March 29, 2023

Park Plymouth Office 4 North Street Suite 2, \*\*5:30 PM\*\*

On July 16, 2022, Governor Baker signed into law An Act Relative to Extending Certain State of Emergency Accommodations, which, among other things, extends the expiration of the provisions pertaining to the Open Meeting Law to March 31, 2023. Specifically, this extension allows public bodies to continue holding meetings remotely without a quorum of the public body physically present at a meeting location, and to provide "adequate, alternative" access to remote meetings. The Act does not make any new changes to the Open Meeting Law other than extending the expiration date of the temporary provisions regarding remote meetings from July 15, 2022, to March 31, 2023. The PGDC Board of Directors has chosen to continue doing the board meeting remotely until further notice.

Instructions for joining this meeting via Zoom.com are provided at the end of this Agenda. Please note that this meeting will be recorded via Zoom.com and/or by the PGDC Clerk. Thank you for your participation in this manner and for understanding the importance of keeping members of the Board and the public safe.
