSED unanimously.

ARTICLE 10: Mr. Nassau moved that the Town vote to raise and appropriate the sum of \$150,000 to the Town's Unemployment Compensation Fund, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

ARTICLE 11: There was no motion. Town Meeting took no action.

ARTICLE 12: Mr. Nassau moved that the Town vote to transfer the sum of \$483,501 from the Hotel/Motel Tax Fund to fund the Town Promotion Fund pursuant to Chapter 4 of the Acts of 1993, in accordance with the memorandum located on Page 179 in the printed Report & Recommendations of the Advisory & Finance Committee.

Memo

To: Board of Selectmen
Finance Committee

From: Lee Hartmann, Director of Planning and Development

Re: FY13 Town Promotion Fund

Date: January 11, 2012

The receipts collected through the 6% Hotel/Motel Tax increased by 17% (\$157,320) from last year (\$1,074,447 compared to \$917,127 last year). The Town, by a special act, places 45% of the total Hotel/Motel Tax into its Promotion Fund. The total FY13 funding to be approved for the Town Promotions budget is \$483,501, which is \$70,794 more than last year's appropriation.

The Visitor Services Board oversees expenditures from the Promotion Fund.

This year's fixed costs are \$270,877 and include:

- The Town Promotions contract with Destination Plymouth is \$185,000
- The Water Street Visitors Information Center operation contract is \$37,527
- Public Improvements at \$48,350, which is 10% of the budget as required by the Home Rule Petition.

Other costs include (\$212,624 available)

- Event Funding (\$57,479 last year)
- Distinguished Visitors (\$5,000 last year)
- Exhibit Grants
- Additional Marketing
- Additional Public Improvements
- 2020 Celebrations

Funds that are not expended (primarily due to event cancellations) remain available. The current unexpended balance is approximately \$18,980. Due to the current economic situation, we expect to see a continued decrease in private donations for tourism events and activities. These funds will be available to help off-set these reductions. The majority of these funds (\$9,798) can only be used to support public improvements. To expend these funds, the Visitor Services Board is working with the DPW on several infrastructure projects.

The FY 13 budget is as follows:

Salaries and Wages (Admin. Support).....	\$600
Contractual Services (Promotions and Info Center).....	\$222,527*
Public Improvements	\$48,350*
Event Funding Distinguished Visitors, Special Events, Exhibit Grants & Additional Marketing	<u>\$212,024</u>
Total	\$483,501

*Fixed costs

The following is a list of Celebrations (special events and exhibit grants) funding from FY12:

Special Events

Musician's Union Concert Series	\$2,000
National Trails Day	\$1,900

ARTICLE 13: Mr. Nassau moved that the Town vote to accept a sum of money that the State declares as available funds as the State's share of the cost of work under G.L. c.90, §34 (2)(a) of the Massachusetts General Laws, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

ARTICLE 14A: Mr. Nassau moved that the Town vote to transfer the sum of \$562,327 from General Fund Free Cash to the Stabilization Fund, as authorized by the provisions of G.L. c.40, §5B as amended.

ARTICLE 14A: Mr. Hallisey moved to amend the main motion by reducing the amount to be transferred from General Fund Free Cash by \$100,000, for a total appropriation of \$462,327.

The motion to amend FAILED.

The main motion PASSED unanimously.

ARTICLE 14B: Mr. Nassau moved that the Town vote to establish an Airport Stabilization Fund, as authorized by the provisions of G.L. c.40, §5B for capital projects for the Airport, and transfer \$300,000 from Airport Retained Earnings, which fund shall be under the care and custody of the Town Treasurer.

The motion PASSED unanimously.

ARTICLE 15: Mr. Nassau moved that the Town vote to approve an amendment to the payment in lieu of taxes agreement between the Town and Entergy Nuclear Generation Company for the property known as the Pilgrim Nuclear Generation Station, as on file with the Town Clerk and entitled 'First Amendment to the Amended and Restated Payment in Lieu of Tax Agreement', dated November 29, 2011.

OFFICE OF TOWN MANAGER

MEMORANDUM

To: *Board of Selectmen
Advisory and Finance Committee Members*

From: Melissa G. Arrighi, Assistant Town Manager

Date: **January 11, 2012**

Re: *Annual Town Meeting, Article 15 – Agreement with Entergy*

ARTICLE 15: To see if the Town will vote to approve a payment in lieu of taxes agreement between the Town and Entergy Nuclear Generation Company for the property known as the Pilgrim Nuclear Generation Station, as on file with the Town Clerk, or take any other action relative thereto.

BOARD OF SELECTMEN

History:

The five year Entergy PILOT agreement, approved at the 2007 Town Meeting, is in place through the end of this fiscal year only. Plans were to begin negotiations for a new value for the Plant once relicensing had occurred. However, as time slipped by and Entergy continued through a lengthy federal process without a final result, it was apparent that a short term solution was needed.

Progress on Relicensing:

The license renewal application for Pilgrim Nuclear Generation Station is still under review by the Nuclear Regulatory Commission. Until that proceeding is complete and the NRC's order is final, there will continue to be uncertainty as to the future fair cash value of the Plant. However, while that process is occurring, the Town faced the formulation of a budget that did not have a set tax dollar amount that would be paid by the plant. This caused a gap in revenues of approximately 10 million dollars. It was evident that some type of short term remedy was necessary.

Solution:

Negotiations began in earnest with representatives from Entergy Nuclear Generation Company for a one year extension and an agreement was reached. It was important to the Board that any agreement result in NO decline in revenue to the Town from the Plant for fiscal year 2013. As a result, the Plant agreed to extend their current fair cash value of \$700,000,000 for an additional year and all other terms of the agreement would remain.

On November 29, 2011, the Board of Selectmen voted to approve and execute the First Amendment to Amended and Restated Payment in Lieu of Tax (“PILOT”) Agreement through Fiscal Year 2013.

Financial Impact:

FY	Value	Estimated Tax Rate	Tax
2011	750,000,000	13.04	9,780,000.00
2012	700,000,000	13.82 (est)	9,674,000.00
2013	700,000,000	14.18 (est)	9,926,000.00

Town Meeting approval:

We are respectfully requesting that you recommend this article to Town Meeting. Approval of this article will eliminate the possibility of Entergy filing for an abatement on a Town assessed value of the property. The abatement process is lengthy and may take upwards 12 – 18 months. During that time, the Town would not be able to include this revenue amount in the budget and would have to set aside a portion of the revenue into overlay reserve for the abatement process. Without question, this would leave a glaring hole in the budget that would have to be made up with cuts or raising more taxes.

The motion PASSED.

ARTICLE 16A: There was no motion. Town Meeting took no action.

ARTICLE 16B: Mr. Nassau moved that the Town vote, pursuant to G.L. c. 44B, to appropriate the sum of \$307,000 from the Community Preservation Fund, of which \$205,341 shall be transferred from the Historic Preservation Reserves and \$101,659 shall be transferred from Community Preservation Fund FY2013 estimated revenues as a grant for the preservation, rehabilitation and restoration of forty stained glass windows in the First Parish Meetinghouse Church, which windows are identified as #1 through #40 in the Community Preservation Application submitted to the Community Preservation Committee on January 11, 2012, by the First Parish Meetinghouse Church, which windows are located on the property at the Town Square shown as Assessors Map 19, Lot 21, Assessors parcel ID 019-000-021-000, and further, that the grant agreement between the Town and the First Parish Meetinghouse Church shall include requirements that the Church provide the Town with an Historic Preservation Restriction meeting the requirements of G.L. c.184 on the windows, and an easement to be mutually agreed upon providing for increased public access to the Church; and further, to authorize the Board of Selectmen to accept said restriction and easement, and to authorize all appropriate Town officials to enter into all agreements and execute any and all instruments as may be necessary on behalf of the Town.

The motion PASSED unanimously.

ARTICLE 16C: Mr. Nassau moved that the vote, pursuant to G.L. c. 44B, to transfer from Community Preservation Fund FY2013 estimated revenues the sum of \$175,000 and to authorize the Board of Selectmen to acquire by purchase for open space purposes pursuant to the Community Preservation Program and to accept the deed to the Town of Plymouth of a Conservation Restriction from the Wildlands Trust in 7.4 acres of land, more or less, in the Town of Plymouth located between Long Pond

Road and Morgan Road, shown on Assessors Map 69 as Lots 71 (a portion of), 72A and 72B, said Conservation Restriction to be held under the care, custody, and control of the Conservation Commission, and further the Wildlands Trust shall grant an easement to the Town to utilize the Community Building/Barn located on such property for Town committee meetings for free or at cost with the permission of the Wildlands Trust, which permission shall not unreasonably be denied, and further, to authorize the Board of Selectmen to accept said easement and authorize the Board of Selectmen or other appropriate officials to enter into all agreements and execute any and all instruments as may be necessary on behalf of the Town to effect said purchase.

The motion PASSED unanimously.

ARTICLE 16D: Mr. Nassau moved that the Town vote to appropriate from the Community Preservation Fund FY2013 estimated annual revenues the sum of \$87,595 to meet the administrative expenses and all other necessary and proper expenses of the Community Preservation Committee for Fiscal Year 2013;

and further,

to reserve for future appropriation from the Community Preservation Fund FY2013 estimated annual revenues the sum of \$218,987 for the acquisition, creation and preservation of open space excluding land for recreational use; \$218,987 for acquisition, preservation, restoration and rehabilitation of historic resources; and \$218,987 for the acquisition, creation, preservation and support of community housing.

and further,

to transfer from the Community Preservation Fund FY2013 estimated annual revenues the sum of \$1,445,311 to a FY2013 Budgeted Reserve.

The motion PASSED unanimously.

ARTICLE 17A: Mr. Nassau moved that the Town vote to raise and appropriate the sum of \$249,473 to assist the School Department in recovering Medicaid reimbursements, said funds to be expended under the supervision of the School Committee.

The motion PASSED unanimously.

ARTICLE 17B: Mr. Nassau moved that the Town vote to raise and appropriate the sum of \$59,478 to fund the transportation costs of out of district Agricultural Vocational students, said funds to be expended under the supervision of the School Committee.

The motion PASSED unanimously.

ARTICLE 18: Mr. Nassau moved that the Town vote to increase the rate of interest that accrues on property taxes deferred by eligible seniors under G.L. c.59, §5, Clause 41A to 4%, with such rate to apply to taxes assessed for any fiscal year beginning on or after July 1, 2012.

The motion PASSED.

ARTICLE 19: Mr. Nassau moved that the Town vote to amend Chapter 23 of the General Bylaws, as recommended by the Town Clerk and on file with the Town Clerk’s Office, entitled ‘Proposed Changes to Chapter 23 General Bylaws Concerning Kennels’, dated January 12, 2012.

Laurence R. Pizer, Town Clerk
11 Lincoln Street
Plymouth, MA 02360
508-747-1620 X171

Memo
To: Board of Selectmen and Advisory and Finance Committee
From: Laurence R. Pizer, Town Clerk
Date: March 18, 2013
Re: Boarding Kennel Bylaw

Plymouth’s first zoning application for a canine boarding kennel made evident the insufficiency of a section of the General Bylaws concerning kennels.

- The Bylaws define kennels as “one collection of dogs on a single premises, whether maintained for breeding, boarding, sale training, hunting or other purpose, including more than three dogs, three months old or older . . .”
- State law requires a kennel owner to prove to the Town Clerk annually at the time of licensing that each dog has up-to-date rabies protection. The Town Clerk thereupon provides a license for each dog within the kennel.

For a Boarding Kennel, the licensing procedure does not work. Dogs boarded may not be from Plymouth, and they are very likely already licensed.

Therefore, this article proposes to amend the General Bylaws by adding a definition of Boarding Kennel as a temporary collection of dogs and then establishes a procedure for a business person to receive the right to run an operation to house animals on a temporary basis. It protects the Town and public health by requiring rabies certificates, but it separates those certificates from normal Plymouth dog licensing.

I attach the proposed addition to Chapter 23, Section A, and I have added Section H

§ 23-13. License required; kennel licenses. [Replaced 4-13-2004 ATM by Article 45]

~~A. All dogs six months of age or older shall be licensed with the Town Clerk on January 1 of each year. By June 15 of each year the Town Clerk shall cause a notice to be sent to the owner or keeper of record of any unlicensed dog. In addition to the license fee established by this article, said owner or keeper shall be subject to an additional charge of \$5 for each dog licensed after June 15. This subsection may be enforced by any Dog Officer or any police officer of the town.~~

~~B. The Town Clerk shall not issue any kennel license until an applicant presents a certificate of approval for the kennel from the Building Inspector.~~

~~C. The Town Clerk shall not issue a dog license for any dog included in § 23-21 of this chapter until an applicant presents a certificate of approval from the Board of Selectmen.~~

A. KENNEL DEFINITION

The word kennel shall be one collection of dogs on a single premises, whether maintained for breeding, boarding, sale training, hunting or other purpose, including more than three dogs, three months old or older, provided however, that a veterinary hospital shall not be considered a kennel under the intent of this Bylaw. A commercial boarding kennel shall require a boarding kennel license.

B. KENNEL LICENSE REQUIRED

A kennel license shall be required for all kennels and shall be classified as a Grade One License for the keeping of four to five dogs, a Grade Two License for the keeping of six to nine dogs, and a Grade Three License for the keeping of ten to twenty-five dogs. A kennel in excess of twenty-five dogs shall not be permitted. The new kennel licensing requirements shall become effective on January 1, 2005.

ANIMALS

§ 23-13

C. APPLICATION AND ISSUANCE OF LICENSE AND FEES

A kennel license shall be issued annually by the Town Clerk upon written application by an owner or keeper of dogs and after inspection and determination by the Animal Control Officer, or other Agent as designated by the Town Manager, that the conditions set forth in Section D are met.

a. An application fee of one hundred and fifty dollars, (\$150.00), shall be required for the initial application and for any applications to make changes to an existing kennel license.

EXCEPTION: All existing kennels licensed before January 1, 2005, shall be exempt from the requirement of a new application, and be subject only to the requirement of the annual inspection and renewal fee.

D. CONDITIONS THAT MUST BE MET FOR THE ISSUANCE OF A KENNEL LICENSE

1. The Animal Control Officer, or other Agent as designated by the Town Manager, shall determine that:

a. The proposed licensed premises contains sufficient and suitable space for the keeping of the specific breed(s) and number(s) of dogs, including both indoor and outdoor areas.

b. The proposed licensed premises for a Grade One License, a Grade Two License, and a Grade Three License shall provide suitable distances from nearby residential dwellings. Suitable distances from nearby residential dwellings shall be determined by the Animal Control Officer, or other Agent as designated by the Town Manager, upon inspection of the proposed licensed premises.

c. The proposed licensed premises contain a suitable shelter for the dogs, which for a Grade Three License includes adequate running water and an impervious floor suitable for sanitary maintenance.

E. KENNEL LICENSE CONDITIONS

All kennel licenses shall be issued annually and be subject to the following conditions:

1. The licensee shall maintain a certificate of health signed by a licensed veterinarian for each dog in the kennel. The certificate of health shall be updated at least annually upon review of the kennel license, and the payment of the annual kennel license fee.

PLYMOUTH CODE

§ 23-13

2. The licensee shall maintain a certificate signed by a licensed veterinarian that each dog in the kennel six month of age or older has a current rabies vaccination.
3. The licensee shall comply with the Town of Plymouth Leash Bylaw, Chapter 23, Section 4.
4. The licensee shall maintain compliance with the bylaw relating to noise under Town Bylaw, Chapter 120.
5. The licensed premises shall be subject to unannounced, annual inspections by the Animal Control Officer, or other Agent as designated by the Town Manager, regarding compliance with the conditions of the kennel license.

F. PENALTIES AND ENFORCEMENT

The operation of a kennel without a license shall be a violation of this Article of the General Bylaws of the Town of Plymouth. Any violation of the conditions of a kennel license as set forth in this Article, Section D and Section E, shall be grounds for suspension, revocation, or non-renewal of the kennel license. The provision of this article shall be enforced by the Animal Control Officer, or other Agent as designated by the Town Manager. The penalties for violating the kennel licensing provision set forth in this Article shall be fifty dollars, (\$50.00), for the first offense, and seventy-five dollars, (\$75.00), for each subsequent offense, each day of the violations, each day constituting a separate offense.

G. APPEAL AND WAIVER

1. Should a kennel license be denied because of the applicant's inability to meet the requirements of sufficient and suitable space, suitable distance from nearby residential dwellings, and suitable shelter for the dogs, as

determined upon inspection by the Animal Control Officer, or other Agent as designated by the Town Manager, the applicant may appeal the Town Clerk's denial to the Board of Selectmen, or their Designee, within thirty-days (30) of receiving the denial.

2. The Board of Selectmen, or their Designee, shall hold a hearing on said appeal within forty-five (45), days of receipt of the written notice of appeal.

3. Notice of the hearing shall be given by postage prepaid first class mail to the abutters of the proposed licensed premises, both to the property owner and any tenants, as appearing in the Board of Assessors most recent list, and also shall be published in a newspaper of the general circulation in the Town, at least fourteen days (14) prior to the date of the Board of Selectmen's, or their Designee's hearing. The applicant shall pay the expenses of giving said notice.

4. After hearing, the Board of Selectmen, or their Designee, may waive strict compliance with the provisions set forth in Section D, and order the Town Clerk to issue the license if:
 - a. The Animal Control Officer, or other Agent as designated by the Town Manager, recommends a waiver.
 - b. The Board of Selectmen, or their Designee, determines that there is sufficient area for the keeping of the dogs, and that the health and the safety of the public is protected.
 - c. In granting a waiver under this Section, the Board of Selectmen, or their Designee, may impose conditions on the waiver such that the health and the safety of the public is protected.

H. BOARDING KENNEL LICENSE

A Boarding Kennel, for temporary boarding of dogs, requires a zoning permit. Each dog boarded must be accompanied with a certificate proving up-to-date rabies inoculation and licensing from a municipality or county.

- a. An application fee of one hundred and fifty dollars. (\$150.00). shall be required for the initial application and for any applications to make changes to an existing kennel license.
- b. The cost of a renewal license shall be \$75 annually.

The motion PASSED unanimously.

ARTICLE 20: Mr. Nassau moved that the Town vote to amend the General Bylaws, Chapter 23, Animals, Article 1, Dog Control, as follows:

- (5) By inserting in §23-1 the following new definition:

VICIOUS - - Dogs meeting the following descriptions, as determined by the Animal Control Officer, shall be considered vicious:

- F. Any dog found to, without provocation, attack, threaten or terrorize any person on any public ground including streets and sidewalks.
- G. Any dog with a history of attacking without provocation or has caused injury to any human being or domestic animal.
- H. Any dog that bites, injures, assaults, or attacks a human being or domestic animal.
- I. Any dog found to be involved or trained in dog fighting.
- J. Provided, however, that notwithstanding the above criteria, no dog may be considered vicious for inflicting injury or damage to a person who:
 - j. is found to be willfully trespassing or in the process of any other tort offense on the property of the animal's owner; or
 - ii. teases, torments, abuses, or assaults the dog.

- (6) By amending §23-2 by deleting the text of §23-2(A) (4) and inserting in place thereof the following, "If found to be a vicious dog."

(7) By amending §23-2 by deleting §23-2(A)(5) and renumbering the remaining content accordingly;

(8) And further, by amending §23-21, Classification, by deleting the word “pitbulls” and inserting, after the words “wolves” the following, “Any dog found to be vicious under Section 23-1 of the Town Bylaws.”

Ms. Hall moved to postpone the motion indefinitely.
On Ms. Hall’s motion, the motion FAILED.

On the motion, on a negative roll call, the motion PASSED with 18 in opposition.

ARTICLE 21: Mr. Hallisey moved that the Town vote to amend the General Bylaws by inserting a new section, Chapter 164, entitled “Stretch Energy Code”, for the purpose of regulating the design and construction of buildings for the effective use of energy, pursuant to Appendix 115.AA of the Massachusetts Building Code, 780 CMR, the “Stretch Energy Code”, including future editions, amendments or modifications thereto, in the form set forth in the Advisory and Finance Committee’s Final Report and Recommendations.

The motion FAILED on a roll call vote with 9 in favor and 94 in opposition.

Mr. Nassau moved to extend Town Meeting past 10:30 PM.

ARTICLE 22: Mr. Nassau moved that the Town vote to amend Chapter 173-3 of the Town General Bylaws, Meeting and Election Dates, by changing the date for convening the Fall Annual Town meeting from the “fourth Monday in October” to “the third Saturday in October; provided, however, that the Board of Selectmen may, consistent with G.L. c.39, §9, delay the date of said Fall Annual Town Meeting to a date no later than November 30”

The motion PASSED on a negative roll call with 19 in opposition.

ARTICLE 23: Mr. Nassau moved that the Town vote to transfer the care, custody, management and control of a certain parcel of land shown as Lot 23 on Assessors Map 19 from the School Department for school purposes to the Board of Selectmen for general municipal purposes or for the purpose of conveyance, including sale, transfer or lease, and further, to authorize the Board of Selectmen to convey said land pursuant to the requirements of G. L. c. 30B, the Uniform Procurement Act, and on such terms and conditions as may be deemed to be in the best interests of the Town.

Mr. Wood moved the previous question. The motion PASSED.
On the motion, the motion FAILED to reach two-thirds with 55 in favor and 46 in opposition.

ARTICLE 24: There was no motion. Town Meeting took no action.

ARTICLE 25: There was no motion. Town Meeting took no action.

ARTICLE 26: There was no motion. Town Meeting took no action.

ARTICLE 27: There was no motion. Town Meeting took no action.

ARTICLE 28: Mr. Nassau moved that the Town vote to accept and allow as public ways the following streets or portions thereof as laid out by the Board of Selectmen and reported to the Town, and as shown on plans on file with the Town Clerk; to authorize the Board of Selectmen to acquire by gift, or eminent domain an easement or easements to use said ways for all purposes for which public ways are used in the Town of Plymouth, and all associated easements; and to authorize the Board of Selectmen to enter into all agreements and take all related actions necessary or appropriate to carry out said acquisition(s).

The motion PASSED.

ARTICLE 30: There was no motion. Town Meeting took no action.

ARTICLE 31: Mr. Nassau moved that the Town vote to amend its Zoning Bylaw, Section 205-58, Floodplain District and Section 205-17, Lot Regulations, Paragraph G (4) (a) by adopting revised Flood Insurance Rate Maps (FIRM) for the Town of Plymouth, Massachusetts, Plymouth County, as on file with the Planning and Development Office.

April 2012 Spring Town Meeting

Article 31

REPORT AND RECOMMENDATION OF THE PLANNING BOARD
ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW AND MAP
TO REDEFINE THE TOWN'S FLOODPLAIN DISTRICT

DATE OF PUBLICATION OF PUBLIC HEARING:

January 11, 2012

January 18, 2012

DATE OF PUBLIC HEARING:

January 30, 2012

VOTE: On January 30, 2012 the Planning Board voted (5-0) to recommend approval of the following article to the Spring Town Meeting.

NEED & JUSTIFICATION:

The 100-year floodplain is an area that on average is expected to have a 1% chance of being flooded in any given year. For example, during the life of a 30-year mortgage there is a 30% chance that your property will be flooded. These flood areas are mapped by the Federal Emergency Management Agency (FEMA). The maps can be examined at the Office of Planning and Development at the Town Hall.

The current floodplain maps were prepared by the Federal Emergency Management Agency (FEMA) in 2006. FEMA has revised the maps to include a county wide mapping format, and is requiring the Town to adopt the revised maps. This update consists only of the new county format and title reference on the Flood Insurance Rate Maps; no changes to flood hazard areas were made. In addition, in order to properly reference the new maps FEMA is requiring that the Town revise the current Floodplain Zoning District language.

FEMA is the only source of flood insurance in the United States. Numerous property owners receive flood insurance through the National Flood Insurance Program. If the Town does not adopt the revised maps and text, these property owners will no longer be eligible for flood insurance.

EFFECT:

The effect of this amendment is to adopt revised floodplain maps and to adopt text that is consistent with the National Flood Insurance Program requirements.

INTENT:

It is the intent of this amendment is to ensure that Plymouth's floodplain bylaw complies with federal requirement. By adopting this bylaw, property owners located within flood prone areas will be able to maintain flood insurance for their homes and businesses.

VOTE:

* Underlined text added
~~Strikethrough text deleted~~

§ 205-58.Floodplain District (FP).

A. **Intent.** The purpose of this section is to promote the public health, safety, and general welfare and to minimize public and private losses due to flood conditions in specific areas by provisions designed:

- (1) To protect human life and health;
- (2) To minimize expenditures of public money for costly flood-control projects;
- (3) To minimize the need for rescue and relief efforts associated with flooding;
- (4) To ensure that those who occupy areas of special flood hazard assume responsibility for their actions.

B. **Scope and authority.** The Floodplain District is herein established as an overlay district. Any uses permitted in the portions of the districts so overlaid shall be permitted subject to the provisions of this district, as well as those of the Massachusetts State Building Code dealing with construction in floodplains.

C. **Delineation of district.** The Floodplain District includes all special flood hazard areas within the Town of Plymouth, designated as Zone A, AE, AO, and VE on the ~~Town of Plymouth County Massachusetts~~ Flood Insurance Rate Maps (FIRM) issued by the Federal Emergency Management Agency, for the administration of the National Flood Insurance Program. The map panels of the Plymouth County FIRM that are wholly or partially within the Town of Plymouth are panel numbers 25023C0244J,

25023C0263J, 25023C0342J, 25023C0352J, 25023C0353J, 25023C0354J, 25023C0356J, 25023C0357J, 25023C0358J, 25023C0359J, 25023C0361J, 25023C0362J, 25023C0363J, 25023C0364J, 25023C0366J, 25023C0367J, 25023C0370J, 25023C0376J, 25023C0378J, 25023C0379J, 25023C0386J, 25023C0387J, 25023C0388J, 25023C0389J, 25023C0391J, 25023C0393J, 25023C0394J, 25023C0477J, 25023C0479J, 25023C0485J, 25023C0487J, 25023C0491J, 25023C0492J, 25023C0494J, 25023C0505J, 25023C0506J, 25023C0507J, 25023C0508J, 25023C0509J, 25023C0511J, 25023C0512J, 25023C0513J, 25023C0514J, and 25023C0516J.

~~to be dated December 19, 2006 July 17, 2012. The exact boundaries of the District may be defined by the 100-year base flood elevations shown on the FIRM and further defined by the Plymouth County Flood Insurance Study (FIS) report dated July 17, 2012. The FIRM and FIS report are incorporated herein by reference and are on file with the Town Clerk. These maps and the accompanying Plymouth, Massachusetts, Flood Insurance Study (FIS) are incorporated herein by reference.~~

Base Flood Elevation and Floodway Data

1. Floodway Data. In Zones A and AE, along watercourses that have not had a regulatory floodway designated, the best available Federal, State, local or other floodway data shall be used to prohibit encroachments in floodways which would result in any increase in flood levels within the community during the occurrence if the base flood discharge.

2. Base Flood Elevation Data. Base flood elevation data is required for subdivision proposals or other developments greater than 50 lots or 5 acres, whichever is the lesser, within unnumbered A zones.

Notification of Watercourse Alteration

In a riverine situation the Flood Coordinator shall notify the following of any alteration or relocation of a watercourse:

- Adjacent Communities
- NFIP State Coordinator

§ 205-17(G)(4)(a)

Wetlands, as defined and regulated by § 205-39, shall be built upon only in compliance with regulations contained therein. Where low spots exist which do not fall within the definition of § 205-39 but which are subject to occasional flooding as defined on the Plymouth County Flood Insurance Rate Maps (FIRM) issued by the Federal Emergency Management Agency (FEMA) reference Section 205-58 Floodplain District by the one hundred year flood limits of the United States Army Corps of Engineers, where such data exists, no principal structure shall be built on any such portion of any lot unless the lowest floor elevation is a minimum of one foot above the elevation of said flood limits. Where such floodplain limits cannot be established, the Building Inspector shall determine the lowest buildable floor elevation, which shall not be less than five feet above the lowest point of the floodplain.

TOWN OF PLYMOUTH BY:

Marc Garrett, Chairman

Timothy Grandy

Paul McAlduff

Larry Rosenblum

William Wennerberg III
BEING A MAJORITY OF THE PLANNING BOARD

DATE SIGNED BY THE PLANNING BOARD: _____

DATE FILED WITH TOWN CLERK: _____

cc: Town Clerk
Board of Selectmen
Advisory and Finance Committee

The motion PASSED unanimously.

ARTICLE 32: Mr. Nassau moved that the Town vote to amend the General Bylaws, Chapter 196, Wetlands Protection, Section 196-3 Definitions, and Section 196-4 Jurisdiction, by adopting revised Flood Insurance Rate Maps (FIRM) for the Town of Plymouth, Massachusetts, Plymouth County, as on file with the Planning and Development Office.

Memorandum

To: Board of Selectmen
Finance Committee

C: Melissa Arrighi, Assistant Town Manager
Pam Borgatti, Budget Analyst
Lee Hartmann, Director of Planning and Development

From: Elizabeth Sullivan, Conservation Planner

Date: February 6, 2012

Re: Spring Town Meeting Warrant Articles 31 & 32 - Adoption of updated FEMA Maps

The purpose of Articles 31 (Zoning Bylaw), and 32 (Wetlands Bylaw) of the Spring Town Warrant, involve adopting required updates to the existing Flood Insurance Rate Maps (FIRM Maps) for the Town of Plymouth. Essentially, the two Articles are the same tailored to each specific Bylaw.

The current floodplain maps were prepared by the Federal Emergency Management Agency (FEMA) in 2006. FEMA has revised the maps to include a county wide mapping format, and is requiring the Town to adopt the revised maps. This update consists only of the new county format and title reference on the Flood Insurance Rate Maps; no changes to flood hazard areas were made. In order to properly reference the new maps the attached minor revisions are proposed to the current Floodplain Zoning District language, and Wetlands Protection Bylaw.

FEMA is the only source of flood insurance in the United States. Numerous property owners receive flood insurance through the National Flood Insurance Program. If the Town does not adopt the revised maps and text, these property owners will no longer be eligible for flood insurance.

The Planning Board and Conservation Commission are in full support of these Articles, and recommend that that the Board of Selectmen and Finance Committee vote to support Articles 31 and 32.

**Proposed changes/revisions to the
Plymouth Wetlands Protection Bylaw
Spring Town Meeting 2012**

1. The changes proposed all relate to the adoption of the new FEMA Flood Insurance Rate Maps (FIRM) Plymouth County, Massachusetts (All Jurisdictions) and Flood Insurance Study (FIS) which will become **effective July 17, 2012**. The new maps have been prepared in a countywide format, which means that flood hazard information for all jurisdictions has been combined in one FIRM and FIS report. Once distributed, Plymouth will receive only those panels that present flood hazard information within the town boundary.

DATE OF PUBLICATION O F PUBLIC HEARING January 11, 2012

DATE OF PUBLIC HEARING: January 24, 2012

VOTE: On January 24, 2012 the Conservation Commission voted unanimously to recommend approval of Article No. 32*-Chapter 196 Wetlands Protection, to the Annual Town Meeting.

FALL ANNUAL TOWN MEETING WARRANT

October 20, 2012

To the Town Clerk of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at the Fall Annual Town Meeting of the Town of Plymouth, to meet at Plymouth North High School at 41 Obery Street in Plymouth, MA on Saturday, the Twentieth Day of October, 2012 at 8:00 AM, to act on the following articles to wit:

ARTICLE 1: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-Law and Collective Bargaining Agreements contained therein, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2A: To see if the Town will vote to amend the vote taken under Article 7A of the 2012 Annual Town Meeting warrant, and, as necessary, to raise, appropriate, transfer or borrow funds for the purpose of supplementing departmental expenses, and/or to reduce certain departmental expenses or otherwise amend said vote, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2B: To see if the Town will vote to amend the vote taken under Article 7B, 7C, 7D and 7E of the 2012 Annual Town Meeting warrant, and, as necessary, to raise, appropriate, transfer or borrow funds for the purpose of supplementing enterprise departmental expenses, and/or to reduce certain departmental expenses or otherwise amend said vote, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 3: To see if the Town will vote to raise and appropriate or transfer a sum of money to pay certain unpaid bills, including bills of a prior fiscal year, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 4: To see if the Town will vote to raise and appropriate, transfer from available funds or borrow a sum of money for the construction and/or repair and/or purchase and/or lease and/or replacement of departmental buildings and/or equipment and/or capital facilities and/or for feasibility studies and other types of studies for the various departments of the Town substantially as follows:

- A. Improve Runway
- B. Land Acquisition
- C. Fire Vehicles
- D. Fire Department Containment Unit
- E. Stormwater system improvements
- F. Engineering and permitting services
- G. Drainage

Or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 5: Withdrawn

ARTICLE 6: To see if the Town will vote to establish revolving funds for certain Town Departments under the provisions of G.L. c.44, §53E ½ for the fiscal year beginning July 1, 2012, with specific receipts credited to each fund, the purposes for which each fund may be spent, and the maximum amount that may be spent from each fund for FY2013 as follows:

TOWN OF PLYMOUTH, MASSACHUSETTS				
Revolving Funds Chapter 44, Section 53E1/2				
Spending Authority	Revolving Fund	Revenue Source	Use of Fund	FY2013 Authorized Spending Limit
Planning Board	Manomet Village Parking Plymouth Center Village Parking Cedarville Village Parking West Plymouth Village Parking No. Plymouth Village Parking	The departmental receipts credited to this fund shall be those identified as payments made in lieu of on-site parking.	As provided by Section 305.12 of the Zoning Bylaw, these five funds may be used within their respective village centers for parking related uses including land acquisition, facility construction, and the preparation of plans and specifications.	\$30,001

Or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7: To see if the Town will vote to raise and appropriate, transfer or borrow a sum of money for the purposes of financing the following water pollution abatement facility projects: repair, replacement and/or upgrade of septic systems, pursuant to agreements between the Board of Health and residential property owners; including without limitation, the payment of all costs thereof as defined in Section 1 of Chapter 29C of the General Laws; to determine whether this appropriation shall be raised by borrowing from the Water Pollution Abatement Trust or otherwise, or take any other action relative thereto.

COMMUNITY DEVELOPMENT

ARTICLE 8: To see if the Town will vote to authorize the Board of Selectmen to convey, by sale, lease, or otherwise, to a for-profit organization, not for profit organization, development company, or other entity and upon such terms and conditions as the Board of Selectmen deems appropriate, all or portions of the property known as the 1820 Plymouth County Courthouse, the Commissioner’s Building and the Old Police Station and the surrounding parcels shown on Town Assessor’s Map 19 Lots 2, 6, 7, 23 24A, 24B and 25 and to convey said parcels and/or the buildings thereon to said entity for such consideration as the Board deems appropriate, which consideration may be nominal, and further, to authorize the Board of Selectmen to execute any and all instruments as may be necessary on behalf of the Town to

effect said conveyance of the property and to grant and/or accept, as may be appropriate, a historical preservation restriction or restrictions in said properties meeting the requirements of G.L. c. 184; or to take any other action in relation thereto.

BOARD OF SELECTMEN

ARTICLE 9: To see if the Town will vote to approve the Tax Increment Financing Agreement between the Town and High Rock Cranberry Crescent LLC, substantially in the form as is on file with the Town Clerk (the "TIF Agreement"), pursuant to G.L. c.40, §59, and to confirm the Board of Selectmen's selection of the location of the project as an Economic Opportunity Area ("Cranberry Crescent Economic Opportunity Area"), and to authorize the Board of Selectmen to submit an Economic Opportunity Area Application, Tax Increment Financing Plan, and Certified Project Application to the Massachusetts Economic Assistance Coordinating Council for approval, all relating to the project as described in the TIF Agreement to be located in the Cranberry Crescent Economic Opportunity Area, and to take such other actions as may be necessary to obtain approval of the Certified Project Application, the Economic Opportunity Area, the Tax Increment Financing Plan and TIF Zone and to implement the TIF Agreement, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 10: To see if the Town will vote to approve the Tax Increment Financing Agreement between the Town and Mirbeau Boston-South, LLC, substantially in the form as is on file with the Town Clerk (the "TIF Agreement"), pursuant to G.L. c.40, §59, and to confirm the Board of Selectmen's selection of the location of the project as an Economic Opportunity Area ("Pinehills Economic Opportunity Area #1"), and to authorize the Board of Selectmen to submit an Economic Opportunity Area Application, Tax Increment Financing Plan, and Certified Project Application to the Massachusetts Economic Assistance Coordinating Council for approval, all relating to the project as described in the TIF Agreement to be located in the Pinehills Economic Opportunity Area #1, and to take such other actions as may be necessary to obtain approval of the Certified Project Application, the Economic Opportunity Area, the Tax Increment Financing Plan and TIF Zone and to implement the TIF Agreement, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 11: Withdrawn

ARTICLE 12: Withdrawn

ARTICLE 13: To see if the Town will vote to:

(1) transfer care, custody and control from the Plymouth Airport Commission for airport purposes to the Plymouth Airport Commission for airport purposes and for the purpose of conveyance of a portion of property containing between 5-15 acres located at 246 South Meadow Road, Plymouth, known as Parcel 17, and described in a deed recorded with the Plymouth County Registry of Deeds in Book 5707, Page 22; and

(2) authorize the Plymouth Airport Commission to (a) convey a portion of the above-described property for a sum or for such other consideration, including acquisition of a parcel of land, containing approximately 5-15 acres; and (b) authorize the Plymouth Airport Commission to acquire by gift, purchase or eminent domain for buffer and conservation purposes the remaining portion of said property containing a total of 48 acres, more or less, in connection with the airport runway project; (c) and as

funding therefor to raise and appropriate, transfer from available funds, or borrow a sum of money, for such purposes; and, further,

(3) to authorize the Plymouth Airport Commission or other appropriate Town officials to apply for and expend any grants for such purposes, and to enter into all agreements and execute any and all instruments necessary on behalf of the Airport Commission on such terms and conditions as may be deemed to be in the best interests of said Commission and Town of Plymouth; and that any grants received for the purposes of this Article shall be used to reduce the amount expended hereunder; ,

or take any other action relative thereto.

AIRPORT COMMISSION

ARTICLE 14: Withdrawn

ARTICLE 15: Withdrawn

ARTICLE 16A: To see if the Town will vote to authorize the Board of Selectmen to acquire by purchase, gift, eminent domain or otherwise, for historic preservation purposes pursuant to G.L.c. 44B and also for the purpose of leasing, on such terms and conditions as the Board of Selectmen deem appropriate, and to accept a deed to the Town of Plymouth of a fee simple interest to a parcel of land and the buildings thereon, commonly known as Congregation Beth Jacob Community Center which is also formally known as Plymouth's Methodist Episcopal Church located at 25 ½ Court Street, Plymouth shown on Assessor's Map 17 as Parcel 145-2, and further that the land shall be in the care, custody, management and control of the Board of Selectmen, and as funding therefor to transfer from the Community Preservation Historical Account, estimated annual revenues, fund balance, or reserves, the sum of \$365,000 for the acquisition and the additional sum of \$285,000 for the installation of two ADA compliant bathrooms, fire emergency exit and fire sprinkler system on said premises; and further to authorize the Board of Selectmen to enter into a lease agreement with the Greater Plymouth Performing Arts Center, Inc. ("GPPAC") for the use of the building located on the premises, for such consideration, which may be nominal, and under such terms and conditions as the Board of Selectmen deems appropriate, which conditions shall include, but not limited to, the following: (1) a provision authorizing the Board of Selectmen to appoint a member of the GPPAC board of directors, for two-year terms, for the length of the lease; (2) a provision providing that the Town and its committees may use the building, based on availability, for meeting space; (3) a provision providing that Plymouth students shall be permitted to attend select GPPAC-sponsored play productions free of charge based upon availability; (4) and a provision negotiated by GPPAC and Congregation Beth Jacob allowing said congregation to use the premises for the Rosh Hashanah and Yom Kippur holidays; and further to authorize the Board of Selectmen to grant to a governmental entity, a non-profit or charitable organization, a historical preservation restriction on said property meeting the requirements of G.L. c.184, or take any other action relative thereto

COMMUNITY PRESERVATION COMMITTEE

ARTICLE 16B: To see if the Town will vote to authorize the Board of Selectmen to acquire by purchase, gift, eminent domain or otherwise for open space, including agricultural, purposes, pursuant to G.L. c 44B and to accept the deed to the Town of Plymouth of a fee simple interest or less to a parcel of land containing 19 acres, more or less, located off Center Hill Road, Plymouth shown on Assessor's Map 52 as Lots 26-U, 27A, 9C and 9F and further that said land shall be held under the care, custody, and control of the Conservation Commission, and as funding therefor to appropriate \$350,000, with

\$16,000 to be appropriated from the Community Preservation Fund estimated annual revenues, fund balance, or reserves, and/or borrow a sum of money pursuant to G.L. c.44B or any other enabling authority, \$169,000 transferred from the amount appropriated under Article 16B of the October 25, 2010 Fall Annual Town Meeting and \$165,000 transferred from the amount appropriated under Article 16C of the October 25, 2010 Fall Annual Town Meeting; and further to authorize the Board of Selectmen to grant a conservation restriction including but not limited to an agriculture use of said property pursuant to G.L. c.44B, §12 and G.L. c.184, §§ 31-33 and to authorize appropriate Town officials to enter into all agreements and to execute any and all instruments as may be necessary on behalf of the Town to effect said purchase; or take any other action relative thereto.

COMMUNITY PRESERVATION COMMITTEE

ARTICLE 16C: To see if the Town will vote to authorize the Board of Selectmen to acquire by purchase, gift, eminent domain or otherwise for open space purposes pursuant to G.L. c. 44B and to accept the deed to the Town of Plymouth of a fee simple interest or less to a parcel of land containing 348 acres of land, more or less, located off Old Sandwich Road, Plymouth, shown on Assessor's Map 61 as Lots 2, 4 and Map 62, Lots 1B, 1 C and further that said land shall be held under the care, custody, and control of the Conservation Commission; and as funding therefor to transfer and appropriate from the Community Preservation Fund estimated annual revenues, fund balance, or reserves a sum of money for such purposes; and further to authorize the Board of Selectmen to grant a conservation restriction in said property pursuant to G.L. c.44B, §12 and G.L. c.184, §§ 31-33, and to authorize appropriate Town officials to apply for and expend any grants for such purposes, and to enter into all agreements and execute any and all instruments as may be necessary on behalf of the Town to effect said purchase; and further that any grants received for the purposes of this Article shall be used to reduce the amount expended hereunder or, if received after the purchase is made, be credited to the Community Preservation Fund; or take any other action relative thereto.

COMMUNITY PRESERVATION COMMITTEE

ARTICLE 17: Withdrawn

ARTICLE 18: To see if the Town will vote to transfer the care, custody, management and control of a certain parcel of land shown as Lot 23 on Assessors Map 19 from the School Department for school purposes to the Board of Selectmen for general municipal purposes or for the purpose of conveyance, including sale, transfer or lease, and further, to authorize the Board of Selectmen to convey said land pursuant to the requirements of G. L. c. 30B, the Uniform Procurement Act, and on such terms and conditions as may be deemed to be in the best interests of the Town, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 19: To see if the Town will vote to amend the vote taken under Article 9, Item A-16, B-3 of the 2009 April Town Meeting, pursuant to which funds were appropriated for the reconstruction and making of roadway improvements on Standish Avenue from Samoset Street to Alden Street, to now authorize such funds to be expended for the reconstruction and making of roadway improvements to Standish Avenue in its entirety, or take any action relative thereto.

DEPARTMENT OF PUBLIC WORKS

ARTICLE 20: To see if the Town will vote to transfer the care, custody, management and control of the following parcels from the Town Treasurer for the purpose of sale at auction to the Conservation Commission for conservation purposes pursuant to G.L. c. 40, §8C:

Map	Lots	Road	Book/Page	Tax Title
82	55B	Off State Hwy Rte 3	39746/98	9539
87	34	Old Bog Road	40225/192	10826

Or take any other action relative thereto.
ENVIRONMENTAL MANAGEMENT

ARTICLE 21: Withdrawn

ARTICLE 22: Withdrawn

ARTICLE 23: Withdrawn

ARTICLE 24: Withdrawn

ARTICLE 25: To see if the Town will vote to amend its Zoning Bylaw by substituting the existing Official Zoning Maps with a new Official Zoning Map Revised consisting of two sheets (General Zoning and Aquifer Protection Overlay) or to take any other action relative thereto.
DEPARTMENT OF PLANNING AND DEVELOPMENT

ARTICLE 26: To see if the Town will vote to amend its Zoning Bylaw, Section 205-57 – “Aquifer Protection District” as it relates to the delineation of the district, uses allowed, special permit uses and prohibited uses or activities or to take any other action relative thereto.
DEPARTMENT OF PLANNING AND DEVELOPMENT

ARTICLE 27: To see if the Town will vote to authorize the transfer of care, custody, management and control of the following parcel from the Town Treasurer for the purpose of sale at auction to the Board of Selectmen for general municipal purposes and for the purpose of conveyance of easements, and further to authorize the Board of Selectmen to grant to NSTAR Electric Company and Verizon New England, Inc., a perpetual non-exclusive utility easement in that portion of Town owned property located at 262 Billington Street, more particularly described in deeds recorded with Plymouth County Registry of Deeds in Book 1703, Page 534 and shown on Town Assessors’ Map 89 as Parcel 12A, or take any other action relative thereto.
DEPARTMENT OF PUBLIC WORKS

ARTICLE 28: To see if the Town will vote to authorize the Board of Selectmen to grant to NSTAR Electric Company, a perpetual non-exclusive utility easement in that portion of Town owned property located on Obery Street, more particularly described in deeds recorded with Plymouth County Registry of Deeds in Book 11972, Page 160 or take any other action relative thereto.

