

Town of Plymouth Promotions Fund

Grant Programs

The Town of Plymouth, through the Visitor Services Board, offers funding under three different grant programs. Each of these grants requires the applicant be a not for profit or government organization. The town wishes to encourage events that are of interest to residents and visitors alike, while strengthening the town as an attractive center for tourism by extending a visitor's length of stay and increase consumer spending.

There is a limited fiscal budget for the awarding of grants in each of three categories. It is imperative that each applicant adheres to the deadlines and completes all necessary information at the time of application. A complete final accounting of total event/exhibit income and costs must be submitted before any funds can be released. In fairness to all applicants, **the Visitors Services Board reserves the right to deny and/or withdraw any funding should these basic procedures not be met.**

The following are the three Grant Programs available. Please review each of the specific criteria (*attached*) to determine which grant you will be applying for.

EXHIBIT

- Temporary or permanent exhibit and meets all other criteria
- Maximum grant award shall be \$1,200.00
- Application deadline 60 days prior to exhibit
- **A 3:1 match of private dollars is required.**

FIRST TIME EVENT

- An event that has not been previously funded by the town and meets all other criteria.
- Maximum grant award shall be \$1,200.00
- Application deadline 60 days prior to event
- **A 3:1 match of private dollars is required.**

SPECIAL EVENT

- Must have been previously funded by Town Promotions Fund and meets all other criteria.
- *Maximum award is based on matching funding outline*
- Application deadline January 31.
- **A 4:1 match of private dollars is requested.**

The grant applications are available through the Town of Plymouth's Office of Economic Development. The Visitor Services Board meets on the forth Monday of each month and will review applications at such meetings. Please direct any inquiries regarding any of the grant programs as follows:
