

**ROADS ADVISORY COMMITTEE
RECOMMENDATION TO THE SELECTMEN**

Re: REQUEST FOR SNOW PLOWING

571 ROCKY POND ROAD

JANUARY 7, 2008

As requested, the Roads Advisory Committee (RAC) completed a fact-finding review and discussion regarding the request from Joseph Piche' for Town of Plymouth snow plowing past the current stop point to 571 Rocky Pond Road.

At our regular monthly meeting on January 2, 2008 the committee voted to recommend denial of Mr. Piches' request because a positive recommendation would not conform to the criteria established in our last report dated November 8, 2007.

If you have any questions or comments regarding the above, please let me know.

Respectfully submitted,

**Daniel J. Roderigues
Chairman
Roads Advisory Committee**
