OUR VISION

Plymouth is America's Hometown. Through our history, our government and our people, we reflect the basic tenets of America: freedom, community, and diversity. In all aspects of our town, we shall promote these tenets.

Our government shall provide a high level of service to our citizens, be responsive to their needs and advocate on their behalf. Through responsible budgeting, best management practices, effective planning, utilization of technology, and innovative thought, our government will provide the highest level of service possible.

Our public education will provide our children with the opportunity to be whatever they want to be and to prepare them to be responsible citizens of the world. Through a strong educational program and with well built and maintained facilities, this vision will be sustained.

Our economy will encourage businesses of all sizes to locate, build and grow in Plymouth. Through the development of strong public and private initiatives, Plymouth will provide the necessary tools to encourage economic growth and job development.

Our quality of life will remain high. Through the effective delivery of services to our citizens, long-term planning, respect for our natural environment, a strong educational system, a vibrant economy, and a diverse and attractive community, Plymouth will remain a desirable location for people to live.

With an eye to the future, a respect for our history and with pride in our community, Plymouth will be a model for the state and the nation.