FALL ANNUAL TOWN MEETING

October 20, 2012

The Moderator opened the meeting at 8:00 A.M. in the auditorium of Plymouth North High School

The Ramblers of West Plymouth Troop 9 led the Pledge of Allegiance followed by the National Anthem performed by Dawn Vella. The invocation was offered by the Rev. Doug Showalter, former interim Minister for the Church of the Pilgrimage.

Upon notification by Town Clerk, Laurence Pizer, of a quorum, the Moderator called the meeting to order at 8:05 A.M.

The Moderator named Michael Rothberg, Assistant Town Moderator. Town Clerk, Laurence Pizer, swore in the Assistant Moderator and Town Meeting Representatives.

The Return of the Warrant of the Annual Town Meeting showed that it was properly served. With no objections the meeting waived the reading of the Constable's Return of Service of the Warrant of the Annual Town Meeting and further, waived the reading of the Warrant.

Mr. Nassau moved that adjourned sessions of this Town Meeting be held on October 22, & 23, 2012 at 7:00 p.m. at Plymouth North High School.

The motion PASSED.

Mr. Nassau moved to change the order of articles to have Article 13 follow Article 4B.

The motion PASSED unanimously.

ARTICLE 1: Mr. Nassau moved that the Town vote to amend the Personnel By-Law in accordance with the memorandum dated September 4, 2012, from the Director of Human Resources located on page 31 of the Report and Recommendations of the Advisory & Finance Committee.

TOWN OF PLYMOUTH

To: Board of Selectmen and Advisory and Finance Committee
From: Roberta F. Kety, Director of Human Resources *RFK*
Date: September 4, 2012
RE: Article 1 – Classification and Compensation Plans / Personnel Bylaw

Article 1 – Classification and Compensation Plans / Personnel Bylaw: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel Bylaw and the Collective Bargaining Agreement contained therein, or take any other action relative thereto:

We are recommending the following changes to the Personnel Bylaw:

Personnel Bylaw Amendments:

Add a new title to the Non-union Miscellaneous D Schedule of the Personnel Bylaw entitled: Seasonal Office Worker. The maximum number of weeks allowed for this position would be sixteen (16) weeks with no benefits. These temporary employees would be supervised by the Treasurer's office. The rate of pay would be:

<u>Step</u>	<u>Hourly Rate</u>
01:	\$10.9956
02:	\$11.7912
03:	\$12.4440
04:	\$13.0050

Duties would include, but not limited to:

- Sell Beach Stickers, Transfer Station, 4 X 4 and other seasonal passes.
- Enter the data for the online transactions into the sticker tracker system.
- Process the online and mail transactions to mail beach stickers and 4 X 4 passes to homeowners.
- Assist the Recreation department in counting of turnovers from the beaches.

The purpose of these positions is to increase customer service and to reduce the lines for the Town of Plymouth's residents.

The motion PASSED.

ARTICLE 2A: Mr. Nassau moved to amend the votes taken under Article 7A of the April 2012 Spring Annual Town Meeting, in accordance with the spreadsheet located on page 38 of the Report and Recommendations of the Advisory & Finance Committee, as follows:

Decrease by \$40,000 the amount appropriated for Town Clerk-Other Expenses, Item #6;
 Increase by \$10,215 the amount appropriated for Inspectional Services – Personal Services, Item #20;
 Decrease by \$10,215 the amount appropriated for Inspectional Services – Other Expenses, Item #21;
 Increase by \$413,833 the amount appropriated for Salary Reserve – Item #33;
 Decrease by \$449,312 the amount appropriated for Long Term Debt, Item #44;
 Increase by \$631,903 the amount appropriated for School Department – Item #45;

And further, to amend the sources used to fund the vote taken under Article 7A as follows:

Increase by \$556,424 the amount to be raised and appropriated for the total General Fund Operating Budget (Item #'s 1-45);

Increase by \$426,229.15 the amount to be raised from the FY2013 tax levy;

Transfer \$130,194.85 from Premium on Debt Exclusion.
 The motion PASSED on a negative roll call with 10 in opposition.

ARTICLE 2B: Mr. Nassau moved to amend the votes taken under Article 7B & 7C, of the April 2012 Spring Annual Town Meeting, in accordance with the spreadsheet located on page 38 of the Report and Recommendations of the Advisory & Finance Committee, as follows:

Increase by \$17,500 the amount appropriated for Article 7C, Sewer Enterprise Fund – Personal Services, Item #50, and to increase Sewer Receipts by said amount;

Decrease by \$17,500 the amount appropriated for Article 7B, Water Enterprise Fund – Personal Services, Item #55, and to decrease Water Receipts by \$12,693;

Increase by \$4,807 the amount appropriated for Article 7B, Water Enterprise Fund Debt – Item #57
 The motion PASSED on a negative roll call with 8 in opposition.

ARTICLE 3: Mr. Nassau moved that the town vote to transfer \$596.21 to pay certain unpaid bills, as follows:

<i>Uses</i>	<i>Amount</i>	<i>Sources</i>	<i>Amount</i>
Fleet Maintenance		FY2013 Fleet Maintenance	
Unpaid -FY 2011 Napa Auto Parts	\$596.21	R&M Vehicles	596.21
The motion PASSED unanimously.			

ARTICLE 4A: Improve Runway

Mr. Nassau moved that the town vote to appropriate \$325,000 for Airport Runway Improvements; and to meet this appropriation, to transfer from the Airport Stabilization fund the sum of \$300,000 and from Article 9-A23 of the April 2011 Annual Town Meeting the sum of \$25,000, as the Airport's share of a grant for the construction of the Airport Runway Improvements.

The motion PASSED on a negative roll call with one in opposition.

ARTICLE 4B: Land Acquisition

Mr. Nassau moved that the town vote to appropriate \$47,589.85 for Airport land acquisition costs associated with the property described in Article 13; and to meet this appropriation, to transfer from Article 9-A23 of the April 2011 Annual Town Meeting the sum of \$35,000, from Article 2-25 of the June 2008 Special Town Meeting the sum of \$9,500, and from Article 4A of the April 2010 Special Town Meeting the sum of \$3,089.85, as the Airport's share of a grant for land acquisition for the Airport Runway Improvement project.

The motion PASSED by more than two-thirds on a negative roll call with 1 in opposition.

ARTICLE 13: Mr. Nassau moved that the town vote to:

(1) transfer care, custody and control from the Plymouth Airport Commission for airport purposes to the Plymouth Airport Commission for airport purposes and for the purpose of conveyance of a portion of property containing between 5-15 acres located at 246 South Meadow Road, Plymouth, known as Parcel 17, and described in a deed recorded with the Plymouth County Registry of Deeds in Book 5707, Page 22; and

(2) authorize the Plymouth Airport Commission to (a) convey a portion of the above-described property for a sum or for such other consideration, including acquisition of a parcel of land, containing approximately 5-15 acres; and (b) authorize the Plymouth Airport Commission to acquire by gift, purchase or eminent domain for buffer and conservation purposes the remaining portion of said property containing a total of 48 acres, more or less, in connection with the airport runway project; (c) and as funding therefor to utilize the funds appropriated under Article 4(b) of this warrant; and further

(3) to authorize the Plymouth Airport Commission or other appropriate Town officials to apply for and expend any grants for such purposes, and to enter into all agreements and execute any and all instruments necessary on behalf of the Airport Commission on such terms and conditions as may be deemed to be in the best interests of said Commission and Town of Plymouth; and that any grants received for the purposes of this Article shall be used to reduce the amount expended hereunder.

The motion PASSED by more than two-thirds on a negative roll call with 1 in opposition.

ARTICLE 4C: Fire Vehicles

Mr. Nassau moved that the town vote to transfer and appropriate \$67,000 from the Fire Safety and Prevention Revolving Fund to replace two fire department vehicles, said vehicles to be used for the Code Enforcement Division.

The motion PASSED.

ARTICLE 4D: Fire Department Containment Unit

Mr. Nassau moved that the town vote to transfer and appropriate \$14,000 from the FY2013 Fire Department Operating Budget Personal Services line item to repair and upgrade the fire department Self Contained Breathing Apparatus Air Compressor System.

The motion PASSED unanimously.

ARTICLE 4E: Stormwater System Improvements

Mr. Nassau moved that the town vote to transfer and appropriate \$25,000 from the Waterways Improvement Fund for Stormwater System Improvements at Town Wharf.

The motion PASSED.

ARTICLE 4G: Drainage

Mr. Nassau moved that the town vote to transfer and appropriate \$34,936.38 from Article 9-A7 of the April 2009 Annual Town Meeting to address drainage issues at the Hedges Pond Recreation Area.
The motion PASSED.

ARTICLE 4F: Engineering and Permitting Services

Mr. Nassau moved that the town vote to transfer and appropriate \$5,195 from the Waterways Improvement Fund for Engineering and Permitting services as the Town’s share of a grant from the Massachusetts Seaport Council to allow for accessible floats and gangways at Town Wharf.
The motion PASSED unanimously.

ARTICLE 5: There was no motion. Town Meeting took no action.

ARTICLE 6: Mr. Nassau moved that the town vote to increase the maximum amount that may be spent from each fund for FY2013 for certain Town Departments under the provisions of G.L. c.44, §53E ½ for the fiscal year beginning July 1, 2012, as follows:

TOWN OF PLYMOUTH, MASSACHUSETTS				
Revolving Funds Chapter 44, Section 53E1/2				
Spending Authority	Revolving Fund	Revenue Source	Use of Fund	FY2013 Authorized Spending Limit
Planning Board	Manomet Village Parking Plymouth Center Village Parking Cedarville Village Parking West Plymouth Village Parking No. Plymouth Village Parking	The departmental receipts credited to this fund shall be those identified as payments made in lieu of on-site parking.	As provided by Section 305.12 of the Zoning Bylaw, these five funds may be used within their respective village centers for parking related uses including land acquisition, facility construction, and the preparation of plans and specifications.	\$30,001

The motion PASSED unanimously.

ARTICLE 7: Mr. Nassau moved that \$300,000 is appropriated to pay costs of repairing, replacing and/or upgrading septic systems pursuant to agreements between the Board of Health and residential property owners; including without limitation, the payment of all costs thereof as defined in Section 1 of Chapter 29C of the General Laws, and that to meet this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(1) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town

therefor, which borrowing may be accomplished through the Massachusetts Water Pollution Abatement Trust or otherwise, and, further, that the Board of Selectmen is authorized to take any other action necessary to carry out this project.

The motion PASSED unanimously.

ARTICLE 8: Mr. Nassau moved that the town vote to transfer from the Board of Selectmen for the purposes for which they are currently held to the Board for such purposes and also for the purpose of conveyance, by sale, lease, or otherwise, to a for-profit organization, not for profit organization, development company, or other entity and upon such terms and conditions as the Board of Selectmen deems appropriate, all or portions of the property known as the 1820 Plymouth County Courthouse, the Commissioner's Building and the Old Police Station and the surrounding parcels shown on Town Assessor's Map 19 Lots 2, 6, 7, 23 24A, 24B and 25 and authorize the Board of Selectmen to convey said parcels and/or the buildings thereon to said entity for such consideration as the Board deems appropriate, which consideration may be nominal, and further, to authorize the Board of Selectmen to execute any and all instruments as may be necessary on behalf of the Town to effect said conveyance of the property and to grant and/or accept, as may be appropriate, a historical preservation restriction or restrictions in said properties meeting the requirements of G.L. c. 184.

The motion PASSED by more than two-thirds.

ARTICLE 9: Mr. Nassau moved that the town vote to approve the Tax Increment Financing Agreement between the Town and High Rock Cranberry Crescent LLC, substantially in the form as is on file with the Town Clerk (the "TIF Agreement"), pursuant to G.L. c.40, §59, and to confirm the Board of Selectmen's selection of the location of the project as an Economic Opportunity Area ("Cranberry Crescent Economic Opportunity Area"), and to authorize the Board of Selectmen to submit an Economic Opportunity Area Application, Tax Increment Financing Plan, and Certified Project Application to the Massachusetts Economic Assistance Coordinating Council for approval, all relating to the project as described in the TIF Agreement to be located in the Cranberry Crescent Economic Opportunity Area, and to take such other actions as may be necessary to obtain approval of the Certified Project Application, the Economic Opportunity Area, the Tax Increment Financing Plan and TIF Zone and to implement the TIF Agreement.

The motion PASSED.

ARTICLE 10: Mr. Nassau moved that the town vote to approve the Tax Increment Financing Agreement between the Town and Mirbeau Boston-South, LLC, substantially in the form as is on file with the Town Clerk (the "TIF Agreement"), pursuant to G.L. c.40, §59, and to confirm the Board of Selectmen's selection of the location of the project as an Economic Opportunity Area ("Pinehills Economic Opportunity Area #1"), and to authorize the Board of Selectmen to submit an Economic Opportunity Area Application, Tax Increment Financing Plan, and Certified Project Application to the Massachusetts Economic Assistance Coordinating Council for approval, all relating to the project as described in the TIF Agreement to be located in the Pinehills Economic Opportunity Area #1, and to take such other actions as may be necessary to obtain approval of the Certified Project Application, the Economic Opportunity Area, the Tax Increment Financing Plan and TIF Zone and to implement the TIF Agreement.

The motion PASSED.

ARTICLE 11: There was no motion. Town Meeting took no action.

ARTICLE 12: There was no motion. Town Meeting took no action.

ARTICLE 14: There was no motion. Town Meeting took no action.

ARTICLE 15: There was no motion. Town Meeting took no action.

ARTICLE 16A: Mr. Nassau moves that the town vote to authorize the Board of Selectmen to appropriate \$365,000 to acquire by purchase for historic preservation purposes pursuant to G. L.c. 44B and also for the purposes of leasing and, to comply with G.L. c.44B, §12, conveyance of a historical restriction, on such terms and conditions as the Board of Selectmen deem appropriate, and to accept a deed to the Town of Plymouth of a fee simple interest to a parcel of land and the buildings thereon, commonly known as Congregation Beth Jacob Community Center which is also formally known as Plymouth's Methodist Episcopal Church located at 25 ½ Court Street, Plymouth shown on Assessor's Map 17 as Parcel 145-2, and further that the land shall be in the care, custody, management and control of the Board of Selectmen, and further to appropriate \$285,000 for the installation of two ADA compliant bathrooms, fire emergency exit and fire sprinkler system on said premises; and that to meet this appropriation to transfer from the Community Preservation Historical Reserves the sum of \$424,328 and from the Community Preservation Undesignated Fund Balance the sum of \$225,672, for a total appropriation of \$650,000, and further to authorize the Board of Selectmen to enter into a lease agreement for a term up to or in excess of 30 years with the Greater Plymouth Performing Arts Center, Inc. ("GPPAC") for the use of the building located on the premises, for such consideration, which may be nominal, and under such terms and conditions as the Board of Selectmen deems appropriate, which conditions shall include, but not limited to, the following: (1) a provision authorizing the Board of Selectmen to appoint a member of the GPPAC board of directors, for two-year terms, for the length of the lease; (2) a provision providing that the Town and its committees may use the building, based on availability, for meeting space; (3) a provision providing that Plymouth students shall be permitted to attend select GPPAC-sponsored play productions free of charge based upon availability; (4) and a provision negotiated by GPPAC and Congregation Beth Jacob allowing said congregation to use the premises for the Rosh Hashanah and Yom Kippur holidays; and further to authorize the Board of Selectmen to grant to a governmental entity, a non-profit or charitable organization, a historical preservation restriction on said property meeting the requirements of G.L. c.184

The Moderator call a recess at 9:50 AM

The Moderator returned the meeting to order at 10:14 AM.

Mr. Howe moved the previous question. The motion PASSED.

On the main motion, on a roll call, the motion PASSED with 85 in favor and 32 in opposition.

ARTICLE 16B: Mr. Nassau moves that the town vote to authorize the Board of Selectmen to acquire by purchase for open space, including agricultural, purposes, pursuant to G.L. c.44B and also for the purposes of leasing for agricultural purposes and, to comply with G.L. c.44B, §12, conveyance of a conservation restriction, and to accept the deed to the Town of Plymouth of a fee simple interest or less to a parcel of land containing 19 acres, more or less, located off Center Hill Road, Plymouth shown on Assessor's Map 52 as Lots 26-U, 27A, 9C and 9F and further that said land shall be held under the care, custody, and control of the Conservation Commission, and as funding therefor to appropriate \$350,000, and that to meet this appropriation to transfer the sum of \$16,000 from the Community Preservation Undesignated Fund Balance, the sum of \$169,000 from Article 16B of the October 25, 2010 Fall Annual Town Meeting and the sum of \$165,000 from Article 16C of the October 25, 2010 Fall Annual Town Meeting; and further to authorize the Board of Selectmen to enter into such lease for a term up to or in excess of three years and on such terms and conditions as it deems appropriate and to grant a

conservation restriction including but not limited to an agriculture use of said property pursuant to G.L. c.44B, §12 and G.L. c.184, §§ 31-33 and to authorize appropriate Town officials to enter into all agreements and to execute any and all instruments as may be necessary on behalf of the Town to effect said purchase.

The motion PASSED on a negative roll call with 2 in opposition.

ARTICLE 16C: Mr. Nassau moves that the town vote to authorize the Board of Selectmen to acquire by purchase for open space and water protection purposes pursuant to G.L. c. 44B, and also, to comply with G.L. c.44B, §12, for the purpose of conveyance of a conservation restriction, and to accept the deed to the Town of Plymouth of a fee simple interest or less to a parcel of land containing 348 acres of land, more or less, located off Old Sandwich Road, Plymouth, shown on Assessor's Map 61 as Lots 2, 4 and Map 62, Lots 1B, 1 C and further that said land shall be held under the care, custody, and control of the Conservation Commission; and as funding therefor to appropriate \$3,000,000, and that to meet this appropriation transfer the sum of \$1,335,702 from the Community Preservation Undesignated Fund Balance, the sum of \$218,987 from the Community Preservation Fund Open Space Reserves, and the sum of \$1,445,311 from the FY2013 Community Preservation Fund Budgeted Reserve; and further to authorize the Board of Selectmen to grant a conservation restriction in said property pursuant to G.L. c.44B, §12 and G.L. c.184, §§31-33, or, in the alternative, to accept a deed to said land subject to a conservation restriction consistent with the purpose of this article, and to authorize appropriate Town officials to apply for and expend any grants for such purposes, and to enter into all agreements and execute any and all instruments as may be necessary on behalf of the Town to effect said purchase; and further that any grants received for the purposes of this Article shall be used to reduce the amount expended hereunder or, if received after the purchase is made, be credited to the Community Preservation Fund.

The motion PASSED unanimously.

ARTICLE 17: There was no motion. Town Meeting took no action.

ARTICLE 18: Mr. Nassau moved that the town vote to transfer the care, custody, management and control of a certain parcel of land shown as Lot 23 on Assessors Map 19 from the School Department to the Board of Selectmen for general municipal purposes and to authorize the Board of Selectmen to convey said land pursuant to the requirements of G. L. c.30B, the Uniform Procurement Act, and on such terms and conditions as may be deemed to be in the best interests of the Town.

The motion PASSED unanimously.

ARTICLE 19: Mr. Nassau moved that the action taken by the Town under Article 9, Item B-3 of the Warrant at the 2009 Annual Town Meeting, pursuant to which action funds were appropriated for the reconstruction and making of roadway improvements on Standish Avenue from Samoset Street to Alden Street, is hereby amended to now authorize such funds to be expended for the reconstruction and making of roadway improvements to Standish Avenue in its entirety.

The motion PASSED unanimously.

ARTICLE 20: Mr. Nassau moved that the town vote to transfer the care, custody, management and control of the following parcels from the Town Treasurer to the Conservation Commission for conservation purposes pursuant to G.L. c. 40, §8C:

Map	Lots	Road	Book/Page	Tax Title
82	55B	Off State Hwy Rte 3	39746/98	9539
87	34	Old Bog Road	40225/192	10826

ARTICLE 23: There was no motion. Town Meeting took no action.

ARTICLE 24: There was no motion. Town Meeting took no action.

ARTICLE 25: Mr. Nassau moved that the town vote to amend its Zoning Bylaw, in accordance with the, "Final Report And Recommendation To Amend The Town Zoning Bylaw By Substituting The Existing Official Zoning Maps With A New Official Zoning Map, Revised, Consisting Of Two Sheets (General Zoning And Aquifer Protection Overlay).

2012

Fall Annual Town Meeting

Article 25

FINAL REPORT AND RECOMMENDATION TO AMEND THE TOWN ZONING BYLAW BY SUBSTITUTING THE EXISTING OFFICIAL ZONING MAPS WITH A NEW OFFICIAL ZONING MAP, REVISED, CONSISTING OF TWO SHEETS (GENERAL ZONING AND AQUIFER PROTECTION OVERLAY).

DATE OF PUBLICATION OF PUBLIC HEARING:

August 22, 2012

August 29, 2012

DATE OF PUBLIC HEARING:

September 10, 2012

VOTE: On September 10, 2012, the Planning Board voted (5-0) **to support** the attached amended maps to Town Meeting:

PROPOSED AMENDMENT:

To see if the Town will vote to amend its Zoning Bylaw by substituting the existing Official Zoning Maps with new Official Zoning Maps, revised, consisting of three sheets [Official Zoning Map (Sheet 1 and Sheet 2), and Aquifer Protection Overlay] or to take any action relative thereto, as shown on the attached maps, on file with the Town Clerk.

NEED AND JUSTIFICATION

The Town of Plymouth's Official Zoning Maps were hand drafted and adopted 40 years ago (November of 1972), and since then the maps have been amended over seventy-five times. In recent years, computer technology for mapping has improved significantly.

In the early part of the 2000s, the Town began a transition to software known as Geographic Information Systems (GIS, Plymouth uses ArcMap), for mapping within Town Hall. GIS is powerful mapping

software that can interact with many other types of software used today.

Over the past several months, a comprehensive review of the 1972 Maps, and all the subsequent amendments, has been completed by the staff of the DPW Engineering Division, Information Technology and Planning Departments.

No new zone lines or changes in existing zone lines are proposed. This amendment only seeks to adopt computer based maps as Plymouth's Official Zoning Maps.

Please note that the Massachusetts Department of Environmental Protection (DEP) has requested one (1) typographic correction to the Aquifer Overlay Map adopted at Fall 2011 Town Meeting, which corrects the numbered reference of the Bradford Well as 06G (not 01G). Labels of streets and ponds were added, with no other changes.

INTENT

The intent of these amendments are to transition from hand drawn maps to a computer based map format that will better meet the needs of the community and serve as Plymouth’s Official Zoning Maps.

Fall Annual Town Meeting

Article 26

FINAL REPORT AND RECOMMENDATION TO SEE IF THE TOWN WILL VOTE TO AMEND ITS ZONING BYLAW, SECTION 205-57 – “AQUIFER PROTECTION DISTRICT” AS IT RELATES TO THE DELINEATION OF THE DISTRICT, USES ALLOWED, SPECIAL PERMIT USES AND PROHIBITED USES OR ACTIVITIES OR TO TAKE ANY OTHER ACTION RELATIVE THERETO.

DATE OF PUBLICATION OF PUBLIC HEARING:

August 22, 2012

DATE OF PUBLIC HEARING:

August 29, 2012
September 10, 2012

VOTE: On September 10, 2012, the Planning Board voted (5-0) **to support** the attached amended table to Town Meeting:

PROPOSED AMENDMENT:

To see if the Town will vote to amend its Zoning Bylaw, Section 205-57 – “Aquifer Protection District” as it relates to the delineation of the district, uses allowed, special permit uses and prohibited uses or activities or to take any action relative thereto, per the attached amended table.

NEED AND JUSTIFICATION

The Commonwealth’s Department of Environmental Protection (DEP) contacted the Town this summer requesting required changes to the Use Table Section in 205-57. DEP had approved the entire Bylaw prior to Fall TM 2011; however, they are now requesting a few additional changes to the Use Table.

The Town must comply with the request from the state to clarify the language so that it is consistent with state language in regulating these uses.

The Town of Plymouth replaced its Aquifer Protection Overlay map (which corresponds with Section 205-57 of the Bylaw), along with the entire text, at 2011 Fall Town Meeting. That language was adopted through a joint effort of the DPW, Fire, Environmental Management, Planning and Conservation staff at Town Hall, with input from Town Counsel, DEP and Horsley Witten Group, a private consulting firm, with the goal of clarifying and updating this Section of the Bylaw.

The edits currently requested by DEP are primarily associated with the wording regarding grading of land for consistency with DEP policies. Some minor edits separating uses into two lines, rather than grouping them together, were also requested by DEP for similar reasons. Line numbers were added for housekeeping purposes. A summary of edits is attached.

INTENT

The intent of these amendments is to meet the requirements of the DEP as well as the intent of the Zoning Bylaw to protect Plymouth’s public drinking water supply.

51	The landfilling or disposal of solid or liquid or leachable wastes, including the landfills receiving only wastewater and/or septage residuals including those approved by the DEP pursuant to MGL c. 21 s. 26 through s. 53; MGL c. 111 s. 17; MGL c.83 s.6 and s.7 , and regulations promulgated thereunder.	P	P	P

The use: “construction of dams or other water control devices including the temporary alteration of the water level for maintenance purposes and periodic cleaning upon demonstration that said dams or other water quality control devices will not adversely affect the quantity or quality of water available in the Aquifer Protection District” was deleted after discussion with DEP and subsequent discussion with Town Counsel.

The motion PASSED unanimously.

ARTICLE 27: Mr. Nassau moved that the town vote to authorize the Board of Selectmen to grant to NSTAR Electric Company and Verizon New England, Inc., a perpetual non-exclusive utility easement in that portion of Town owned property located at 262 Billington Street, more particularly described in deeds recorded with Plymouth County Registry of Deeds in Book 1703, Page 534 and shown on Town Assessors' Map 89 as Parcel 12A.

The motion PASSED unanimously.

ARTICLE 28: Mr. Nassau moved that the town vote to authorize the Board of Selectmen to grant to NSTAR Electric Company, a perpetual non-exclusive utility easement in that portion of Town owned property located on Obery Street, more particularly described in deeds recorded with Plymouth County Registry of Deeds in Book 11972, Page 160.

The motion PASSED unanimously.

ARTICLE 29: There was no motion. Town Meeting took no action.

ARTICLE 30: There was no motion. Town Meeting took no action.

ARTICLE 31: There was no motion. Town Meeting took no action.

ARTICLE 32: There was no motion. Town Meeting took no action.

ARTICLE 33: Mr. Cohen moved to vote to enact a two-year moratorium on wind energy facilities that are greater than 100 feet in height and proposed to be connected to the utility grid filed under Section 205-17 (I) or under Section 205-73 of the Bylaw within the § 205-40 Rural Residential (RR), § 205-41 Large Lot Residential (R-40), § 205-42 Medium Lot Residential (R-25), § 205-43 Small Lot Residential (R-20SL), § 205-44 Mixed Density Residential (R-20MD), § 205-45 Multifamily Residential (R-20MF), § 205-49 General Commercial (GC) and § 205-54 Downtown/Harbor (DH) Zoning Districts in the Town of Plymouth.

Mr. Brewster moved to grant Mr. Garrett an additional five minutes. The motion PASSED.

Mr. Berg moved the previous question. The motion FAILED.

Ms. Alberti moved to grant Ms. Hall an additional two minutes. The motion PASSED.

Mr. Howe moved the previous question. The motion PASSED.

The Moderator called a lunch recess at 11:50 AM.

The Moderator returned the meeting to order at 12:50 PM.

Mr. O'Roak moved to fix the method of voting by roll call. The motion PASSED.

On a roll call vote, the motion FAILED to reach two-thirds with sixty-eight in favor and 39 in opposition,

ARTICLE 34: Mr. Nassau moved that the town vote to amend the Zoning Map of the Town of Plymouth to rezone the land shown as Lot 14F-2 on Assessors' Map 104 from R-20-MD to Light Industrial (LI) , in accordance with the "Final Report And Recommendation On The Petition Of Edward A. Angley, Et Al To Amend The Zoning Map Of The Town Of Plymouth To Rezone The Land Shown As Lot 14f-2 On Assessors' Map 104 From R20md To Light Industrial (LI)"

FINAL REPORT AND RECOMMENDATION ON THE PETITION OF EDWARD A. ANGLE, ET AL TO AMEND THE ZONING MAP OF THE TOWN OF PLYMOUTH TO REZONE THE LAND SHOWN AS LOT 14F-2 ON ASSESSORS' MAP 104 FROM R20MD TO LIGHT INDUSTRIAL (LI) OR TAKE ANY OTHER ACTION RELATIVE THERETO.

DATE OF PUBLICATION OF PUBLIC HEARING: August 22, 2012
August 29, 2012
DATE OF PUBLIC HEARING: September 10, 2012

VOTE: On September 10, 2012, the Planning Board voted (5-0) **to support** the petitioned article to Town Meeting:

PROPOSED AMENDMENT:

To see if the Town will vote to amend the Official Zoning Map of the Town of Plymouth to rezone the land shown as Lot 14F-2 on Assessors' Map 104 from Mixed Density Residential (R20MD) to Light Industrial (LI), or take any other action relative thereto.

NEED AND JUSTIFICATION

The land in question is located at the entrance to the Plymouth Industrial Park at the intersection of Route 80 (aka Plympton Road) and Commerce Way in West Plymouth. These roads are both classified as Major Streets, designed to carry large volumes of traffic between various parts of Town or to other towns through areas of intense or scattered development.

The Mixed Density Residential zoning for this property was adopted in 1972, before this portion of the industrial park was laid out in 1981. The zoning of Mixed Density Residential is now unsuitable for this busy commercial intersection. The land in question, along with other property, is located on Plympton Road (Route 80) and owned by the Commonwealth of Massachusetts. It was held for potential road layout changes and drainage improvements. The Commonwealth has determined that this land is no longer needed, and is selling the property for development or use by the private sector.

The property is under agreement and the future owner has petitioned to rezone the land to Light Industrial, as it is located adjacent to the existing Plymouth Industrial Park. Although not related to this proposed amendment, the petitioner has also offered to grant an easement for the Town across said property for a public sewer easement, which would facilitate the ability of the Town to bring sewer to the residential and commercial uses, both present and future, that are located in this part of the Town. The sewer line would add users to the Wastewater Treatment Plant, making better use of the available capacity of this facility.

The Light Industrial use is more appropriate to the site than a residential use.

Safety at the intersection of Commerce Way and Route 80, which is signalized, is of concern, and the intersection itself is being improved to accommodate an anticipated (and permitted) commercial development in the area. The Planning Board desires safe management of traffic. The Planning Board has requested and the petitioner has agreed to put in place prior to Town Meeting a stipulation that no

curb cut access to the property, will be requested or allowed on Route 80 (aka Plympton Road).

INTENT

The intent of this amendment is to place Lot 14F-2 in a more appropriate commercially oriented zone and to support suitable development at the intersection of Commerce Way and Route 80.

FIFTH BARNSTABLE DISTRICT
- CLERK OF COURTS. PLYMOUTH COUNTY
- REGISTER OF DEEDS PLYMOUTH DISTRICT
- COUNTY COMMISSIONERS PLYMOUTH COUNTY

QUESTION 1: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 1, 2012?

SUMMARY

This proposed law would prohibit any motor vehicle manufacturer, starting with model year 2015, from selling or leasing, either directly or through a dealer, a new motor vehicle without allowing the owner to have access to the same diagnostic and repair information made available to the manufacturer’s dealers and in-state authorized repair facilities.

The manufacturer would have to allow the owner, or the owner’s designated in-state independent repair facility (one not affiliated with a manufacturer or its authorized dealers), to obtain diagnostic and repair information electronically, on an hourly, daily, monthly, or yearly subscription basis, for no more than fair market value and on terms that do not unfairly favor dealers and authorized repair facilities.

The manufacturer would have to provide access to the information through a non-proprietary vehicle

interface, using a standard applied in federal emissions-control regulations. Such information would have to include the same content, and be in the same form and accessible in the same manner, as is provided to the manufacturer's dealers and authorized repair facilities.

For vehicles manufactured from 2002 through model year 2014, the proposed law would require a manufacturer of motor vehicles sold in Massachusetts to make available for purchase, by vehicle owners and in-state independent repair facilities, the same diagnostic and repair information that the manufacturer makes available through an electronic system to its dealers and in-state authorized repair facilities. Manufacturers would have to make such information available in the same form and manner, and to the same extent, as they do for dealers and authorized repair facilities. The information would be available for purchase on an hourly, daily, monthly, or yearly subscription basis, for no more than fair market value and on terms that do not unfairly favor dealers and authorized repair facilities.

For vehicles manufactured from 2002 through model year 2014, the proposed law would also require manufacturers to make available for purchase, by vehicle owners and in-state independent repair facilities, all diagnostic repair tools, incorporating the same diagnostic, repair and wireless capabilities as those available to dealers and authorized repair facilities. Such tools would have to be made available for no more than fair market value and on terms that do not unfairly favor dealers and authorized repair facilities.

For all years covered by the proposed law, the required diagnostic and repair information would not include the information necessary to reset a vehicle immobilizer, an anti-theft device that prevents a vehicle from being started unless the correct key code is present. Such information would have to be made available to dealers, repair facilities, and owners through a separate, secure data release system.

The proposed law would not require a manufacturer to reveal a trade secret and would not interfere with any agreement made by a manufacturer, dealer, or authorized repair facility that is in force on the effective date of the proposed law. Starting January 1, 2013, the proposed law would prohibit any agreement that waives or limits a manufacturer's compliance with the proposed law.

Any violation of the proposed law would be treated as a violation of existing state consumer protection and unfair trade-practices laws.

A YES VOTE would enact the proposed law requiring motor vehicle manufacturers to allow vehicle owners and independent repair facilities in Massachusetts to have access to the same vehicle diagnostic and repair information made available to the manufacturers' Massachusetts dealers and authorized repair facilities.

A NO VOTE would make no change in existing laws.

QUESTION 2: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 1, 2012?

SUMMARY

This proposed law would allow a physician licensed in Massachusetts to prescribe medication, at a terminally ill patient's request, to end that patient's life. To qualify, a patient would have to be an adult resident who (1) is medically determined to be mentally capable of making and communicating health care

decisions; (2) has been diagnosed by attending and consulting physicians as having an incurable, irreversible disease that will, within reasonable medical judgment, cause death within six months; and (3) voluntarily expresses a wish to die and has made an informed decision. The proposed law states that the patient would ingest the medicine in order to cause death in a humane and dignified manner.

The proposed law would require the patient, directly or through a person familiar with the patient's manner of communicating, to orally communicate to a physician on two occasions, 15 days apart, the patient's request for the medication. At the time of the second request, the physician would have to offer the patient an opportunity to rescind the request. The patient would also have to sign a standard form, in the presence of two witnesses, one of whom is not a relative, a beneficiary of the patient's estate, or an owner, operator, or employee of a health care facility where the patient receives treatment or lives.

The proposed law would require the attending physician to: (1) determine if the patient is qualified; (2) inform the patient of his or her medical diagnosis and prognosis, the potential risks and probable result of ingesting the medication, and the feasible alternatives, including comfort care, hospice care and pain control; (3) refer the patient to a consulting physician for a diagnosis and prognosis regarding the patient's disease, and confirmation in writing that the patient is capable, acting voluntarily, and making an informed decision; (4) refer the patient for psychiatric or psychological consultation if the physician believes the patient may have a disorder causing impaired judgment; (5) recommend that the patient notify next of kin of the patient's intention; (6) recommend that the patient have another person present when the patient ingests the medicine and to not take it in a public place; (7) inform the patient that he or she may rescind the request at any time; (8) write the prescription when the requirements of the law are met, including verifying that the patient is making an informed decision; and (9) arrange for the medicine to be dispensed directly to the patient, or the patient's agent, but not by mail or courier.

The proposed law would make it punishable by imprisonment and/or fines, for anyone to (1) coerce a patient to request medication, (2) forge a request, or (3) conceal a rescission of a request. The proposed law would not authorize ending a patient's life by lethal injection, active euthanasia, or mercy killing. The death certificate would list the underlying terminal disease as the cause of death.

Participation under the proposed law would be voluntary. An unwilling health care provider could prohibit or sanction another health care provider for participating while on the premises of, or while acting as an employee of or contractor for, the unwilling provider.

The proposed law states that no person would be civilly or criminally liable or subject to professional discipline for actions that comply with the law, including actions taken in good faith that substantially comply. It also states that it should not be interpreted to lower the applicable standard of care for any health care provider.

A person's decision to make or rescind a request could not be restricted by will or contract made on or after January 1, 2013, and could not be considered in issuing, or setting the rates for, insurance policies or annuities. Also, the proposed law would require the attending physician to report each case in which life-ending medication is dispensed to the state Department of Public Health. The Department would provide public access to statistical data compiled from the reports.

The proposed law states that if any of its parts was held invalid, the other parts would stay in effect.

A YES VOTE would enact the proposed law allowing a physician licensed in Massachusetts to prescribe

medication, at the request of a terminally-ill patient meeting certain conditions, to end that person's life.

A NO VOTE would make no change in existing laws.

QUESTION 3: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 1, 2012?

SUMMARY

This proposed law would eliminate state criminal and civil penalties for the medical use of marijuana by qualifying patients. To qualify, a patient must have been diagnosed with a debilitating medical condition, such as cancer, glaucoma, HIV-positive status or AIDS, hepatitis C, Crohn's disease, Parkinson's disease, ALS, or multiple sclerosis. The patient would also have to obtain a written certification, from a physician with whom the patient has a bona fide physician-patient relationship, that the patient has a specific debilitating medical condition and would likely obtain a net benefit from medical use of marijuana.

The proposed law would allow patients to possess up to a 60-day supply of marijuana for their personal medical use. The state Department of Public Health (DPH) would decide what amount would be a 60-day supply. A patient could designate a personal caregiver, at least 21 years old, who could assist with the patient's medical use of marijuana but would be prohibited from consuming that marijuana. Patients and caregivers would have to register with DPH by submitting the physician's certification.

The proposed law would allow for non-profit medical marijuana treatment centers to grow, process and provide marijuana to patients or their caregivers. A treatment center would have to apply for a DPH registration by (1) paying a fee to offset DPH's administrative costs; (2) identifying its location and one additional location, if any, where marijuana would be grown; and (3) submitting operating procedures, consistent with rules to be issued by DPH, including cultivation and storage of marijuana only in enclosed, locked facilities.

A treatment center's personnel would have to register with DPH before working or volunteering at the center, be at least 21 years old, and have no felony drug convictions. In 2013, there could be no more than 35 treatment centers, with at least one but not more than five centers in each county. In later years, DPH could modify the number of centers.

The proposed law would require DPH to issue a cultivation registration to a qualifying patient whose access to a treatment center is limited by financial hardship, physical inability to access reasonable transportation, or distance. This would allow the patient or caregiver to grow only enough plants, in a closed, locked facility, for a 60-day supply of marijuana for the patient's own use.

DPH could revoke any registration for a willful violation of the proposed law. Fraudulent use of a DPH registration could be punished by up to six months in a house of correction or a fine of up to \$500, and fraudulent use of a registration for the sale, distribution, or trafficking of marijuana for non-medical use for profit could be punished by up to five years in state prison or by two and one-half years in a house of correction.

The proposed law would (1) not give immunity under federal law or obstruct federal enforcement of federal law; (2) not supersede Massachusetts laws prohibiting possession, cultivation, or sale of

marijuana for nonmedical purposes; (3) not allow the operation of a motor vehicle, boat, or aircraft while under the influence of marijuana; (4) not require any health insurer or government entity to reimburse for the costs of the medical use of marijuana; (5) not require any health care professional to authorize the medical use of marijuana; (6) not require any accommodation of the medical use of marijuana in any workplace, school bus or grounds, youth center, or correctional facility; and (7) not require any accommodation of smoking marijuana in any public place.

The proposed law would take effect January 1, 2013, and states that if any of its part were declared invalid, the other parts would stay in effect.

A YES VOTE would enact the proposed law eliminating state criminal and civil penalties related to the medical use of marijuana, allowing patients meeting certain conditions to obtain marijuana produced and distributed by new state-regulated centers or, in specific hardship cases, to grow marijuana for their own use.

A NO VOTE would make no change in existing laws.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said voting.

Given under our hands this 9th day of October, 2012.

Selectmen of: Plymouth

Pursuant to the foregoing Warrant, I have this day warned the Inhabitants of Plymouth qualified to vote in elections by posting copies of this Warrant in the Town Office Building and in a public place in each precinct, seven days at least before such meeting.

_____, 2012.
Constable

**TOWN MANAGER AND
BOARD OF SELECTMEN**

Two thousand and twelve was a year of change in the Town Manager's office. That change took many forms, including the appointment of Melissa Arrighi as Town manager. Ms. Arrighi had previously been the Assistant Town Manager since 2004. In addition to the appointment of a permanent Town Manager, other significant changes were implemented including a reorganization that resulted in a new Department entitled Marine and Environmental Affairs that was a consolidation of the Harbormaster's Office and Environmental Affairs, as recommended by the Consolidation Committee.

In terms of changes to the Executive Branch, the May election returned Kenneth Tavares to the Board of Selectmen. Upon reorganization, Mr. Muratore was selected as Chairman and Mr. Mahoney remained as Vice Chairman.

These changes, coupled with numerous accomplishments throughout the year, including the completion of a new Plymouth North High School and a new Senior Center, made 2012 a busy, yet successful year, for the Town Manager and the Board of Selectmen.

Budget – Fees were closely examined in 2012 and resulted in increases in different areas, and a long awaited public auction was held in the Spring to sell surplus property and land owned by the Town. There was also activity related to Municipal Health Care Reform. In January, the Town and the Public Employees Committee successfully negotiated and formally executed a three year agreement on employee health insurance. The Agreement calls for significant changes for co-payments, emergency room visits, and prescription drug payments. In addition, the Agreement eliminated the Master Health program as of July 1st. These strides were made in order to slow down the increases in overall town health care costs. With the renewal of Entergy Nuclear Power Plant's operating license by the Nuclear Regulatory Commission in early summer 2012, negotiations for a successor Payment in Lieu of Taxes began in earnest.

Programs and Development – Staff began to actively seek long term options for the Town's solid waste program, including a bid that was distributed for curbside pickup. In addition, the Selectmen temporarily

suspended sewer hookup fees in order to encourage development and as part of sewer expansion program planning. Also, the Town Manager and Selectmen supported and praised the efforts of the Plymouth Industrial/Commercial Land Study Report and the work of the committee to make Plymouth more business friendly. The Selectmen and Town Manager reached out to the Plymouth Redevelopment Authority in order to collaborate on the future of the 1820 Courthouse. As part of that process, they supported and participated in a Technical Assistance Panel with the Urban Land Institute. Consensus was reached on going out to bid in early 2013 for a developer to help redevelop the Courthouse Corridor, thus revitalizing that area.

400th Anniversary Support – Efforts continued to plan for the 400th Commemoration, and the Selectmen supported the creation of a local 400th Committee and a non-profit 400th organization to take the lead in these efforts. In addition, the Chamber of Commerce promoted a trip to Plymouth, England, to begin conversations about a collaborative economic effort to celebrate this event. The Fall trip was attended by an official delegation and it included the Town Manager and members of the Board of Selectmen.

The Town was successful in passing two Special Acts; one was related to establishing a fund for Other Post Employment Benefits and the other authorizes the town to spend public dollars on unaccepted roads. These Special Acts are known as Chapters 112 and 113 of the Acts of 2012.

The Town Manager and Selectmen hosted the first annual Executive Team Building Retreat at the Center Hill Preserve Building. Attendees included members of the Planning Board, Advisory and Finance Committee, School Committee, and Committee of Precinct Chairs. The group discussed leadership and spoke about adopting guiding principles that should outline what is expected from employees, committee members, and others involved in the Town's governance. They identified shared objectives for the Town, including the growth of economic development, support for acquired open spaces and protected land, expansion of town infrastructure, creation of plans for solid waste disposal, and support for public safety in schools. The results of this session were used by the Town Manager

in setting her goals for the 2013 fiscal year.

The Town Managers goals were to:

1. Establish a Department that would provide for more oversight and coverage of conservation lands, the beaches, and our other natural resources.
2. Resolve solid waste issues and work on long term sewer expansion
3. Secure a PILOT payment from the Nuclear Power Plant for FY14 and establish a plan for the eventual closing of the plant and diminishing revenues from the tax base.
4. Encourage development by establishing a simplified permitting process, and include the development of the 1820 Courthouse and the Parking Garage in development objectives.
5. Establish and promulgate civil discourse through the adoption of guiding principles.

Appointments – The Town Manager made several appointments in 2012, including:

David Gould, Director, Marine and Environmental Affairs
Elizabeth Sullivan, Special Assistant, Town Manager's Office
Lorie Oliva, Administrative Secretary, Treasurer/Collector
Melissa Hilley, Account Clerk
Patricia Heylin, Planning and Development
Penny Almeida, Animal Control Officer
Ryan Antonson, Patrolmen
Thomas McNally, Building Custodian
Stephen Powers, Patrolman
Eric Savard, Patrolman
Michael Welch, Patrolman
Edward Sealey, Building Department
Robert Bechtold, Harbormaster's Office

Abera Delaney, Library
Katherine Gomes, Library
Margaret Irvine, Library
Teresa Karpinski, Library
Julia Mitchell, Library
Dena Moscheck, Library
Karen Gardner, Library
Kerensa Gillette, Administrative Assistant, Recreation

TOWN CLERK

The mission of the Plymouth Town Clerk's Department is to maintain and produce the records of the Town of Plymouth and to provide copies of them for internal and external use. Also, it serves the public by directing them to appropriate offices within town government through the switchboard and mail services. It works closely with the Board of Voting Registrars to maintain lists of town residents and to conduct elections.

The Clerk's office seeks to combine honesty, efficiency, and a pleasant demeanor in conducting its work to serve constituencies in the present and former citizens of Plymouth, the other offices of town government, offices in county, state and national government, and researchers around the world.

Elections, elections, and more elections marked 2012 in the Town Clerk's Office. The four scheduled elections were joined by a special January election to contest Town Meeting's passage of a local meals tax. The November election dominated by the reelection of the President and a contested Senatorial race produced the largest number of absentee ballots and the biggest turnout in Plymouth history. The office even supervised a recount for Governor's Councilor in the fall primary.

Mr. Pizer was again re-elected chair of the Legislative Committee of the Massachusetts Town Clerks' Association to promote laws that permit clerks across the state to act efficiently in the public interest. The Association help to insure that a proposal for a surcharge on dog licenses would be defeated when a new statewide animal control bill passed, believing that the state should be providing funding to the Town and not the other way around.

Office Staff consists of Pearl Sears, vitals expert; Lisa Fornaciari, dog licensing, poll worker liaison, and other licensing; and Jane Bumpus, switchboard, voter registration and campaign finance overseer. Each has her own special responsibilities, but all serve the public with dedication. Emily Beaulieu and Joyce Farnkoff processed the census during 2012.

Clarence Krueger and Patricia Corshia worked in the office as part of the town's Senior Tax Credit Program.

They produced a database, making early town vital records far more accessible.

During the year the Town Clerk's Office processed the following:

996	Birth Certificates
308	Marriage Certificates
734	Death Certificates
7880	Certified Copies of Vital Records
110	Vital Record Amendments
8230	Dog Licenses
317	Business Certificates
290	Shellfish licenses
573	Sporting Licenses
809	Nomination and Issue Petitions
61	Underground Storage Permits
988	Meeting Postings
1215	Non-Criminal Violations

HUMAN RESOURCES

It is the mission of the Human Resources Department to provide to our constituents a diverse range of Human Resources services to ensure that the Town of Plymouth continues to be a desirable place to work, live, and do business. Our constituents include current and potential Town employees, retirees, residents, and business owners.

For our employees, we serve as a resource of information and expertise to enhance the well being and quality of life among our workforce. Our goal is to demonstrate through our actions and behavior a genuine respect for the dignity of the individual and to honor each person's right to fair and equitable treatment in all aspects of employment.

We serve the citizens and businesses of Plymouth through the effective utilization of our Town employees to satisfy the goals, objectives, and needs of all those who work, live, and visit our Town. Our overall goal is to hire and retain the most talented and qualified individuals, who will provide the services essential to meet the personal and business goals of all and to support the successful operation of the Town of Plymouth.

Employees

A total of twenty-four employees were promoted during this past year across Town departments. There was one promotion in the Fire Department. Twenty nine employees either retired or resigned and twenty-four new employees were hired. New hires included four Police Officers and three Firefighters. There were thirty-nine applications initiated for leaves of absence pursuant to the Family Medical Leave Act.

STATISTICAL INFORMATION ON TOWN EMPLOYEES*			
	2010 Actual	2011 Actual	2012 Actual
Active Employees	495	476	478
Seasonal & Temporary Employees	128	141	123

Number of Retired/Terminated/Resigned Employees	25	23	29
Number of Promoted Employees	18	12	24

*Full time and Part time

Injured Employees and MGL Chapter 41 Section 100B Retirees

A total of sixty-two employees were injured while performing their duties in service to the Town in 2012, forty-eight School employees and fourteen Town employees. Twenty-four Firefighters and fifty Police Officers were injured on duty during 2012.

Fifty four Police and Firefighter retirees were covered for medical expenses due to injuries incurred while they were active employees.

Unemployment Compensation

In 2012, a total of thirty-seven claims were filed for unemployment benefits of which thirty-two were former School employees

Group Health Insurance

Health insurance costs have continued to rise nationally. There are 2747 subscribers on the health insurance plans. The Town self funds its health and dental plans, which are rated only on the Town of Plymouth's employee and retiree claims experience.

The Board of Selectmen of the Town of Plymouth voted on November 8, 2011, to change group health insurance under the process authorized by G.L. c. 32B, §§ 21- 22. The Town requested the formation of a Public Employee Committee (PEC) pursuant to 801 CMR 52.02 and a PEC was formed. The PEC consisted of a

representative from each of the collective bargaining groups and a designated representative for the retirees. The Town and the PEC engaged in negotiations in good faith and entered into a mutually acceptable agreement. Pursuant to this Agreement, the Town continued to offer Blue Choice POS, Blue Care Elect PPO, Medex plans and Managed Blue for Seniors. The Master Medical plans, including Carve Out A and B, were eliminated effective June 30, 2012. There were also cost-sharing changes that resulted in cost avoidance for the Town of Plymouth.

The Town of Plymouth representatives, with the assistance of the Wellness Committee, worked to inform Town employees and retirees on matters of prevention and good health, which can produce measurable positive results. Goals of the Wellness Committee include reducing future cost increases of health insurance for employees, their families, and the Town, creating more informed health care choices for employees by educating them on using their health care more effectively, reducing absenteeism, and developing other measures of individual performance, effectiveness, and success. In 2012, the Wellness Committee sponsored a successful “Walking Works” program which was a mile tracking challenge. The Wellness Committee also sponsor two “Biggest Loser” contests and employees lost a total of 282 pounds. In the future, the Committee will expects to continue to offer exciting and successful programs to help better the Health and Wellness of our Town employees.

The Benefits Administrator and the Director of Human Resources were actively involved with the Insurance Advisory Committee (IAC). Blue Cross Blue Shield representatives and Cook and Company representatives were also invited to attend meetings with the IAC in an effort to educate employees and retirees about being better health care consumers.

STATISTICAL INFORMATION ON EMPLOYEE/RETIREE MEMBER BENEFITS			
	2010 Actual*	2011 Actual*	2012 Actual*

*Town and School combined

The Future

The Town continues to face significant challenges in the years ahead: increased costs in health care, healthcare reform, retirement of baby boomers, aging infrastructure, a community with increased demand for services and uncertainty in local aid to name just a few. Human Resources continually works to anticipate demands and prepare to meet them with all the resources available.

The staff of the Human Resources Department is Jaclyn Gurney, Administrative Assistant, Marie Brinkmann, Benefits Administrator and Roberta Kety, Director of Human Resources.

**PLYMOUTH
AIRPORT COMMISSION**

The Mission of the Plymouth Airport Commission is to develop, operate and maintain the Plymouth Municipal Airport in a safe, efficient and fiscally-responsible manner that promotes general aviation, stimulates the economy, and supports the local community.

The Plymouth Airport Commission's primary goal is to operate the Plymouth Airport in the safest manner possible, adhering to all federal, state, and local regulations.

The Plymouth Airport is an essential cog in the National Air Transportation System and is one of thirty-nine public-use airports in Massachusetts, which generate substantial economic activity for the Commonwealth resulting in over 124,000 jobs. The Plymouth Airport has been an integral part of the Town of Plymouth since 1934 and continues to be an important area gateway for commerce, allowing visitors easy access to all that Plymouth and the surrounding communities have to offer.

The Plymouth Airport is proud to be home to over thirty businesses that collectively employ more than two hundred and thirty people. These businesses operate from privately constructed buildings located on airport property, which adds considerably to the Plymouth tax base. The types of businesses range from flight schools and maintenance facilities to law enforcement and medical air ambulance.

Indeed, many of the aircraft utilizing the Plymouth Airport contribute to the health, safety, and security of the local communities. Boston Med Flight operates an average of five to seven flights per day responding to the emergency medical needs of the residents of Plymouth and the entire Southeastern Massachusetts area. Plymouth Airport is also very fortunate to be the headquarters for the Massachusetts State Police Air Wing working very closely with other local, state and federal law enforcement agencies to aid in air search and rescue operations as well as flying anti-terrorism and security missions. The Plymouth County Fire Plane also operates from the Plymouth Airport providing critical assistance to the local fire

departments in locating forest fires within the county and proving invaluable in shortening the response time for fire personnel arriving at the scene, thereby reducing the potential danger to life and property. The Plymouth Airport is also home to the Pilgrim Squadron of the Civil Air Patrol, an auxiliary of the United States Air Force, who aid in search and rescue missions and whose cadets are extremely active in volunteering at numerous community events.

In 2012, the Plymouth Airport was proud to host a number of events that raised considerable amounts of money for local and national charities. In September, the airport hosted the Plymouth Airshow. 4,000 plus local residents visited the airport and were able to see over forty different types of aircraft, and many attendees enjoyed plane and helicopter rides and learned about the myriad of career opportunities available in the aviation industry. This event raised money for aviation scholarships, the American Legion, and the local food pantries. Other events held at the Plymouth Airport in 2012 raised money for the Jimmy Fund and Kiwanis.

The Plymouth Airport is home to more than one hundred and fifty aircraft. Most of these aircraft are small, single engine aircraft; however, there are also a number of twin engine aircraft as well as some small jets and helicopters. The seating capacity of the aircraft based at the Plymouth Airport ranges from 1-10 passengers. Annual activity level is estimated to be approximately sixty thousand aircraft movements and has dropped slightly over the last several years due to the slow economy.

The Airport's Master Plan, which looks at current airport infrastructure, facilities and services as well as future activity projections has been updated, and a comprehensive environmental study is currently being conducted as one of the many steps toward implementing the infrastructure improvements agreed upon between the Airport Commission, airport users, and neighbors to enhance the safety at the airport as well as address noise concerns by balancing both runways to the same length of 4350 feet with 300 foot "stopway" safety areas. A proactive noise abatement program is in effect at the Plymouth Airport which focuses upon educating both based and transient pilots on the locations of noise sensitive areas as well as suggesting other means for minimizing aircraft noise.

The Airport Commission wishes to operate the airport in an environmentally sensitive and responsible manner with protection and preservation of the local environment being essential concerns, and will continue to inform and consult communities, residents and businesses throughout the region about the master planning process, airport improvements, and community events, encouraging public participation.

The Plymouth Airport is maintained and operated by a small, but highly motivated, professional staff that is active in providing tours for schoolchildren and civic groups. The Airport Commission and the airport staff will continue to work diligently to operate the Plymouth Municipal Airport in a safe and efficient manner so that it may continue to be a valuable asset for the Town of Plymouth. The Airport Commission offers an open invitation to Plymouth and Carver residents to visit and tour their local airport. Contact the Airport Manager at 508-746-2020 to schedule a tour or with any concerns or questions.

DEPARTMENT OF FINANCE

FINANCE DIRECTOR/TOWN ACCOUNTANT

Finance Director / Town Accountant

The mission of the Finance department is to process the payroll and accounts payable for the Town's employees and vendors, account for all financial and budget transactions of the town and report on them to the Departments, Boards, Committees, Public, Department of Revenue and the Auditors.

Included in my report this year are the following reports:

1. Combined Statement of Assets, Liabilities and Fund Equities – All Funds
2. Combined Statement of Revenues, Expenses and Reconciliation of Fund Equities – All Funds
3. Combined Statement of Assets, Liabilities and Fund Equities – Enterprise Funds
4. Combined Statement of Revenues, Expenses and Reconciliation of Fund Equities – Enterprise Funds
5. General Fund – Budget versus Actual Revenue – State & Local receipts
6. Changes in Long Term Debt – All Funds
7. Changes in Short Term Debt – All Funds
8. Changes in Authorized & Unissued Debt – All Funds
9. Budget Report for all Budgeted Funds

** END OF REPORT - Generated by LYNN BARRETT **

The mission of the Assessing Division is to value all property fairly and equitably; to educate customers about the rules and regulations by which the division must abide; to work as a team; to treat all customers the same, with professionalism and respect; and to make the Assessing Division the best managed division in the Town of Plymouth.

The Board of Assessors consists of five appointed members: Chairman – James Sullivan, Vice Chairman- Richard Finnegan, George Moody, Donna Randles, Robert Leonard (term expired June 30, 2013) and Katherine Rebell.

The Assessing Division and Board of Assessors thanks Robert Leonard for his years of service on the Board. Mr. Leonard was a member of the Board of Assessors from 1999-2013. His knowledge and expertise has been an asset to the Board and staff. Katherine L. Rebell has replaced Mr. Leonard. Ms. Rebell was appointed in December.

The Assessing Division has been fortunate to promote the following employees: Donna Greenwood was promoted from Lister/Inspector to Assistant Assessor; Jessica Cristani was promoted from Administrative Assistant to Lister/Inspector; and Heather Gifford was promoted from Administrative Secretary to Administrative Assistant.

It is the responsibility of the office to maintain real and personal property values each year. The FY2012 tax rate was \$13.84. The FY2012 triennial revaluation was certified, by the Department of Revenue, in March 2012. This resulted in mailing a third quarter estimated tax bill and the fourth quarter being the actual bill. The Assessing Division conducted an interim year adjustment for FY2013 to reflect the values in the local real estate market for the calendar year 2011.

The office staff has worked diligently to meet all deadlines and to assist and serve the residents of the Town of Plymouth. The office continues to update the Assessors' page of the town web site to serve the public better.

FY2013 values are used in the following data. The tax rate for FY2013 is \$14.43 per thousand dollars in value.

FISCAL 2013 ANNUAL DATA

CLASSIFICATION	ASSESSED VALUE	% OF TOTAL
Residential	6,708,046,206	77.89 %
Open Space	0	0.00 %
Commercial	807,144,212	9.37%
Industrial	877,170,900	10.19%
Personal Property	219,863,050	2.55 %

INFORMATION TECHNOLOGY DIVISION

(Formerly Data Processing)

The mission of the Information Technology Division is to provide technical computer service to town personnel in order to maintain data integrity and computer literacy, through support, training and knowledge. Information Technology is the key to Plymouth's ability to grow, respond to emergencies, and efficiently provide services to its citizens. Investments in IT applications and infrastructure provide town managers with tools to more effectively observe and manage the financial, physical, and human resources of the Town, as well as increase productivity.

The Goals of the Division are:

- To maintain a municipal area network connecting all town and school buildings.
- To train town personnel on the use of new computer technologies.
- To support and maintain the town's municipal area network.
- To provide a stable infrastructure on which to build.
- To implement technologies allowing other departments to more efficiently accomplish their goals.

IT completed a Disaster Recovery/ Business Continuity Plan. Utilizing our fiber infrastructure, IT built a disaster recovery site at the Emergency Operations location.

IT added a new position to our staff, Police System Admin. Ryan Ruggiero was then hired to fill the position.

The Department continues to follow a replacement/upgrade plan that will ensure the town keeps pace with technology on all levels.

IT continues to expand our GIS mapping of the town's infrastructure.

The Town of Plymouth continues to enhance its presence on the World Wide Web. The Town's web address is www.plymouth-ma.gov.

PROCUREMENT DIVISION

The mission of the Procurement Division is to procure goods and services on behalf of the Town in an efficient, ethical, and impartial manner while ensuring compliance with the Massachusetts General Laws related to procurement.

The Town's centralized purchasing system contracts for standard services and supplies used by all departments and divisions, except the School Department, thereby taking advantage of the low prices obtained through bulk purchasing. The Procurement Division is responsible for all activities related to acquiring these services and supplies for all departments/divisions. This responsibility includes oversight of soliciting, opening, and evaluating bids and proposals, recommendation of contract award(s) to the Town Manager, and contract development and execution. This division ensures that contracting practices are in compliance with the Massachusetts General Laws.

In 2012 the Procurement Division solicited bids for twenty-five projects and processed the resulting contracts. Notable projects in 2012 included the masonry remediation at Plymouth South Middle School and the Wellingsley Brook Restoration. Construction of Plymouth North High School and the Senior Center were completed and both buildings are open and in use. Site work is ongoing until

spring. In addition to the many bids and contracts, the Procurement Division processed 2500 purchase orders. A multitude of projects are ongoing and the division continues to support all departments to ensure that public funds are spent as cost effectively as possible.

All current bid advertisements and bid results are posted on the Town's website at www.plymouth-ma.gov. Look on Quick Links and then bids and RFPs.

TREASURY/COLLECTION DIVISION

It is the mission of this office to serve the public in a professional manner while maintaining the important cash flow to the Town. The Treasurer/Collection Division is responsible for collecting real estate, personal property and excise taxes as well as fees for water and sewer use, municipal lien certificates and in lieu of tax payments due the Town. The Treasurer/Collector Division banks and reports cash receipts. Funds are released when properly authorized. The Treasurer/Collector division receives and provides for the custody of the Town's cash with strict consideration to safety, liquidity, and earnings. The Treasurer/Collector borrows funds for authorized projects only as needed and at the least possible cost to the Town. The Treasurer/Collector Division maintains and pursues the collection of delinquent taxes in a manner that is sensitive to the needs of the individual and the community as a whole.

Treasury/Collection recorded a total of \$263,630,959.36 in receipts and \$256,731,935.12 of disbursements during fiscal year 2012. The cash needs of the Town were maintained without the use of any borrowing in anticipation of revenue. All funds are continually invested in various short-term instruments with the exception of the Town's Trust Funds that, by law, are allowed to be invested on a longer basis.

The largest committed revenue source of the Town is the real estate and personal property tax. The committed amount for fiscal 2012 was \$121,255,791.74. As of June 30, 2012, 97.8% of this amount has been collected. The office continues with an aggressive collection policy as allowed by law. Liens and court action are used when necessary for

real estate and personal property taxes. Delinquent tax liens at the beginning of the fiscal year were 185 units valued at \$609,866.21. Additional taxes in the amount of \$468,807.93 were added to the existing liens and new liens (300 properties) in the amount of \$759,410.02 were added. By the end of the fiscal year, collections on these liens left a remaining balance of \$508,704.11 representing 181 liens. For the collection of excise taxes the Registry of Motor Vehicles is notified for non-renewal of licenses for delinquent excise taxes.

**DEPARTMENT OF
INSPECTORIAL SERVICES**

BUILDING DEPARTMENT

The Building Department is responsible for ensuring that buildings are constructed and repaired safely, and structures and land are used properly. The Department issues zoning, building, electrical, gas and plumbing permits that allow the construction, reconstruction, repair, alteration and demolition of structures as well as the installation of equipment. The Sealer of Weights and Measures ensures that the public receives a just weight or measure for goods purchased in town. The Department annually inspects restaurants, lodgings, and other places of assembly. The Building Department enforces the Commonwealth of Massachusetts Building Code and the Plymouth By-Laws. The purpose of the Department is to ensure a safe public and private environment for the residents.

Building permits were issued for 186 new single-family housing units throughout Town. The majority of residential permits were issued for additions, remodeling and energy conservation, sunrooms, garages, basement remodels, replacement windows, and roofing. Permits were issued for forty-four residential roof mounted solar panel installations.

Commercial solar panel permits included 10,000 square feet of solar panels for the roof at Kohls Department Store and two ground mounted solar installations of approximately 42,000 square feet of panels. Work was completed on a 380 foot tall wind energy turbine at Camelot Park. Plymouth North High School and the Senior Center are complete and occupied. A fifty room hotel has been approved for Pinehills at the Village Green.

The public counter at the Building Office handles a large number of requests for records, construction planning assistance and information. Department personnel conducted 11,700 inspections and issued 6058 permits during the year.

MISSION STATEMENT

The Health Department is dedicated to work with all citizens and support agencies in an effort aimed at achieving high quality health services and a safe environment for all residents.

The Health Department permits all restaurants, retail stores, residential kitchens, bed and breakfast Inns, hotel/motels, farmers markets, catering, mobile food vendors, nursing homes, funeral homes, tobacco, sewage system installers, sewage system pumpers, trash haulers, well installers, pools, camps, stables, body art, and tanning.

The Health Department enforces the Commonwealth of Massachusetts Health Code, Title V Code, Housing Code and the Local Plymouth Board of Health Regulations to ensure all public health standards are met for Plymouth residents.

The Health Department saw increases in septic system permits in 2012 indicating improvement in the economic recovery.

Communicable disease reports showed an increase in Hepatitis C and Lyme Disease. The State decreased the amount of influenza vaccine allotted to cities and towns again this year. Plymouth received just sixty doses.

Partners Health Care visiting nurses Veronica Kordis and Linda Ellis continue to serve the residents with blood pressure checks, flu vaccine and communicable disease follow ups at their office located at 38 Resnik Road Suite 103 on Tuesday and Thursday from 1:00 P.M. to 3:30 P.M.

The Plymouth Area Medical Reserve Corps (MRC) is a group of medical and non-medical volunteers from the Plymouth, Carver and Kingston communities. Volunteers are trained to assist their communities in preparing for, responding to and mitigating emergencies, disasters, and pressing public health needs. The Plymouth Area Medical Reserve Corps is committed to preparing and training our volunteers so that they can be prepared to assist Plymouth, Carver, and Kingston in a public health emergency and in non-

emergency events. The trainings offered in 2012 were the MRC overview, CPR/First Aid and AED, Bioterrorism, Building Relationships for Effective Collaboration, Psychological First Aid, MA Responds Overview, Small Animal Handling, Managing Everyday Conflict, Social Media in a Disaster, and PPE/Blood Borne Pathogens. Coordinators, Heidie Hogan and Brain Gallant, continue to work towards educating MRC volunteers to build strong, healthy, and prepared communities.

The Board of Health charges fees and provides the following services:

**DEPARTMENT OF PLANNING
AND DEVELOPMENT**

PLANNING DEPARTMENT

Environmental protection, community housing, and economic development are the cornerstones of the Department of Planning and Development. The mission of the department is to enhance the Town’s living, working, and natural communities by balancing private property rights with the protection of the Town’s historic and natural resources. The department will strive to develop long and short term plans that will balance growth and preservation as well as enable Plymouth to “Grow Smarter in its Fifth Century” consistent with these Master Plan visions:

- Ensure that the Town of Plymouth will continue to be a beautiful, maturing community with vibrant and pleasant village centers, a preserved and enhanced historic heritage, long stretches of accessible coastline, integrated areas of commerce and compact housing, and vast, connected areas of open space set aside for preservation, outdoor activities, and appreciation of nature.
- Maintain Plymouth’s outstanding visual character, defined by clean ponds, rivers, wetlands, coastline, and forests.
- Encourage economic prosperity through abundant opportunities for desirable business investment, employment, shopping, tourism, housing choice, and entrepreneurship.

This department, in concert with the Planning Board, Board of Selectmen, and various other boards and committees coordinates and administers policies, actions, and local development controls consistent with the town’s long-range planning vision in a fair and equitable manner.

Malcolm MacGregor was re-elected to the Planning Board, Marc Garrett continues to serve as Planning Board Chair and Kenneth Buechs was re-appointed as the alternate member. The Planning Board said goodbye to long time member Larry Rosenblum who is focusing his energies on the redevelopment of the 1820 Courthouse.

Patrick Farah, Planning Technician, was appointed as the Town's Energy Officer this year. He replaces Patrick O'Brien who now manages Memorial Hall. Patrick Farah has identified a number of energy saving initiatives such as the consolidation of the hundreds of various municipal electric bills, installation of low energy consumption lights (LEDs) downtown and the execution of power purchase agreement for reduced energy cost. In 2013, the department looks forward to building on Mr. O'Brien's good work by implementing strategies to both save energy and reduce costs.

After working as Conservation Planner for eight years, Liz Sullivan has accepted a position in the Town Manager's Office. We miss her professionalism and leadership but also look forward to hiring a new Conservation Planner in the near future.

This department seeks to balance the overall public good with individual rights and interests. The professional support staff provides reliable guidance and assistance to boards, agencies, citizens, and other town departments. This department serves as staff support for seventeen local committees throughout the year, consisting of over 100 volunteer members.

The responsibility of this consolidated department includes supervision and coordination of town agencies related to subdivision control, land acquisition, conservation, redevelopment and revitalization, zoning appeals, design review, historic preservation, affordable housing, and economic development.

The Planning Board reviewed many plans in the year 2012. The Planning Board is continuing its work of the adoption of a comprehensive set of site design standards for commercial development. The Planning Board seeks to have the standards adopted in 2013.

The results of their actions include the following:

Residential: 3 new subdivisions were approved, creating 7
 new residential lots.

Form A Lots (Approval Not Required):

27 plans creating 17 new lots

Town Meeting

The Planning Board presented the following articles for Town Meeting action:

Spring Town Meeting:

Amendment to the Zoning Bylaw and map to redefine the Town's Floodplain District as defined by the Federal Emergency Management Agency (FEMA) Amendment to the Zoning Bylaw, Section 205-23 Parking, Storage, or Use of Major Recreational Vehicles

Fall Town Meeting:

Amendment to the Zoning Bylaw, Section 205-57 – “Aquifer Protection District” as it relates to the Use Table Amendment to the Zoning Bylaw by substituting the existing Official Zoning Maps with new Official Zoning Maps, revised, consisting of three sheets [Official Zoning Map (Sheet 1 and Sheet 2), and Aquifer Protection Overlay Rezone the land shown as Lot 14F-2 on Assessors' Map 104 from Mixed Density Residential (R20MD) to Light Industrial (LI) (by petition) To impose a moratorium on the permitting, construction, installation and contract negotiation for the siting of any commercial or municipal wind turbines within the Town of Plymouth (by petition – this article did not pass)

Industrial/Commercial/Office Land Study Committee

The Industrial/Commercial/Office Land Study Committee (a committee created by the Board of Selectmen and Planning Board) successfully completed its study. The Board of Selectmen and Planning Board charged the Industrial/Commercial/Office Land Study Committee with developing recommendations and strategies that support industrial and commercial development throughout the community.

The report identifies a number of strategies to increase economic development in Plymouth. The Board of Selectmen and Planning Board unanimously adopted the report. The next steps include:

- Working with the boards, committees and citizens to build consensus on how to move forward,

- Implementing strategies based on that consensus,
- Conducting further study and engaging the community about possible zoning changes to the sites noted in this report,
- Seeking capital funding requests for infrastructure, and
- Seeking Town Meeting approval of zoning bylaw amendments and zoning map changes.

The committee, the Board of Selectmen and the Planning Board look forward to engaging the community, other boards and committees and Town Meeting on the recommendations outlined in this report.

Staff has worked with the Manomet Steering Committee on the update of their Master Plan which will be completed in early 2013 and presented at a future Town Meeting for adoption. Staff has also worked with the West Plymouth Steering Committee to begin the update of their Master Plan.

Staff has also

Prepared a critique of the existing Zoning Bylaw in anticipation of a comprehensive overhaul of this 40 year old document;
 Initiated and coordinated the hosting of a “Town of Plymouth” booth at the Chamber’s Business Expo”. This is the first time the Town has participated in the Expo (manned by Planning, Fire, Building, and Town Manager’s Office);

Jordan Hospital – Healthy Plymouth

Working closely with Jordan Hospital, Plymouth (town and schools) is making great strides in its healthy community initiative. The focus is on safe routes to schools, healthy eating in schools, healthy food options in neighborhood grocery stores, complete streets, pedestrian friendly signage downtown and an improved hiking and biking trail system. Jordan Hospital and the Town of Plymouth received a \$120,000 Mass in Motion grant from the Massachusetts Department of Public Health for the healthy community initiative.

Pinehills Development

The Pinehills continues to grow with the expansion of neighborhoods and opening of new businesses in the Village Green. New businesses opening in the Village Green in 2012 include: i) the grand opening of Charles David Salon in June and its expansion later in the year adding

2400 square feet and a full array of spa services to its hair salon; ii) the grand opening of Levis & Sons Gulf, a full service gasoline and service station located adjacent to The Market; and, iii) the seasonal opening of The Potting Shed, a retail plant and landscape shop, which opened from April through October on the Village Green.

In its second year of operation, the Rye Tavern on Old Sandwich Road continues to build on its reputation as a dining destination with an expansion of its outdoor seating area to accommodate an additional forty diners. November saw the purchase of a 6.43 acre parcel off of Landmark Drive in the Village Green for construction of Mirbeau Inn and Spa at The Pinehills, a 55,000 sf. boutique inn and spa set to open in spring of 2014.

In 2012, The Pinehills Village Green hosted the “Art on the Green” festival in June and an acoustic music series at Café Olio on Thursday evenings in the summer, as well as the seasonal “Holidays on the Green” event. These events continue to draw thousands of visitors from throughout New England to Plymouth and The Pinehills Village Green.

Also in 2012, The Pinehills Affordable Housing Charitable Trust participated in the completion of the Habitat for Humanity home on South Pond Street and dedication of the home on June 9.

As part of the Town of Plymouth’s redistricting effort, we worked with Laurence Pizer, Plymouth Town Clerk, to establish a new voting location in the Cabana at the Stonebridge Club complex located off Stonebridge Road in The Pinehills.

New home sales at The Pinehills in 2012 increased 19.3% over new home sales in the previous year, adding an estimated \$40 million in assessed property value for Plymouth. The Pinehills completed the sale of the 1500th new home. 2012 also saw the opening of a new Green Company neighborhood, Greengate, located in the Village Green and the introduction of a new home builder, Design Housing, Inc., for the Seton Highlands Neighborhood. A total of 148 homes were sold including both new homes and re-sales. Building permits for new homes in The Pinehills represented over 50% of all new home building permits issued by Plymouth in 2012.

Pinehills Golf Club continues to be ranked as the top public golf course facility in New England and welcomes over 60,000 golfers annually in addition to attracting dozens of major corporate tournaments and outings to Plymouth each year.

Over the past year, Pinehills LLC hosted tours and briefings for numerous groups on Plymouth's innovative OSMUD zoning at The Pinehills including MIT's Graduate Program; Tufts University Graduate Program; Urban Land Institute; a delegation from China on a "best practices" tour and many others.

Builders at The Pinehills also won national and regional awards for excellence in 2012 including two Builder's Choice Awards from the National Association of Home Builders and one Avid Award for Best Customer Experience in the Northeast Region.

Old Colony Planning Council

The Old Colony Planning Council was established in 1967 by state statute and is authorized to prepare plans for the physical, social and economic development of the sixteen-member community region. OCPC is designated as an Economic Development District by the U.S. Department of Commerce for the coordination of regional economic development activities; an Area Agency on Aging (AAA) by the Executive Office of Elder Affairs to plan, manage and coordinate elder services in a twenty-three community service area; and, the Metropolitan Planning Organization (MPO) to plan and program transportation and transit improvements for the region. In addition to the above-designated responsibilities, the Council also assists its member municipalities with technical planning, grant application preparation and current local and regional socioeconomic information.

During the past year, the Council completed the Regional Pre Disaster Mitigation Plan; the 2012 Comprehensive Economic Development Strategy (CEDS) Plan; and the Area Agency on Aging (AAA) recently completed a 2012 Elder Needs Assessment Survey project, and is in the process of developing the 2014-2017 Area Plan on Aging. The Council also completed the FFY 2013-2016 Transportation Improvement Program (TIP); the Bicycle and Pedestrian Connectivity and Livability Study; the Old Colony Bottleneck Study; the Old Colony Climate Change and Roadway Runoff Study; and provided numerous Intersection/Technical Studies to member communities.

The Council also provided technical assistance to member communities under the District Local Technical Assistance (DLTA) Program such as; regionalization of local services (Water, Wastewater, 911, Procurement, Sharing, Permitting, etc.); zoning bylaw revisions; expedited permitting; E-Permitting; Economic Target Area; assisted member communities in becoming Bio-Ready; Developed Housing Production Plans; Growth Impact Analysis; and Energy Zoning Bylaws update. During the past year, with the assistance and guidance from the AAA Advisory Committee, the OCPC-AAA administered more than \$1.3 million in federal and state funding for elder services. The OCPC-AAA administers and oversees funding for services like nutrition, transportation, day care, legal services, and others to the more than 90,000 persons age 60 and over in the region. The OCPC-AAA Long-Term Care Ombudsman Program conducted over 1,441 visits to nursing and rest-homes, investigating over 584 issues of concern from residents or families.

Each member community of the Council is represented by one delegate and one alternate member. The Council members establish policy, develop the work program, and employ and oversee the activities of the professional staff. The Council meets on the last Wednesday of each month at 7:30 PM in the OCPC offices located at 70 School Street, Brockton, MA. In 2012, the Council elected Robert G. Moran, Jr., of Brockton as Council President; Lee Hartmann of Plymouth as Council Treasurer; and, Fred Gilmetti of Whitman as Council Secretary. Pasquale Ciaramella serves as Executive Director of the Council.

AFFORDABLE HOUSING TRUST

Purpose: To provide a dedicated source of revenue to provide for the creation and preservation of affordable housing in the community for the benefit of low and moderate and very low income households.

Plymouth's Affordable Housing Trust was established by a vote of the Town Meeting to create and preserve affordable housing within the community. The Trust works in partnership with municipal leaders, public agencies, housing developers, non-profits and lending

institutions. Currently, 95% of Trust funding relies upon Community Preservation Act Revenues.

Today, 45% of the households in Plymouth are made up of low-moderate income persons (earning \$48,900 - \$65,000 annually - based on a 4 person household).

Over the last decade, a growing share of household income was devoted to housing. Currently, 46% of Plymouth's homeowners spend 30% or more of their income on housing, while among local renters, 51% pay more than 55% of their income for housing – a share of income far in excess of the 30% threshold generally deemed “affordable”. Only 2% of local rental apartments are affordable to households below 80% of area income. Rents have increased considerably this past year because of the increase in foreclosures, and more people are unable to buy a home because they are unemployed or unable to get a mortgage are turning to rentals.

In Plymouth, the Fair Market Rent (FMR) for a one-bedroom apartment is \$1,166. In order to afford this level of rent and utilities – without paying more than 30% of income on housing – a household must earn \$3,875 monthly or \$46,5000 annually. Assuming a 40-hour work week, 52 weeks per year, and this level of income translates into a HOUSING WAGE of \$24.22 per hour.

The FMR for a two-bedroom apartment is \$1,369. In order to afford this level of rent and utilities – without paying more than 30% of income on housing – a household must earn \$4558 monthly or \$54,709 annually. Assuming a 40-hour work week, 52 weeks per year, and this level of income translates into a HOUSING WAGE of \$28.49 per hour.

In Massachusetts, the estimated mean (average) wage for a renter is \$16.94. In order to afford the FMR for a one-bedroom apartment at this wage, a renter must work 68 hours per week, 52 weeks per year. Or, working 40 hours per week year-round, a household must include 1.3 workers earning the mean renter wage in order to make the one-bedroom FMR affordable.

In order to afford the FMR for a two-bedroom apartment at the \$16.94 wage, a renter must work 80 hours per week, 52 weeks per year. Or,

working 40 hours per week year-round, a household must include 2 workers earning the mean renter wage in order to make the two-bedroom FMR affordable.

Clearly, there is a glaring mismatch between the cost of housing, the wages people earn day to day, and the availability of “truly affordable” housing.

How does the Housing Trust make a difference?

Home ownership is made affordable through low cost deferred buy-down loans to qualified homebuyers. The Affordable Housing Trust loans bridge the gap. Rental housing is made affordable with below market financing. The only difference between market rate apartments and affordable apartments is the amount of Trust funds used to supplement financing to cover a portion of the construction cost.

Continued community-wide support and increased financial support from the municipality is essential to being able to produce the type of affordable housing needed in our community. The Plymouth Affordable Housing Trust is committed to broadening its efforts to educate the community as to need and importance of providing affordable housing for working and low to moderate-income families throughout the Plymouth area.

CEDARVILLE STEERING COMMITTEE

The Cedarville Steering Committee is made up of seven South Plymouth residents appointed by the Planning Board and the Board of Selectmen. The objective of the committee is to address and air the concerns and interests of the residents and businesses of the Cedarville area. In conjunction with this directive also the committee supports the goals and objectives of the Cedarville Master Plan.

Members:

Keven Joyce, Chairman

Andrea Nedley, Vice Chair, Steven Lydon, Clerk, Joann Salamone, Chris Marshall, Jay Sorcenelli, Claudette Thomas

The CSC has an open and public forum that meets typically on a monthly basis, to learn, understand and recommend suggestions of new projects, issues and items that may come before the committee and may be addressed by the Plymouth Planning Board.

2012 was certainly another interesting and exciting year for the committee. Below are just some issues that the committee addressed.

- Election of Officers in January
- The Cedarville Trash Clean-up day was in the early spring. All members participated and nearly 100 bags of trash were collected.
- Herring Pond Solar project
- Meeting at Center Hill Preserve
- The Little Red Schoolhouse continues to be managed by the committee.
- Offsite meeting at White Cliffs Country Club
- Camp Bournedale expansion
- Cedar Oaks Farm gravel removal
- The proposed football field behind South Elementary school
- Dumpsters on Hedges Pond Road
- Update on the new Hedges Pond Recreation area
- Address the replacement of the Cedarville “welcome” sign
-

The Cedarville Steering Committee continues to be an integral component of the Cedarville village and South Plymouth. The CSC welcomes all residents and businesses of the village to participate and contribute to the improvements and welfare of Cedarville.

OFFICE OF COMMUNITY DEVELOPMENT

The function of the Office of Community Development (OCD) is to apply for and oversee the expenditure of Community Development Block Grant (CDBG) Funds and provide and implement programs and activities that benefit low and moderate income residents (42% of Plymouth’s town-wide population), including housing and economic development services. The mission of the OCD is to provide education, leadership, policies and programs to expand and preserve safe and affordable housing opportunities, and create neighborhoods where anyone of a modest budget would

choose to live- decent affordable housing and access to jobs and good education.

During the past year, the Office of Community Development completed fifty-seven various projects resulting in \$1,258,300 being dispersed within the local community. Funding of these projects resulted in the creation of work throughout the year for numerous local contractors and tradesmen (carpenters, plumbers, electricians, roofers, painters, engineers) and business for suppliers of various construction supplies. In addition, the Office of Community Development was able to assist local small businesses in meeting the challenges of the current weak economy and creating new job opportunities for the local workforce.

COMMUNITY DEVELOPMENT BLOCK GRANT HOUSING REHAB PROGRAM

The Local Housing Rehab program is the mainstay for the Office of Community Development. In spite of having the Town's entitlement funding reduced by 17%, the office was able to serve eighteen homeowners this year. OCD received twenty-seven applications for loans of which eighteen were reviewed, approved and completed by office staff.

TITLE V SEPTIC LOAN PROGRAM

This past year through the OCD, thirty-two homeowners applied for and had new septic systems installed.

MICROENTERPRISE SMALL BUSINESS LOAN PROGRAM

The Town of Plymouth Microenterprise Assistance Loan Program is funded by Community Development Block Grant monies and is administered by the Plymouth Office of Community Development. All business sectors – including industry, retail, services, agriculture, and tourism are eligible for the program. All start-up businesses and existing businesses must be located in Plymouth. Encouraging the development of local microenterprises by providing for micro lending programs and other assistance, creates jobs, and is seen by OCD as an

important catalyst for the economic growth and prosperity of the community.

COMMERCE FAÇADE AND SIGNAGE IMPROVEMENT LOAN PROGRAM

The Office of Community Development's Commercial Façade & Signage Improvement Loan Program assists commercial property owners in rehabilitating their storefronts, to revitalize neighborhood commercial areas, eliminate blight, and enhance the livability of surrounding neighborhoods. The purpose of the Loan Program is to provide an incentive (through extremely low-interest improvement loans) to property owners of commercial structures needing exterior repair/rehab in the Town's recognized Village Centers.

FREE GRAFFITI REMOVAL PROGRAM

The Office of Community Development continues to administer the Town's Free Graffiti Removal Program. This program is available town-wide at no cost to private property owners to assist them in complying with the Town's Graffiti Bylaw. The purpose of the program is to assist residents and businesses in removing graffiti as quickly as possible from their property in order to discourage the appearance of further acts of vandalism. The program is funded by Community Development Block Grant Funds.

The office of Community Development will continue to provide the community with its current services and programs, while seeking ways to expand and provide additional programs for the benefit of low to moderate income residents of Plymouth

CONSERVATION COMMISSION

The mission of the Conservation Commission is to protect wetlands and resources in the Town of Plymouth through acquisition, management, education, and regulation; to act as a liaison between the public and other governmental agencies in protecting our natural resources, and to become an educational resource for the public and Town agencies both through a library

of literature and through the collective knowledge of the Conservation Commission staff and members.

A healthy natural environment improves quality of life, property values, and tourism. The citizens of Plymouth have a right to air, land, and water free of poisons and safe for passive and active recreation. But people also have a right to improve their property, sometimes resulting in jobs and a stronger tax base for the Town. A rich, healthy web of wildlife can withstand the rigors imposed upon it by the rapid pace of development now underway in Plymouth. The laws protecting the environment and the rights of the developer are complex, and the knowledge of what makes a healthy environment is equally complex. The Conservation Commission is set up to administer the Wetlands Protection Act and other local, state, and Federal laws to ensure that development protects and enhances Plymouth's natural environment, rather than destroying it.

The Commission is charged with several duties including the protection of inland and coastal natural resources, and the acquisition of land for management. Benefits provided to the town afford protection of our clean water supplies, protection from storm damage, flood damage control, the promotion of wildlife diversity, and recreational opportunities. It must also follow its mandate under the Town of Plymouth Wetlands Protection By-law, and the Massachusetts General Laws, Chapter 131 s40 et seq. The Commission holds public hearings on Tuesday nights, as scheduled.

Pursuant to its mandate, the Commission acted on sixty Notices of Intent applications (permit requests for activity within areas subject to Commission jurisdiction) and forty Requests for Determination of

Applicability applications (to determine whether a proposed activity is likely to impact a resource area). Other opinions and decisions were made as requested. Occasionally enforcement orders were issued and fines were levied and collected.

In 2012, the Conservation Commission accepted six land acquisitions under its Care and Custody.

At the Spring Annual Town Meeting held on April 9, 2012, under Article 16C of the Community Preservation Committee, Town

Meeting voted to acquire and place under the Care and Custody of the Conservation Commission 3 parcels totaling 15 acres on Morgan Road. The site is shown on Assessor's Map 69, Lots 71, 72A and 72B.

Later in the year, the Town acquired 4 parcels totaling 18-acres off Center Hill Road. The purchase of this property was authorized by Town Meeting under Article 16B of the Fall Annual Town Meeting, held on October 20, 2012. The Town acquired the property for conservation land through the Community Preservation Committee. The site is shown on Assessor's Map 52 Lot 9C, 9F, 26U and 27A.

Also taken under the care and custody of the Conservation Commission totaled 348 acres, located off Old Sandwich Road. The purchase of this property was authorized by Town Meeting under Article 16C of the Fall Annual Town Meeting, held on October 20, 2012. The Town acquired the property for conservation land through the Community Preservation Committee. The properties are shown on Assessor's Map 61 Lots 2 and 4 and Map 62 Lots 1B and 1C. The site greatly compliments the existing town owned land because of its conservation and recreational value.

Environmental Management Department brought forth Article 20 of the Fall Annual Town Meeting held October 20, 2012 that transferred two Tax Title Parcels from the Town Treasurer into the Care and Custody of the Conservation Commission. A 15 acre parcel is off Route 3 and shown on Assessor's Map 82, Lot 55B, the second parcel is 4 acres on Old Bog Road, Assessors Map 87, Lot 34.

The Conservation Commission proudly accepted a land donation from Dorothy Davis and the Harvey family totaling 35 acres off Long Pond Road, Assessors Map 63, Lot 16-1.

The Massachusetts Wetlands Protection Act protects the inhabitants of the wetlands by requiring a buffer zone around sensitive areas. The Plymouth Conservation Commission wants homeowners to enjoy their waterfront property, and can provide ideas for creating an attractive natural setting for a human home while still protecting the homes of the creatures that share the same environment.

The Conservation Commission consists of seven volunteer members appointed by the Board of Selectmen and ably assisted by a full-time Conservation Planner and Administrative Assistant, and a part-time clerk.

This report is presented pursuant to the Memorandum of Understanding and Agreement between the Town of Plymouth and the Plymouth Regional Economic Development Foundation. The Foundation was incorporated in March , 2001 as a Massachusetts non-profit corporation. In 2002, the Internal Revenue Service recognized the Foundation as a 501 (c), (3) tax-exempt organization. Its affairs are managed by a twelve member Board of Directors which consists of the Town, the Plymouth Area Chamber of Commerce, the Plymouth Industrial Development Corporation (“PIDC”) and members at large. To date, the Foundation has been funded by the financial contributions of the Town and matched dollar for dollar by the PIDC and contributions by the Plymouth Area Chamber of Commerce. With this partnership the Town has been able to reduce its financial contribution to Town-wide economic development efforts by approximately 50% while also expanding its program of work. The Town also provides staff support from Cheri Thomsen of the Economic Development Office while the Chamber of Commerce provides infrastructure funding and administrative services as well.

Since 2001 the Foundation has served as the Town’s Economic Development arm under a fee for services contract. Over 100 years of development experience supports the core of the Foundation’s activity. From the founders of the Plymouth Industrial Park to the 750 business members from the Chamber of Commerce, the Foundation with its Town and fellow business partners have a proven history of success and stability. Since 2005 the Foundation and the Plymouth Area Chamber of Commerce collaborated to strengthen business support efforts. The Plymouth Area Chamber of Commerce and the Foundation have operated under one Executive Director bringing added staff and support to both organizations. The economic benefit to the Town of Plymouth has increased tremendously through this joint effort.

The local economy in 2012 continued to rebound ever so slightly with many local businesses and entrepreneurs seizing the opportunity to

further enhance their business planning through one on one counseling services and programs that were offered free of cost by state agencies. The Foundation estimates that over 300 individual businesses benefited through the value added partnerships which have strengthened economic development efforts and workforce development programs. In addition small business workshops and educational programming attracted over 2,000 attendees throughout the year. In 2012 Plymouth also welcomed two large scale projects that have been dormant for nearly a decade. The \$22 Million Pinehills hotel/spa project (Mirbeau Development) was approved to start construction with a tax incentive at the fall town meeting as well as the \$68 Million (Cranberry Crescent) retail/office development on Route 80 and Carver Road. Both will be well underway in 2013 creating almost 1,000 new jobs.

The Foundation, acting as the Town of Plymouth's agent for economic development, has been a key partner in the coordination of many local and regional activities. The creation of the Foundation was a key recommendation of the RKG Economic Development Study in 2001. Community leaders, even prior to the report, had recognized the need to create a public/private partnership that would leverage financial and human resources for professional economic development activities. Since its beginnings in the spring of 2001, the Town, the Chamber of Commerce, and the business community have collaborated through the Foundation to develop a shared vision of long-range economic development objectives with each partnering to further strengthen and develop village centers and expand the Plymouth commercial tax base. In 2012 the Foundation launched a comprehensive marketing strategy which included print, radio and electronic media efforts to bring increased visibility and commerce to our commercial districts and village centers. The Foundation also represents the Town on over ten regional boards and committees related to economic development, workforce training and education.

In addition to that activity the Foundation also facilitates the Tax Incentive program on behalf of the Town with active and completed projects to date which created 3,371 new jobs and encouraged \$224 Million dollars of new private investment over the last 10 years. This Tax Increment Financing activity has also funded many projects under Chapter 477 of Acts of 2004, the Town of

Plymouth Economic Development Fund. Since its inception, the Economic Development Fund has collected \$92,747. and expended \$76,271. for marketing, economic development collateral materials, recreational tourism mapping, shellfish bed reseeded efforts, pier renovations and trade shows.

This strong partnership between Government and Private Industry has further leveraged our economic development efforts while bringing added tax revenues and jobs to the community.

PLYMOUTH REGIONAL ECONOMIC DEVELOPMENT FOUNDATION

This report is presented pursuant to the Memorandum of Understanding and Agreement between the Town of Plymouth and the Plymouth Regional Economic Development Foundation. The Foundation was incorporated in March, 2001 as a Massachusetts non-profit corporation. In 2002, the Internal Revenue Service recognized the Foundation as a 501 (c), (3) tax-exempt organization. Its affairs are managed by a twelve member Board of Directors which consists of the Town, the Plymouth Area Chamber of Commerce, the Plymouth Industrial Development Corporation (“PIDC”) and members at large. To date, the Foundation has been funded by the financial contributions of the Town and matched dollar for dollar by the PIDC and contributions by the Plymouth Area Chamber of Commerce. With this partnership the Town has been able to reduce its financial contribution to Town-wide economic development efforts by approximately 50% while also expanding its program of work. The Town also provides staff support from Cheri Thomsen of the Economic Development Office while the Chamber of Commerce provides infrastructure funding and administrative services as well.

Since 2001 the Foundation has served as the Town’s Economic Development arm under a fee for services contract. Over 100 years of development experience supports the core of the Foundation’s activity. From the founders of the Plymouth Industrial Park to the 750 business members from the Chamber of Commerce, the Foundation with its Town and fellow business partners have a proven history of success and stability. Since 2005 the Foundation and the Plymouth Area

Chamber of Commerce collaborated to strengthen business support efforts. The Plymouth Area Chamber of Commerce and the Foundation have operated under one Executive Director bringing added staff and support to both organizations. The economic benefit to the Town of Plymouth has increased tremendously through this joint effort.

The local economy in 2012 continued to rebound ever so slightly with many local businesses and entrepreneurs seizing the opportunity to further enhance their business planning through one on one counseling services and programs that were offered free of cost by state agencies. This strong partnership between Government and Private Industry has further leveraged our economic development efforts while bringing added tax revenues and jobs to the community.

HISTORIC DISTRICT COMMISSION

The Plymouth Historic District was established by Town Meeting in 1974, expanded in 1977 and again in 1990. The district is comprised of 286 properties. The mission of the Commission is to preserve, protect, and document Plymouth's architectural heritage. Legislated protection is provided for historic buildings located in the Plymouth Historic District in the downtown-harbor area. The Historic District is a local and national treasure of our country's architecture with a variety of excellent examples spanning four centuries.

CERTIFICATES

The Historic District Commission met on the first and third Wednesday of each month in Town Hall. The Commission reviewed 81 proposals for commercial signage and residential/commercial façade renovations, issued 65 Certificates of Appropriateness and issued 16 Certificates of Non-Applicability.

COMMISSIONERS

Commissioners are Michael Tubin, Anthony Provenzano, Samantha Nichols, Christine Silva, Robert Fournier, James Baker and Julie Burrey. Michael Tubin serves as Chairman, Anthony Provenzano as

Vice-Chair, and Samantha Nichols as Secretary. Michael Tubin serves as the HDC Representative to the Community Preservation Committee. Robert Fournier serves as the HDC Representative to the 1820 Court House Consortium.

The Historic District Commission has continued to maintain good working relationships with several Town committees, including the Plymouth Center Steering Committee and the Plymouth Community Preservation Committee.

GUIDELINES AND PROCEDURES

The Commission developed a handbook of guidelines and procedures to assist applicants through the process of seeking change to their structures. The Historic District Commission also uses the handbook as their guide for making decisions. Copies of the guidelines and procedures are available at Town Hall, the Plymouth Public Library and on the Town’s website under the Historic District Commission page for easy accessibility.

DRAFT OF NON-COMPLIANCE LETTER

The Historic District Commission has drafted and mailed out letters to district property owners/lessees not in compliance with the guidelines. This letter informs property owners and lessees of the existence of the guidelines and their responsibilities to maintain consistencies throughout the District.

PUBLIC RELATIONS

The Historic District Commission has awarded its 5th “Certificate of Appreciation” to By the Sea Bed & Breakfast located at 22 Winslow St. This certificate is awarded to a property/store owner that goes above and beyond to maintain the character of the historic district. These certificates are awarded bi-annually.

MANOMET VILLAGE STEERING COMMITTEE

Established in 1991 by Town Meeting, the Manomet Village Steering Committee (MVSC) continues to advocate for village interests and support the goals and objectives of the Manomet Village Master Plan.

Randy Parker continued as chair, Linda Evans as vice-chair, James Hoagland as clerk, and Timothy Grandy as planning board liaison. John Patrick Minerella resigned to accept an appointment to the capital outlay committee. His services, organizational ability and dedication have been greatly appreciated. John Vacha was appointed by selectmen. Current members of the MVSC are Randy Parker, Linda Evans, James Hoagland, Karen Buechs, Kevin Doyle, Richard McGuinness, John Vacha and Timothy Grandy. Meetings are held at the Manomet Branch Library on Strand Avenue from 7 to 9 PM on the fourth Thursday of each month. Any variations are posted.

The committee continued with revisions to the original master plan, hoping for conclusion at the 2013 Fall Annual Town Meeting. Village “gateways”, wayfaring signage, design characteristics for different parts of village, complete street design, transfer of development rights within the service area, and village specific zoning are among some innovative components being considered. Plan cover will be graced by Manomet’s new village logo, acquired via community contest and chosen by all attending the meeting.

Considerable effort has been expended on White Horse Beach. A draft report regarding ownerships and rights was approved. Selectmen established a White Horse Beach Parking Committee, Linda Evans was elected the delegate from the MVSC. Efforts to address public beach access, parking and facilities continue.

The committee dealt with the usual special permit recommendations and annual input to promote coordination of July 3rd festivities. MVSC recognizes the Simes House Foundation for substantial progress on restoration of its singular and beautiful home, destined for community use and benefit. Manomet Commons gained the “Charlie Brown” Christmas tree, moved from State Road. Thanks to cooperation from the Town and Knights of Columbus, hundreds enjoyed the annual Manomet tree lighting on the new village commons, with lots of room for Santa and all.

The MVSC realized one of its primary master plan goals of improved pedestrian and vehicular safety and circulation with the signalization of State Road at Manomet Point Road and Strand Avenue. Along with the traffic light came significant private property improvements and a

facelift in the general commercial zone. We thank Representative deMacedo for his thirteen years of persistence gaining the improvements.

As always, the MVSC seeks to improve village identity and quality of life, and remains at your service.

NORTH PLYMOUTH STEERING COMMITTEE

The North Plymouth Steering Committee, working with the Planning Board and the Board of Selectmen, assists in the implementation of the North Plymouth Master Plan of 1992 and advocates for the needs of the area. Seven members are appointed for staggered three-year terms; meetings are held on the second Wednesdays of the month.

Meetings were held throughout the year with representatives from the Department of Planning Community Preservation Committee, Department of Public Works, and neighborhood groups. Discussions centered on updates of ongoing programs, proposals for future projects, and items of concern. The chairman also met with the chairman of the West Plymouth Steering Committee to resolve a continuing confusion over responsibility in overlapping areas.

The renovation of Holmes Terrace was finally completed. The dangerous corner at the foot of Nelson Street appears closer to resolution with acquisition of an easement over the abutting property to permit the construction of a sidewalk.

The process has been initiated leading toward the acquisition of a lot in the Village center with the goal of developing a small park which would link Court Street with Veterans Field, which is itself scheduled for upgrading.

The development of Cordage Park is constantly updated with the project and their representatives, one of whom is a committee member. Most of the demolition east of the tracks has been completed. Next will be the replacement of the former Walmart building with a large medical office building; the present parking area and the landscaped berm will be retained.

Interaction with the Neighborhood Watch and Precinct 1 caucus members is ongoing, along with other neighborhood groups that are formed around specific issues.

PLYMOUTH CENTER STEERING COMMITTEE

The Plymouth Center Steering Committee (PCSC) is an advisory body to the Planning Board. Its primary functions are to assist in the implementation of the Plymouth Center Master Plan and to advocate for the needs of the area. In addition the Committee seeks to offer guidance to the private sector in implementing recommendations of the Master Plan in consultation with the Office of Planning and Development and the Planning Board.

Reports of the Committee's hearings and recommendations are regularly sent to the Planning Board and if applicable to the Zoning Board of Appeals and the Historic District Commission as well as precinct chairmen serving within the Plymouth Center district (precincts 2, 3, 4).

The Plymouth Center Steering Committee started 2012 closely following a process initiated by the Town to issue a Request for Proposals (RFP) for a Plymouth farmer's market. The PCSC strongly recommended the withdrawal of RFP 21200 based on the opinion by the Committee that it would serve to disrupt the operational continuity and success of the existing Plymouth Farmers Market already established at Stevens Field and at the 1820 Courthouse green, which during its overwhelming success for eight years had made the Plymouth's Downtown Village Center and Waterfront Area a regional destination. This twice a week influx of visitors, seeking access to local food, enhanced the regional significance of the Town of Plymouth and helped to maximize the economic potential of the district during a major national economic downturn. The Committee issued a comment letter to the Board of Selectmen and the Chair gave testimony at their public hearing on the issue.

The Committee was subsequently very disappointed with the Town's decision to not withdraw RFP 21200 and to reward the contract for a farmers market at Stevens Field and the 1820 Courthouse green to the highest bidder. The Committee agreed that this process (or lack

thereof) created a missed opportunity to create a public policy around special permits on public property and feared that the Town had now created an irresponsible precedent for the community, one based on financial advantage rather than experience and qualifications.

Throughout the year, the PCSC reviewed a handful of projects, including a 4-unit multi-family dwelling with a perpetual affordable housing restriction at 54 Russell Street. The Committee was pleased that the 54 Russell Street project would contribute more affordable housing units to the downtown community and that the exterior historic integrity of the house would be maintained as part of this project.

Later in the year, the PCSC reviewed a proposal for the redevelopment of 23-31 Howland Street in the heart of the downtown. This project will redevelop a former light-industrial site into one and two bedroom housing units. The PCSC also reviewed plans to redevelop the historic armory building at 76 Court Street into residential units with commercial use at the ground level. The Committee was excited to learn that with these two redevelopment projects, underutilized properties in the downtown would now add new vitality to the neighborhood.

The Committee closed the year hearing a welcome presentation by Town Planner Valerie Massard on the work she is overseeing to develop a trail network throughout the town. This type of thoughtful planning can only contribute to better safeguarding Plymouth's natural history and cultural resources and making the town a regional destination for walking, hiking, and biking environmental enthusiasts. Ms. Massard's presentation was followed by one by engineering firm Beals + Thomas, in which they presented preliminary concept plans for an integrated signage and way-finding program for the Town. The Committee was very pleased to learn about this "Healthy Plymouth" initiative and applauds the Planning department and Jordan Hospital for spearheading this important work. The Committee hopes that any ultimate plans for a redesigned signage program will be carefully conceived in tandem with any town "branding" program and that any recommendations for the downtown be in keeping with its historical, marine, and material traditions.

MISSION STATEMENT

Since its establishment in 1959, the Plymouth Redevelopment Authority has continuously worked with the citizens and governing body of the Town for the betterment of home and community. In retrospect, the Authority feels that it has and continues to succeed in this task. It is therefore the intent of the Plymouth Redevelopment Authority to continue to be a people-oriented agency, to continue to seek out the best possible loan and grant programs that will enable families and individuals in the Town of Plymouth to acquire, and/or through housing rehabilitation programs, to live in decent, safe, and sanitary housing.

ANNUAL REPORT

Programs: During the Fiscal Year 2012, the Plymouth Redevelopment Authority (PRA) continued to follow its Mission Statement of helping to provide decent, safe, and sanitary housing for the citizens of Plymouth by expanding loan and grant programs. The PRA continues to administer loan/grant programs for the U. S. Department of Housing and Urban Development and the United States Department of Agriculture Rural Housing Service. These programs include funds for citizens to purchase and rehabilitate housing within the town with interest deferred at zero percent. Households must meet income and asset eligibility requirements.

Counseling Programs: In December of 1999, the PRA received certification from HUD as a Comprehensive Counseling Agency. The Authority focuses its counseling services on pre-purchase, delinquency and foreclosure avoidance, and reverse equity mortgage counseling. In HUD Fiscal Year 2012, PRA counseled over 400 households, with a predominance of clients seeking foreclosure avoidance counseling. First time homebuyer education seminars benefit families and

individuals by making them eligible for low interest mortgages through MHFA, the HOME program, the Soft Second Loan Program, the USDA Rural Housing Loan Partnership, and various other institutional loan programs. The Redevelopment Authority received its twelfth HUD counseling grant this year.

Courthouse Corridor: In October 2009, the PRA accepted a ninety-nine year ground lease of what is known as the 1820 Plymouth Courthouse and County Commissioners Building. The PRA mission is to revitalize these properties together with underutilized adjacent land to develop a vibrant mixed use development within the center of the Town to serve as the economic engine of downtown. The PRA began working with the Board of Selectmen to develop a Request for Proposals (RFP) to sell or lease the Courthouse property together with the other Town owned parcels in the corridor. It also worked with the Town and Plymouth Growth and Development Corporation to sponsor a Technical Assistance Panel of the Urban Land Institute held in fall 2012. The ULI TAP provided insightful information to assist in developing the RFP and to analyze the proposals.

General PRA Administration: During Fiscal Year 2012, the Authority staff responded to approximately 3500 inquires regarding programs and projects administered by this office. The PRA maintains a website at plymouthredevelopment.org. The Site has online registration for the first time homebuyer workshops and contains the informational reports of the 1820 Courthouse development in PDF format.

The Authority held its Annual Meeting and election of officers in December. The results of the election were as follows:

CHAIRMAN:	Robert Wollner
VICE CHAIRMAN:	Steven Grattan
SECRETARY:	Dean Rizzo
TREASURER:	Chester Bagni
MEMBER AT LARGE:	Paul Curtis

VISITOR SERVICES BOARD

The Visitor Services Board (VSB) serves as an advisory board to the Town Manager and Board of Selectmen. The seven member

board is charged with the management of the Town Promotion (tourism) Fund, which is funded wholly by a percentage (45%) of Plymouth's Room Occupancy Tax. The Visitor Services Board awards funds and grants for promotional and marketing materials, information delivery, events, activities, and Public Improvements in an effort to maximize the quality of Plymouth's tourism industry for the benefit of residents and visitors alike.

The Visitor Services Board works with the Department of Planning and Development with administrative support from the Office of Economic Development.

In 2012, the Visitor Services Board continued to work cooperatively with town departments, the local business community, historical organizations, and event organizers to sustain, improve, and promote Plymouth as a tourist destination. The Visitor Services Board works closely with the Board of Selectmen, the Chamber of Commerce, Destination Plymouth, and the Plymouth County Convention and Visitors Board.

The Visitor Services Board, through the Town Promotions Fund Grant Program, helped to finance a number of Special Events in 2012. Some of the nineteen events this past year included the Musicians' Union Concert Series, July 4th parade and fireworks, July 4th Philharmonic Orchestra concert, Project Arts Concert Series, Plymouth Harbor Folk Festival, Blessing of the Fleet, Plymouth Maritime Day, The Plymouth Arts Guild 45th Juried Art Show and Stroll, Pilgrim Progress, Downtown Waterfront Festival, The Thirsty Pilgrim, Barktoberfest, Plymouth Cyclo Cross, Thanksgiving Celebration, First People Pavilion, Christmas in Historic Plymouth, the Myles Standish Road Race, and Plymouth's Jam Festival.

Additional funding was provided to America's Hometown Trolley, Town of Plymouth's holiday decorations and downtown hanging planters, as well as several promotional initiatives.

The Board continues its relationship with Destination Plymouth and is the third year of a three year Town Promotion contract. The contract is for promoting the Town of Plymouth as a tourist destination through advertising; including a website and distribution of promotional

materials. The town's contribution, through the Town Promotion Fund, represents just 20% of Destination Plymouth's total annual budget. (Destination Plymouth provides the remainder of its annual budget through memberships and other matching funding sources.) Destination Plymouth also maintains the Visitor Information Center on the waterfront, where tourists can obtain brochures and maps as well as purchase tickets for Plymouth's museums, water and land tours and other attractions and the public restroom facilities housed in the building. Tourists can also determine what lodging is available, at what rate, and use the dedicated phone lines to make reservations. Destination Plymouth tracks the number of inquiries as well as the number of "hits" to the website, providing valuable statistical and comparative information.

The Visitor Services Board continues to augment Plymouth's public improvements working with the Director of Public Works and the Director of Parks and Forestry in the furtherance of the Town's goals. During 2012 the VSB supported repairs to the Civil War Memorial, provided funding for maintenance and improvements to the information center, and funding for informational calendars for the kiosks located throughout the waterfront/downtown areas. Money was set aside for improvements and conservation projects to Burial Hill, along with funds to support the efforts of the 2020 Committee's ongoing project initiatives. The Town Promotion Fund also supports matching funds for the Distinguished Visitors Program. At the request of the Board of Selectmen, the VSB has appointed a member on the Distinguished Visitor Committee.

The Plymouth Zoning Board of Appeals (ZBA) consists of seven Plymouth residents who volunteer their time and expertise and meet at least twice a month. During 2012 the Board actually met twenty-one times. Five people are appointed as regular members and two additional members are appointed as alternate members. The regular members are appointed by the Board of Selectmen for three-year overlapping terms; alternate members are appointed on an annual basis. The ZBA considers petitions filed under the Plymouth Zoning By-Laws and the Massachusetts General Laws Chapter 40A and 40B of the Zoning Act as well as appeals of determinations made by the Director of Inspectional Services. The By-Law and Massachusetts General Laws along with the facts presented by the petitioner are considered in rendering the decisions.

ZONING BOARD OF APPEALS

Various boards, committees and departments review the proposals and make recommendations regarding the projects to the Zoning Board of Appeals. The recommendations of the boards and committees are not binding; however, they provide the members with an in depth look at the project and allow for a more precise review of the proposal. Although, the Board of Appeals is the permit granting authority, the recommendations provided by the various boards, committees and departments are considered in making the decision on granting or denying a project.

In 2012 the Board received forty-one filings requesting Variances and/or Special permits for both major and minor projects.

Some of the notable filings in 2012 were:

Stop & Shop Supermarket Company, LLC in Myles Standish Plaza faced an inadequate storage facility and requested a Special Permit to enlarge their capacity in order to satisfy the motoring public, especially in the summer months by adding a new 20,000 underground storage tank under the plaza parking lot.

E. J. Pontiff, Inc. requested a Special Permit to remove approximately 256,000 cubic yards of sand and gravel on a 17.7 acre site in order to construct expanded cranberry bog operations. This site adjoins an additional thirty acres of land that has been devoted to cranberry farming by the Pontiff family for many years.

Jordan Hospital, Inc. was granted a Special Permit to build a medical office building. The new 30,600 square foot building is located within the Jordan Hospital complex, being part of the overall master plan for the Hospital.

St. Bonaventure Church received a Special Permit to erect a new church, a seventy-one foot steeple, and a bell tower, along with new landscaping in order to enhance the visual character of the present site. The new church will add traditional village character to the present site and to the neighborhood.

Peter G. Conner, Chairman

The Mission Statement of the Plymouth Fire Department (PFD) remains the same as years past, that is to protect the general public's life and property in the most efficient manner by reducing the effects of fire emergencies, medical emergencies, hazardous material incidents, special rescue emergencies and natural disasters. The Department will continue to train and provide a proactive, highly trained professional emergency responder for the residents and guests of the Town of Plymouth.

Salute to Retiree

Firefighter Don DeCost:

Don served the Town with pride and dedication, as both a Call Firefighter, between June 1977 and March 1982, and as a Full time, Permanent Firefighter from November 11, 1987 until his retirement this past June 15, 2012.

New Equipment:

In 2009 the Department received a Port Security Grant for the sum of \$525,000 from the Department of Homeland Security for a combination firefighting hazardous materials response vessel. The process of building and equipping the vessel took nearly three years to complete. Last April the 33 foot CBRNE / firefighting vessel, which was constructed by Safe Boat International in Port Orchard, Washington, was placed in service.

Firefighter SAFER Grant

The Department was awarded a Fire SAFER Staffing Grant for the sum of \$627,189. This funding allowed the Town to hire five firefighters, which maintained adequate staffing levels. The performance period for this grant was August 22, 2010 - August 21, 2012.

Capital Projects:

The Department replaced the emergency house generators at Station 1 and Station 5. The Department also purchased 2000 feet of 4” supply hose, replacement of Automatic External Defibrillator (AED) units with an updated AED 1000 model, the refurbishing of Forest Fire 375, UL ladder testing of Tower Ladder 1 and Department Ground Ladders.

1 Firefighter Received A Promotion in 2012.

<u>Name</u>	<u>Title</u>	<u>Date</u>
Brian Cusack	Lieutenant	July 8, 2012

Three new Firefighters Graduated from the Massachusetts Fire Academy

<u>Name</u>	<u>Title</u>	<u>Date</u>
Samuel Genovese	Permanent Firefighter	January 9, 2012
Daniel Lovendale	Permanent Firefighter	January 9, 2012
Joshua Jordan	Permanent Firefighter	January 9, 2012

The Fire Department handled 12,516 emergency responses for 2012. Of the 12,516, 6235 were Fire Department emergency responses and 6,281 responses were for the town’s contract ambulance services. The 6,235 fire emergencies resulted in 7,959 fire apparatus responses for the year.

2012 Emergency Response Statistics

Type of Response	Number of Responses
Medical assist, assist EMS crew	3366
Motor vehicle accident with injuries.....	226
Smoke detector activation, no fire – unintentional	213
Smoke detector activation due to malfunction.....	207
Dispatched & canceled en route	187
Alarm system activation, no fire – unintentional.....	123
No incident found on arrival at dispatch address.....	119
Unauthorized burning	118
Motor vehicle accident with no injuries.....	106
Alarm system sounded due to malfunction.....	79
CO detector activation due to malfunction	58

Building fire	55
Detector activation, no fire – unintentional	53
Rescue, EMS incident, other.....	51
Arcing, shorted electrical equipment	51
Unintentional transmission of alarm, other.....	51
Carbon monoxide detector activation, no CO.....	50
Power line down	49
Assist invalid	49
Smoke or odor removal.....	46
Natural vegetation fire, other	45
Lock-out.....	41
Good intent call, other.....	41
Assist police or other governmental agency	39
System malfunction, other	39
EMS call, excluding vehicle accident with injury	36
Electrical wiring/equipment problem, other	36
False alarm or false call, other	35
Carbon monoxide incident.....	34
Cooking fire, confined to container	29
Public service	28
Gas leak (natural gas or LPG).....	27
Smoke scare, odor of smoke	27
Person in distress, other	23
Authorized controlled burning.....	23
HazMat release investigation w/no HazMat	21
Water or steam leak	20
Brush or brush-and-grass mixture fire	19
Motor vehicle/pedestrian accident (MV Ped).....	17
Gasoline or other flammable liquid spill	17
Vehicle accident, general cleanup.....	17
Public service assistance, other.....	17
Cover assignment, standby, move up	17
Water problem, other	16
Police matter	15
Municipal alarm system, malicious false alarm.....	15
Sprinkler activation, no fire – unintentional	15
Passenger vehicle fire	13
Rescue or EMS standby.....	12
Service Call, other.....	12
Forest, woods or wild land fire	11

Steam, vapor, fog or dust thought to be smoke.....	11
Direct tie to FD, malicious false alarm	11
Excessive heat, scorch burns with no ignition	10
Sprinkler activation due to malfunction.....	10
Wind storm, tornado/hurricane assessment	9
Swimming/recreational water areas rescue	8
Hazardous condition, other	8
Fuel burner/boiler malfunction, fire confined.....	7
Lock-in (if lock out, use 511)	7
Wrong location.....	7
Chimney or flue fire, confined to chimney or flue	6
Grass fire.....	6
Extrication of victim(s) from vehicle.....	6
Watercraft rescue	6
Oil or other combustible liquid spill	6
Overheated motor.....	6
Heat detector activation due to malfunction	6
Lightning strike (no fire).....	6
Outside rubbish, trash or waste fire	5
Combustible/flammable gas/liquid condition, other.....	5
Heat from short circuit (wiring), defective/worn.....	5
Accident, potential accident, other.....	5
Malicious, mischievous false call, other	5
Dumpster or other outside trash receptacle fire	4
Animal rescue	4
Steam, other gas mistaken for smoke, other	4
EMS call, party transported by non-fire agency	4
Road freight or transport vehicle fire.....	3
Outside equipment fire.....	3
Ring or jewelry removal	3
Central station, malicious false alarm.....	3
Fire, other.....	2
Water vehicle fire.....	2
Overpressure rupture, explosion, overheat other	2
Breakdown of light ballast.....	2
Building or structure weakened or collapsed.....	2
Aircraft standby	2
Attempted burning, illegal action, other	2
Local alarm system, malicious false alarm.....	2
Severe weather or natural disaster standby.....	2

Citizen complaint.....	2
Fire in mobile prop used as a fixed struc, other.....	1
Fire in mobile home used as fixed residence.....	1
Fire in portable building, fixed location.....	1
Off-road vehicle or heavy equipment fire.....	1

Overpressure rupture from steam, other.....	1
Fireworks explosion (no fire).....	1
Removal of victim(s) from stalled elevator.....	1
Chemical spill or leak.....	1
Prescribed fire.....	1
Telephone, malicious false alarm.....	1

Arson Fires:

The Department responded to several intentionally set fires in buildings this year, which were jointly investigated by the Plymouth Fire Department, Plymouth Police Department and State Police Fire Investigator units assigned to the State Fire Marshal’s Office. Among those were fires at St. Boneventure’s Parish Center, Cutter Drive, and Obery Street.

Brush fires:

The mild winter and dry spring conditions were a factor in two separate five acre fires in the woods this year. Personnel and apparatus responded to numerous smaller brush fires. PFD also responded to a number of landscaping mulch fires at both residential and commercial properties. Property owners are reminded to keep mulch and wood chips at least two feet away from the perimeter of their buildings to avoid accidental fires resulting from discarded smoking materials igniting combustible building components.

Significant Fires During 2012:

4 Tide View Path, 3-story, multi-family condominium complex, multiple civilians and firefighters were injured, 4 alarms including Mutual Aid from Bourne, Carver, Kingston, Onset and Duxbury.

19 Penny Lane, 3-story single family residence, 2 alarms, building was a total loss.

36 Billington Sea Road, 3-story single family residence, 2 alarms, building was heavily damaged by fire.

51 Hillcrest Road, 2-story single family residence, 2 alarms, building was heavily damaged by fire.

FIRE PREVENTION and CODE ENFORCEMENT DIVISION

It is the responsibility of the Fire Prevention and Code Enforcement Division to promote public safety by limiting the occurrence of fire, identifying conditions that may lead to ignition and abating hazards that jeopardize life safety. Our goal is to provide a fire safe home, work and school environment. This is primarily accomplished through public fire safety education, enforcement of the Commonwealth's fire codes and regulations, Town by-laws and through inspections, plan review and permitting.

The Fire Prevention and Code Compliance Division is staffed by one Battalion Chief and one Lieutenant.

Training and Continuing Education:

Fire Inspectors attended monthly continuing education seminars sponsored by the Fire Prevention Association of Massachusetts. Current issues relating to fire codes and fire safety is shared among the Fire Inspectors along with updates from the State Fire Marshal Office.

Inspections:

Ch304 Liquor License Fire and Life Safety Inspections at over 121 establishments

Statutory inspections at schools, nursing facilities, hospitals, clinics and institutions

Smoke and Carbon Monoxide Alarm inspections for residential sales and new construction.

Commercial building and equipment inspections.

Construction Plan Review and Permits:

The fire department reviews construction plans to assure adequate fire protection, smoke and carbon monoxide detection and inspection of residential and commercial alarms and/or sprinkler systems prior to occupancy.

There were many businesses that utilized existing, rehabilitated spaces to meet their specific needs. Inspections were done to ensure compliance with use of those facilities.

The Council on Aging and Plymouth North High School were completed this year, both of which have been under construction since 2010.

New commercial projects included: Renovations for restaurants and bars included Anna's, Aroma, the Full Sail, the Pillory Pub, and 42 Degrees North, new commercial construction and renovations in the Plymouth Industrial Park, new construction at Colony Place, a new golf club building at Crosswinds, , Shops at Five renovations for Joann's Fabrics, a Camelot Park warehouse and a new gas station in the Pinehills. There were also upgraded underground fuel tanks installed in some existing gas stations. Wind energy projects saw the construction of one windmill in Camelot Park. Several commercial solar energy farm projects were permitted. Aside from the multitude of one and two family residential new construction and renovations, current multifamily construction includes the Village at South Street, Harbor Shores condominiums, Old Field Road community and the former Ryder House on Russell Street.

Code Compliance:

Complaints received from concerned citizens and observations made by department personnel during routine inspections and emergency responses initiate investigations by fire inspectors to determine if a fire hazard or code violation exists and to bring about compliance through education as a first resort. In the event that an owner or tenant refuses to comply or bring conditions into compliance with fire or life safety codes, a fine will be assessed using non-criminal citations. Further non-compliance can result in complaints filed via the court system.

During 2012, the fire prevention division responded to numerous calls for issues such as: violation of open burning regulations, failure to install or maintain fire protection systems, blocked fire exits, and improper storage of flammables and combustibles. Nine citations were issued.

Fire Investigation:

Investigating the origin and cause of a fire is vital in order to determine whether the fire is accidental or intentional, the result of a malicious or criminal human act or design flaw or equipment malfunction, carelessness or poor practice. By finding the circumstances responsible for ignition of the fire, PFD can attempt to reduce future occurrences of fire loss by, changing behavior through education, altering product design or operation, or promulgating new ordinances to bring about code compliance.

Smoke and carbon monoxide detectors save lives and are required by law and as always, PFD stresses the importance of possessing and maintaining these devices in homes. The trend for voluntary installation of residential fire sprinkler systems is a logical choice during new construction as it adds a fraction of the square foot cost to the project. Residential fire sprinklers enhance life safety by reacting quickly to the heat of a fire, while it is still in the beginning stage and relatively small. Fire sprinklers give occupants a chance to exit to safety and are a proven life saver. An added benefit is that they control the fire and reduce property damage.

Public Fire and Life Safety Education:

Educating the public, especially students in grades K-12, about key fire and life safety behaviors to reduce fires and the likelihood of injury or death is the main goal of the S.A.F.E. (Student Awareness of Fire Education) Program. Funding for this program revolves around an annual grant application submitted to the Massachusetts Department of Fire Services. This year the Fire Prevention office received a grant of \$7800.00 in support of the S.A.F.E. program. The S.A.F.E. program provides a full range of presentations reaching out not only to schools, but also to senior citizens through meetings set up with the Council on Aging. The S.A.F.E. grant supports the Town's fire safety trailer, fire station open house events, educating the public at health fairs, festivals, and community events. Specially trained firefighters present lessons on topics such as Learn Not to Burn, Preparing and Practicing Home Fire Escape Drills, Electrical Safety, Ice and Cold Water Emergencies, Smoke and Carbon Monoxide Alarms and Home Safety Inspections.

Fire Safety and Fall Prevention educational programs are also offered to seniors, boys and girls' organizations, school children on field trips, and other community organizations who visit fire stations for tours throughout the year.

 Fire Prevention & Code Enforcement

Fire Alarm Division

The Plymouth Fire Department's Municipal Fire Alarm System continues to grow with new commercial developments. New alarms are tied into the system at no cost to the taxpayer and utilize existing circuits.

New Radio Boxes 2012

- 1529 Council on Aging Bldg., 44 Nook Rd.
- 175 Plymouth North High School, 41 Obery Street
- 3111 Avalon at the Pine Hills, 50 Pine Hills Drive
- 3911 Camp Squanto, Dining Hall, 200 Cutter Field Road
- 572 Indian Brook School, 1181 State Road

Incidents Reported through the Municipal System 2012

- Box 7185, Cherry Hill Bldg. 1, Materials burning on the stove
- Box 2816, Electro polishing Systems, 24 Aldrin Road, Electrical problem
- Box 457, Life Care Center, 94 Obery Street, Interior pull station for an overheated wall heater.
- Box 1622, Olive Garden, 102 Colony Place, Mulch fire.
- Box 1212, Golden Living Center, 19 Obery Street, interior pull station for a burning fan motor.
- Box 29, Plymouth Airport Crash Box, 246 South Meadow Road, Aircraft reporting light smoke in cockpit.
- Box 4281, Emeritus at Plymouth Beach, 97 Warren Ave; Smoke condition due to plastic left on burner.
- Box 4112, St. Bonaventure's Church, 823 State Rd., Burning materials.
- Box 1562, Hilton Garden Inn, 4 Home Depot Drive, Electrical problem.

Projects for 2012:

The VHF radio system was narrow banded in December to meet new FCC regulations. This required the upgrade of some of the alerting systems in the stations as new paging tones had to be assigned to accommodate narrow band transmissions. At the time of this writing, both of the Fire Department's radio systems are narrow-banded. The fire department has also started replacing its portable radios. The current radios are 10+ years old and are starting to show signs of wear

and tear associated with normal firefighting activity. Preventive maintenance was performed on all Fire Alarm circuits to keep the system operational. The largest Fire Alarm project this year was the relocation of overhead and underground cables to accommodate the traffic signal installation at State Road and Manomet Point Road. This project was reimbursed by Mass DOT.

Fire Alarm Report
Zachary J. Lynch Superintendent of Fire Alarm

Training and Safety Division

Mission Statement

The training division is responsible for the development, implementation, design, delivery, and documentation of educational programs involving all members of the department. Training programs are intended to improve the firefighters' capabilities while performing emergency duties such as, emergency medical services, rescue and hazardous material response, as well as meeting the requirements and objectives of Federal and State agencies.

This responsibility includes needs assessment, curriculum development, and scheduling and records management. Courses on supervisory development, new products and apparatus, and other specialized training are conducted on an as needed basis.

Minimum training standards are established by Local, State and Federal agencies. Training takes on a variety of forms, from self-study to mandatory department training. All training done by the Firefighter must be documented as required by law. This documentation provides the legal verification for training completed.

The Training division is responsible for managing the wide range of training related documents, reports, and records necessary for maintaining required certification for the department's emergency response personnel. The Training Division ensures that the department's training meets Occupational Safety and Health Administration, National Fire Protection Association (NFPA) and Insurance Services Office requirements as well as all State and federal

regulations. This responsibility requires the Training Officer to work with State agencies including The Office of Emergency Medical Services and the Division of Fire Services.

Several of our long term training sessions include

Marine Firefighting:

An introduction to the problems associated with marine responses including jurisdiction, operating in the marine environment, terminology, types of ships and facilities, problems unique to marine responses, tactical considerations, safety and incident management.

U.S. Coast Guard Auxiliary:

Boating Skills and Seamanship Course

U.S. Department of Homeland Security:

Weapons of Mass Destruction Radiological/Nuclear Responder Operations course conducted by the National Nuclear Security Administration/National Standardization Office, Counter Terrorism Operations Support Center for Radiological/ Nuclear Training for, Federal Emergency Management Agency, National Preparedness Directorate.

Safe Boat International:

Boat Handling Skills and Marine Safety related to out 33 foot Safe Boat.

The Training Officer coordinates and schedules Department's in-house Drill Program. The purpose of this drill packages is to review basic suppression and EMS materials that aid personnel with maintaining knowledge of specific topics. This training is delivered to personnel by the company officers.

In addition to this in-service training the Training Officer also serves as the department's drill instructor for all newly hired firefighters. This recruit-training program introduces all probationary firefighters to the basic skills necessary to survive and function in the hostile environment of a structure or forest fire. This program prepares the

individual to meet the standards set by the NFPA for certification for Firefighter 1 and 2.

New equipment purchased by the department requires testing, evaluation and coordination with other divisions within the department. The training of members on new equipment and implementation of procedures for new equipment are coordinated by the Training Officer.

The training Officer is also the Department's Safety Officer. The Safety Officer's duties include responding to fires and hazardous incidents to oversee Scene Safety. The Training Officer also serves as the department's state mandated Infection Control Officer and is the Department's liaison to the Jordan hospital. The Infection Control Officer is responsible to enforce policies and procedure to ensure department member's health safety and tracking and documenting any exposures and injuries that occurred while on duty as required by State and Federal regulations.

Anthony Thompson
Battalion Chief
Training Division

In Memoriam

Retired Firefighter Allan Canevazzi
September 2, 2012

Allen was well respected by all those who served with him, both as a firefighter and friend. Allan served the Town of Plymouth for 30 years, from 1977 to 2007, with dedication and devoted service to his community.

The Office of Emergency Management (OEM), a division of the Plymouth Fire Department, coordinates incident management related to local emergencies and disasters. OEM is responsible for alerting and notifying emergency service agencies and the general public when disasters strike; coordinating local agency response; ensuring resources are available or mobilized in times of need, and developing plans and procedures for response to and recovery from emergency incidents. The Office of Emergency Management is located at the Plymouth Emergency Operations Center (EOC). The EOC is a central facility which provides coordination for local departments and agencies during an emergency response.

In 2012 the Emergency Operations Center supported multiple trainings and planning initiatives in its initial year. Most notably, through the coordination of the Plymouth Fire Department, Office of Emergency Management, and the National Nuclear Security Administration over thirty-five local, state, and federal first responders completed a three day exercise in advanced radiological response operations. This training provided local and regional public safety personnel with the latest teaching and operational response training in radiological preparedness. The benefits of combined training of responders were not limited to EOC operations in 2012. Members of the Plymouth Fire Department, regional law enforcement agencies, and operators from Entergy completed combined training initiatives locally and at regional training academies to improve response arrangements unique to the challenges of protecting the Pilgrim Nuclear Power Station.

As the National Oceanic and Atmospheric Administration classified 2012 as another above normal year for Tropical Storms and Hurricanes, the Office of Emergency Management has remained active in planning for a wide range of potential emergency disruptions and mitigation challenges to the Town of Plymouth. OEM continues working to improve the coordination of emergency planning to ensure key services and recovery efforts are in place prior to potential emergency impacts. In 2012, the Office of Emergency Management conducted several local meetings and plan reviews related to future flood controls, pre-disaster hazard mitigation planning, and special

populations impacts, establishing a balanced review of all hazards, guidance, and recommendations for future contingency planning. To ensure effective risk management planning continues, and core departments are able to maintain delivery of their services during emergencies. OEM will continue to improve local resiliency through preparedness.

PART III: DHS Grant Application & Award Statistics

FEMA- PW-4028-DR-MA (Tropical Storm Irene Federal Reimbursement)	\$69,782.51
FEMA 2010 EMPG (Radiological Response & Sheltering Improvement)	\$20,000
FEMA 2011 EMPG (Interoperable Communications Improvements)	\$25,000

POLICE DEPARTMENT

The Mission of the Plymouth Police Department (PPD) is to provide for the safety of the public, the protection of life and property, to serve with integrity, to provide a well trained professional department to the public, to treat all members of the public and all employees with respect, and to strive to ensure that the Plymouth Police Department is the finest law enforcement agency in the Commonwealth.

Message from Chief Michael E. Botieri

This past year has seen the Plymouth Police Department strengthen and support several existing initiatives to include:

- accepting the donation of a third canine, a patrol dog named “Cain”
- “Police Family Fun Day” at the Public Library in the spring
- School Resource Officers continue to offer their services in Middle and High Schools to include coordinating safety lock down drills and also participate in a summer Police Academy for students interested in a possible law enforcement career.

In 2012, the department continued to support and participate in the regional “METRO-Law Enforcement Council,” a collective of local police departments that pool their resources, which will benefit the Plymouth Police Department by providing access to trained SWAT officers, crowd control personnel, advanced investigatory abilities, and additional k-9’s, to just name a few. A number of these officers were utilized this 3rd of July to assist Plymouth Police personnel with the annual festivities in Manomet.

The Department also drastically increased maritime enforcement capability by securing a 25’ SAFE Boat from the State’s Surplus Vehicle/Vessel Inventory. This vessel is staffed periodically by officers who have received advanced training in boat handling and marine enforcement. These officers also assisted the Massachusetts Environmental Police in teaching a Boating Safety course at an area marina this past spring.

Grant Activity

The Plymouth Police Department has been committed to finding new revenue sources through awarded grants to support the agency’s efforts without causing additional financial burden for the public. This past year the Plymouth Police Department was awarded the following grants: 911 Support Incentive Grant (\$128,123.00), 911 Training Grant (\$30,246.00), 2012 JAG Grant (\$10,970.00), and the 2012 Traffic Enforcement Grant (\$4,950.00). The department applied for but did not receive the 2012 COPS Hiring Program (\$1,098,815.00 to hire 5 officers) or the 2012 Underage Alcohol Enforcement Grant (\$10,000.00).

Homeland Security

The Plymouth Police Department continues to work together and share information with other local police departments, Massachusetts Environmental Police, Massachusetts State Police, United States Attorney’s Office, Plymouth District Attorney’s Office, FBI, U.S. Coast Guard, and the Pilgrim Nuclear Power Station in our efforts to keep the Town of Plymouth safe.

Community Policing

The Plymouth Police Department has strengthened its commitment to community policing, a concept that emphasizes the partnership

between the police and the community. The needs of the community, as defined by its residents, drives the priorities of the Department enforcement efforts. Specific examples of our community policing practices currently in place are:

- Walking beats, bicycle patrols and horse patrols in the downtown and waterfront areas
- “Park and walk” patrols in specific neighborhoods
- The Cops in Shops program
- Neighborhood Watch programs
- Traffic education and enforcement
- Officers assigned to specialty units (Motorcycle, K9, Horse, etc.) participated at several events at the Plymouth Boys and Girls Club

Citizen Surveys

In 2012, the Department continued its Citizen Survey Program in order to solicit feedback from the community we serve regarding the delivery of police services. A random sampling of persons reporting incidents, witnesses and victims were contacted by the Department and asked to rate their interaction with different facets of the Department. The Police Department is pleased to report that our efforts continue to be well received and the results of those surveys are overwhelmingly positive.

Firearms Licensing

In 2012 the Plymouth Police Department processed 1027 firearms license applications (significantly up from 2011’s 800) generating a fee total of \$82,625.00 of which \$20,887.50 came back to the Town.

Neighborhood Watch

Neighborhood Watch programs continued in several residential developments. The most active program continues to be the Downtown Historic Neighborhood Watch. Another neighborhood Watch program is currently being developed with the residents of West Plymouth. These programs promote the cooperative partnership between the police, citizens, and community officials.

Traffic Education and Enforcement

The Department continues to strive to maintain safety on the roads of the Town of Plymouth. The Department uses three traffic radar trailers as educational tools. In conjunction with education, PPD has

placed an added emphasis on traffic enforcement. By increasing efforts in both areas the Department endeavors to keep roads safe despite rapidly increasing growth and traffic.

For the calendar year of 2012 the Plymouth Police Department issued a total of 6,062 traffic citations generating a fine amount of \$189,825.00. There were 1,074 reported motor vehicle accidents in Plymouth this past year with 152 of them involving injuries and three involving fatalities.

The Department is also currently participating in a state sponsored traffic enforcement initiative that will finance periods of additional activity that specifically targets impaired operation (“Drive Sober or Get Pulled Over”) and seat belt usage (“Click it or Ticket”).

Citizens Police Academy

- The 13th Citizens Police Academy was not conducted this year due to recent budget constraints.

Senior Citizen Services

During 2012, the Plymouth Police Department and the Plymouth County Sheriffs Department continued to partner in offering senior residents of our community the opportunity to participate in the “*Are You OK?*” program. “*Are You OK?*” is a computerized telephone calling system that calls seniors at home to check on their well being. In coordination with the Plymouth Council on Aging many seniors now participate in this program.

The Plymouth Police have also strengthened its role in serving seniors of our community by assigning a Police Captain to participate in the “TRIAD Program,” a group of public safety and Council On Aging professionals who meet monthly to address the needs of our aging populace.

The Department is also actively participating in programs to help find those members of our community who are prone to wandering by playing active roles in a private LoJack tracking system, and also one sponsored by the Plymouth County Sheriff’s Department. Both can be utilized to find a missing family member in the event that they should wander away.

2012 PPD Personnel Changes

Appointments

<u>Name</u>	<u>Title</u>	<u>Date</u>
Ryan Antonson	Student Officer	9/10/2012

**DEPARTMENT
OF PUBLIC WORKS**

ADMINISTRATION

Jonathan L. Beder-Director
Dennis E. Westgate-Asst. Director
Jodie Volta-Administrative Assistant

The Department of Public Works continues to make significant progress in providing effective and efficient core services to the residents of Plymouth.

The Mission of the Plymouth Department of Public Works is to provide uninterrupted effective and efficient professional services to the residents of Plymouth. Our twelve Divisions include Water, Sewer, Highway, Recreation, Building Maintenance, Fleet Maintenance, Administration, Solid Waste, Cemeteries, Crematory, Parks and Forestry, and Engineering all working together to meet the needs of the community.

This past year, the Department of Public Works initiated and completed many projects throughout the town in which cost savings were realized. These efforts will not only reduce future budget requests, they reduce current and future appropriations, lessening the burden on the taxpayer. The objective is to be an organization capable of providing professional services in order to sustain the needs of the Plymouth Community.

In addition to the various typical day to day maintenance and operations performed, the Department of Public Works has also received several grants and initiated work on many significant projects. These projects will provide positive impacts to the community, and enhance infrastructure, which are as follows:

Solid Waste-The disposal contract with SEMASS and the lease agreement with the County for the South Street Transfer Station are both set to expire on January 1, 2015. Combined, these issues demand that new measures be implemented to best control future collection and disposal costs. The objective is to educate the general public to promote collection methodologies to better increase recycling while

offering the most in convenience at the cheapest cost. DPW continues to explore the benefits of a curbside collection program to that of Pay as You Throw at the Transfer Stations in order to present facts and figures so an informed decision can be made by the Town Meeting Representatives.

Wastewater-

1. Wastewater Master Plan-Working with the Town Manager, Board of Selectmen, and Finance Director DPW performed an analysis of existing and future flow conditions of the sewer system as well as an analysis of the existing and future financial situation with regard to the entire wastewater system. Our analyses indicated that the existing wastewater system is underutilized and underfunded and that it is in the best interest of the town to expand the collection system.
2. Sewer Expansion-DPW has made significant progress in many ways this year within the Sewer Division. Pursuits to expand the sewer system have taken shape through the Wastewater Master Plan, and the Town is ready to present a capital project within this warrant to expand sewer into West Plymouth, specifically the Route 44/Samoset Street area. This extension will promote new flows to a large commercial area to better serve the business community, as well as generate needed flow to an underutilized treatment Plant.
3. Sewer Connection Policy-DPW has revised this policy, significantly decreasing connection costs in accordance with the Wastewater Master Plan to promote new connections and increase flows to the treatment plant
4. Long Pond Pump Station-The Nook Road sewer moratorium which restricted all connections to the system in this area, was lifted this year with the completion of the Long Pond Pump Station. This new state of the art pump station can handle 1 million gallons per day of flow, and has been sized to accommodate long term future flows in the adjacent areas.

Water- The Town of Plymouth water system covers seventy square miles and supplies water to approximately 13,700 customers. As the population and associated water use continues to grow, the goal is to increase the reliability of existing supplies. The focus is also centered on maintaining existing infrastructure while sustaining all facilities in terms of compliance, regulatory, and technological changes. This year, the Division has completed a comprehensive facilities plan to help identify, estimate, and plan future maintenance. This will allow the Town to better manage and control future costs, while ensuring compliance and safety protocols.

The Water Division has also completed its move from Town Hall to Camelot Drive. This relocation will improve operational efficiency and offer more hours of service to the residents.

Commerce Way- Last year the Town received a \$1.5 million MassWorks Grant to perform upgrades to Commerce Way between Route 44 and Plympton Road (Route 80). Work commenced in the spring of 2012 in which the Town installed new sidewalks, curbing and drainage upgrades. DPW anticipates that the new pavement will be placed in early spring and the project will be successfully completed on time and within budget.

Downtown Improvements/Revitalization- The Public Works Department was successful in receiving a \$1.5 million dollar MassWorks Grant towards the first phase of a multi million, multi-phased project. This funding will be used to perform infrastructure improvements in the Downtown/Harbor District to spur economic development and in preparation of the 400th Anniversary. This first of several projects will lay the groundwork for much of the other work to be completed. DPW is currently under way with design and work will commence in the spring of 2013. Some of the work will include paving and streetscape, sidewalk restoration, ornamental street lighting and many other aesthetic improvements along the waterfront. DPW looks forward to working with the Plymouth 400th Committee and Board of Selectmen to see these projects through completion.

Cranberry Crescent Development- With the Fall 2012 Town Meeting approving the Tax increment finance agreement (TIF), the Public Works Department has taken the next step and is working towards

promoting the proper designs of major utilities and roadways. These upgrades include an extension of the municipal sewer to the site, water mains, construction of the intersection of Route 80 and Commerce Way, and the construction of a new connector road from the end of Commerce Way/Route 80 out to Carver Road. All of this work will be built at no cost to the residents of Plymouth and provide many benefit to the water and sewer system, in addition to improving area traffic patterns.

ENGINEERING DIVISION

Sid Kashi, P.E. Town Engineer

The mission of the Engineering Division is to provide quality engineering services and technical support for the Town of Plymouth, its residents, agents and providers and to establish an atmosphere of courtesy, efficiency and dedication, while maintaining a professional work environment which will foster, encourage and nurture personal excellence, leadership and growth.

During the past year, there were changes in personnel at the Engineer Division. . James (Jay) Thomson, Civil Engineer, and Eileen Walsh, Administrative Assistant, retired in June 2012.. Richard Bosse and Linda Callahan were hired in 2012. The Town gratefully acknowledges the years of dedicated service provided by Mr. Thomson, and Mrs. Walsh.

The Engineering Division's functions and programs changed as part of the transition of the entire Department of Public Works (DPW) in order to meet the Town's needs and DPW services. This office is managing the Town's infrastructure including engineering, construction contracts, and also the Town's road excavation and utility cuts program.

As an owner/operator of a Municipal Separate Storm Sewer System (MS4) that discharges stormwater into waters of the United States, the Town will be required to obtain general permit coverage under the National Pollution Discharge Elimination System (NPDES) Stormwater Phase II final rule as jointly administered by the U.S.

Environmental Protection Agency (EPA), New England Region, and Massachusetts Department of Environmental Protection (MA DEP). The Engineering Division has been utilizing the Global Positioning System (GPS) unit to inventory and collect data on the drainage system. The information has been used for the Geographic Information System (GIS) mapping part of the NPDES permit requirement. This program was initiated in the fall of 2003 and is an ongoing project. A pavement management program was purchased to assist with the inventory and development of a long term maintenance program for public roadways and sidewalks.

The Engineering Division was awarded with a Mass Works Infrastructure Grant for Water Street (Rotary to Nelson Street) Roadway Improvements Project. The Grant funding was for \$1,500,000.

It is the long-range goal of the Engineering Division to expand the scope of services provided and ultimately to maintain a readily retrievable inventory of all municipal resources available in the town. The division strives to provide the best possible service utilizing experience, well-trained personnel, and state-of-the-art equipment within budgetary constraints to the residents of Plymouth.

The following outlines the summary of 2012 activities:

A. Assessors Maps Revisions

95 Parcels on **47** Maps and **4** New Streets

In addition the maps were electronically produced tying them into the Plymouth Assessors database bringing the maps into a GIS environment.

B. Gravel and Private Roads Improvement Program –

Developing a Comprehensive Townwide Policy for improving gravel and private roads. The Engineering Division is coordinating this task with the Roads Advisory Committee.

C. Private Roads Acceptance Program – The Engineering

Division has accepted twenty private roads, namely, Bournehurst Drive, Cabot Circle, Carolyn Drive, Christopher Road, Columbia Road, Cottontail Trail, Davenport Road, Dorothy Road, Great Wind Drive, Hallick Road, High Pine Drive, Howard Drive, Lauren

Road, Lawrence Road, Lee Drive, Nixon Avenue, October Lane, Sheridan Drive, Sherman Avenue, Woodvale Avenue as public ways. The total miles accepted was six miles. There are twenty-four private roads being considered for 2013.

D. **Street Layouts** – This year the Engineering Division provided administrative support for the laying out of the streets listed above, and also River Run Way Layout Alterations.

E. **Parks and Playgrounds**

Nelson Beach – Provided Construction Plan for building sidewalk on the corner of Nelson Street and the Park entrance.

Hedges Pond (Camp Dennen) – Provided site design and construction layout for the construction of various fields, entrance road, and other utilities.

F. **Drainage** – The Engineering Division provided existing conditions, survey, design, construction inspection and project administration for the following projects:

1. **John Alden Road** – Drainage design beginning at Charlemont Road and running to Priscilla Beach Road to eliminate an existing outfall without benefit of a drainage easement. This work was done by Town forces installing a series of precast Catch Basins, Gutter Inlets, with four foot sumps and Eliminators, connected to Manholes. The manholes were connected to an eighteen inch HDPE pipe tying to an existing outfall opposite Cochituate Road.

2. **Pond Road** – Stormwater Remediation Grant – The Engineering Division provided project review and coordination for the construction.

3. **Manomet Avenue** - A wick drain was installed in the vicinity of house #211. The Engineering Division provided project administration, review, and coordination for the construction.

G. **Town Wide Construction (various projects)** – The Engineering Division provided project administration and construction inspection on several projects in 2012.

H. Various Grant Projects – The Engineering Division was instrumental in receiving a “MASS Works Infrastructure Grant” for Water Street (from Rotary to Nelson Street) Roadway Improvements Project. The Grant funding was for \$1,500,000

I. Roadway Improvements

1. **Obery Street** – (South Street to High School Driveway) – The project will improve and widen existing roadway, providing sidewalks on both sides of the road, control and treat the stormwater runoff by improving the existing drainage system and constructing two roundabouts. The project is at 75% design. The State has forwarded its comments and the Consultant will address them in the design. The construction funding will be by Mass DOT. The Engineering Division provided review of the 100% plans and project Administration. The project has been included on the FFY 2015 transportation improvement program (TIP) funding.
2. **Samoset Street/North and South Park Avenue** – (from Water Street to Royal Street) - The Project is at 75% design phase and being reviewed by the State. The construction funding will be by Mass DOT. The project’s intent is to have full reconstruction of roadway, drainage, sidewalk, signal installation at Standish Avenue, as well as other related improvements. Engineering Division provided existing conditions survey, design review and project administration. The project has been included on the FFY 2013 transportation improvement program (TIP) funding.
3. **Taylor Avenue** – (from White Horse Road to Manomet Point Road) The project is at 75% design phase. The State has forwarded its comments and the Consultant has addressed them in the design. The construction funding will be by Mass DOT. The project’s intent is to have full reconstruction of roadway, drainage, sidewalk, and other related improvements, including the replacement of the bridge over Bartlett Brook. Engineering Division

provided review of the plans and project administration. Field survey and existing conditions plans were provided to the consultant.

4. **Manomet Point Road** – (Intersection Improvements) The project involved installing Signals at State Road, Strand Avenue and Manomet Point Road. The project has been advertised. The contractor started the project in the spring of 2012. Engineering Division provided review of the plans and project administration. The construction funding came from State
5. **Commerce Way** – The Engineering Division was instrumental in receiving a Mass Works Infrastructure Grant. The Grant is for the design and construction of Commerce Way between Route 44 Exit Ramps and Plympton Road (Route 80). The Engineering Division has been providing field survey, construction inspection, and project administration. The Grant funding was for \$1,500,000. This is on-going project and will be completed in 2013.
6. **Long Pond Road (Carter's Bridge Road to end of paved section)** – Engineering Division provided construction layout, inspection, and project administration for the project.
7. **Allerton Street** – In-house design for Sidewalk and Roadway improvements has been started. Construction funding is required for this project.
8. **Vine Brook Road** – In-house design for roadway and drainage improvements including paving has been started. Construction funding is required for this project.
9. **Newfield Street** – (Beach Avenue to Jackson's Lane) In-house design for roadway realignment, including a concrete sidewalk, pulverizing the existing pavement, re-grading and repaving was completed. The Engineering Division provided construction, layout, inspection and project administration.

10. **East Russell Mills Road** – In-house design for a layout, roadway and drainage including base course paving was completed. The Engineering Division was able to get the abutters to grant the necessary easements. The DPW installed all the drainage and did the necessary work to widen and prepare the road for paving. T.L. Edwards placed the top paving course in the fall.
11. **South Street** – Signal at Sandwich Street (Route 3A) – The project remains at 75% Design Phase. The project’s intent is to install signalization at the intersections of South Street, Sandwich Street and Lincoln Street. Engineering Division is providing review of the plans, inspection, and project administration.
12. **Cedarville Fire Station Emergency Signal** The project remains at 75% Design Phase. The project’s intent is to install an Emergency Signal on State Road (Route 3A). Engineering Division is providing design, inspection and project administration.
13. **Water Street** – Roundabout – The project addressed safety issues by improvements to the signage and pavement markings. Engineering Division provided existing conditions plans for in house design, site layout for pavement markings, and project administration.
14. **Commerce Way** – (Corridor Traffic Study) – Engineering Division is working with developers to insure that street openings will not impede traffic flow. Engineering Division prepared a Public Works Economic Development (PWED) Grant Application for the design and construction of Commerce Way between Colony Place and Plympton Road (Route 80), and provided field survey, design, construction inspection and project administration.
15. **Plymouth Street** – In-house design for roadway Improvements including drainage was completed. The Engineering Division provided existing

- conditions, construction layout, construction inspection, and project administration for the project.
16. **Carver Road** (Vicinity of #230-253) – In-house design for roadway Improvements including drainage was completed. The Engineering Division provided existing conditions, construction layout, construction Inspection, and project administration for the project.
 17. **Holmes Terrace** (Atlantic to Muster Field) The Engineering Division provided existing conditions, construction layout, construction inspection, and project administration for the project.
 18. **Atlantic Street** – In-house design for roadway Improvements including drainage was completed. Improvements including sidewalk, and drainage was completed. The Engineering Division provided existing conditions, construction layout, construction inspection and project administration for the project.
 19. **Summer Street** (Billington Street to Russell Street) – The Engineering Division provided construction inspection, and project administration for the project. The project’s intent was to make permanent trench repair, finish the Top course of pavement, and apply pavement markings.
 20. **Memorial Drive** – The Engineering Division provided construction inspection, and project administration for the project. The project’s intent was to pulverize the existing pavement, re-grading, and repaving. The roadway was reconstructed with 4-inch thick layer of pavement.
 21. **Old Sandwich Road** (#74 to # 120) and (Pine Road to Sacrifice Rock Road.).The Engineering Division provided construction inspection, and project administration for the project. The project’s intent was to pulverize the existing pavement, re-grading, and repaving. The roadway was reconstructed with 4 ½ -inch thick layer of pavement

22. **Billington Street** (Summer to #23) The Engineering Division provided construction inspection, and project administration for the project. The project's intent was to make permanent trench repair, finish the top course of pavement, and apply pavement markings.
23. **Carter's Bridge Road** – In house design for drainage installation, mill and overlay on project.
24. **Standish Avenue (Alden to Cherry Street)** – The Engineering Division provided construction, inspection, and project administration. The second (2nd) phase will continue in 2013
25. **Strand Avenue** – In-house design for roadway Improvements including drainage was completed. The Engineering Division provided existing conditions and Design for the project.

J. 2011 Survey Projects

1. Survey existing conditions plans and deeds were prepared for the following sites:
 - **Nelson Street and Water Street intersection** – Existing conditions
 - **Beaver Dam Road (vicinity of Bog View Road)** – Existing conditions
 - **Carter's Bridge Road** –Existing conditions
 - **Fire Tower** – Site plan
 - **Ryder Road** – Long Beach property line determination and site plan
 - **Town Wharf** – To remove underground fuel tank
 - **Camelot Drive** – DPW Barn and Annex sites
 - **Bert's Parking Lot** – Existing conditions and as-built
 - **Commerce Way** – Existing conditions
 - **Packard Street** - Existing conditions
 - **Water Street** – Existing conditions
 - **Strand Avenue** – Existing conditions
 - **Union Street** – Existing conditions
 - **Bloody Pond** – Site plan and as-built

- **Long Pond Road** – Russell Mills Preserve septic design
- 2. **Stake Survey Control** for the following Projects
 - **Atlantic Street** – for Reconstruction Project
 - **Newfield Street** – #63 to Jackson’s Lane
 - **Commerce Way**
- 3. Easement plans and deeds were prepared for the following sites.
 - **Goddard Lane** (#37 Samoset St) – Drainage easement
 - **Fire Tower**
 - **#32 Nelson Street**
 - **Long Beach Property**
- 4. Setting high accuracy GPS control network (HARN) for the Town’s horizontal and vertical control is an on-going project.
- 5. Various Departmental and public support (i.e., E-911 Map for Gurnet, Police Department, exhibit plans: 10 prepared)
- 6. Sideline staking in the following areas;
 - **Long Pond Road**
 - **Wildcat Lane**
 - **Newfield Street**
 - **Center Hill Road**
 - **Taylor Avenue and Asiaf Way**
 - **Taylor Avenue at Pearl**
 - **Craig Street**
 - **Stagecoach Circle**
 - **Chiltonville Water tank**
 - **Winthrop Road**
- 7. Conducting field and office survey for the sewer network including the horizontal and vertical control.
- 8. Construction layout for the following sites:
 - **Plymouth Street**
 - **Atlantic Street**
 - **Memorial Drive**
 - **East Russell Mills Road**

- **Summer Street**
- **Bert's Parking Lot**
- **John Alden Road**
- **Pond Road**
- **Camp Dennen (Hedges Pond Road Playground)**
- **Newfield Street**
- **Commerce Way**

K. Sidewalk Construction

1. **Various Locations** (Townwide) – Replacing sidewalk panels (various locations). The Engineering Division provided project administration and construction inspection.

L. Pavement, Parking Lots, and Sidewalk Preservation Management Program

1. DPW has hired a Consultant to conduct pavement, Parking Lots, and sidewalk management study on public roads. The report will be used as a planning tool for improving our roadway, parking lots, and sidewalk infrastructure.
2. The Town continued with an aggressive crack sealing program to best utilize the limited funding. The approximately 4 miles of public roads were treated under the FY2012 contract.

M. Guard Rail – Replacing and installing Guard Rails on the following roads:

1. **Billington Street**
2. **Newfield Street**
3. **Summer Street**

N. Pavement Markings – including centerlines, edge lines, crosswalks, stop bars, and legends – Various Roads, Town Wide

O. Traffic Signals – The following (existing and proposed) signals were Evaluated and changes were made:

1. **Long Pond Road at Shops at 5**
2. **Commerce Way**

P. Traffic Signs (Townwide) – Engineering Division coordinated for installing signs by the Highway Division and Contractor at various locations

Q. Water Supply

- 1. Water System GIS Map** - In 2012, the Engineering Division continued the task of updating the Town's GIS-based water system map. The project involves the use of GIS tracking devices, field survey data, and as-built information to pinpoint and update the location of water mains, services, and other appurtenances on the GIS map. Also included in the GIS mapping project is an ongoing effort to inventory and convert water tie cards, utility plans and as-built documents into digital format that can be accessed via the GIS map.
- 2. Miscellaneous Projects** – The Engineering Department assisted the Water Department with a variety of tasks including Annual Statistical Report preparation, DEP permit renewals, construction inspection, and miscellaneous technical support. The Engineering Division also provided reviews and assistance for private development projects throughout Town.

R. Wastewater

- 1. Sewer System GIS Map** - In 2012, the Engineering Division continued the task of updating the Town's GIS-based sewer system map. The project involves the use of GIS tracking devices, field survey data, plans and as-built information to pinpoint and update the location of sewer mains, services and other appurtenances on the GIS map. Also included in the GIS mapping project is an ongoing effort to inventory and convert sewer tie cards, utility plans and as-built documents into digital format that can be accessed via the GIS map.
- 2. 204 Long Pond Road Septic System** – In 2012, the Engineering Division completed the design, survey control and construction oversight of a new septic system for the Town-owned building at 204 Long Pond Road. The new septic system, installed

by DPW staff, replaced an outdated cesspool on the property.

- 3. Long Pond Road Sewer Pump Station** – The Engineering Division provided review, administration and technical support during the construction of the Long Pond Road Sewer Pump Station. The new sewer pump station was constructed to alleviate sewer capacity issues along South Street and Nook Road. Construction of the sewer pump station was completed in October of 2012.
- 4. Comprehensive Wastewater Management Plan** – In 2012, the Engineering Division, in conjunction with Sewer Division, continued work on the Comprehensive Wastewater Management Plan (CWMP) study. The CWMP study is intended to assess the condition of existing sewer facilities, evaluate system capacity, identify system deficiencies, develop a hydraulic model of the Town’s sewer system, analyze existing and future development needs, and formulate a Capital Improvement Plan that integrates short and long-term strategies for maintenance, upgrades, and collection system expansion. Work on the CWMP project is ongoing and expected to continue into 2013.
- 5. Miscellaneous Projects** - The Engineering Department assisted the Sewer Department with a variety of tasks including construction inspection, spot repair design and miscellaneous technical support. The Engineering Division also provided reviews and assistance for private development projects throughout Town.
- S. Townwide Public Works Infrastructure Asset Inventory and inspection** - Locating and inventorying the assets (i.e., sewer, water, and

drainage structures) in the field with Global Positioning system (GPS) Equipment as part of the existing conditions surveys for all projects. **Bridge inspection and load ratings** were done for Water Street and Newfield Street culverts.

T. Geographic Information Systems (GIS) Mapping

1. **Townwide Public Works Infrastructure Asset Mapping** – Mapping the Infrastructure Assets in GIS Environment.
2. **Snow Plow and Sanding Routes** - Townwide updating
3. **Streets** – Public, Private, and gravel roads with their classifications
4. **Stormwater, Water, and Sewer**
5. **Sidewalk**
6. **Traffic Signage**
7. **Pavement Markings**
8. **Pine Hills – GIS spatial edits**

U. Massachusetts Department of Transportation (MassDOT) Construction Projects – Coordinating the Town’s concerns/issues with MassDOT or other State Agencies.

1. **Traffic Signal – Manomet Point Road/Strand Ave. /Route 3A (State Road) intersection.** The project has been advertised. The Contract has been awarded and construction will begin soon.

V. Plan Reviews (40)

Planning Board (10); Zoning Board of Appeals (25); and Building Dept. (5)

W. Street Opening Permit Program – 90 permits were processed. The program manages the excavation activities in the Town’s roadway network. It includes processing permits and conducting field inspections to monitor the utility trench excavation, constructing driveways, etc.

X. Grant Administration – Administrating Various Grant Projects received from State/Federal Agencies. Submitted grant reimbursement request for funding on projects through State and Federal Agencies.

Y. Road Advisory Committee – Coordinated various requests such as snow plowing and etc. Attended monthly meetings

Z. Miscellaneous

- Prepared display and locus plans for various departments and Town Meeting Warrant Articles.
- Various field survey and report/plan preparation for various department/divisions.
- Provided technical advice on all utility installations of poles and underground structures.
- Provided technical support to the Traffic Task Force by advising as to the applicability of laws and engineering standards to the traffic related issues and concerns.
- Provided technical advice to the Town officials and boards.
- Provided plans and administration for installation of bicycle racks and pads.
- Provided Traffic Management Plan for various Town events.
- Provided plans and permitting for Town Hall and Highway Barn office space renovations.
- Over-the-counter services: - House number and lot number assignment (e.g. Pinehills Development); provided information to the general public, realtors, engineers, and land surveyors.
- Informational meetings were held for Samoset Street, Howland Street parking and change to One Way Street Newfield Street – traffic calming, and roadway improvements.
- Implemented traffic and drainage studies, which were requested from this office.
- Implemented EPA Phase II (Town Wide Stormwater Mapping).
- Provided technical support and advice to the Town Officials and Boards/Committees.
- Provided a traffic marking plan for reducing four lanes to three lanes (2 lanes with center turn lane), on Marc Drive and Samoset Street intersection

- Provided speed regulation study-various streets such as South Meadow Road.
- Provided support to the Town's regional planning agency, Old Colony Planning Council (OCPC), on the following programs: Study for bicycle and pedestrian safety and connectivity.
- Safe routes to school and complete streets policy.
- Provided plans to Police Department to help them for their fight against drug abuse.

Printing Services

Assessors Maps (150 sheets) now available on line

5 Sets of Zoning Maps (5 sheets each)

Approximately 100 prints of various plans

Other departments utilize the large format plotter to prepare maps, and large size copies.

HIGHWAY DIVISION

The mission of the Highway Division is to maintain and preserve the Town's Public Way infrastructure, which includes paved streets, gravel roads, sidewalks, street signs, traffic signals, and storm drainage systems, restore and improve core services to the general public. The division also maintains access for emergency vehicles on many Private Roads.

As a highlight of 2012, the Highway Division continued increasing staffing levels from a low of 18 active employees in 2010 to its current level of 26 full time DPW employees. This was accomplished by filling three vacancies within the Division. Additional funded vacancies will also be filled in 2013 to bring the total to thirty-four employees, including an Administrative Assistant and the Highway Manager. This brings the Division back to a previous high mark of approximately thirty-three employees back in 1995. The long term goal of the division is to bring staffing levels up to industry standards, which requires approximately ten employees for every 100 miles of roads maintained. The Highway Division continues to be responsible for over 400 miles of roads spread across 103 square miles. The services provided by the Highway Division include: emergency and maintenance type repairing to streets and sidewalks, responding to pothole defects, maintenance of the storm water system, snow and ice

removal and consistently servicing requests that are generated from other DPW Divisions and the public.

Road Construction and Resurfacing

The Highway Division worked in conjunction with private contractors to perform major road reconstruction on a number of roads throughout Plymouth. Work on Pond Road and Shore Road (formerly gravel roads) consisted of tree removal, lane widening, and installation of a complete storm drainage system including a Rain Garden, grading, sloping, and landscaping along existing residential property lines. All systems were completed and asphalt binder course was placed this year for a traveling surface. Additionally, pavement resurfacing projects were performed on Obery Street, Holmes Terrace, Newfield Street, Burial Hill Path, Plymouth Street, East Russell Mills Road, and the southern portion of Long Pond Road. Each road section received various preparation treatments depending on road conditions such as pavement milling, shimming, or complete pulverizing and regrading. Various drainage repairs were performed as needed during the construction. Projects were performed with some assistance from the Engineering and Forestry Divisions during construction. Milling and Paving was performed by outside contractors. Roads were striped as necessary upon completion.

Asphalt Repair Patching

The Highway Division provided general and emergency repair services to roads and sidewalks throughout the Town. Repairs consisted of small to large potholes, utility trench repairs and repairs around storm drain systems. In the winter months cold patching was performed as needed. The asphalt repair crew responded to Complaint Work Orders taken at the Highway Office generated by calls from the general public. Additionally, some utility trench road repair patches were made for the Water and Wastewater divisions.

Drainage Repairs/Catch Basin Cleaning

The Highway Division performed numerous routine repairs to storm water drainage systems throughout the Town. Structures repaired in many cases were antiquated and hand built from blocks and brick. Rebuilding structures varied from replacing frames and covers and repair of top sections to complete basin replacements. Skilled labor was used to perform these tasks. An effort to convert old structures to

pre-cast concrete continues and was followed whenever possible. Larger Projects with significant drainage system improvements of note were performed on John Alden Road in Manomet, and Pond Road and Shore Road in South Plymouth. These systems were installed to aid in improving and protecting water quality in Coastal and Pond areas.

Additionally, the Division operated one catch basin cleaning truck. Basins and piping systems that became clogged were cleaned with the basin cleaning truck. Some isolated jet rodding of piping systems was performed with the assistance of the Sewer Division. Many of the storm drainage systems consist of a series of catch basins, drain manholes, piping systems, and some form of leaching system to dispose of the storm water runoff. Sand, leaves, pine needles, and other debris all contribute to clogging these systems.

Street Sweeping

The Division operated two street sweepers this year from early spring until late December. In the spring, sand was collected from main roads first, and then progressed into neighborhoods and subdivisions throughout the summer and fall. The Downtown and Waterfront Districts were generally maintained on weekly basis. A sidewalk sweeper and hand crews were used through the season to clear sidewalk debris. Several major storms including Hurricane Sandy and the No Name Nor'easter this season required extra efforts and repeated service to pick up downed leaves and debris on main roads. This had an impact on the overall progress of town wide cleanup efforts. In the fall, leaves and pine needles were collected to keep drains open in preparation for winter. Sweeping was performed systematically throughout the Town of Plymouth. Sweeping the entire town with two Street Sweepers continues to be a challenge.

Gravel Road Grading

The Highway Division continued to operate with one road grader this year throughout most of the season due to staff issues, scheduling demands, and equipment problems. Approximately 85 miles of gravel roads are maintained to some level to provide access for emergency equipment and residents. Road grading was generally performed during spring, summer, and fall months. This year, main routes (Old Sandwich Road, Ship Pond Road, Wareham Road, Mast Road, and others) were generally graded every 3 to 4 weeks on a rotation basis. Less traveled roads were also graded on a less frequent rotation

throughout North/West Plymouth, Chiltonville, Manomet, Cedarville, and South Plymouth. Every effort was made to keep roads in good condition. Limited available staffing for this equipment and high demands in other maintenance areas made consistent service challenging. The need for dust control or permanent road surfacing continues to be an issue. Gravel roads continue to deteriorate rapidly due to excessive speeds, combined with inclement weather and poor road base materials in many areas. Road grading was performed on a limited basis during winter months when road conditions permitted. The use of recycled road base continues from the previous crushing operation and provides for a considerable cost savings to the town and the operating budget. Late in the year efforts were focused on a portion of Old Sandwich Road south of Beaver Dam Road. Improvements are planned for the shoulders and base of road in this area. Additionally, a new John Deere 672 Road Grader was purchased in late November to replace the 25 year old grader. This purchase should improve the level of service and efficiency of the road grading program in 2013.

Traffic Signs – Signals

The Traffic and Signage Department within The Highway Division continued to produce most all municipal street signs and maintain a portion of the traffic markings, including crosswalks and some town parking space markings. Colored crosswalks were repainted in the late spring and summer. The department also provided emergency assistance to Police with street closings and detours, and provided traffic barricades for holidays and events. Signals were maintained by replacing lenses with LED systems as they expired. The division responded to Signal failures and accidents which caused damage to the systems as needed.

Roadside Brush Clearing

The Highway Division made efforts to perform brush and grass mowing to the extent possible for maintaining safe lines of sight along public ways in order to prevent accidents and to ensure public safety. There continues to be an extensive amount of overgrowth throughout the town, in particular along narrow gravel roads in Manomet and South Plymouth. Work was focused on dangerous intersections and areas of poor drainage or access. Private property owners are encouraged to maintain shrubs, bushes and vegetation on their properties to maintain safe lines of sight. When possible the Highway

Division continued a joint effort with the Forestry Division to opening up some of the inaccessible narrow gravel roads. Highway also performed Storm and Debris cleanup during and after significant Storm events. This effort should continue in 2013.

Solid Waste Collection

The Highway Division operated one large packer truck and performed solid waste collection at all municipal buildings (recycling only at School Dept. buildings). Trash barrels and dumpsters were maintained throughout the season in the downtown and waterfront areas and public beaches. Additional efforts were required to handle increased volumes of trash collected during holidays and events and periods of increase tourism.

Litter and Dumping Cleanup

The Highway Division is not staffed to perform daily litter pickup along all of the many town public ways. Some general litter removal was performed when possible. Several larger dumping cleanup efforts were accomplished in the White Island Pond area and along some remote rural areas. The services of Plymouth County Sheriffs Department and the Trial Court were used to perform limited litter removal along most major roads in the Town of Plymouth. Hundreds of bags of trash were collected. The division appreciates the cooperation of the public and businesses in keeping Plymouth clean and beautiful.

Snow and Ice Removal

The Highway Division performed snow and ice removal operations throughout the Town of Plymouth during storm events under the town's Snow and Ice Plan. The Highway Division worked with assistance from other DPW divisions including Water, Wastewater, Parks, Cemetery, Engineering and Clerical Staff. During large storms, private contractors were hired to assist in the operations. The winter of 2011-2012 was relatively mild in comparison to the winter of 2010-2011.

To provide facility and vehicle maintenance support services to the Town's facilities and vehicles in order to achieve their maximum expected design life and to ensure a safe environment for the public, and transportation for the Town of Plymouth employees.

The Maintenance Division, which receives direct oversight from the Assistant Director of Public Works, consists of two separate units identified as Fleet Maintenance and Facilities Maintenance. The Facilities Maintenance Division is comprised of two Master Craftsmen, three full-time custodians, one part-time custodian and one full-time Administrative Assistant split with the Solid Waste Division. The Vehicle Maintenance Division consists of five full-time professional technicians including a working shop Foreman.

FACILITIES MAINTENANCE

The two Master Craftsmen are responsible for providing preventative and corrective maintenance, construction, safety, HVAC, and fire suppression services for all Town owned facilities. These services include structural, heating, ventilation and air conditioning (HVAC), plumbing, electrical, carpentry, roofing, security, snow removal, and fire suppression systems. Facility Maintenance is responsible for thirty-six town-owned facilities. The three full-time custodians and one part-time custodian are responsible for the cleaning services at Town Hall, Memorial Hall, Bartlett Hall, and the Council of Aging building.

Over the past year, the Facilities Maintenance Division was responsible for various repairs and projects in many of the Town's facilities including but not limited to the following:

- Remodeled two offices and created a meeting room for the Water Division personnel
- Constructed a secure storage area for the Fleet Maintenance Division
- Replaced eighteen gate valves at the 1749 Courthouse
- Installed forms and rebar for the Long Beach seawall repair

- Replaced failed hot water tanks in three Town-owned facilities
- Removed kitchen equipment from the old Council on Aging
- Performed structural repairs to the door and frame at the Harbor Master's building
- Conducted roof repairs to Fire Station #5
- Constructed three new beach ramps and repaired three others at Plymouth Beach
- Repaired roof leaks at Cedarville Transfer Station
- Constructed new bookcases for the Veterans Office
- Secured three dwellings on Harborlight Circle that the Town foreclosed
- Secured four dwelling on Warren Ave that the Town foreclosed
- Constructed a new countertop for the Tax Collector's Office
- Replaced the platform outside the DPW Sign Shop
- Performed repairs to the booking area at the Police Station
-

FLEET MAINTENANCE

The five full-time professional technicians in the Fleet Maintenance Division are responsible for maintaining, repairing, and inspecting approximately one hundred and seventy-eight vehicles not including trailers, generators, sanders, and compressors. These services include daily repairs and inspections, maintenance, rebuilding and fabrication, electric and emissions, and fuel delivery.

Over the past year, the Fleet Maintenance Division successfully maintained, rebuilt, and completed major repairs to many Town owned vehicles including but not limited to the following:

- Installed new engine in a one-ton dump truck
- Re-pinned a John Deere front-end loader
- Replaced the head gasket, timing chain, and cover on one of the undercover Police vehicles
- Removed the engine in one of the Ford Expeditions to replace the manifolds
- Replaced a transmission in a Crown Victoria
- Repaired cab corner and body mounts on an Environmental Department truck

- Replaced a truck body that was rotted with another decommissioned truck body
- Created a new parts room for improved inventory accountability
- Installed all emergency lighting on all new DPW vehicles
- Installed a new operating belt on the Highway Division's screening plant
- Introduced a new EGR injector cleaning service to reduce injection failure and EGR failure
- Implemented a Ford Fleet recognition to allow the Town to accomplish the following:
 - Electronically communicate directly with Ford Motor Co.
 - Update town software when updates become available
 - Automatic recall notifications
 - Access to all manuals online
- Performed all State DOT inspections for all DPW , Police, and School vehicles
- Performed inspections on all hired contractors for snow and Ice operations
- Successfully repaired and maintained all Police vehicles including daily safety checks for all cruisers
- Serviced and repaired eighteen sanders
- Replaced EGR and oil coolers on several Ford 6.0 liter diesels
- Fabricated a "wet" system for pre-wetting salt on sanders

The Administrative Assistant is split with the Solid Waste Division and besides all the duties associated with Solid Waste, is responsible for maintaining all records and inventory including vehicles, personnel, and building. The Administrative Assistant performs all clerical duties including receiving phone calls and entering payroll and weekly attendance sheets. In addition, she provides support to the division by scheduling deliveries, receiving and filtering work orders, and scheduling shift coverage.

The Maintenance Division is committed to continually providing services and support to the public and the DPW in the upcoming year.

The mission of the Solid Waste Division is to provide accessible, cost effective, and environmentally responsible solid waste disposal and recycling services.

The Solid Waste Division receives direct oversight from the Assistant Director of Public Works and is assisted by the Environmental Division. It is comprised of five full-time employees, one part-time employee and an Administrative Assistant, who is split with Maintenance Divisions. The division is responsible for the operation of the three Town-owned transfer stations. Hours of operation for the transfer stations are staggered so that residents can access one of the transfer stations seven days a week. The level of service varies at each transfer station according to available space and resources. The current hours of operation are as follows:

South Street – Open Monday, Wednesday, Friday, Saturday, and Sunday from 8 AM – 5 PM.

Manomet – Open Tuesday, Thursday, Saturday, and Sunday from 8 AM – 4 PM.

Cedarville – Open Wednesday and Sunday from 8 AM – 5 PM.

Some of the items collected at the transfer stations are as follows:

- Light bulbs
- Waste oil
- Batteries
- White goods such as refrigerators, stoves, air conditioners etc.
- Propane tanks
- TVs
- Yard Waste such as leaves and grass
- Cans & Bottles
- Paper
- Cardboard
- Books
- Clothing donations

The Solid Waste Program is in its eleventh year of operation as an Enterprise Fund. The recycling market showed a great deal of fluctuation this year with an overall downward trend. The disposal permit fee remained the same as last year at \$186 for residents, \$141 for Seniors, \$65 for seasonal and \$25 for a monthly permit. The recycling permit fee was lowered from \$12 to \$5.

The license plate scanning program installed at all three transfer stations in 2008 continues to operate. Cameras monitor each vehicle that enters and exits the transfer stations while software programs read the license plates and cross-references the numbers with a preloaded database of authorized vehicles. Unauthorized vehicles receive an automated system generated fine.

The three transfer stations continue to receive annual inspections that comply with the Department of Environmental Protection and yearly maintenance and upkeep. Signage is also updated yearly.

Currently, Plymouth has one of the lowest tipping fees in the region at approximately \$23 per ton. This is significantly below market rate, which varies from \$75 - \$100 per ton. The current contract with SEMASS expires on January 1, 2015. The Department of Public Works, Solid Waste Division is currently researching options to offer residents the most convenient, sustainable disposal option that will increase the Town's recycling rate while providing the most cost effective program.

CEMETERY DIVISION

There are thirty-three known cemeteries in the Town of Plymouth, Massachusetts. The Cemetery Division maintains and services twenty-six of those, including sixteen that are town owned and ten smaller cemeteries that contain graves of veterans. Of the cemeteries that the town maintains, seven are currently active.

The Cemetery Division works under the direction of a superintendent who manages daily operations for the Cemetery, Crematory, Park and Forestry Divisions within the Department of Public Works. Cemetery staff includes a cemetery foreman, and three laborer positions. Additional cemetery seasonal help is

added in the late spring to assist with grounds maintenance over the summer months.

In 2012 the Cemetery Division interred 156 human remains which included 74 full burials and 82 cremations (53%). Of those 156 humans, 19 were known veterans. The break down of the interments by cemetery was: Vine Hills 88, Manomet 34, Oak Grove 18, Chiltonville 15 and Faunce Memorial 1. The Cemetery Division deposited a total of \$145,689.20 from interments, lot sales and foundations in 2012.

With help from the Information Technology staff the cemetery division was able to put all burial records online. The public can now look up burial records.

New and Replacement Equipment – One F-350 pickup truck, one new John Deere Skid Steer loader.

MISSION STATEMENT

- **To provide safe, aesthetic and functional public areas including our cemeteries, which enhance the community’s current and future needs**
- **To plant, maintain, and manage public shade trees along the Town’s public ways and public areas while maintaining the public safety and aesthetic quality and value of the Town’s Urban Forest**
- **To plan, promote, and implement a diverse selection of recreational facilities and programs both passive and active**

The Parks Division continues its involvement in the community through a diversified assortment of activities and programs. The responsibilities of the Park Division include the maintenance of more than eighty individual areas totaling over seven hundred and fifty acres throughout the town.

Two funded but vacant park positions were filled, one in January and one in May

Downtown Beautifications – The Visitors Service Board funded the cost of the downtown hanging flower baskets and the holiday wreaths and lighting for the eighth consecutive year. Maintenance for the baskets was funded through the Park Department budget.

Stephens Field – A Farmers Market was held for the eight consecutive year at the park.

The concession stand was opened for the third consecutive year.

The recreation department moved its summer recreational programs from Stephens Field to West Elementary School Fields.

Walter Haskell Field – North High School was allowed to use this park again for their gym classes while their fields are offline due to construction of the new high school.

Brewster Gardens – There were eighty one wedding events held in Brewster Gardens. These events were either wedding ceremonies or wedding pictures.

A memorial bench was placed for Robert Thomas (Bobby “BT “) a dedicated care taker of Brewster Garden for twenty years.

Forges Field – International Golf Construction Company continued to provide excellent service with regard to their maintenance contract of the complex with the Department of Public Works. Plymouth North High School again requested use of the Forges complex for their athletic teams. This request was worked out and allowed only while their fields are offline due to the construction of the new high school.

Hedges Pond Recreation Area – Phase 2 construction of the Hedges Pond Recreation Area was completed and opened. This plan included tennis courts, a basketball court, volleyball court, horse shoe pits, and a field area for multi purpose activities. The recreation department held a half day day camp program at the park over the summer months.

Morton Park – Three gates were installed to prevent vehicle access to the rear of the park

New Replacement Equipment – Two F-350 trucks

Forestry Division

Each year the Forestry Division works hard in maintaining public safety, aesthetic quality and value of our public shade trees, urban forest, public grounds and cemeteries.

Hurricane Sandy and a significant northeast storm which followed shortly after both caused significant tree damage.

This year the crews' work consisted of but not limited to:

Requests via telephone	257
Storm related requests	49
Public Hearings	2
New Plantings	12
Call Outs	9

The department was short handed with only two employees for six months of the year and down to one employee for four months. This continued shorthanded staffing does not allow the department to work in a proactive manner.

The Forestry division has been staffed with three full time employees and works under the direction of a superintendent who manages the Parks, Forestry, Cemetery and Crematory divisions. Spring town meeting did approve funding for two additional employees.

One Christmas tree was set at Shirley Square. The department assisted

the Simes House with their Christmas tree lighting.

The Forestry Division hosted its twenty-third annual Arbor Day celebration. The celebration was held at Plymouth South Middle School with students, faculty, and friends. With the help of the Plymouth Garden Club 700 seedlings were handed out to fifth grade students in Plymouths school system.

The National Arbor Day Foundation recognized Plymouth for the twenty third consecutive year with Tree City USA status.

New Replacement Equipment – One Bandit wood chipper

RECREATION DIVISION

The mission of the Plymouth Recreation Department is to provide quality recreational programs and activities to the residents of the community; to promote fair play, teamwork, good sportsmanship; to expand the scope of programs to include educational as well as physical activities; and to make the department a valued town resource.

The Recreation Department is comprised of four full time staff, the Recreation Director, Recreation Assistant, Program Supervisor and an Administrative Assistant as well as over 100 seasonal staff positions. Seasonal staff consists of Beach Lifeguards, Swimming Instructors, Parking Attendants, Playground Supervisors and Sport Clinic Directors. All of the programs offered by the department are completely self supporting. The Recreation Department is responsible for:

- Scheduling the Town's 28 Recreational Fields This includes youth sport leagues, departmental programs, and school events.
- Training and supervising the staff at the towns five public beaches; White Horse, Plymouth, Hedges Pond, Morton Park and Fresh Pond.
- Overseeing the management and scheduling of Memorial Hall
- Overseeing the daily management of the Manomet Youth Center
- Administering the concession contracts at both Stephens and Nelson Fields.

- Maintaining the department web site (www.plymouthrec.com) and credit card payments
- Staff liaison to the Thanksgiving Parade Committee
- Annual fundraising for the scholarship fund.

2012 departmental accomplishments include the following:

- Provided recreation classes to almost 15,000 participants
- Offered over 142 different classes to the residents of Plymouth.
- Provided more than thirty-five scholarships for recreation programs to Plymouth families in need, which totaled more than \$6,000
- Finished the second phase of development for the Hedges Pond facility
- Operated a new half day camp at the Hedges Pond facility
- Made major improvements to the Manomet Youth Center
- Relocated North High School outdoor athletic teams to town recreation fields while the new school was under construction.

The department also offered a lot of new and exciting programs to residents of all ages. Some of the more popular new classes include: Boot Camp, Adult Dodge Ball league, old Flag Football league, developmental soccer league, Hip Hop Dance, Preschool Cooking Class, Kids Cool Chemistry program, Developmental Basketball League, Martial Arts program, Adult indoor tennis, Kids Night Out programs and French and Spanish classes.

WATER DIVISION

The mission of the Water Division is to provide the highest quality drinking water and fire protection at the lowest possible cost. The goal of the Division is to be recognized by the townspeople as effective and efficient operation within the town government. The Water Division operates on the principles of craftsmanship and integrity. The Division is constantly seeking new and creative ways to improve the quality of the water and the efficiency of the operation.

The Water Division completed a comprehensive facility evaluation and capital plan for all of its pumping and treatment facilities in 2012.

This evaluation will help serve as a guide for future improvements to the Division in implementing various capital projects, and facility maintenance. The Water Division has two wells nearing completion. The Lout Pond Well in the (Plymouth Center Zone) and Wanno's Well (Manomet Zone). Combined, these additions help stabilize the pressure zones that they serve, with increased capacity and redundancy.

The Water Division (Maintenance Section) completed several DPW improvement projects throughout town. The replacement of gate valves, services, and hydrants is a proactive posture and will lead to the long term reliability on John Alden Road, East Russell Mills Road, and Strand Avenue. The combination of projects on the water system, and a proactive operational maintenance program provides the water system with the ability to sustain dependable, quality drinking water with the public health in mind.

The Water Division completed its relocation of personnel, operations, and customer service to its new location at 169 Camelot Drive. This move ensures the continuity of communication from within the Water Division, and provides prompt logistical support to the DPW operations and expanded hours to the residents of Plymouth.

The following, represents some of the more interesting statistical information for the year and is as follows:

The total rainfall for the year was 34.12 inches as compared to 50.55 inches for calendar year 2011.

The total water pumped from all sources was 1,579,800,460 gallons or 4,328,460 gallons per day.

This represents an increase of 25,625,565 gallons over 2011 or an increase of 70,207 gallons per day.

For Fiscal Year 2012, \$3,928,260 was committed to charges (water bills) for the sale of water, service connections, various services rendered, etc.

Several water main projects were installed by private developers during 2012.

DATE WATER DEPARTMENT ESTABLISHED: The Town purchased the water system from private owners in 1855. The first water system was established in Plymouth during in 1797. During the renovation of the Town Hall, the original charter of the Plymouth Water Company was found. It was signed by Governor Samuel Adams, 7 February 1797. It is available for inspection at the Plymouth Public Library.

SOURCE OF SUPPLY: South Ponds Well #1 & #2, Lout Pond Well (Reconstruction), Wannos Pond Well, Ship Pond Well, Ellisville Well, John Holmes Well at Savery Pond, Bradford Well #1 & #2, Federal Furnace Well, North Plymouth Well and Darby Pond Well.

STORAGE TANKS: Harrington, Samoset, North Plymouth, Stafford, Lout Pond, Chiltonville, North Pine Hills, South Pine Hills, Indian Hill and Cedarville.

2012 PUMPING (Gallons)

SOUTH POND WELL #1	212,531,109
SOUTH POND WELL #2	237,030,769
FEDERAL FURNACE WELL	119,230,492
DARBY POND WELL	153,067,738
NORTH PLYMOUTH WELL	196,330,737
SHIP POND WELL	101,645,594
WANNO'S POND WELL	62,176,891
ELLISVILLE WELL	139,062,370
JOHN HOLMES WELL	180,065,960
BRADFORD WELL	175,836,200
TOTAL	1,579,800,460

Lout Pond Well

Wannos Pond Well

PLYMOUTH WATER DIVISION
P.W.S. #4239000

A Supervisory Control and Data Acquisition (SCADA) system monitors and controls the entire water supply and distribution system. The SCADA system is controlled by radio transmitters. The system provides the Water Division the ability to manage and control the water system twenty-four hours a day. The alarms generated are typically from storms, power outages, mechanical equipment failures, process control alarms, and communication alarms.

Source: If any source is lost there is a back-up source. Presently nine of the eleven sources have stand-by power. Once Lout Pond Well and Wanno's Well are constructed all sources will have back up power.

Distribution: The system is divided into six pressure zones. Five zones have supply sources; the Pine Hills Zone is supplied by the Pine Hill Booster Station with water from the Plymouth Center Zone. The Bradford Zone is interconnected with the Plymouth Center Zone thru the Nook Road Booster Station. Pine Hill Pressure/Booster Zone is interconnected with the Manomet Pressure Zone through PRV devices. The Cedarville and Manomet Zones are interconnected through the Cedarville Booster Pumping Station. The West Plymouth Zone is interconnected with the Plymouth Center Zone with the Deep Water Booster Station. The Plymouth Center Zone is interconnected with the Town of Kingston Water System on Route 3A with a 12-inch main. There is also an 8 inch interconnection with Kingston on Cherry Street near the Independence Mall.

Treatment: All sources are treated for corrosion control by adding sodium hydroxide to raise the pH and alkalinity. The Bradford Water Treatment Plant takes groundwater from two wells, and filters the water through a medium known as Greensand Plus for iron and manganese removal. The North Plymouth Well is filtered through carbon pressure vessel units. The Wannos Pond Well and Federal Furnace Well are treated for iron and manganese sequestering. All sources are disinfected using sodium hypochlorite.

Storage: The Water Division finished the second phase of a comprehensive evaluation of all ten of its water storage tanks during

2012. The water storage tank evaluations are an important step in recognizing the present conditions of the structures, the recommendations, and cost estimates to reduce long term replacement costs.

**DEPARTMENT OF MARINE
& ENVIRONMENTAL AFFAIRS**

David Gould, Director
Chad Hunter, Harbormaster
Richard Furtado, Assistant Harbormaster
Derryl Lawrence,
Assistant Harbormaster (resigned August 18th, 2012)
Robert Bechtold,
Assistant Harbormaster (appointed December 4th, 2012)
Kim Michaelis, Environmental Technician II
Kerin McCall, Environmental Technician I

Seasonal Personnel

Robert Bechtold	Justin Runey	Brad Hoyt
Alexander Merry	John Mahoney	Graham Lebica
Harold Mosher	Richard Kaiser	Dan Enos
Geoffrey White	Ted Duggan	Donald Sheridan
Donald Gourley	Stefan Gustafson	Mark Paolucci

Mission Statement

The mission of the Department of Marine and Environmental Affairs (DMEA) is to provide services that protect the safety of people and vessels who use the Town's waterways and waterside facilities, including rivers, ponds, and lakes; to provide for the protection, preservation, enhancement and safe use of the Town's natural resources, including beaches, conservation lands, and preserved open spaces; and to address environmental issues that threaten or may negatively impact the health, welfare, and quality of life of the citizens of Plymouth.

Medical -----	30
Patrols -----	1965
Pond Calls -----	46
Training -----	60

2012 was a memorable year for a number of reasons. To start, the 2012 winter was warmer than usual, which prevented any ice build up in the harbor and provided a beautiful spring season. Plymouth Harbor hosted some great events such as the 4th of July fireworks celebration (always a favorite), Maritime Day and the Plymouth Rock Triathlon.

The most memorable of this season was the visit from the tall ship “Bounty.” Captain Robin Walbridge and the Crew of the “Bounty” sailed into Plymouth Harbor for the second time in the last ten years. Captain Walbridge and the “Bounty” were welcomed by Harbormaster Chad Hunter and the Plymouth Chamber of Commerce at the State Pier where they would rest for the weekend to take part in Maritime Day. The arrival and stationing of the grand vessel created great excitement on the waterfront and harbor.

On October 29, 2012, the “Bounty” while sailing to Florida encountered Hurricane Sandy of the coast of the Carolina’s and was lost at sea along with Captain Walbridge and crew member Claudene Christian. The US Coast Guard in a heroic effort was able to rescue the fourteen remaining crew members.

Plymouth, although not directly hit by Hurricane Sandy experienced high winds up to 65mph due to the vast size of the storm. Minor damage was reported at the Town Wharf, State Pier and Brewer’s Marina. The Harbormaster Department was proactive and took actions that minimized damage. A week later a North East winter storm proved to be even more damaging, due to the long duration of 40-

50mph winds. Brewer's experienced heavy damage to both "D" and "C" docks from the storms.

Moorings

The Harbormaster Department focused on assigning temporary moorings this year to maximize mooring use. If a mooring was not used by the owner, the Harbormaster would offer the mooring to someone on the waiting list to use it for the season. All requests for temporary mooring space were accommodated for 2012. The Harbormaster will continue to maximize mooring field usage by assigning waiting list applicants to either permanent or temporary moorings for 2013.

Education

The Harbormaster Department received certification from the State Environmental Police to administer boating safety courses. The boater safety course has been a great tool to educate Plymouth boaters before they hit the water. This proactive program provides a more responsible, safe boater who can prevent accidents and save lives. A number of courses in different formats will be scheduled to educate as many boaters as possible.

The Department attended the Manomet Elementary School Health and Wellness fair to educate elementary age children in water/ boating safety.

Shellfish/Aquaculture

In 2012, the Department continued efforts to enhance the Town's shellfishing and aquaculture programs. Three more individuals applied to the Board of Selectmen for aquaculture licenses that were surveyed by the Department of Marine Fisheries (DMF). The three new license sites were given approval by DMF and should be operational in early 2013.

The three Aquaculture license sites that were approved in 2009 began to produce marketable oysters putting Plymouth on the map in the oyster business. The report is that they have a great tasting oyster that

is unique amongst other area oysters. DMEA will continue support of the program by promoting new license sites, supporting future infrastructure improvements, and promoting the water quality of Plymouth Harbor.

In the fall, the Department also held the first ever “Shellfish 101” class with students from the Rising Tide Charter School. The course had two components for the children to learn about shellfish and create some excitement about shellfishing. The 101 course, started with a classroom session that gave the children the basics of shellfishing by explaining the different shellfish, habitat, and regulations. The most exciting part of the 101 course came in the next session were the children we able to walk the flats to apply their knowledge by digging shellfish and surveying the habitat. This course was a great learning experience that will be offered on a more frequent basis in the future.

Plymouth Long Beach

DMEA implemented the Plymouth Long Beach Management Plan as conditioned by the 2010 Final Order of Conditions issued by the Massachusetts Department of Environmental Protection. The Dog Control Program was implemented as required by the Massachusetts Division of Fisheries and Wildlife (MassWildlife).

Despite management efforts, several factors, including avian and mammalian predation and weather, contributed to relatively poor productivity and, in some cases, low numbers of nesting pairs. Only 20 pairs of Least Terns nested this season, which is a decrease of 205 pairs from last season. While last season 2,686 pairs of Common Terns nested, that number decreased to 704 pairs for this season. Laughing Gulls also saw a decrease with 812 pairs compared to 1,186 pairs last season. Neither Roseate Terns nor Arctic Terns nested at Long Beach. A pair of Ospreys used the nest platform again this season, and 3 chicks fledged.

Piping Plover productivity was also poor this season, with only 21 chicks fledged by 23 pairs. Several factors contributed to poor productivity. Plovers were impacted by avian and mammalian predation, and nearly every plover nest was lost during an early June nor’easter. In addition, for the first time since 1996, a “take” occurred at Long Beach. The Massachusetts Endangered Species Act defines “take” of a protected species as “harass, harm, pursue, hunt, shoot,

hound, kill, trap, capture, collect, process, disrupt the nesting, breeding, feeding or migratory activity, or attempt to engage in any such conduct". This season, a group of pedestrians ignored the posted signs and fencing and entered a nesting area. As a result, a Plover nest was crushed by one of these pedestrians. Because the Piping Plover is protected under the state and federal Endangered Species Acts, the Massachusetts Environmental Police and the U.S. Fish & Wildlife Service are investigating the incident.

All of these factors contributed to delays in the nesting cycle of each pair; as a result, vehicle restrictions were extended and remained in place into late August.

The two appeals of the management plan, one under the Wetlands Protection Act and the other under the Endangered Species Act, were consolidated into one case to be heard in Superior Court. DMEA is currently awaiting a schedule for these proceedings.

DMEA continued to work with the Highway Division to complete repairs and reinforcement of a portion of the Plymouth Beach sea wall that was damaged during a storm on December 26, 2010. Additional permitting was completed and the revetment repairs and drainage improvements were completed.

DMEA worked with the DPW Engineering Division to complete a land swap authorized at the Fall, 2011 Town Meeting. The Town purchased the Laughlin Property (Lot 37A-350) located on Long Beach, which was subdivided so that the cottage and surrounding land could be swapped with the Tassinari property (Lot 37A-J-1) which does not have a cottage. The transaction was not completed until after the 2012 beach season. However, a license agreement allowed the Tassinari family use of the former Laughlin cottage and the Town's use of the former Tassinari and Laughlin properties resulting in 225 linear feet of additional public beach access after shorebird restrictions were lifted for that area.

In addition, DMEA staff served as the Town representative at meetings of the Tidal Beaches Advisory Committee (TBAC). In March 2012, the Board of Selectmen dissolved the TBAC and established the Natural Resources and Coastal Beaches Committee. The TBAC committee members and their terms were carried forth

onto the new committee; however, the charge of the committee was greatly expanded. DMEA staff continues to serve as Town representative.

Eel River Watershed Management

DMEA completed groundwater, surface water and biological monitoring for the Waste Water Treatment Facility Groundwater Discharge Permit Nutrient Management Plan. As part of the implementation of the Nutrient Management Plan two parcels of land within the watershed were set aside as permanently protected open space. The two parcels are located off Russell Mills Road and Old Bog Road and total 19.88 acres.

Pond & River Monitoring Program

This was the fifth year of the Pond & River Monitoring Program now in collaboration with five watershed associations and a number of volunteers. Staff worked with watershed associations in the collection of nutrient samples and assessments on twelve ponds, totaling over 2,000 acres, and 5 miles of streams throughout the Town. With this information the Town and watershed associations will be better able to identify both the health and potential pollutant sources affecting water quality and ecological habitats.

DMEA created an informational water quality brochure which has been used by a number of local organizations and associations. DMEA completed a mailing of this informational brochure to abutters surrounding four ponds that experienced algae blooms over the summer.

Pond Road Stormwater Drainage Implementation Project

DMEA acquired a \$103,969 grant from the Coastal Pollution Remediation Program for the construction of stormwater improvements adjacent to Great Herring Pond. The Pond Road Stormwater Drainage Implementation project targets a suite of best management practices (BMPs) to manage roadway and residential lot runoff from an approximately 10-acre drainage area. For years stormwater runoff had entered Great Herring Pond at great velocity causing significant erosion of the existing dirt roads and recreational beach area, transporting suspended sediment and other pollutants such as nutrients and pathogens. Great Herring Pond is connected to the

Cape Cod Canal by Bournedale Brook and is an active herring run. The project provided improvements to water quality in Great Herring Pond through a combination of drainage improvements and road paving, including construction of a bioretention treatment area, installation of oil-water separators, and underground recharge areas. Design of this project was funded through a previous Coastal Pollution Remediation Grant totaling \$45,980.

Rain Garden Training

As part of the Coastal Pollution Remediation Grant, DMEA retained a Professional Engineering Consultant to conduct both classroom and field training to Town staff for the installation of rain gardens as part of stormwater remediation education and compliance with the NPDES Phase II stormwater regulations.

Massachusetts Estuaries Project for the Nitrogen Management of the Plymouth Harbor Embayment System

As a requirement by the Department of Environmental Protection through the Environmental Protection Agency, the Town of Plymouth is required to complete the data collection and analysis of modeling required for the Massachusetts Estuaries Project for Plymouth Harbor Embayment System in support of management and restoration. This year DMEA worked with the University of Massachusetts-Dartmouth School for Marine Sciences and Technology (SMAST) to commence part two of the Cumulative Watershed Nutrient Loading Determination as well as the Hydrodynamic Data Collection for the Embayment System. This project also serves as a fulfillment of the Towns Nutrient Management Program under the WWTF Groundwater Discharge Permit. DMEA has applied for additional grant funding sources to fulfill the next step toward the completion of the Estuaries Project for Plymouth.

Stephens Field Environmental Assessment and Underground Storage Tank Removal

DMEA commenced an Environmental Site Assessment with a Licensed Site Professional for the Stephens Field Park to provide information of any potential risks associated with the rehabilitation of the park. During this assessment an Underground Storage Tank (UST) was found at the former DPW facility. In fall of 2012 DMEA will be

removing and properly disposing of the UST and surrounding contaminated soil material.

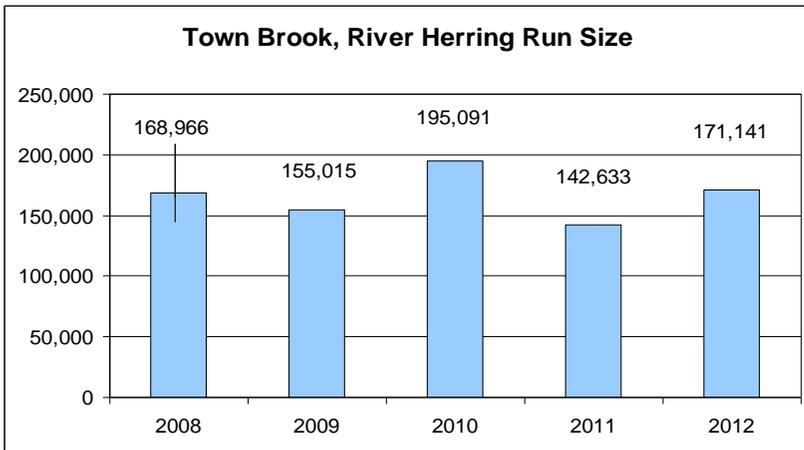

Town Brook Restoration Program

Staff continued to work on the Town Brook Dam Removals project. Final design was completed and permitting for the **Off Billington Street Dam** removal is complete. To bring this project to construction DMEA successfully acquired \$750,000 in funding from the Massachusetts Department of Conservation and Recreation, \$150,000 from American Rivers and \$100,000 from the Gulf of Maine Council on the Environment. The Town anticipates construction to commence during the summer of 2013. DMEA continues to work on the **Plymco Dam Removal Project** and anticipates this removal to take place in the summer of 2014. In the meantime, staff acquired \$453,060 from Mass Development to complete the 21e remediation at this site. When complete, the phase will have resulted in the demolition of two derelict buildings and the removal of thousands of cubic yards of contaminated soil from its previous use as a mill site. This phase is expected to be completed during the winter of 2013.

The **Water Street Bridge Project** is nearing the end of engineering and permitting and construction is anticipated in 2013. While a critical piece of infrastructure, the bridge replacement also provides a unique opportunity to increase passage for diadromous fish species including alewife, blueback herring, rainbow smelt, and American eel. The weir or small dam at the mouth of Town Brook that is part of bridge will be altered to allow easier passage into the brook. The bridge will be designed to aesthetically complement the downtown area, especially Brewster Gardens, and associated stormwater improvements will improve water quality of Plymouth Harbor.

Town Brook Herring Run Volunteer Counting Project

In 2012 volunteer herring run counters provided hundreds of hours of volunteer time counting migrating river herring in April and May. These volunteers were instrumental in collecting valuable data and their time will be used as local match in future grant applications. This data was later entered into a computer model to estimate the run size for Town Brook. The last five years of run size data is found below:

Wellingsley Brook Restoration Project The Wellingsley Brook Reconstruction Project was completed in October, 2012. The project removed three weirs from the stream and accumulated sediment was removed, thereby exposing the natural streambed material. The stream channel was then restored with step pools and riffles, large woody habitat and native plantings. This project was completed with funding provided by the Conservation Law Foundation, National Oceanic and Atmospheric Administration, Massachusetts Division of Ecological Restoration and the AD Makepeace Neighborhood Fund.

Beaver Dam Brook/Tidmarsh Farms Restoration Project In 2012 the owners of Tidmarsh Farms and a partnership of local, state, and federal agencies continued with the work of developing plans for the restoration of the Tidmarsh Farms site. The project would restore over 250 acres of cranberry bogs that have been taken out of agricultural production through the USDA Wetlands Reserve Program back to natural wetlands and stream habitat. The project is well into the engineering phase and will undoubtedly be one of the largest and most significant restoration projects in the Commonwealth.

Plymouth Harbor Improvements

Engineering design and permitting for the new wharves have been completed. Staff continues to work with the Town Manager’s office and the state to acquire funding for this important project. A new functional wharf in Plymouth Harbor is critical to preserving the working harbor and expansion for other commercial activities like aquaculture.

Harbor Gangways and Floats Project

In 2012, the survey, engineering, and permitting of new gangways and floats was initiated with funding from the Massachusetts Seaport Council. Upon completion staff intends to apply to the Council for funding to construct the new floats and gangways, thereby significantly improving the infrastructure associated with Town Wharf.

Town Wharf Inspection

Staff successfully acquired funding from the Massachusetts Seaport Council to undertake a thorough inspection of the Town Wharf. Upon completion and review it is the intent to follow through on recommendations for maintenance and repairs of the structure. Staff will seek additional funding from the Council in order to reduce the costs to the Town for this work.

Solid Waste

DMEA continued to provide support for the solid waste program. DMEA contributed to environmental compliance by compiling data, submitting annual recycling data and annual facility reports for the transfer stations, and coordinating environmental monitoring of the landfills and transfer stations as required by the Massachusetts Department of Environmental Protection (DEP). DMEA staff also represented the Town at South Shore Recycling Cooperative and Council of SEMASS Communities meetings and acted as staff liaison to the Save Money and Recycle Trash (SMART) Committee. DMEA contributed to daily operations by maintaining the recycling page on the Town website, providing technical support for the transfer station camera/citation system, processing turnovers for recycling fees, contacting vendors for services, and tracking recycling markets. In addition, DMEA coordinated with Covanta/SEMASS to administer a mercury thermostat exchange program.

DMEA assisted the Department of Public Works with solid waste program planning including providing past program information, assisting with budget planning, and participating in a curbside bid proposal review committee. In addition, DMEA applied for several grants through DEP's Sustainable Materials Recovery Program. The Town was awarded a Technical Assistance grant that includes 60 hours of assistance from DEP's Municipal Assistance Coordinator for this region.

Website Information

DMEA actively utilizes the Town's website to update the public on beach and Off Road Vehicle access, to highlight projects and to disseminate information to the general public. To that end, DMEA has developed web pages that include the following information:

- Improved communication to the public on daily vehicle restrictions for Plymouth Long Beach.
- DPW Environmental Projects posted with photographs and summary.
- Eel River Watershed Management which includes the WWTF Groundwater Discharge Permit Nutrient Management Data Reports.

Grants

Every year DMEA works to acquire grant funding from private, state and federal sources. This year staff was successful in acquiring twelve grants totaling **\$1,896,092**. The following grants were received in the past year:

<u>Project</u>	<u>Funding Source</u>	<u>Amount</u>
Off Billington Street Dam Removal	Massachusetts DCR	\$750,000
Off Billington Street Dam Removal	Gulf of Maine Council	\$100,000
Off Billington Street Dam Removal	American Rivers	\$150,000
Off Billington Street Dam Removal	Conservation Law Foundation	\$45,000
Off Billington Street Dam Removal	MA Division of Marine Fisheries	\$128,202
Plymco Site Remediation	Mass Development	\$453,060
Great Herring Pond Stormwater	MA Coastal Zone Management	\$103,969
Wellingsley Brook Restoration	AD Makepeace Neighborhood Fund	\$5,000
Wellingsley Brook Restoration	MA Div, of Ecological Restoration	\$15,861
Wellingsley Brook Restoration	CLF/NOAA	\$10,000
Curbside Wheeled Recycling Carts	Dept. of Environmental Protection	\$130,000
Curbside Education Materials	Dept. of Environmental Protection	\$5,000

The Harbormaster Division finished the procurement of Forward Looking Infra-red cameras that were purchased with a port security grant. The cameras are unique and use heat signatures to provide a visible image even in complete darkness.

Plymouth and Duxbury Harbormasters teamed up for a joint Port Security grant that was awarded in fall of 2012, for a bay wide camera

system. The cameras are to increase awareness on the water to protect life and property within the Plymouth Bay area.

HMS Bounty in Plymouth Harbor

MISSION STATEMENT

To provide our community with safe, trusted, physical and virtual environment where information and access to programs and services foster a healthy and vital lifestyle throughout the aging process.

It has been a busy year for the Plymouth Council on Aging (COA), the COA/Board of Directors, The Friends of the COA and everyone involved with the organization. The last six months of 2012 were filled with all of the regular daily activities as well as planning and packing for our final move at the end of December into the new facility.

One of the major accomplishments during this busy time was the completion of a town wide survey of citizens over the age of 50 that sought the opinions, needs and inferences of this growing population. There were 4700 surveys printed, mailed systematically to randomly chosen seniors in each precinct and placed in various high profile areas of Plymouth. The survey was also available online. The response was far greater than expected with a full 21% return. Data from the survey was compiled with assistance from Dr. Kenneth Teixeira and students from Quincy College as well as a member from both COA staff and the Board of Directors. Results of the survey were made public through a televised presentation to the Plymouth Board of Selectmen. The survey was sponsored by the Friends of the COA. Valuable information from the survey has been, and will continue to be a guiding resource to the COA as it adapts to the needs and services of this diverse community.

The survey is an instrumental portion of the Accreditation process which began last year. The Accreditation Committee and nine sub-committee members were selected, the process has been moving forward with much requested input from the people and agencies in the community. It is an integral portion of the COA mission to discover the needs of its consumers, and to achieve a National Standard of operation. Through this process the COA will determine how best to address the growing adult population to assure elder residents' ability to be self-sufficient and vibrant members of the

community. This assurance is tantamount to their quality of life, for Plymouth's economic stability and the sustainability of its Senior Center. Currently there are only eleven COA's in Massachusetts that meet the rigorous standards and qualifications for National COA Accreditation. Successful application will place Plymouth in the top 500 of all national Councils on Aging, heighten awareness of the COA's importance to funders, community persons, participants and families, open the doors to more outside funding possibilities, and assure that the Senior Center is meeting its mission in a nationally accepted, professional manner.

The height of 2012 was, without doubt, the grand opening of the new facility at 44 Nook Road, adjacent to Plymouth North High School. Senate President Therese Murray, Congressman William Keating, State Representatives Vinny deMacedo and Tom Calter, Plymouth Selectmen, and other dignitaries honored the day with welcoming words.

A tremendous amount of collaboration resulted from COA's membership in the Plymouth Networking Group. Comprised largely of health care agencies and local businesses that work with seniors, they supported the event in grand style. All of the food, decorations and raffle items were generously donated by these businesses. Students from Plymouth North High School welcomed their new neighbors with music by the talented Jazz Ensemble. Honor Students from Plymouth North and South High Schools graciously served the hors d'oeuvres during the day. It has been estimated that about 3500 people attended the "Winter Wonderland" festivities.

The Plymouth Council on Aging continues to increase its numbers for services, programs and participants. By the end of December 2012, more than 96 new patrons have joined its membership. COA provides services such as SHINE (Serving the Health Information Needs of Elders) to hundreds of seniors concerned about their Medicare and supplemental insurance needs; AARP volunteers prepared over 475 tax returns in 2012; free legal advice was offered to more than 200 elders and is now provided weekly by local attorneys; financial and real estate concerns were addressed by volunteer professionals; and the Social Worker was busy assisting seniors prepare paperwork for food stamps, housing, social security issues, and fuel assistance. Thousands of calls were addressed regarding home health care, diabetes,

Alzheimer's, assisted living, elder abuse, foreclosures, and more. COA also maintains a supplemental food pantry (for people as well as their pets), offers foot care, free hearing exams, health screenings and a multitude of fitness and dance classes.

The Town Veterans Agent, also a dedicated SHINE counselor, meets Veterans and non-Veterans one day a week at COA to attend to much needed outreach with their health, Medicare and military concerns. The center proudly acknowledges having generously collected over 100 pounds of gifts, cards and supplies, which were sent to soldiers in Afghanistan. The Veteran's Office will be moving into the new center in 2013. It is hoped the move will serve to facilitate access to Roxanne Whitbeck, Veterans Agent, and hopefully present an opportunity for more opportunities for our Veterans.

Through a grant from Old Colony Planning Council Area Agency on Aging (OCPC) in cooperation with Old Colony Elder Services, COA was able to provide a healthy nutrition program for the senior community. With help from approximately 69 generous and dedicated Meals on Wheels (MOW) volunteers, nearly 42,500 MOW were provided to home bound seniors. This included extra meals for holiday weekends and "emergency" packs when inclement weather was forecasted. There were an additional 6073 seniors who signed in and enjoyed their lunch in the company of others at COA.

COA maintains an active list of nearly 180 volunteers. In 2012, the number of volunteer hours contributed for various needs and services was estimated at 31,345.5. This equals over \$653,553.67 of in-kind service! The Town of Plymouth, especially the Council on Aging remains exceedingly grateful for the selfless contribution of these Volunteers to our seniors.

Keeping seniors healthy as well as happy is integral to our mission. To this end COA provides classes in arts and crafts, quilting, sewing, knitting, current events, classic movies, computer literacy, card games, video production, watercolor and drawing, book club, and "coffee chats". There are also extensive exercise classes for all levels. Tai chi, Qi gong, arthritis control, line dancing and Zumba are a few examples! COA is privileged to serve an extremely active group of seniors who attend mainly for the wellness, exercise, and camaraderie.

GATRA, TRIAD and the Friends of the Council on Aging meet monthly at COA. The “Friends” have been instrumental in helping the Council raise funds for equipment, support a fitness center swim program, cover the cost of our annual Volunteer Recognition Luncheon and other non-budgetary necessities. This past year saw fundraising events such as their Annual Golf Tournament, a highly successful Psychic Fair, the compilation and sale of a popular cookbook and a Flea Market at Cordage Park. They were also very involved with the planning, fundraising, and support of the grand opening. "Friends" were also present each week during the summer at the Farmers Market for recruitment and to sell various fundraising items. The “Friends of the Plymouth Council on Aging” is an active and supportive auxiliary, and new members are always welcome.

The COA collaborates with the South Shore Women’s Resource Center to offer support groups for Grandparents Raising Grandchildren, with Beacon Hospice for grief support and with The Alzheimer’s Association, South Shore Hospital, Jordan Hospital, and The Parkinson’s Association to assist people in their time of need and support.

Originally located at 17R Court Street, the PCOA moved to 130 Court Street until 2006 when it relocated to Cordage Park. The Plymouth Council on Aging has now taken up occupancy at it's new, permanent residence at 44 Nook Road, with much gratitude to the people of the Town . The Senior Center plans to be open from 8:30 AM until 4:00 PM daily, and until 8:00 PM on Tuesdays.

Conni DiLego is the Director of Elder Affairs with a staff of five full time employees and one part time person. A second Social Worker has been approved to begin in 2013. There are also two employees from Citizens for Citizens, a State program for seniors, who work 19 hours each per week.

COMMISSION ON DISABILITIES

Mission Statement

The Plymouth Commission on Disabilities serves as a resource to the Town of Plymouth community to address accessibility, equal rights and other issues of concern to people with disabilities.

Specifically in accordance with M.G.L. chapter 40, Section 8J, the Commission is responsible for

- Researching local problems of people with disabilities
- Advising and assisting municipal officials and employees in ensuring compliance with state and federal laws and regulations that affect people with disabilities
- Coordinating or carrying out programs designed to meet the needs of people with disabilities in coordinating with programs of the MA Office on Disability
- Reviewing and making recommendations about policies, procedures, services, activities and facilities of departments, boards, and agencies of the Town of Plymouth as they affect people with disabilities
- Providing information, referrals, guidance and technical assistance to individuals, public agencies, business, and organizations in all matters pertaining to disabilities
- Coordinating activities of other local groups organized for similar purpose

Members:

Keven Joyce, Chairman

Dinah O'Brien, Town Liaison, Prudence Hartshorn, Vice Chair,
Dionne Dupuis, Charles Schena

Meetings are monthly, typically the 3rd Thursday of each month at 6pm. Please refer to the town web site for Agenda, Minutes, meeting schedules and location. All are welcome.

PLYMOUTH PUBLIC LIBRARY

The mission of the Plymouth Public Library is to support lifelong learning and reading enjoyment by developing conveniently accessible services, gathering collections of material in various formats, and providing access to information not housed within the library, for the cultural, educational, information and recreational, needs and interest of the members of the greater Plymouth community. The library assists in securing information

and materials without bias or censorship. The library, an integral part of municipal government, preserves and provides access to materials of current and historic significance to Plymouth and its geographic area.

The Library began the year with a return to level funding in the Municipal budget. As a requirement to meet State Aid funding, the Municipal budget is required to increase by an average of 2.5% annually for three years and that at least 12% of the budget is for the purchase of books and other lending materials. Sunday hours were reinstated after being closed on Sundays for three years and the public is responding extremely positively to the support the Town has shown the community. The Literacy Department continues to flourish with grants and PPLC support as Plymouth had twenty-six GED (General Equivalency Diploma) graduates this year.

In June, the Board of Library Trustees and the Town honored Beverly Ness, Reference Department Library Associate for twenty-five (25) years of service, Kate Murphy, Technical Services Department Library Associate for twenty (20) years of service, Beverly Booth, Administration Accounts Clerk and Jeanne Annino, Literacy Department Coordinator for fifteen (15) years of service, and Margaret McGrath, Youth Services Department Head for ten (10) years of service.

The library also saw the loss of Marguerite Lee Regan after thirty-two (32) years of service as Adult Services Librarian, the retirement of Carolee Nielsen, Circulation Department Library Associate, also thirty-two (32) years of services. Beverly Booth, Administration Accounts Clerk retired and Danielle Savin, Technical Services Department Head moved on to her next professional position.

Technological updates included our launch of “Boopsie”, the mobile app for iPhones and Androids. A patron can be online with the library while you are shopping, at home or just out and about! PIDC (Plymouth Industrial Development Corporation) made this possible through a generous donation as well as supplying the library with the ability to upgrade our website, so check it out at www/plymouthpubliclibrary.org.

The library is proud to announce that Dinah O'Brien, Director of Community Resources (Library Director) is the President of the Massachusetts Library Association and represents the Town of Plymouth all the way to Washington DC.

Statistical Information

Hours Open	4,578
Total number of people who used the library	218,227
Number of registered borrowers	28,416
Number of Plymouth residents with library cards	23,292
Number of new library cards issued	3,198
Total circulation of library materials	369,291
Total Interlibrary loans from other libraries	55,068
Total Interlibrary loans to other libraries	35,931
Number of Reference questions answered	33,118
Number of programs held	638
Total Program attendance	9,764
Total number of Volunteers	72
Estimated number of hours volunteered	7,717

VETERANS SERVICES DIVISION

Over the last year the Veterans Services Division has continued to provide five primary missions and continue to expand services in the social work field.

Primary Mission

To care for and assist low income Plymouth Veterans, unemployed Veterans, Homeless Veterans, and Spouses of Veterans in obtaining financial assistance for food, shelter, clothing, fuel, and medical care from all sources available under both federal and Massachusetts General Laws to which they are entitled. Spouses of deceased Veterans are provided with the same benefits as if the Veteran were still living. Perform outreach programs to reach the widest audience possible to inform and educate the public what Veterans Services do for the Veterans and the Community.

Second Mission

To assist Veterans in filing Veterans Administration (VA) Compensation and Pensions, MA State Annuities, tax abatements

and enrolling in the VA Health Care system. Assist family members in filing for benefits from both the State and Federal government that they are entitled too. Assist in obtaining military records, medical records, discharge papers, awards, grave markers, and tax abatements.

Third Mission

The Division has two trained SHINE (Serving Health Insurance Needs of Elders) counselors to assist Veterans in the complicated process of understanding the Medicare system to help them choose the best options in medical coverage, drug prescription plans, and how long-term care works. Services are also provided in assisting the elderly in applying for the Medicare buy-in program, MassHealth, Low-income Subsidy and Prescription Advantage.

Forth Mission

Helping Veterans obtaining assistance that are specific to elderly Veterans such as Adult Daycare and home health care working through VA Social Workers and Old Colony Elderly Services.

Fifth Mission

The division continues to assist all veterans regardless of income with assistance in obtaining wheel chairs, power chairs, ramps, adjustable beds, and anything else that is a quality of life issue for Veterans through a network of Veterans Agents around the state. It also assists all veterans and family members regardless of income on other avenues of approach that may be available to them like Social Security or Department of Labor programs.

Plymouth serves all Veterans and their families the best we can regardless of income.

Veteran Services honors the sacrifice of all of fallen hero's past and present.

The Veterans Office offers a VA Counselor two times a month to provide counseling to Combat Veterans, dealing with Post Traumatic Stress Disorder (PTSD), substance abuse, and readjustment counseling for Veterans or any other issues with which the Veterans may have trouble dealing. Current clients go as far back as WWII, and include veterans up to the Iraq and Afghanistan Wars.

The past year the Office of Veterans Services has increased its outreach program which has improved the ability of the office to assist the low income and needy veterans of Plymouth. The Office maintains service to approximately 150 veterans living below the poverty level, and the office provides them with medical and financial assistance that in many cases they did not know they were entitled to. The Office has an established gift account funded by donations from several sources, to include donations on behalf of our fallen heroes. Plymouth continues to assist homeless veterans with substance abuse issues in obtaining counseling and VA programs designed to provide the counseling, housing, and employment opportunities to return them back to being productive citizens. The office also works with the Career Center to help Veterans who have lost their jobs with assistance until they were able to find work, allowing them to maintain their shelter.

The Office assists veterans in filing for health care through the VA Health Care System. Due to the rising cost of commercial health care, the VA provides comparable care, that in most cases the veteran would otherwise not be able to afford.

The office provides assistance in filing VA Compensation and Pension Claims. Plymouth veterans received a over \$760,651.00

With the help of the Veterans of Foreign Wars (VFW), Disabled American Veterans (DAV) and Auxiliary, Kiwanis, Saint Mary's Chapter of St. Vincent DePaul, and several community donors, Veterans Services was able to provide upwards of 100 food baskets and hundreds of dollars worth of food cards for the Thanksgiving and Christmas season to most of our veterans.

This year Veterans were invited to the Shaws Center in Brockton to pick up several bags of assorted toys. The Veterans office was able to provide toys to multiple families of veterans, who would have been unable to provide Christmas presents to their children.

And lastly, but certainly not least, Plymouth welcomes VA Boston Health Care Community Based Outpatient Clinic on 116 Long Pond Road. They are servicing Plymouth and the surrounding areas veterans every day. This has been several years coming to fruition. The staff is wonderful and many veterans are taking advantage of the services offered.

PLYMOUTH PUBLIC SCHOOLS

In partnership with parents and the community, the Plymouth Public Schools is committed to providing a comprehensive educational experience that is high quality, challenging, and enables each student to develop and maximize individual potential. Our schools will foster a positive and collaborative environment that encourages and affirms academic achievement and personal excellence and inspires all students to make a positive contribution to society.

As the Department closed one remarkable chapter of education in Plymouth, it opened a new one with the demolition of the old Plymouth North High School building and the opening of the new building. The construction of the new North has been one of the greatest accomplishments for the Plymouth community and the School Department; and although the construction of the new North was a highlight for the Plymouth Schools, there are many more benchmarks that have allowed the district to make progress in transforming schools into progressive learning environments for students. In addition to creating more opportunities for students, the Department continues to push the envelope in the area of sustainable energy.

- With the anticipated opening of the new Plymouth North High School and additional 250 seats made available for students, the School Department engaged in a redistricting exercise that highlighted the challenges of placing Plymouth's student population given that they are spread throughout the 104 square miles of town. The result of the redistricting opportunity created boundaries that will have students attending schools along with their cohorts throughout their elementary, middle and high school experiences. In addition, both middle and high schools will have balanced populations within the next two years.
- The School Department has made great strides in the area of energy conservation across all schools in the past five years.

Not only has the Department implemented programs for energy conservation, it has introduced a plan to bring alternative energy into the model. By July 2013, the School Department will utilize solar energy for 80 percent of its current demand. Two solar farms and a full rooftop solar installation at Plymouth North High School will generate eight megawatts of electricity. This solution will reduce electrical costs dramatically in this most difficult economic time and for years to come.

- During the past two school years, the School Department reviewed cost saving measures in all areas of operation. One area needing a change was the use of heating oil in schools. Mt. Pleasant Preschool, Cold Spring and Nathaniel Morton Elementary Schools were converted from oil to natural gas. Both projects were done with the assistance of the NSTAR Electric and Gas Company (NSTAR) rebate programs. In addition, this past summer Schools worked with NSTAR in an effort to run significant natural gas lines into the Plymouth South Middle and High Schools campuses. This installation has allowed the School Department to convert both these buildings from oil to natural gas. Sincere thanks go to Senate President Therese Murray for her efforts in seeing these projects come to fruition.

Running a School Department the size of Plymouth poses significant challenges. I would not be able to do this work without the support and dedication of the residents of Plymouth and the community leaders who are committed to helping us transform our schools from good to great. We have many challenges ahead and my commitment does not waver as we to strive to create more opportunities for the youth of Plymouth. Understanding that the economy has created difficulty for many residents in the town of Plymouth, I can assure you that we will continue to look at opportunities that will allow us to make cost effective changes in our efforts to produce a more efficient organization.

Thank you for your support.

Sincerely,

Gary E. Maestas, Ed.D.

Superintendent of Schools

ALTERNATIVE HIGH SCHOOL

The 2011-2012 school year proved to be another successful year for Plymouth's Alternative High School (AHS) students. The program continues to build on the successes of previous years, culminating in the graduation of seven AHS students in June. An additional two students received their diplomas in August after completing graduation requirements in summer school.

The 2011-2012 school year began with twenty-five students enrolled in the AHS. One student, expected to graduate in August 2012, decided in December to withdraw from school, stating the preference to be working and making money rather than finish high school due to financial difficulties at home. This is, unfortunately, a recurring theme for the AHS, that students are unable to see the bigger picture of how attaining their diploma would provide greater benefits in the long run. Despite efforts by this student's mother, AHS staff and PSHS staff, this student withdrew from school.

