Remote Meeting Virtual Zoom, Plymouth Ma

Pursuant to MA Senate Bill 2457 signed by Governor Baker on June 16,2021 which allows government bodies to continue to conduct meetings virtually until April 1, 2022, as long as members of the public can easily access the proceedings in real time and participate remotely, this meeting will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the Town's website, at <https://www.plymouth-ma.gov>. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. If we are unable to do so, despite best efforts, we will post on the Town's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting
