TOWN OF PLYMOUTH

TITLE V SEPTIC LOAN PROGRAM

Dear Homeowner:

This package provides information for you to apply for a septic system improvement loan. This loan is provided through the Town of Plymouth and the Department of Environmental Protection at a 5% interest rate for a period of 5, 10, or 15 years.

There is no credit check required, although all real estate taxes, water bill or any other municipal accounts must be paid up to date. The loan application is reviewed and approved by the Office of Community Development; you will be notified as soon as possible if you are approved. You will then be asked to sign a Betterment Agreement between yourself and the Town of Plymouth. A Notice of Betterment will be recorded at the Registry of Deeds.

The residence must be owner occupied. Rental property, unless owner resides as primary residence, will not eligible for the program.

You will pay this loan back bi-annually as part of your property tax bill. An annual assessment will be made each January 1st and May 1st.

*The Title V loans are designed to allow you to update your failing system so you can stay in your home. Your system has to have proof of failure. These loans are not designed for people to update systems in order to sell their properties so if your intentions are not to stay in the home please be advised that because of the delay at the Registry of deeds to send back the recorded betterments and also having to go through the assessor's office for filing, it can take several months or longer to get the paperwork and payoff information. We cannot be responsible for any delays.

Step 1 - Please complete and return the application including written documentation of failing system.

Step 2- Once the application is approved, we will close on the Title V loan using an estimated loan amount and a betterment is recorded at the registry of deeds.

Step 3 – After installation is complete, we will obtain a certificate of compliance from the Board of Health.

***We may require additional documents when reviewing your application.**

We look forward to working with you.

TITLE V SEPTIC LOAN PROGRAM
Application

Name: _____

Address: _____

Mailing Address: _____

Telephone Number: _____ Email: _____

Please submit with this application:

_____ **WRITTEN DOCUMENTATION OF SYSTEM FAILURE**

This can be obtained by your septic pumper or a Title V inspector.

_____ **A COPY OF CURRENT HOMEOWNERS INSURANCE**

1. Has your septic system been failed by a certified inspector? Yes_____ No_____
2. Does your system need to be pumped more than 3 times per year? Yes_____ No_____
3. Do you currently have a cesspool? Yes_____ No_____
4. Have you had a perc test and/or engineering plans done for a new system? Yes_____ No_____
5. Have you received estimates for engineering or installation of a system? Yes_____ No_____
6. Is your system overflowing, backing up, contaminating the water supply, etc.? Yes_____ No_____
- If so, please explain: _____
7. Is your system eligible to be connected to the Town's Sewer System? Yes_____ No_____

If eligible, you are required to do so, and Betterment Funds are available for all associated costs.
Further information can be obtained from the Sewer Division at 508-830-4159.

I/we will agree to sign a Betterment/loan Agreement with the Town of Plymouth, to pay for the required costs associated with the septic system repair and am aware that these costs will be treated as a municipal lien on my property tax bill.

This loan is contingent on the Town determining that my property lies within an environmentally sensitive area that is deemed to be fundable by the Town.