Alternative program students are referred by guidance and administration from their "sending" school (PNHS or PSHS) with criteria including, but not limited to, academic difficulty, poor attendance, and social and/or behavioral problems. In order to be considered for this program, the students must express their desire to attain a high school diploma AND a willingness to complete the work involved in achieving this goal. These students understand that this program is a privilege and that they must maintain certain behavioral, social, and academic standards in order to remain in the program.

The strategies employed to make the AHS successful for these students include smaller class sizes (5-10), a quieter environment (after school hours), and greater opportunities for individualized instruction. Essentially, in the AHS, these students experience less "stress" and "drama" than during the day school environment, allowing them to focus on their academic and social skills development.

The AHS schedule includes the same required academic courses (and curricula) as North and South High Schools as well as supplemental courses in Career Preparation, Art, Technology, and MCAS Preparation. Many of the students in the AHS are also enrolled in on-

line courses, serving two main purposes – credit recovery and the experience of a different learning environment.

The AHS employs educators, mainly from Plymouth Public Schools, who teach in the program two to three afternoons or evenings per week. These teachers work with the students to develop the academic and social skills that will ultimately make them productive and contributing members of society.

PLYMOUTH SOUTH HIGH SCHOOL

It has been another fantastic year at Plymouth South High School. There have been new initiatives, accomplishments, and continued traditions. Students have excelled in the classrooms, as musicians, on the athletic fields, and in the technical studies program just to name a few. Listed below are some of the highlights when looking at the year in review.

On the athletic fields, South had tremendous success. For the first time in school history, nine out of nine teams in the fall and winter seasons qualified for state tournament play. Last winter the boys and girls basketball as well as hockey teams qualified and in the spring the softball team continued with their tournament campaigns of years past. The wrestling team excelled as usual and WON the Massachusetts South Sectional title. This past fall, girls volleyball, girls soccer, and field hockey qualified for the tourney and both soccer and field hockey progressed past first round play. The football team won the Atlantic Coast League for the first time in school history and competed in a post-season playoff game. The win for the league title was history in the making and the coach was recognized by the New England Patriots as Coach of the Week. Several students from Plymouth South Athletics received all-scholastic honors from the Boston Globe, Boston Herald, [Brockton] Enterprise, and Patriot Ledger. In fact, one athlete was selected as a member of the all-state football team by ESPN. South was awarded league sportsmanship awards in multiple sports. In addition, there was a strong commitment led by coaches and athletes in giving back to the community. They initiated and/or participated in the following community service projects: Polar Plunge, Beach and Park clean-up projects, Adopt-a-Child, “Pink-Out” events, raking leaves at local senior housing projects, hosting youth

nights and youth camps, Samuel Fry Road Race, and an athlete/elementary student reading project with Cold Spring and South Elementary. A senior athletic awards night was an addition to the program and all students received plaques designed by a student and created in the Vocational Technical Education program. Both dance and lacrosse teams are now officially funded by the school department.

On the academic front, MCAS scores continue to be on the rise. In fact, not one student failed the MCAS English Language Arts exam this past spring. While MCAS scores continue to improve, South is also having continued success with the Latin program. Numerous students received Summa Cum Laude, Maxima Cum, Magna Cum Laude, and Cum Laude Awards. Continued excellence was exhibited through the Advanced Placement (AP) Program. Students have earned the designation of “*AP Scholar*” by the College Board in recognition of their exceptional achievement on the college-level Advanced Placement exams. We have also recognized all students involved in the AP program with t-shirts, breakfast, and plaques as a symbol of their success. Eight years ago South had 113 students involved in AP programming – South now has 285 students. For the third consecutive year, the Panther TV program was recognized as the “Best in New England” by the New England Broadcast Journalist Association.

A major focus recently at Plymouth South High School has been community service. All athletic programs at PSHS participate in at least one community service activity per season. South has implemented a senior project program that began with twelve students and has grown to approximately sixty. These students are working with members of the community. The Interact Club volunteered at the annual Rotary Club auction, fed the homeless at a local church, conducted a food drive, and produced a talent show. They decorated trees with the residents of Plymouth Crossings assisted living center. They have prepared and served food on a regular basis to some of the town’s homeless and a talent show was staged for the residents of Plymouth Crossings. Students in foreign language classes translated the site maps for Plimoth Plantation and the *Mayflower II* into Spanish for museum publications. Finally, as a school and through the leadership of Student Council, South created and delivered over sixty turkey baskets for needy families.

Student Council also has had a tremendous year. Participation in officer programs, leadership workshops, and school spirit activities such as Plymouth South Idol were paramount. The National Honor Society student group continues to give back to the community. They worked closely with the Red Cross in organizing two student-led blood drives, volunteered at the Relay for Life, participated in weekly tutoring at Plymouth South Middle School, and worked to sell holiday wreaths with all proceeds being donated to the Doug Flutie Foundation for Autism.

Freshman Academy, initiated eight years ago, continues to thrive and has become a model for other schools in the Commonwealth that are looking to adopt this program. Increased communication with parents and students has been one of the benefits of the program. Through personalization efforts like this, South has also added an advisory program for students in grades 9-12. Currently 94% of the student body is in an advisory. This program is focused on a time in the day where students can connect in a small group setting with one adult. These small groups have provided a safe, supportive environment where students can explore decision-making and life skills that may not be addressed in a classroom curriculum. The school has been recognized by the National Association of Secondary School Principals (NASSP) and has been asked to present for a second consecutive year at their National Conference to share some successes.

The music department continues to perform in true style. The winter and spring concerts were outstanding with a great deal of involvement. There were multiple musical performances at venues throughout the Plymouth community that include, but are not limited to, the Festival of Trees, the Pinehills, the Martin Luther King, Jr., breakfast, and the Independence Mall. Many students competed at both the local and district level and had tremendous success. One student has been selected as an “all east” champion. In the Boston Globe Art Awards, South had Gold and Silver Key winners! The seniors in the art program, with their teachers, hosted the fourth annual “Senior Art Show.” This was a night where all senior artists showcased their artwork from the year. Numerous Plymouth South students participated in the Youth Art Month Exhibition at the Plymouth Art Guild, and many students have had their artwork exhibited at the Plymouth Public Schools’ Central Office.

Plymouth Vocational Technical Education continues to move in a positive direction. The Department of Elementary and Secondary Education labeled Plymouth South as a “model comprehensive high school” in the Commonwealth of Massachusetts. Carpentry students have been actively working on a three-car garage in Chiltonville, installation of insulation and sheet-rock at the Plymouth Police Station, a 10’x12’ shed for the Rotary Auction and hand-made Adirondack Chairs. Automotive Technology students recently completed the creation of a race car that competed at the Seekonk Speedway this fall. The program continues to service numerous vehicles for the public to provide real-world experiences for our students. The Early Education and Care program continues to operate a successful Preschool program. Students volunteered at the Polar Express and the Reindeer Run to benefit children in need. Computer Science conducted their annual Elementary Road Show in which seniors visit the elementary schools in town to share the animated educational computer games they created.

Cosmetology students volunteered numerous hours during the Relay for Life and the Self Esteem Project at the Duxbury Youth Center. Sixteen students graduated with their State cosmetology license, the majority of whom are working in the industry. Culinary Arts continues to run a successful restaurant and bakery. Students have experienced numerous events off-campus including Nathaniel Morton School’s Breakfast with Santa and the Massachusetts Association of School Committee’s “Day on the Hill” luncheon at the State House. The Electrical shop has for the twenty-third year provided the temporary wiring and illuminations for sixty trees for the Festival of Lights to benefit the Cranberry Hospice. Electrical projects include jobs completed at the Pinehills, Camp Clark, and within the high school. Graphic Design and Visual Communications students competed in several Graphic Design and Computer Art and film contests. Student won awards at the Boston Globe Scholastic Art Competition, the Congressional Art Competition, SkillsUSA District Competition and M.O.V.E (Massachusetts Organization of Video Educators). The Marketing Education students broke their record at the State Marketing Competition and sent 18 students to Salt Lake City, Utah, for the International Competition and for the 6th consecutive year the School Store won a gold medal for their business plan. The "Lights of Hope" fundraiser at Brewster Gardens brought in

\$3,000 for the Jordan Hospital Cancer Center. Metal Fabrication and Welding built a new set of railings for Plymouth's Center for the Arts. Plumbing has completed numerous projects on and off campus and at various town buildings including the police and fire station. The Cooperative Education/Internship Program provided 30 students with employment opportunities during the school year. Many of these students retained their employment and are currently working for their co-op employer. SkillsUSA sent one student to the National Competition in Kansas City who was elected as a national officer and presented on the behalf of SkillsUSA across the country at many Career Vocational Technical Education events and conferences. The Robotics Club participated in the FIRST Robotics competition at WPI. The team won two awards for innovation. The team also participated in an Electrathon Competition at Lime Rock Park in CT. The team also continues to compete in Battlebots.

These are just a few of the many activities and events that take place every day at Plymouth South High School. South has a wonderful student body with a dedicated staff, committed to improving achievement, building life-long learners, and enhancing the overall community of Plymouth.

PLYMOUTH NORTH HIGH SCHOOL

How exciting the start of the 2012-2013 school year was! Plymouth North High School (PNHS) opened its doors to an amazing, state-of-the-art, opportunity-providing, reach-all-students, absolutely amazing new school with educational venues for authentic learning, support for all of our school community, technological tools for all teachers and staff, and unmatched level of excitement for a school community. The new "Home of the Eagles" was a long time coming; its arrival spectacular! As we opened our new home, jaws dropped, tears flowed, and smiles were wide. Teachers and students walked a little taller, spoke with a bit more pride, and approached each day with a new sense of invigoration.

The school community recognizes that the building, as amazing as it is, is a building. All work extremely hard—daily—to assure North is a school community where the culture is defined by actions. When others refer to PNHS, the school wants that association to stand for

excellence, high expectations, a safe and secure learning environment, compassion, caring for others, preparing students to excel in the 21st Century, and empowering students to make this world a better place. North embraces diversity and recognizes that each person has much to offer this world.

Two seniors were named Commended Students in the 2012 National Merit Scholarship Program. Sixty percent of PNHS graduates in the Class of 2012 went on to study at four-year colleges or universities while 18 percent pursued an education at a two-year college or technical school. PNHS students are attending some of the following schools of note: Brown University (1), Cornell University (1), Georgetown University (1), New York University (1), Rensselaer Polytechnic Institute (2), and Worcester Polytechnic Institute (3). PNHS had two recipients of the Grace Swift Nye and Alfred Gibbs Nye Scholarship Trust totaling \$24,000, and two recipients for the Holmes & Tavernelli Scholarship Trust totaling \$16,000. PNHS seniors received \$101,750 in scholarships through the Plymouth High Schools Scholarship Committee. Thirty-nine students in the Class of 2013 received the John and Abigail Adams Scholarship.

Four students attained a perfect MCAS score in Mathematics and eight students attained a perfect MCAS score in English.

PNHS Distributive Education Clubs of America (DECA) had a very successful year. We had over 140 Marketing students become DECA members for the 2011-2012 school year. Of those 140 members, 119 attended the District One DECA Conference at the Hyannis Resort and Conference Center in January. They had a very successful conference taking home many 1st, 2nd, and 3rd place testing medals and trophies. There were thirty-one students who qualified directly from competition at the District One Conference to attend the State DECA Career Development Conference and Competition, held in March in Boston. North also had about fifteen students present various written plans in business, entrepreneur, and marketing. North had twelve students qualify at the state DECA conference to attend the DECA International Career Development Conference held in Salt Lake City, UT, for a week in May.

Plymouth North High School developed a new program this year for its students. The Facilities Management program opened its doors in September with a new teacher whose experience in the field spans more than thirty years. The curriculum of this new program includes instruction of construction trades such as carpentry, basic plumbing and electrical, landscaping, scheduling, estimating, building maintenance, and masonry. Students majoring in this program will be prepared to handle the demands of managing the daily maintenance of a business or institutional building or facility. This includes the routine repairs of the building and mechanical systems within the property. Graduates may seek entry level positions within the trade or pursue higher educational opportunities to obtain certification within facilities management.

Over seventy students from both high schools competed in the Plymouth Public Schools High School Science Fair for a chance to advance to the South Shore Regional Science Fair. Plymouth North was represented at the regional fair held at Bridgewater State University by seven students. Three of these seven students advanced to the Massachusetts State Science and Engineering Fair at Massachusetts Institute of Technology. In the District Science Fair one student took 1st place, one student 3rd place, two students 4th place, four students 5th place and four Honorable Mentions. In the South Shore Regional Science Fair one student received 2nd Place – US Air Force Award, one student received 3rd Place – South Shore Regional Science Fair Award, one student was awarded Honorable Mention, four students were South Shore Regional Science Fair Invitees. At the Massachusetts State Science and Engineering Fair, one student was awarded the Pauline J. LaMarche Memorial Award and 2nd Alternate ImmunoGen Research Internship Award, one student received 3rd Place Award, Alternate Regis College \$40,000 Scholarship Award, Prentice Hall Book Award, and MIT Educational Studies Award, and one student received Honorable Mention and MIT Educational Studies Award.

PNHS Math Team participated in two leagues, the New England Math League (NEML) and the Southeastern Massachusetts Math League (SMML). Over 50 students participated in the NEML and 25 students participated in the SMML. In the SMML, North tied for first place in Division VI. In addition, members of the team volunteered as peer

tutors and at the MATHCOUNTS competition at Plymouth Community Intermediate School.

The Plymouth Public Schools Robotics and Engineering Team competed in five robotics events. The team, comprised of more than twenty students from both high schools, is managed by two Plymouth teachers and four adult volunteers. The program is funded by the school district with significant contributions from Entergy Corporation. Other sponsoring groups included the Plymouth Industrial Development Corporation, Raytheon Corporation, SolidWorks Corporation, Plymouth Education Foundation, Dartmouth Building Supply and Legacy Motor Sports. The students attended three robot events sponsored by FIRST (For Inspiration and Recognition of Science and Technology). In addition, the student team participated in a combat robot league started by students, teachers and volunteers from the educational districts of Plymouth North and South High Schools and the Assabet Valley Vocational Technical High School in Marlborough, MA. The student teams earned several honors for their robotics efforts, but none more rewarding than being selected to receive the Creativity in Engineering Award at both FIRST regional competitions hosted at Worcester Polytechnic Institute.

The Plymouth North News team (PNN) won several awards this year. PNN is a 25-minute school newscast that informs the school of upcoming events, community news, sports highlights, and other news beats from America's Hometown and beyond. Students are required to produce a three-minute segment and are responsible for writing engaging narration, filming b-roll, interviewing various sources, and editing their own segment. The New England Chapter of the National Academy of Television Arts and Sciences awarded PNN awards in the following categories: Best Overall High School Newscast, *1st Place*; Best News Story, *1st Place*; Best Live Sports Show, *1st Place*; Best Writing, *1st Place*; Best Talent, *1st Place*; Best Photography, *1st Place*; Best Editing. Additionally, PNN was selected as a finalist for the Pacemaker Broadcast Award by the National Scholastic Press Association. Only four schools across the country were selected as finalists.

The Massasoit Chapter of the National Honor Society (NHS) inducted thirty-four juniors in March and four seniors and forty-four juniors in

November. The PNHS National Honor Society (NHS) held the following fundraisers to support the program: Car Wash, Minute-To-Win-It competition, Silpada Jewelry Sales, Costumed Volleyball competition and a Bowl-a-thon. The NHS students perform community service both individually and as a group. The following group services were completed this year: Relay for Life, Adopt-a-Family at Christmas, peer tutoring at the PNHS Homework Club, Senior Citizens Prom, Red Cross Blood Drive (2), Teacher Appreciation Breakfast, PNHS Open House, Freshmen Open House, Thanksgiving baskets for the needy, feed the homeless, Cold Spring Classroom helpers, Cranberry Hospice Festival of Trees, Nathaniel Morton Enrichment Day, Council on Aging Open House and the Environmental Fair. In addition, NHS awarded five service scholarships at convocation and made donations to several charities.

Best Buddies Plymouth North High School Chapter provides opportunities for one-to-one friendships and group events for people with intellectual disabilities and their non-disabled peers. Two teachers are the advisors for the chapter along with students in the officer positions of Chapter President, Vice Presidents, Secretary, Treasurer and Buddy Director. There are approximately fifty student members of this chapter. Events held this past year include bi-monthly meetings, Valentine's Day event, an Evening of Magic and a Massachusetts state-wide Best Buddies Ball, car washes, Thanksgiving Movie Night, Polar Express Night, and a trip to Edaville Railroad.

One teacher and one student organized a student art show at the Kingston Mall for the Plymouth School District Arts that ran through February. There were three Silver Key awards for the Scholastic Art and Writing Awards; a mixed media piece, a drawing, and a ceramic sculpture in February. Four students were accepted into the show in New York City for the National Arts Education Conference in March; three photographs and a drawing. Visual Arts was allowed to nominate one student for the Artsonia "Big Screen" display in New York City. The PNHS nomination was accepted and the work was seen in the spring on the giant 30 x 16 ft. outdoor LED screen in the heart of Manhattan. One student was accepted into the New Hampshire Art Institute's High School competition in March. Four students were honored for their poster contributions to the Stellwagen Bank sponsored National Marine Sanctuary Art contest. The work is on

display at their website and is used for the sanctuary's pamphlets. One student won second place at the Salem Film Festival in the student division in February, and first place in both the "Major Film" category and "Overall Best Film" (our second year in a row for this award) at the Massachusetts Organization of Video Educators Film Festival in late spring. One student was accepted and attended Worcester Art Museum's Art All State Festival in May for juniors across Massachusetts. Students and two teachers hosted the second annual Plymouth North Art Festival. Five Portfolio Prep collaborative mural paintings were displayed at the Kingston Mall Book Nook in August and continue to be on display there. Multiple students participated in the Plymouth School District's Youth Arts Month Show at the Plymouth Guild's Center for the Arts in March, and several students submitted work for the Central Office Exhibit. A local fabric artist approached the Art department about a potential student to work in her studio, several students applied and one is successfully gaining valuable experience working as an assistant. In November the Art department was approached by a local health care company to decorate a sponsored room for the opening of the Council on Aging in December. The students created ceramic ornaments, individual holiday-themed paintings, and a collaborative painting of downtown Plymouth that was so well received, it will become a permanent part of the COA. One teacher exhibited work in numerous shows in Boston throughout the year and was interviewed twice for Boston Neighborhood Network cable television's "It's All About Arts." One teacher worked with a team to construct the mosaic sculpture installed in the new Plymouth North. One teacher completed a Master's Degree this fall.

The Drama Club was very busy with their productions of *Murder's in the Heir* and *The Seuss Odyssey*. Over seventy-five students and staff went to New York City in April to participate in a Broadway Classroom workshop and to see the musical *Once*. Drama Club members of the Class of 2012 were awarded Glory Jackets to thank them for all their hard work and support.

In January, several students attended the All State Music Festival auditions. In March, five students participated in the Junior District Music Festival; over fifteen students participated in the annual Southeastern Massachusetts School Bandmasters Association

(SEMSBA) Music Festival; a combined choir from PNHS and PSHS participated in the Plymouth Philharmonic 2012 High School Consortium; the Winter Percussion participated in the New England Scholastic Band Association (NESBA) Winter Percussion and Indoor Color Guard competition. Ten students qualified for membership in musical ensembles for the 2011 Senior and Junior SEMSBA festivals. The chorus and band performed at Town Meeting, Martin Luther King, Jr. Breakfast, graduation, Festival of Trees, the opening of the Council on Aging (COA), Kiwanis Christmas tree lighting, and the Holiday Concert as well as community parades and home football games. The Jazz Band, including a few faculty and staff, performed at the Opening Ceremony for the new Council on Aging in December.

Two choral students participated in the Senior District Chorus Festival, and one was accepted into the Massachusetts Music Educators Association (MMEA) All-State Chorus. Two students were accepted into and participated in the Senior SEMSBA Festival. The PNHS Chorus performed in the school's Spring Concert, along with a new contemporary a cappella ensemble, which would become an auditioned group in the fall. The North Chorus participated in the All-Town Concert with instrumental and vocal ensembles from every school in the district. Our a cappella group released its first studio-recorded single, available free on the Internet. The PNHS Chorus members participated in the Plymouth Public Schools Opening Day performance. The Visual and Performing Arts (VPA) department held its first "Coffeehouse" concert at the First Parish Church in Plymouth, with participants from chorus, band, guitar and piano classes, and more. The PNHS Chorus performed in the school's Veterans' Day assemblies, and the a cappella group, now named "Northern Lights," debuted in front of the entire school at the Thanksgiving Game Pep Rally. Also, eight PNHS Chorus members auditioned for the MMEA Southeast Senior District Chorus, and Northern Lights performed at the Festival of Trees. The chorus and Northern Lights performed to a crowd of about three hundred in the first Winter Concert in the new Performing Arts Center, two freshmen were accepted into the MMEA Junior District Chorus, and auditions commenced for the spring musical, *"How To Succeed In Business Without Really Trying."*

Student Council members attended the annual Southeastern Massachusetts Association of School Councils (SEMASC) spring and

fall conferences as well as the Massachusetts Association of Student Councils (MASC) State Officershop Conference. Community activities included planning a Veterans' Day Assembly, organizing the Powderpuff football game versus Plymouth South High School, planning and conducting a Pep Rally for the PNHS fall sports teams, food drive for the local food pantries, sponsoring a family for Christmas, organizing the Valentine's Day Matchmaker, planning and organizing activities for "March Madness," organizing Mr. PNHS, and providing faculty a Teacher Appreciation Breakfast. Student Council members coordinated class elections, and the newly created Student Council Senate has passed proposals to address student concerns and serve as a voice for the student body.

The Boys and Girls Cross Country teams were awarded the Massachusetts Interscholastic Athletic Association/Massachusetts State Track Coaches Association 11th Annual Ted Dutkiewicz Team Sportsmanship award. The baseball team advanced to the Division 2 State Finals and girls soccer team was Atlantic Coast League Champions. The cheerleaders placed 3rd at the ACL Championship and qualified for regionals. The field hockey and Boys Cross Country teams received the Atlantic Coast Team Sportsmanship Award. Fifty-six Plymouth North athletes received Atlantic Coast League All-Star Awards. Several Plymouth North students received All-Scholastic honors from the Boston Globe, Boston Herald, Brockton Enterprise and Patriot Ledger. Several teams qualified for the State Tournament. Several teams and athletes combined for hundreds of community service hours giving back time and money to the community.

Transitions by their nature take time for people to adjust. Change for many is difficult. The change from the "old" Plymouth North High School to the "new" Plymouth North High School has been one of excitement, patience, professional growth, increased student responsibility, and ongoing and ever-changing opportunities for students and staff. As a school community, PNHS continually strived to provide academic, civic, and social excellence for students. The students demonstrated—once again—their achievements, talents, gifts, perseverance, and pride by together making North a place of high standards and expectations, a place for growth and nurturing, a place where doing the right thing is expected, a place where all watch out for

one another, a place where all want the best for everyone, a place in which all can all be proud.

The PNHS community looks forward to improving upon our high standards and achievements in 2013.

PLYMOUTH SOUTH MIDDLE SCHOOL

Plymouth South Middle School (PSMS) continues to be a vibrant learning community.

Fifteen grade 7 students participated in the Southeastern Massachusetts Geography Network (SEMAGNET) Geography Fair, held at Bridgewater State College. The theme this year was “Global Interdependence; how are we connected to the rest of the world through culture, economics, and politics?” Nine students were presented with awards for their projects. Three grade 6 students from PSMS won the VFW Patriot Pen essay. The essay was titled: “Are you proud of your country?”

The Fine Arts are well represented at Plymouth South Middle School. Over 250 students participated in our instrumental and choral music programs. In addition to courses in band, strings and chorus, PSMS now offers to 7th grade students, a performing arts class. In the spring, three music students were selected to participate in the Southeastern Jr. District Music Festival, and seven students from our school were chosen to participate in the Southeastern Massachusetts School Bandmasters Association (SEMSBA) concert. The 6th, 7th and 8th grade band participated in the Massachusetts Instrumental and Choral Conductors Association (MICCA) Music Festival where they received a bronze rating. Selected band and chorus members participated in the All-Town Band and Chorus Concert at Memorial Hall. The grades 6-8 Band and Chorus also performed at both Indian Brook and South Elementary Schools in June. The PSMS Art department participated in the townwide Art Show at the Plymouth Center for the Arts. Two students received certificates of Honorable Mention for the Boston Globe Scholastic Art Show, 2012. Fifty-eight students submitted work to the Town School Budget Book Contest and four entries were featured.

PSMS held a Massachusetts Comprehensive Assessment System (MCAS) After School Program to benefit our students who were having difficulty with the Math portion of the MCAS test. The Math program had forty-nine students participate, with thirteen tutors working with the students.

The interscholastic sports program at Plymouth South Middle School continues to grow. More than 325 students participated in the following sports: Boys and Girls Soccer; Cross Country; Track; Field Hockey; Boys and Girls Basketball; and Girls Volleyball. Numbers are anticipated to grow each year as the program gains in popularity.

After school clubs and activities also continue to grow. PSMS offers Clay Club, Drama Club, Ecology Club, Student Council, Garden Club, Mathletes, National Honor Society Tutoring, Jazz Band, Scrabble Club, Boat Building Club, Set/Stage Design, PSMS "Pawprints," Tech Ed Club, Tennis Club, Walking/Fitness Club, Yearbook Club, Knitting and Origami Club. Over 450 students participated in the after school programs.

Since opening in 1999, PSMS has prided itself on being a giving community, dedicated to community service. The tradition of giving generously continued in 2012.

Some of our charitable efforts included:

- Daffodil Days: In early spring, the staff participated in the American Cancer Society's Daffodil Days. \$565.00 was raised.
- Pasta for Pennies: \$2,380.00 for the National Leukemia Fund.
- Baseball Hat Day raised \$500.00 for a local family battling leukemia.
- Lee National Denim Day: Each fall, staff and students of PSMS participate in Lee National Denim Day. \$750.00 was raised for Breast Cancer Research this year. Over the past thirteen years, PSMS has raised over \$8,000 for this cause.
- Clothing Drive for the Salvation Army: During early spring, the staff and students participated in a clothing drive.
- Hurricane Sandy Relief: The staff and students collected clothing/blankets/other needed supplies for victims of Hurricane Sandy in New Jersey. Teachers delivered the donations via a donated U-Haul.

- Hurricane Sandy Clothing Drive: The staff and students collected clothing for a school in Long Island that was devastated by Hurricane Sandy.
- Students donated their Halloween candy to be sent to troops in Iraq.
- Festival of Trees: In December, 14 students took part in the Festival of Trees to benefit the Cranberry Area Hospice. Our tree was entitled, “The Spirit of Santa.”
- Holiday Baskets: Students collected food for holiday baskets to supply thirty-eight families with their Thanksgiving meal.
- Holiday Spirit: PSMS continues to help those families in need throughout the community; monies are raised through student auctions. This year \$4,300.00 was raised which enabled the students and staff to provide food and gifts for families in Plymouth.
- Canned Food Drive: Students and staff have been donating to an ongoing Food Drive at PSMS to help the local food pantry.

Some of our Service Learning Projects included:

- Relay Recess: Students and Staff participated and raised \$5,603.00 for the American Cancer Society. This was a building-wide event.
- Grade five Students researched the homeless in the area; students chose to run a Toiletry Drive for the Coalition for the Homeless. Students sorted, counted, and graphed the items collected, and ten boxes of toiletries were delivered to the Plymouth Coalition for the Homeless.
- Grade 7 students read a book called, “A Long Walk to Water”. They Skyped with the author, a refugee who immigrated to the United States. The students held a walk-a-thon to raise money for a well in South Sudan to supply the village with fresh drinking water.
- Grade 8 students participated in “Project Plymouth.” The students voted to help support the Plymouth Animal Shelter. They ran a school drive to collect food, toys, blankets and cleaning supplies for the shelter. The students also got yarn donated and made toys for the shelter.
- Thirty three students volunteered for the Arthritis Foundation walk at Stephens Field. The students set up and broke down the event,

as well as worked along the walking route passing out water, supplies, and even walking themselves. The students were able to experience the “behind the scenes” aspect of community service.

PLYMOUTH COMMUNITY INTERMEDIATE SCHOOL

The Plymouth Community Intermediate School (PCIS) continues to focus on literacy. The PCIS staff and the Literacy Support Team continue to be busy creating a culture of literacy across the content areas in our school. Over the past six years, PCIS has worked on developing and sharing strategies, promoting collegial work on professional development, creating videos of strategies being used in the classroom, and expanding the “strategy toolbox” to incorporate more technology. Our belief is that literacy is the base on which all learning is built; therefore, all teachers are literacy specialists within their own content areas. It is the job of PCIS to teach students how to be literate in all those content areas. All are learning strategists!

PCIS offers more than twenty after school programs for students. These programs include art clubs, writing clubs, music, arts and crafts, service-learning programs, and physical fitness activities. One of the most popular of these activities is the interscholastic athletic program, which features eleven sports. More than 300 students have participated in these sports at no charge. The program provides student athletes with an introduction to education-based athletics.

Falcon Pride is an 8th grade after school club that promotes community service. This year members of Falcon Pride visited several nursing homes in Plymouth to spend time with the residents. Falcon Pride members raised money for the Jordan Hospital Polar Plunge, along with other PCIS teams . Falcon Pride members also had teams in the Greater Plymouth Relay for Life. For Thanksgiving, they collected food and distributed fifty food baskets to families in need. In December, members of Falcon Pride and the PCIS 6th grade Student Ambassadors collected over 850 toys for the Marine Corps Toys for Tots campaign. The Falcon Pride group also organized a Bus Driver Appreciation Day to thank the thirty-five drivers who safely transport students to and from PCIS every day.

As part of our college awareness initiative, all PCIS 8th grade students visited Massachusetts Maritime Academy in Buzzards Bay. Students toured the campus and were treated to a special tour of the Massachusetts Maritime training ship, the *T.S. Kennedy*. The day ended with an interactive lesson on longitude and latitude presented by the Admiral.

PCIS staff members once again participated in the Greater Plymouth Relay for Life. This is the 10th year for the PCIS Hopewalkers team. Over the course of the past 10 years, the team has raised more than \$50,000 for the American Cancer Society. The PCIS team leader was recognized for her long-term commitment to the Relay for Life by being asked to participate in the Relay for Life Opening Ceremony.

In the spring, over 40 community members and the entire PCIS 7th grade student body participated in the PCIS Career Day. The day started with a keynote speaker from the Massachusetts House of Representatives and ended with a speech from an active community member and businessman. Representatives from the public and private sectors made presentations to students regarding their own career paths and the schooling and training that was required for them to pursue their careers. This was an excellent way to connect the school and students to the community and beyond.

In September, the incoming 6th graders and their parents were invited to attend a welcome cookout. Over 750 students and family members attended. This event was held on the school's athletic field and was a great way for students and parents to get to know each other and many of the staff members of PCIS. Hopefully, this event will become an annual tradition.

The Falcon Music Program continues to create opportunities for students to show off their musical talents. Chorus students performed for the Plymouth Women's Group and also sang the National Anthem at a Providence Bruins game. Over 70 PCIS chorus and band students joined forces with other student musicians in the district to perform in the All-Town Music Festival in Memorial Hall. In addition, chorus and band members participated at both the Junior District and Junior Southeastern Massachusetts School Bandmasters Association (SEMSBA) festivals.

The schools's very talented choral teacher, along with more than seventy very talented student performers and crew members, presented a production of *Guys and Dolls, Jr.* Attendance at the annual spring musical continues to grow each year, as well as participation of students.

PCIS students did a great job of representing the Plymouth School District at the annual Southeastern Massachusetts Geography Network (SEMAGNET) Geography Fair at Bridgewater State University. Students demonstrated their understanding of the theme of "global interdependence" through their projects, which included research, written reports, and visual representations. Out of the twenty awards presented, eleven were awarded to PCIS students in various categories which include Best Map", Best Oral Presentation", and "Best Visual Display." One PCIS student qualified to attend the State Geography Bee.

As part of the 7th grade Geography curriculum, students read a nonfiction book to learn about life in Sudan and how the people of that country are affected by the lack of availability of clean water. This assignment was followed by a Skype session with the author, during which the students were able to explore what it means to be a writer and to develop a deeper understanding of the novel.

A PCIS teacher received a grant through the Donors Choose organization. The funds were used to purchase devices to enhance classroom technology.

WEST ELEMENTARY SCHOOL

West School continues to promote raising expectations and achievement for all students. Monthly WESTIE Awards were initiated as part of the West Elementary School Improvement Plan. Students are nominated by adults in the building for showing "Wondering Exploring Searching Thinking." Two examples of student nominations include:

1. "... has been nominated for Searching ... is always looking for a way to lend a helping hand. She always puts her best effort into everything she does."

2. "... has been nominated for Exploring... has been doing wonderful thinking and taking chances in his school work. He is always on the lookout to help a friend. He has a lot of patience and kindness."

Students eagerly look forward to the whole school assembly where WESTIE nominees get to walk the red carpet.

The Presidential Election created opportunities for West Students to learn about the United States government and the democratic process. Through Kids Voting, students got to vote in the presidential election as they accompanied parents/guardians to the polls. The Phyllis Hughes trophy for the Plymouth school with the highest participation level was awarded to West with 65% of students participating during Kids Voting.

"Go for the Gold – READ" was the theme of the annual Readathon. Reading over the summer is promoted by this yearly event. This year's theme was also carried over to Field Day with students wearing specially designed t-shirts with the "Go for the Gold – Read" slogan.

West School students had a variety of extension opportunities offered to them through the Advanced Readiness Learner program. Before school clubs included Newspaper Club, Robotics, Photography Club, Scrabble, Community Service Learning and Online Literature Circles.

Student awareness of helping others continues to be fostered at West through various community service learning projects. Three classes partnered together for monthly donations to a local food pantry. A second grade class from West teamed up with a second grade class from Manomet Elementary to support an organization called "Birthday Wishes." "The Great Bedtime Story Pajama Drive" was held with 165 pairs of pajamas being donated to Scholastic Book Company and its partner, the nonprofit Pajama Program. West School's Giving Tree raised \$635 in charitable contributions for local families in need.

Third, fourth and fifth grade students participated in the Music Immersion Program provided by the Plymouth Philharmonic Orchestra. During the year, small groups of musicians from various instrument sections visited the schools to demonstrate their musical

specialty. The culminating event was held at Memorial Hall with a performance by the Plymouth Philharmonic Orchestra.

Staff and students returned to West after the summer vacation with a newly repaved driveway and parking lot. The West community is very appreciative for the capital improvement funding of this project as well as for the advocacy of the West School Council.

SOUTH ELEMENTARY SCHOOL

South Elementary School (SES) served a student population of approximately 700 students, preschool through grade 4 during calendar year 2012. Teachers and staff sustained a rich learning environment for students due to the collaborative efforts of teachers, parents, staff, and the Plymouth community.

Literacy is the key to all learning. Teachers participated in a number of professional development opportunities that supported instruction in reading and writing. Schoolwide events supported classroom literacy activities. Collectively, students in grades 1-4 read several thousand books as part of the Winter Warm-up and Spring Training Reading Incentives. A group of fourth graders met with the librarian to review new books for book publisher, Little Brown. Students participated in the district's and the Plymouth Library's Summer Programs. Football players and cheerleaders from Plymouth South High School visited South Elementary during Thanksgiving week to continue the annual tradition of reading aloud to their elementary school counterparts.

Teachers at SES participated in professional development opportunities in mathematics and technology. Many teachers at SES regularly use the SMART Board to engage students in classroom instruction.

The arts brightened students' lives at South Elementary. More than half of the school's fourth graders took instrumental music lessons and 130 third and fourth graders participated in the school chorus. Both groups presented winter and spring music programs. About fifteen students participated in the Annual District-wide Music Festival at Memorial Hall and ten fourth graders had the opportunity to sing with the Plymouth Philharmonic Orchestra through their membership in

Popular traditions provided by the Parent Teacher Association (PTA) continued with great success such as Halloween Haunt and Breakfast with Santa. The generosity of families also provided many in-school or out-of-school field trips throughout the year such as WingMasters, visits to the C.N. Smith Farm, New England Aquarium, Bay Colony Educators, local historic houses and the Franklin Park Zoo.

Students have been provided with many opportunities to increase involvement throughout the school. One such effort was the creation of NMES-TV whereby fifth grade students gather stories from around the school and report out to the larger community via a video news report. This extension beyond the classroom walls continued with “Mystery Skypes” as classrooms connect via video link (Skype) with schools and students around the world. The goal is to reach one hundred connections as one way to commemorate the schools 100th birthday. This centennial connection also took place as students celebrated summer reading efforts with a visit from Red Sox Mascot, Wally the Green Monster. His visit helped connect the centennial celebrations at Fenway Park and those that will take place to honor Nathaniel Morton’s 100th birthday in the spring of the 2012-2013 school year.

Other areas that included student voice or involvement over the year have been the creation of a “Green Team” to help promote recycling efforts as well as the implementation of Peaceful Bus program to encourage a positive climate on the bus and provide safe experiences for all students. There was great excitement with the presidential election and students used the opportunity to conduct their own election on their favorite literary genre with the winner being fantasy. Students at different grades were also involved with projects to help local community groups. One such project was the monitoring of the herring at the Town Brook while a second project performed a corn planting play for the Plymouth Antiquarian Society at the Harlow House.

MANOMET ELEMENTARY SCHOOL

Manomet School has much to celebrate in looking back upon this past year. There is much pride in all that the students have achieved, while the end of the school year.

at the same time much gratitude to all of the staff members and parents in the school community who have helped make it all possible.

The state has instituted a new metric through which schools are rated based upon student performance on Spring MCAS testing. Manomet students posted their highest performances ever since the inception of the MCAS. This earned Manomet the distinction of being identified as a “Level I School.” Particularly impressive were the consistently strong student results across all three grade levels tested, as well as across all content areas. In addition, this academic achievement showed no gap when viewed through the lens of socioeconomic status.

Manomet School has had a strong year with regard to exposing students to a wide range of experiences in The Arts. Throughout November and December, dozens of 4th and 5th graders participated in an after school theater workshop, culminating with performances of the classic musical, *Beauty and The Beast*. Over thirty second graders completed another after school theater workshop in order to prepare for their performances of *A Traditional Thanksgiving*. Last spring, Visual Arts were represented in abundance at the Annual School-wide Art Show. The numbers of students enrolled in choral and instrumental music also swelled this year, and their performances were a testament to the high quality of instruction they received. The Annual Talent Show also allowed students to express themselves in a number of creative ways. The Manomet Home and School Association supported student exposure to the Arts by funding the visit of a marionette troop to conduct performances and demonstrations.

Manomet School lost many valuable staff members at the close of the 2011-2012 school year. A total of 15 positions in a range of roles changed hands, posing what could have been a potential challenge to the continuity in place within the school community. Fortunately, the many new faces who joined the staff brought with them many talents and ideas that have further enriched the school culture.

Students in all grade levels have burst with enthusiasm over a newly adopted extra-curricular activity at Manomet, known as *Destination Imagination*. This is a student-led program that fosters problem-solving, critical thinking, and teamwork. Student enrollment in this after school program has risen from twenty-eight students up to fifty-

seven. With that said, *Destination Imagination* could not be a reality without the many parent volunteers who give their time.

Finally, it is important to note that Manomet School is celebrating its 60th anniversary on the Manomet Point Road site. In recognition of this, several things have been planned. The cupola is once again adorned by its original wind vane that had been down for over a decade. The showcases in the main lobby are on display with nostalgic photos and items from these past sixty years. In the Spring, several alumni will be invited back for a special celebration with students to celebrate and remember the past, as well as to inspire students moving forward.

INDIAN BROOK ELEMENTARY SCHOOL

Happily, our building opened “on time,” even with the amount of construction that occurred over the course of the summer. Indian Brook was fortunate to get a new heating, ventilating, air conditioning (HVAC) system, new lighting and sprinkler system as well as some other upgrades that are very positive and support the academic environment that staff and students work in on a daily basis. Overall the school has such a “bright new look” as a result of the work that was done.

Since the spring of last year many grade levels have put on programs for the parents and students of our school. The first grade presented a phenomenal program around the earth and recycling. It was an interactive marvel incorporating much new technology. The kindergarten continued their tradition to put on a wonderful Memorial Day program. Fourth grade put on the “Regions” fair which explored all the regions of our country. We also had the first “Tech Expo” which had students present how they use technology in the classrooms to parents. It was great to see the students as teachers.

In an effort to promote good health, Indian Brook will continue to offer many of the same events that transpired during the 2011-2012 school year. The annual “Seal Walk” has been a wonderful success that takes place at Ellenville Park. The administration, as well as many of our staff, have enjoyed and will continue to enjoy this year, our outings to the Gallo Rink in Bourne. This has become an annual event

that has been hugely successful. In addition, Indian Brook now has the field back and the children are enjoying it each day at recess. In addition, due to the national elections, the school once again completed our “Run to the White House” which promoted children walking, or jogging, every day in early fall during recess.

The Indian Brook PTA continues to be very supportive, providing field trips and programs for students. Once again this year, the first and second grade students were able to see a working farm first hand. Both grades visited Coonamessett Farm. During the field trip students discussed plants and vegetables, animals on the farm, and each child was able to go into the pumpkin patch to pick their very own pumpkin. Grade three classes as well as the kindergarten classes visited Plimoth Plantation. Grade four completed a “Walk about Plymouth.” In addition, the host of social events the PTA provides during after school hours to enrich our students continues to be a community favorite! Once again, the PTA continues to provide a wide variety of cultural experiences as well as additional supports for students.

During the month of November the school collected non-perishable food items, which were donated to a local food pantry. Indian Brook also added a collection to support the Friends of the Plymouth Pound. What was inspirational about this addition was that the recommendation has come from a group of students. Hundreds of cans and numerous boxes of non-perishable items were collected. In addition, the school collected quite a bit of food, toys, etc. in support of the Plymouth Animal Shelter. The success of both was commendable.

One additional overarching area we have seen tremendous growth in is related to students’ involvement in supporting younger students in the building as peer helpers, bus helpers, recycling, etc., as well as community involvement with various acts of kindness. These include coat drives, letters to the elderly, etc. that our students have initiated versus those presented by staff members.

HEDGE ELEMENTARY SCHOOL

Hedge School opened with 235 students for the 2012-2013 school year. The full day tuition-based kindergarten program continued for a

second year with eighteen students at Hedge School. Hedge serves students from the immediate neighborhood. All students walk or are driven to school.

Jana Dillon, author and illustrator, completed a two-day residency at Hedge School in October. She supported Hedge School's focus on writing by helping students realize that everyone can be a writer and a lot of your writing can be based on a drawing. Jana's residency concluded with a parent and child evening celebrating their accomplishments during her visit.

Hedge School continued with the annual Thanksgiving Feast. Parents and former Hedge School teachers volunteered to cook and serve the students. Students in kindergarten, grade 1, grade 4 and grade 5 sang Thanksgiving-related songs or recited Thanksgiving poems or performed a skit as entertainment. The Principal concluded the event by the traditional reading of a book to the students. Traditional events at Hedge School, such as Read Across America, Field Day, First Day, Grandparents Day, and Spirit Days continued again this year.

Enrichment Day was conducted for the first time at Hedge School. Enrichment Day is a day when students participate in different hands-on learning workshops with students from different grade levels. Teachers, school staff and volunteers conducted workshops including Scrapbooking, Geocaching, Cooking, Cribbage, Science Experiments, Mapping, Readers' Theater, Arts and Crafts, Paper Doll making, and many others. Students then participated in two different presentations relating to Science and how fun Science can be in their everyday lives.

The school community participated in the first One School, One Book. Students, families, and school staff each read the same book. Throughout the reading, questions were posed to students to answer. One School, One Book reinforced the idea that reading is important, the more we read the better readers we become, and showed the importance of involving the whole family in school.

The teachers and students continued working to address the students' academic strengths and target areas. After school programs helped students in the areas of Math and English Language Arts. Hedge School's goals continue to be: building the academic achievement of

all, increasing the involvement of the community in Hedge School, and supporting the social/emotional development of all students.

FEDERAL FURNACE ELEMENTARY SCHOOL

Federal Furnace Elementary School (FFES) had another fabulous year characterized by strengthening community connection, character development, and a focus on individual student achievement.

The staff and Federal Furnace Parent Teacher Association (FFPTA) supplemented the school system's already existing health curriculum, Second Step and Steps to Respect, by initiating a school-wide incentive program for positive behavior. The program was kickstarted by two special large assemblies, one for younger and one for our older students, focusing on choosing positive behaviors that benefit others. The program included a unique multi-media presentation featuring Federal Furnace students as well as the reading of nationally recognized literature and music that inspires students to treat each other kindly. In the months following the presentation, students were recognized for kind acts by having their names and descriptions of their positive behaviors being read over the loudspeaker in conjunction with the daily morning announcements. Students, staff and parents felt the program encouraged positive behavior and a safe environment for all.

Throughout the year, the Federal Furnace staff also worked hard to provide a safe and comfortable environment for students riding the buses to and from school. The school's new Assistant Principal was instrumental in facilitating the second year of the Peaceful Bus program. All of the bus drivers were invited to participate in the community meetings, which were extremely successful in outlining essential bus rules and solving some common bus problems.

The school held its fifth annual Health Fair in April. A large committee of Federal Furnace staff is to thank for the active and educational day planned for students. Many community organizations, parents, and staff members contributed their time, energy and personal or professional talents and skills for the day. Workshops for students included, but were not limited to, sun safety, bike safety, walking, Zumba, dance fitness, yoga, fire safety, triathlon information, dental

hygiene and nutrition. In addition to the small, class-oriented workshops, students in grades 1-5 participated in a school-wide performance on character development and anti-bullying. It was an active, enthusiastic program that stimulated much positive feedback from students, staff and parents. In continuing with efforts to promote healthy lifestyles and outdoor activities, the school partnered with the FFPTA to expand their traditional fundraising walk-a-thon. In collaboration with very cooperative neighbors, the walk-a-thon moved from the FFES parking lot to being a multi-faceted nature walk taking those students willing and able across small hills and valleys, and past small bodies of water teeming with wildlife. Hearing some students exclaim, "I've never seen a real turtle outside before!" was even more rewarding than the funds the event brought to the PTA.

In the academic realm, the Federal Furnace staff continued to refine techniques for reaching each and every learner. Staff incorporated a variety of workshop techniques into both reading and mathematics instruction. This mode of instruction facilitates working with small groups and individuals, which is a highly effective way of helping all to succeed whether they are working at, above, or below the expected standards.

COLD SPRING ELEMENTARY SCHOOL

Cold Spring School is bustling with activity and learning all throughout the school year. Many of the events and accomplishments would not have been possible without a dedicated staff, the partnership that has been forged with families and the community, and, of course, the fabulous students!

In addition to the many and varied academic opportunities, Cold Spring has been able to offer extended learning experiences for students. For the first time, the school has partnered with a local theater company that culminated with the production of *Charlie and the Chocolate Factory*. Other before and after school programs include Robotics, a quilting club, a reading club, video production and a service learning club called, "Helping Hands." A school community garden has been created with the help of parents, staff, students and local gardening club members. Students had the opportunity to learn the science of growing and life cycles while getting their hands dirty to

nurture vegetables, herbs, and flowers. Also for the first time, Cold Spring School offered “Destination Imagination,” a program that promotes critical thinking, problem solving and teamwork.

Teachers have found creative ways to reinforce literacy including “Cold Spring TV,” a news production including video and print versions, Incentive Reading Program, and Literacy Night for children and their families. This year, there are plans for a school-wide book club in which all students will read the same book with older students helping their younger counterparts to read and understand the text.

Students are reminded of the value of helping others through various service learning projects. Each grade level has a mission to help the community. Fifth graders write to and collect items to send to Veterans’ groups; grade four creates books to donate to various organizations such as children’s hospitals or homeless shelters; third graders coordinate a food drive; while students in second grade make cards to thank community workers for their service. Students in kindergarten and first grade work alongside older students on their projects such as “Valentines for Vets.”

Citizenship is always emphasized at Cold Spring School as well. Working with the Pawtucket Red Sox, students could earn a ticket to school game night by outstanding citizenship, earning an Incentive Reading gold medal and excellent attendance at school. Last spring, thirty-seven students earned this award.

Cold Spring is very fortunate to have an active and involved PTA, which is committed to providing fun family activities and enriching cultural arts opportunities for students. The PTA sponsors a Grandparents’ Coffee Hour, a Halloween pumpkin decorating day and poem writing contest, two family movie nights, three book fairs and numerous cultural arts events throughout the year.

MT. PLEASANT PRESCHOOL

Mt. Pleasant Preschool, located at 22 ½ Whiting Street, Plymouth, services 200 students between the ages of three to five years. The Plymouth Preschool supports the philosophy of inclusive education to which the Plymouth Public Schools is committed. “Inclusive

education seeks to provide meaningful education to the range of students in our communities by drawing strength from their diversity.” Following are some shared common beliefs:

- All children have a right to be educated within their home community with their peers.
- Children should participate at the same time in shared educational experiences.

The Plymouth Preschool consists of five classrooms which offer two sessions each day. The morning session from 9:15–11:45 a.m. and the afternoon session from 12:45–3:15 p.m. are inclusive classrooms, serving children with individual educational plans and children from the community. The school also has two full-day preschool programs designed to meet the needs of students with a diagnosis of Pervasive Developmental Delay and/or Autism Spectrum Disorder. Students are provided with a full-day program from 9:15 a.m. to 3:15 p.m., four days per week with parent trainings offered on the fifth day. Three morning sessions include typical peer models to provide opportunities for socialization. Special needs students receive speech, physical and occupational therapies according to their individualized education plans. Consultation is provided to teachers and families by a board-certified behavior analyst.

The 2011-2012 school year offered young children and their families a variety of age appropriate activities. Families got to know one another at the annual “Harvest Fair,” then participated in a variety of holiday crafts, music and movement activities at “Holiday Night.” The new year brought a series of parent training programs, the first being a three week “Active Parenting” program presented by Susan West of Jordan Hospital. Families were provided child care while the parents had the opportunity to learn effective parenting techniques and share strategies with other parents. Numerous families took advantage of the opportunity for a “Family Swim Day” at Plymouth Fitness during the winter vacation. The preschool staff presented a spring workshop entitled, “All Aboard the Math Express” where parents and their children came to school one evening to participate in teacher led math activities.

A busy school year ended with our traditional “Spring Fling” where families enjoyed an evening picnic on the front lawn followed by entertainment provided by a local magician.

OTHER BOARDS AND COMMITTEES

ADVISORY AND FINANCE COMMITTEE

It is the duty of the Advisory and Finance Committee to consider, review, and present all matters proposed to be acted on at all Town Meetings. The Advisory and Finance Committee has full authority at any time to investigate the town's management, books, records, and all department accounts.

The Advisory and Finance Committee is required by Charter to review all articles and budget items. Comprised of fifteen members appointed by the Town Moderator, the committee meets on the third Wednesday each month. In advance of the Spring and Fall Town Meetings, the committee meets more frequently as it reviews issues to be heard by Town Meeting. Subcommittees examine the budgets of the various Town Departments and the School Department and make recommendations in support or for change.

The external economic environment for FY12 continued to be difficult but somewhat better than the prior year. State Aid increased by 3% and Local Receipts increased 6.5% reflecting some improvement in the economy. The budget resulted in a 2.0% increase in property taxes. Unlike the prior year when reserves were drawn down, the Town was able to rebuild the Stabilization Fund by approximately \$500,000 and make the first significant contribution to a reserve for OPEB (primarily for unfunded retiree health care benefits). In addition some new positions were funded, primarily in the DPW.

It appears that the economic climate has stabilized but Plymouth faces some formidable challenges that the citizens must address in the coming years.

Increasing tax rates

The tax rate in 2008 was approximately \$10.00 per \$1,000 of house value. The rate anticipated to result from the 2014 budget is estimated to top \$15.00. The value of the average home in Plymouth has declined during this same time period, accounting for a portion of the rate increase. In addition the tax override for North High School and

the Senior Center have contributed to the increase. If we are to hold down tax and rate increases, innovative ways to control costs must be found. These innovations may include finding more efficient ways to deliver services to the residents.

Unfunded Retiree Healthcare

Plymouth currently has an unfunded retiree health care liability of approximately \$379,000,000 or \$21,000 for every single family home. In essence, the Town and all of Massachusetts has promised health care benefits after retirement but put aside no money to pay them. This is a problem that is growing rapidly as costs increase and more employees reach retirement. Three modest steps have been taken by the Town: (1) adoption of recently enacted changes to health care benefits and (2) establishing a trust fund and (3) providing initial funding of more than \$500,000.

Plymouth beyond the 400th Anniversary

In a short seven years Plymouth will celebrate its 400th anniversary. Plans are underway for the celebration but plans and funding to improve Plymouth into the Town that will prosper, attract more tourism, and be the hometown the citizens can be even more proud of are in the early stages. The general fund has been under pressure for the past several years and does not have capacity for substantial expenditures for the Town's historic assets or redeveloping the downtown --- the primary location of our historic assets and tourist business. Plymouth is off to a good start with two State grants that will address Samoset Street and part of Water Street, the proposed 2014 budget includes funds for required under ground utility improvements in Downtown and Water Street, and the Community Preservation Committee is seeking approval for several projects including restoration of Burial Hill. If all this comes to pass, this is a good start, but the Town has a long way to go.

The Advisory and Finance Committee stands ready to help analyze alternatives and provide advice as these issues are addressed by the Town.

As always, the Committee is very thankful to Pamela Borgatti for her advice and support. She makes sure all meetings are posted, prepares the agenda and provides materials to members, and coordinates

between departments to ensure that information flows smoothly between the Committee and the various departments of the Town.

BUILDING COMMITTEE

The Building Committee membership underwent modest change during 2012. Member Bob Morgan was replaced by Bob Bielen, representing the School Committee, and Attorney Ed Conroy resigned, leaving the Attorney committee seat currently vacant. The other members continued to serve through the entire year: Merlin Ladd as Construction Industry representative; John White, Christie Murphy and Tom Fugazzi as a members at large, Margie Burgess as representative of the School Committee, Paul McAlduff as representative of the Planning Board, and David Peck as an architectural representative. Staff support is ably provided by Pamela Hagler, the Town's Procurement Officer, and Joanne McNulty, as Secretary. The Committee reorganized on September 13, 2012, with David Peck reelected as chair, Paul McAlduff reelected as vice-chair and Christie Murphy reelected as clerk.

In addition, the Building Committee, with additional members approved by the Massachusetts School Building Authority (MSBA), served as the approved Plymouth North High School (PNHS) Building Committee. This larger, Extended Building Committee includes Selectman Mathew Muratore, Town Manager Melissa Arrighi, Finance Director Lynne Barrett, Superintendent Gary Maestas, former Superintendent Barry Haskell, and School Facilities Director Arthur Montrond, and Kathleen McSweeney joined the Committee as PNHS Principal. This larger Committee provided the governance for the PNHS project only. For the Plymouth South High School (PSHS) feasibility study, Principal Patty Fry would be added to the Committee in place of the PNHS principal.

During 2012, the Committee met sixteen times, and continued the efforts of prior years on multiple projects:

Plymouth North High School: The Extended Building Committee continued to work with Ted Gentry Associates as Project Manager, Ai3 Architects as architect, and J+J Contractors as general contractor. It was a productive year for the Town and Building Committee on this

largest single project, in size and cost, in the Town's history. The school opened on September 4, 2012.

The construction started during the spring of 2010, and the new high school and athletic complex, which represented phase one of the overall project, was completed in June 2012, followed by demolition of the old high school and construction of parking areas during the summer and fall of 2012. The final phase will be the baseball and softball fields, located on the site of the old high school and scheduled to be completed in 2013. Major efforts by the Extended Building Committee during 2012 included final decisions on all furniture and equipment for the new school and on dedicatory plaque and relocations of memorial bench and plaques from the old high school. They also reviewed text and visuals of historical plaques installed in the main hall, the final design and budget for ticket booths serving the football field, the photovoltaic electric system leasing proposal, and decided on removal of a wind turbine from the project scope. The Committee reviewed and approved a variety of improvements to the project, including the addition of turf surface to the future softball and baseball fields, the enclosing of dugouts, the addition of extra indoor bleachers, and the incorporation of a variety of infrastructure upgrades proposed by the Fire Department. Corrections to the main track to meet MIAA standards were directed by the Committee, at no additional cost to the project. In addition, they supported the development of a memorial mosaic which included elements saved from the old high school.

The new high school achieved substantial completion on June 22, 2012. New students were welcomed on September 4, and official dedication ceremonies were held September 8, 2012.

Senior Center: The same project team of Owner's Project Manager Ted Gentry Associates, Ai3 Architects and J+J Contractors, selected in 2010, completed construction of the new Senior Center in September, 2012. Construction was coordinated with the new Plymouth North High School for the entirety of the project. Furniture and equipment installation took place in October and November. The new facility was dedicated on December 8, 2012, and opened for use by Plymouth's seniors on December 10, 2012.

The cost of the overall project, including construction, furniture,

equipment and fees, was \$9.8 Million, versus the original budget of \$10.0 Million.

New Long Pond Road Pump Station: The Building Committee assisted the Department of Public Works in the funding for and design of the new Long Pond Road Pump Station. Since the new Pump Station is to improve the infrastructure for the sewer system serving the new High School and Senior Center, both projects contributed a portion of their capital budgets to support the new station. The Committee also offered suggestions to improve the exterior design of the new facility.

Plymouth South High School: The original debt exclusion vote of 2006 included funds for a new Plymouth North High School (PNHS), new Senior Center, both now completed, and a new Plymouth South High School (PSHS). The school administration has been submitting PSHS for Massachusetts School Building Authority (MSBA) approval every year since 2006. During 2012, the MSBA visited the high school on April 3 and June 14, and approved the project for a Feasibility Study on November 14, 2012. The Feasibility Study will investigate options to include renovation, addition, or total replacement. Those options would be reviewed with the Town and MSBA at the conclusion of the Feasibility Study, which is expected during 2013. The first step in the process will be selection of an Owner's Project Manager, for which an Request For Proposal is in preparation.

Plymouth South Middle School (PSMS) Remediation: The Owner's Project Manager, Pomroy Associates, was selected in late 2011, from a group of seven respondents. Designer selection began immediately, and the Design Review Board recommended Gale Associates, who were selected on February 5 from a group of five interested engineers. Design alternatives for the exterior appearance of the replacement brick were reviewed jointly with the School Committee and Building Committee on March 22. The desired construction schedule of summer 2012 was very tight, and the project team recommended preordering the brick, which was endorsed on April 26. Bids were received May 24, and Commercial Masonry, a Plymouth based masonry contractor selected. In addition, third party independent inspection was also endorsed to ensure quality, and

Building Enclosure Associates was selected. Construction began the day after school closed, and the building was water tight by August 24, via completely installed air and water vapor system. Exterior masonry was completed at the end of October. A thank you luncheon for the workers was held on October 24, 2012.

During construction, some other areas of masonry were noted as needing potential remediation, beyond the original scope, and they will be addressed in the spring of 2013. Remaining contingency funds will address the approved supplemental work. Including that future work, the overall project will end up over \$500,000 below the original budget of \$3,840,000.

Indian Brook School HVAC: This project is a continuation of the renovation efforts first begun with the West Elementary School, using Ted Gentry Associates as project manager and engineer RDK Associates via amendment to their original contracts. The project was bid in late 2011 with the successful bidder Enterprise Equipment, which had done both PCIS and West. Construction took place during evening, school vacations, and the summer. It was completed on August 20, 2012. One open issue remaining is noise in the rooftop unit compressors, which is being investigated by the designer, contractor, equipment manufacturer, and an independent sound engineer. The overall project cost for renovations and fees is \$5.6 million, \$900,000 below budget.

Emergency Operations Center: This project had been completed in 2011, but had experienced some humidity control issues during summertime. The contractor, architect and project manager investigated the issue, and ultimately recommended the replacement of the roof top unit, which was installed May 24, 2012. No humidity issues have been reported since that corrective work.

Miscellaneous: the Committee was briefed in late 2011 and again on October 11, 2012, by the Department of Public Works about a potential project involving renovation or replacement of DPW facilities. The DPW shared a feasibility study performed by Weston and Sampson. The DPW is recommending a more detailed feasibility study of improvements at the Camelot Park location; they plan to bring the cost of the feasibility study to Spring Town meeting 2013. There

was a tour for Building Committee members of DPW facilities held January 28, 2012.

In addition, there are preliminary discussions of future Building Committee support for a new downtown Parking Garage and budget development for core infrastructure updates at the 1820 Courthouse .

Submitted on behalf of the Building Committee:

David B Peck, Chair

COMMUNITY PRESERVATION COMMITTEE

Mission: The Community Preservation Committee (CPC) enacts the regulations of the Community Preservation Act (CPA) (MGL Chapter 44B) that allows communities in Massachusetts to place a surcharge of up to 3% on property taxes (Plymouth residents adopted the statute at only 1.5% so it could be affordable). These funds are matched by the State with proceeds from the Registry of Deeds. The Act mandates that a committee be formed to oversee these funds and create an application procedure to determine which applications for funding will be brought to Town Meeting for approval. A minimum of 10% of the funds must be allocated to affordable housing, 10% to historic preservation and 10% to land conservation. An additional 5% can be set aside each year for administrative. The Plymouth CPC requests only 4% for its administrative activities, legal work, appraisals, signage and creating access to CPA acquisitions. The remaining 66% may be allocated to one or more of the three general purposes in accordance with local priorities

Plymouth voted to accept the Community Preservation Act (CPA) on May 11, 2002 with a 1.5% surcharge on property taxes (just one half the amount allowed by the state). Yet even with the smaller taxpayer surcharge, the town has benefitted greatly from this legislation. Plymouth was one of the earliest towns to vote in the CPA, and the Community Preservation Committee (CPC) was able to take advantage of the 100% match from the state for the first five years. This year an addendum was attached to the CPA legislation that allows towns to use CPA funding for renewal of already existing town

owned parks and open spaces. The Plymouth CPC is careful in its deliberations with this new potential use of funds to be sure that the Town does not depend on CPA funding for work that previously was in the DPW budget.

As the Town prepares for the 400th anniversary of the arrival of the *Mayflower*, the CPC will continue to look favorably—as it has in the past ten years—on applications that enhance Plymouth’s economic viability and historic significance. It is important to note that since 2002, CPA funds have generated approximately \$9,700,000 for some of the most significant historic restoration projects in town. CPA funds have been awarded to: Pilgrim Hall Museum, Hedge House, Spooner House, Harlow House, Sparrow House, Plymouth Center for the Arts, 1820 Court House, Paul Revere Bell, Simes House, North Street Slave Dwelling, First Parish Meeting House and Greater Plymouth Performing Arts Center. Most of these CPA supported projects have brought to town extra thousands in outside funding.

In 2012, the following CPA projects were approved:

SPRING TOWN MEETING:

Article 16B: Stained Glass Windows. First Parish Meeting House.

To restore and preserve Tiffany windows at Meeting House that depict moments in Pilgrim/U.S. history. Town Square. \$307,000.

Article 16: Wildlands Trust Headquarters. 7.4 acres on Long Pond Road. This property on Long Pond Road will expand trail to State Forest. Easement will allow Town’s use of community buildings. Map 69, Lot 71 (a portion of) 72A and 72B. \$175,000.

FALL TOWN MEETING

Article 16A: Greater Plymouth Performing Arts Center (GPPAC)

Purchase of Congregation Beth Jacob Community Center (former Methodist Episcopal Church} located at 25 ½ Court Street on the corner of Brewster for 200 seat theatre, summer stock, performing arts center in the middle of downtown Plymouth. Map 17, Parcel 145-2. \$375,000 for acquisition; \$285,000 for upgrade. Total: \$650,000

Article 16B: Center Hill Preserve Addition. Purchase of 19 acres land contiguous to Center Hill. Contains a cranberry bog possibly will create a revenue stream. Assessor’s Map 52 Lots 26U 27A, 9C, 9F. \$350,000

Article 16C: O Preserve Sandwich Road. Purchase of 348 acres to realize the connection from state forest to Ellisville Harbor State Park a critical link to the southerly branch of the wishbone trail. This property lies north of the Town’s Savery Pond well and is critical to protecting the town water supply. Map 61, lots 2,4 and Map 62, lot 1B, 1C. \$3,000,000.00

In order to thank the people of Plymouth for their contribution a banner or sign is displayed on completed CPA projects throughout town. The CPC also asks recipients of CPA funds to thank Plymouth citizens by acknowledging CPA contributions in publications and press stories.

The CPC is made up of one member each from the Board of Selectmen, the Planning Board, the Conservation Commission, the Housing Authority, and the Historic District Commission as well as four members at-large. The all-volunteer committee always looks to get the “biggest bang for the buck” and suggests that applicants apply for other grants and contributions for their projects using CPA as leverage.

Applications for CPA funding are renewed each year and are available at the Town’s website, the Clerk’s office and the public library. All necessary information about the CPA, qualifications and suggestions for applying for funds are contained within the application.

Greater Plymouth
Performing Arts
Center

The Plymouth Insurance Advisory Committee (IAC) gets its authority under M.G.L. Chapter 32B and is responsible for giving advisory opinions prior to the purchase of insurance and the execution of all such agreements or contracts. In Plymouth, this authority has been expanded as a result of the Stipulated Settlement to Superior Court Case No. CA-0198-B. The IAC, as outlined in the law, consists of eight members, seven elected or appointed by organizations of the employees affected (union or non-union groups) and one person to represent retirees, who is appointed by the Board of Selectmen.

This year the IAC was instrumental in laying the groundwork for the new Public Employee Committee (PEC), which was mandated by Chapter 69 of the Acts of 2011 by the Commonwealth of Massachusetts. Negotiations with a representative from each of the employee groups and the Town finished its work within the established time allotted under the law and the PEC agreement was implemented on July 1, 2012. This agreement brought increased co-pays and deductibles to those on the Town's plans which resulted in \$1.3 million in savings initially, and this will be annually compounded producing ongoing savings to the taxpayers. This agreement also eliminated the Town's Master Medical indemnity plan and resulted in a very active open enrollment period that processed 178 changes to plan selection that initially impacted many monetarily.

To start addressing the unfunded mandate of Other Post Employment Benefits (OPEB), \$562,327 was deposited into the Trust Fund to be managed by the Retirement Board's investment portfolio. This is the second deposit that was added to the original \$50,000 that was appropriated in 2011. The Town is showing initiative in this area and that is what the bond rating agencies look at as favorable. Current employees are now paying 73% towards their future pension through weekly payroll deductions. Under the new pension reform law, new employees will be contributing 110% with the 10% surplus going towards the Town's unfunded liability. In the FY 2014 budget the Retirement Board has earmarked an additional 2% as an annual appropriation to the OPEB fund as well.

The IAC continues to stress the need to move forward in adding Colonial Life Insurance's Voluntary plan to our benefits package. They were the only company offering a college tuition benefit. This additional plan would be fully funded through voluntary employee participation and would replace the underperforming incumbent plan.

This year, the IAC saw the Teacher's Association's IAC representative, James Crosby, step down as he was exploring other employment options. The Committee thanked James for his past service. James was very dedicated to the IAC. The new representative, Donna Ramsay, was elected by the EAPC to be their new IAC representative.

As the state and Plymouth move toward new federal insurance mandates, the IAC will be actively monitoring these unfunded mandates along with constant oversight of the monthly cash flow summary that is reported to us by the Town's insurance consultant, Cook & Company, and the ramifications these numbers may have. The IAC also looks at national and state trending and projections regarding plan design along with legislative initiatives and ideas that maintain and protect benefits, while also being watchful to cost containment and avoidance.

The IAC will continue to constantly scrutinize any issues surrounding the health insurance coverage of our past, present and future employees.

NATURAL RESOURCES COASTAL BEACHES COMMITTEE

Mission: The Committee shall help advise staff on how to protect the tremendous array of natural resources in Plymouth by providing support and guidance on coastal and freshwater wetlands, barrier beaches, coastal plain ponds, and conservation properties that have beaches/waterfront, including public access issues to the coastline of Plymouth. In particular, this Committee shall advise on issues related to the balance between public use and enjoyment and protection of the natural resources on Long Beach area, Priscilla Beach area, Morton Park area, White Horse Beach area, Manomet area, and other precious waterfront or natural resource locations. This mission shall also include serving as soundingboards and providing advice to staff liaisons with coastal stream issues that relate to draining issues with coastal areas, such as the Harbor and White Horse Beach (i.e., Town Brook restoration work and Eel River nutrient management issues).

The Board of Selectmen voted February 28, 2012, to establish the nine member Natural Resources Coastal Beaches Committee and retain all nine members presently serving on the Tidal Beaches Advisory Committee to fill the positions. The Tidal Beaches Advisory Committee, established in 1985 by the Board of Selectmen, was dissolved and its former charge expanded.

The objective of the Committee is to help advise on the protection and enjoyment of the Town's natural resources and help research and discuss the possibilities and potential for use of these areas or projects in these areas. The Environmental Manager and/or Harbormaster will serve as liaisons.

Members and areas of representation are Stephanie Fugazzi, Chair,

Priscilla Beach; Erika Lentz, Vice Chair, Manomet; Elise DeCola, Naturalist; Peter Denehy, White Horse Beach; Sandra Cotti, Morton Park; George Nielsen, Long Beach; Margaret Martin, Co-secretary, Downtown/Waterfront; Lee Burns, Co-secretary, at-large; Dick Diozzi, at large. Dick did not seek re-appointment upon the expiration of his term in June after serving 15 years on the Tidal Beaches Advisory Committee, and in July, Everett Malaguti was appointed to an at-large position.

An educational outreach program for the elementary schools, which was initially planned under the Tidal Beaches Advisory Committee, was continued under the Natural Resources Coastal Beaches Committee. Member Margaret Martin created and conducted a field trip for the Nathaniel Morton Elementary School for grades 3 and 5 to the Plymouth Town Brook herring run with the assistance of David Gould and Kerin McCall of the Environmental Management Department. The field trip offered students a hands-on learning experience and provided an opportunity for students to develop an appreciation of the town's natural resources and ecosystem, and connect the Town's Environmental Management Division's resources with the public school system. The Committee is hopeful this program will be continued under the Environmental Department.

Committee members monitor and report back to the Committee any concerns of designated beaches to which they are assigned.

The Committee recommended to the Town Manager in May that the Town review public access points along White Horse Beach and identify them, and a line item be added to the Town operating budget for dune preservation on White Horse Beach.

The Committee prepared a list of recommendations and improvements for the area beaches and ponds. Several items included Nelson Street, repairing of the boat ramp and reviewing parking; Morton Park, renovating the bathhouse; Stephens Field, continuing to trim vegetation around swings, improving the pond and proceeding with a general rehab of the area; White Horse Beach, in addition to the above recommendations, locating additional parking areas; Plymouth Long Beach, repairing or replacing beach access ramps, improving handicap access, repair or replacing guard shacks at Manter's Point and the

Crossover, and the creation of a formal maintenance plan for the parking lot.

The Committee continues to review updates closely on dog monitoring at Plymouth Long Beach from the Environmental Department, which may be used to prepare a future dog permit proposal for the Town on Long Beach. In August, the Committee voted unanimously to support a research/activity permit to create a vegetation inventory of Plymouth Long Beach, with a stipulation that a report of the findings of the project should be provided to the Town. The Committee also voted unanimously to support a recommendation by Environmental Manager David Gould, which sought compensatory funds for entrainment and impingement of fish species as outlined in his letter to the Pilgrim Nuclear Power Station.

The Committee continues to collaborate with other town committees both formally and informally through attendance at relevant community meetings. Conservation Chairperson Evelyn Strawn serves as liaison with the committee, and we welcome her commentary and insights. In December, member Peter Denehy was appointed to the White Horse Beach Parking Committee.

The Committee is currently restructuring its entire approach to getting tasks accomplished for 2013. This includes collectively identifying areas of focus, developing goals, and assigning project leads and specific tasks to ensure objectives/goals are met.

Submitted on behalf of the Natural Resources Coastal Beaches Committee,

Stephanie A. Fugazzi, Chair

Members serving on the Tidal Beaches Advisory Committee for 2012 were Stephanie Fugazzi, Chair, Erika Lentz, Vice Chair, Lee Burns, Co-secretary, Margaret Martin, Co-secretary, Sandra Cotti, Elise DeCola, Peter Denehy, Dick Diozzi, and George Nielsen.

The Board of Selectmen formed the committee in May 1985. Member Dick Diozzi has served 15 years on the Committee, and Stephanie Fugazzi has served continuously since May 1985.

The Committee was dissolved in March 2012, the current charge expanded, and all members were appointed to the newly created Natural Resources and Coastal Beaches Committee.

Submitted on behalf of the Tidal Beaches Advisory Committee,

Stephanie A Fugazzi, Chair

NO PLACE FOR HATE COMMITTEE

Our mission: The primary goal of the Plymouth No Place For Hate Committee ("PNPFH") is to be a resource to the town of Plymouth by providing support and education on diversity issues. We are a group of socially conscious volunteers appointed by the Board of Selectmen. The NO PLACE FOR HATE Community empowers member towns to challenge discrimination, prejudice, racism, hate, anti-Semitism, and bigotry of all forms. We strive to protect the promise of equal justice and civil rights for all members of society.

We are supported by a coalition representing a wide range of religious, educational, law enforcement, and ethnic community groups in our town. We are grateful for the ongoing support from our town officials, elected and appointed.

PNPFH thanks American Computer Technologies for expertly maintaining its website and for providing website training to members.

ADDITIONAL ACTIVITIES

JANUARY

- * Annual Martin Luther King breakfast event, January 16th, sponsored by PNPFH, Plymouth Area Clergy, and the Plymouth Schools. William Hunt of the PNPFH Committee was the principal speaker. Scholarships were awarded to one member of the senior class from both local High Schools.

APRIL

- * Holocaust Memorial Event, April 24th, held at Beth Jacob Community Center, sponsored by Plymouth Area Clergy and PNPFH, included musical presentations by students from local

schools and a speaker from the Holocaust Center in Providence Rhode Island.

MAY

- * PNPFFH members William Hunt and Michelle Badger participated on a panel with Plymouth Schools Superintendant, Gary Maestas, on PACTV on “Bullying in the Schools”.
- * Under the leadership of PNPFFH member Steve Maher, the PNPFFH Committee started planning for our 2013 Diversity Day.

JULY

- * PNPFFH members marched in the Town of Plymouth's July Fourth parade, with several student groups.

AUGUST

- * On August 23rd, PNPFFH members attended the Anti-Defamation League (ADL) Rally in support of the Sikh Community after a Hate Crime.
- * Several PNPFFH members participated in the ADL Leadership Conference on August 28th in Boston.

SEPTEMBER

- * The new ADL Coordinator of Eastern Mass NPFH attended the monthly meeting on 9/13 .
- * “Up With People” came to Plymouth and met with several PNPFFH members, who attended their concerts of diversity at Memorial Hall in Plymouth and also introduced the group to organizations/individuals who were able to assist them with housing and transportation needs during their visit.
- * PNPFFH members joined members of the Massachusetts Immigrant and Refugee Advocacy Coalition's new citizen voter registration program held at Faneuil Hall in Boston.

OCTOBER

- * On the 17th, PNPFFH members attended a training session for “The Open Meeting Law” in Barnstable.

MISCELLANEOUS

- * Leadership members of the Interfaith Clergy Association attended monthly meetings from September to December.
- * Throughout the year, PNPFH were privileged to have benefited from the participation and wisdom of Captain John Rogers of the Plymouth Police Department and Superintendent of Schools Gary Maestas.
- * The membership quota is now currently complete. We now have thirteen diverse, active, and enthusiastic volunteers to assist in achieving goals.
- * PNPFH T-Shirts are still a big hit within the community and sales continue to help fund events.

FUTURE EVENTS

- * MLK Day (January 21, 2013). Discussion will be centered on the 50th Anniversary of the 1963 “I have a dream” speech in Washington DC, with featured guest speaker and nationally known actor/activist Cary Barnes.
- * Diversity Day (June, 2013).

To learn more about the Plymouth No Place For Hate Committee, please feel free to visit our website, www.plymouthnoplacforhate.org or email us at plymouthnpfh@comcastHYPERLINK "mailto:plymouthnpfh@comcast.net".net with any questions, comments, or concerns you may have.

-Barry Meltzer, Chairman Plymouth NPFH Committee.

OPEN SPACE COMMITTEE

The Mission of the Open Space Committee is to assist the Town in conserving, protecting and preserving open space. The Committee looks for ways and means to acquire suitable open spaces and to keep the community informed of the fiscal and the quality of life benefits of protecting our environment.

The Open Space Committee was written into Plymouth’s charter in 1999, to offset the tremendous amount of development that was beginning in town. The town realized that land conservation attracts high-end investments, lowers taxes, and boosts tourism. Also, open

spaces protect air and water quality, provide recreation, and contribute to the health and well being of Plymouth citizens. In an uncertain economy, it is more important than ever to have public spaces and recreational areas for low cost family activities.

The Committee works with the Conservation Commission, the Community Preservation Committee, the Planning Department, the Department of Environmental Management, and also with various preservation organizations, including The Manomet Center for Conservation Sciences, the Wildlands Trust, The Nature Conservancy and Massachusetts Department of Fish and Wildlife. The Open Space Committee continues to partner with Jordan Hospital's Healthy Communities Initiative, which, along with improved nutrition for Plymouth citizens, is looking into creating specific walking, exercise, and cycling opportunities in town.

The Open Space Committee is responsible for updating the *Plymouth Open Space and Recreation Plan*, in coordination with the Planning Department. This plan is required by the state in order for a town to apply for grants. It includes *The Ranking Criteria*, a checklist of natural resources and community functions that the Committee refers to when determining which lands are important to preserve. *The Ranking Criteria* addresses such things as water supply, surface water quality, recreational value, scenic views, landscape context and cost of services (the ratio of revenue gained for the town through taxes against the costs of community services required if the land were developed; compared to the ratio if it were preserved as open space).

The Open Space Committee initiated, and continues to work with and support The Network of Open Space Friends. This is an umbrella for volunteer "Friends" groups in Plymouth who are providing some form of stewardship for various conservation lands and recreation areas in town. These volunteer groups work with the town's DPW to help maintain the parks, forests and other open spaces at no cost to the taxpayer. The Open Space Network sponsors two annual town wide trash and litter pick-ups (spring and fall) where hundreds of volunteers, working with the DPW, clean up Plymouth—from beaches to forests, from roads to parks—and lots of places in between. The Committee continues to oversee and support the Friends of Stephens Field who provide care and attention for the expanded park.

The Open Space Committee sponsored an Article on the Spring, 2008, Town Meeting Warrant to classify the contiguous former DPW area as Recreation thereby expanding Stephens Field. The Open Space Committee encouraged the town to begin the renewal of the park, and the first step (testing for contamination) has now been accomplished. The committee is supporting the town's applications for funds for the next steps, including its application for CPA funding

Members of The Open Space Committee have stepped up their activity of identifying and marking trails throughout Plymouth's open spaces. Working with the Community Preservation Committee and the Planning Department they are filling in gaps connecting trails within Plymouth and connections to trails in neighboring towns. Of particular interest is the Wishbone Trail, which was identified in the ENSR report. This trail starts at the harbor (actually it will begin at the North Plymouth Rail Station), goes up through Brewster Garden to Miles Standish Forest; from the Forest it wends its way down to Ellisville Harbor.

The Open Space Committee's nine members are appointed by the Selectmen, Planning Board and Conservation Commission. The Committee meets on the first Tuesdays of the month at 7 p.m. at the Plymouth Center for the Arts on North Street. The public is cordially invited to attend and participate. For more information, check out the website: www.plymouthopenspace.org

COMMITTEE OF PRECINCT CHAIRS

The Committee of Precinct Chairs (“CoPC”) is composed of the fifteen precinct chairs and meets every month for the purpose of making recommendations to Town Meeting and/or the moderator and to review the rules of procedure that govern the preparation for and conduct of Town Meeting.

In 2012, the CoPC met monthly, except for the months of May and October, during which the Fall Annual Town Meeting and the Spring Annual Town Meeting were held. The three main accomplishments of the CoPC during 2012 were the following:

1. The promulgation of a new “Town Meeting Handbook” to educate town meeting members – both new and old – on how town government works and what is expected of them.
2. The promulgation of a “Protocol for Structuring Presentation Forums and Precinct Caucuses” to better inform town meeting members of the warrant articles they will be asked to vote on at town meeting.
3. The promulgation of “Guiding Principles” to guide the conduct of CoPC members as they go about their work as public officials. During the first half of 2012 the CoPC was ably led by Kenneth Buechs, and during the second half of 2012 the CoPC has been equally ably led by Christine Pratt. The CoPC looks forward to another productive year, as it continues its role as a bridge between Town Hall and Town Meeting Members.

RETIREMENT BOARD

In 2012, the Town of Plymouth Contributory Retirement System continued its primary function of serving in the interest of its members and their beneficiaries in accordance with the Massachusetts General Laws, Chapter 32, the rules and regulations promulgated by the Public Employee Retirement Administration Commission (PERAC), as well as the rules and regulations adopted by the Plymouth Retirement Board.

The Retirement Board in the year 2012 was comprised of Thomas Kelley, Chairman and retired Plymouth Police Officer, elected by membership; Richard Manfredi, Vice-Chairman, retired Town of Plymouth Director of Inspectional Services, elected by the membership; Shawn Duhamel, a legislative liaison to the Retired State, County, and Municipal Employee Association of Massachusetts; Lynne Barrett, ex-officio Board Member as Director of Finance for the Town of Plymouth; and Gerald Coughlin, former Massachusetts Turnpike Authority Executive Director, who served as the appointed member of the Board by the Plymouth Board of Selectmen.

The Retirement Board is located at 10 Cordage Park Circle, Suite 240. This location offers ample parking and easy access to the building, as well as a quiet, confidential and comfortable setting for all members to visit and receive retirement benefit counseling.

Keeping within its fiduciary duty and a careful review of the fund, the Retirement Board unanimously voted to grant the maximum three percent cost of living increase to its retirees and survivors, effective on July 1, 2012. The cost of living increase was awarded to those members who retired prior to June 30, 2011 in accordance with Massachusetts General Laws, Chapter 32, Section 103. Pursuant to the enactment of Chapter 188 of the Acts of 2010, the Board voted to accept as a local option the amendment of M.G.L. Chapter 32, Section 103. This amendment to increase the maximum base of cost of living adjustments from \$12,000 to \$14,000 was approved by Town Meeting at their Special Meeting in April 2011, and became effective July 1, 2011.

At the April 2012 Special Town Meeting, it was voted to approve the local option as stated in Sections 29 & 30 of Chapter 176 of the Acts of 2011. This local option raises the minimum allowance of survivors of active employees who died in service from \$3,000 to \$6,000 per year. This increase became effective to eligible survivors April 18, 2012. This local option raised the minimum allowance of thirteen survivors.

Also approved at the April, 2012, Special Town Meeting was the local option as stated in Section 48 of Chapter 176 of the Acts of 2011. Section 48 established a new minimum retirement allowance of

\$15,000 for retirees who had at least twenty-five years of creditable service. This local option raised the retirement allowance to \$15,000 for fourteen retirees.

During 2012, the Board maintained their investment strategy and discipline, allowing the fund to return to pre-2008 performance levels. The Retirement Board carefully watched and instituted several investment modifications, as were deemed prudent and fiscally beneficial to the Fund. The Board currently oversees fourteen investment managers, who manage a diverse range of investments strategies, such as Fixed Income, Domestic Equity, International Equity, Real Estate, Private Equity, Floating Rate Bank Loans, Alternative Investments & Asset Allocation. These managers are carefully monitored by the Board, as well as Investment Consultant, Anthony Tranghese of Fiduciary Investment Advisors. As of December 31, 2012, the fund value reached approximately \$118.4 million, a significant improvement from \$84.5 million value on December 31, 2008.

M.G.L. Chapter 32, Section 4(1)(h) grants all eligible, honorably discharged veterans the right to purchase up to four years military service to be added towards their creditable service with their respective Massachusetts retirement system. During 2012, three active employees began military service buy backs, fourteen active employees continued their payment of this veteran's service through weekly payroll deductions, and one active employee completed this buyback, which totaled three years and eleven months in additional service. Members who qualify as veterans are also eligible for an additional benefit at retirement. The Plymouth Retirement System staff monitors member status to ensure that each member is made aware of the full range of benefit to which he/she may be entitled.

In the Retirement Board's continuing effort to keep informed and serve its membership, the Plymouth Retirement Board and staff attended several conferences during 2012, including the Massachusetts Contributory Retirement Systems Conferences, Public Employee Retirement Administration Commission Training Seminars, Massachusetts Municipal Association in conjunction with the Massachusetts Pension System seminar, and the National Conference on Public Employee Retirement Systems. In addition, the Retirement

Board and Staff attended numerous Insurance Advisory Committee meetings in order to keep the membership informed and updated on any important changes in health care.

The Retirement Board complied with outside agencies in response to requests for information as needed. Some of the agencies requesting information were the Department of Equal Employee Opportunity Commission, Department of Revenue, Bureau of Census, Public Employee Retirement Association Commission, Plymouth Retiree Association, Internal Revenue Service, Contributory Retirement Appeal Board, and the Retired State, County, and Municipal Association of Massachusetts.

In accordance with the provisions of G.L. c. 32 Section 22(6)(b) “regular interest” for regular and additional deductions made after January 1, 1984, was set by the Public Employee Retirement Administration Commission, in consultation with the Commissioner of Banks, at a rate of .1% for the calendar year 2012.

On November 18, 2011, Governor Patrick signed Chapter 176 of the Acts of 2011: An Act Providing for Pension Reform and Benefit Modernization. This Act became effective February 16, 2012 and includes significant changes to the current rules and regulations contained in M.G.L. Chapter 32. Portions of this law will directly affect new members hired after April 2, 2012.

The Retirement Office website, Plymouthretirement.com, contains current information about the System, the Board, and its investment managers and performance. In addition, the website has a retirement calculator that members may use to estimate their retirement allowance, as well as printable retirement guides and brochures.

SMART (Save Money And Recycle Trash) COMMITTEE

Membership: There are nine member slots with four current openings. The School Department has one designated member. Several of the board members have substantial experience in the waste management business sector.

Mission:

The Committee shall recommend, develop and help facilitate convenient and cost effective recycling and reuse programs aimed at reducing the town's solid waste stream and its impact on the environment. The committee serves in an advisory capacity to the Selectmen, Town Manager, and Director of Public Works, providing leadership in matters pertaining to recycling and reduction of solid waste. The committee's responsibilities include reviewing current recycling efforts, identifying areas for improvement, and studying and implementing alternative strategies.

Objectives:

- Work with other town committees and groups on initiatives
- Possibly establish partnerships for education and outreach
- Reach out to residents, steering committees, precincts on ideas
- Explore options on regionalization (such as food waste)
- Participate in the development of recycling regulations
- Increase in recycling efforts
- Explore ideas for effective enforcement, including costs of those endeavors

- Education to public
- Prevention of illegal dumping
- Recycling efforts and programs
- Reducing solid waste tonnage
- Environmental concerns
- Using vehicles such as the Old Colony Memorial and Wicked Local for ongoing education
- Future Planning
- Ease of recycling based on the rollout of the revised system
- Littering reduction including enforcement, education, and other efforts

Narrative:

The committee has been involved with DPW to identify ways to achieve the above objectives. It has actively participated in discussing the options for a modified solid waste and recycling collection system. Committee members have attended various town forums and meetings about this topic. Once a system has been finalized and approved by the Selectmen and Town Meeting, the committee will continue to participate in implementation.

SOUTH SHORE COMMUNITY ACTION COUNCIL

South Shore Community Action Council, Inc. (SSCAC)
 265 South Meadow Road, Plymouth, MA 02360

Museum Director: Charlene Kelley

Director's Aide: Chet Bagni

1749 Court House Committee:

Jessica Connelly, Chair

Beverly Ness

Donna Curtin

Wesley Ennis

Meg Peterson

The 2012 year was an exciting one for the town-owned 1749 Court House and the 1749 Court House Committee. Kelley and Court House docent, Chet Bagni, welcomed over 10,646 visitors from around the world to the Court House to enjoy the museum and the second floor re-creation courtroom. These visitors also included Plymouth school tours.

The Court House was open daily, June through October. Throughout the summer the 1749 Courthouse Museum and committee hosted a well-received series of lectures entitled History Half-Hours. These lectures were selected to bring a wide variety of expert speakers to the museum and were scheduled to coordinate with the Congregational Church's excellent, long-standing summer concert series. Lectures included: Plymouth photographer and Quincy College lecturer Wes Ennis discussing *Historic Plymouth*, Craig Chartier on the *Plymouth Archeological Recovery Project*, Al Battista on *Renovating the 1749 Court House: the Creation of a Local History Museum*, Peg Baker on *Seafarers of Burial Hill*, Ginny Davis on *The Emond Building: a Family Story*, Zachary Ennis *Vintage Plymouth Postcards*, and Paula Marcoux on *19th Century Plymouth Cookery*. The Museum was also pleased to host the 400th anniversary of the Ainsworth Psalms.

The 1749 Court House is a free museum in the center of Plymouth and filled with interesting items from Plymouth's history. It is the oldest wooden Court House and the longest used municipal building in America. The building was restored and opened to the public as a museum in 1970. The museum houses a fire engine from 1828, the town hearse, items from Parting Ways settlement and an exhibit of the urban development of Plymouth in the late 1960s. This year, the exhibit on childhood was again shared with the Plymouth Public Library's children's room during Massachusetts Archaeology

Week, which educated children on what it was like to live in the 18th and 19th century. The 1749 Court House is listed in the National Register of Historic Places. The 1749 Court House is steps away from historic Burial Hill, The First Church, Brewster Gardens, and Leyden Street.
