Town Clerk
Plymouth, MA

The Planning Board will hold a Public Hearing in the 1820 Court Room, Town Hall, 26 Court Street, Plymouth, Massachusetts on **Wednesday, September 13, 2023 at 7:05 PM** to see if the Town will vote to amend its Zoning Bylaws governing Ground-Mounted Solar Photovoltaic Systems (§207-11). The intent is to ensure that when there are nearby residents who are not naturally shielded from a proposal, a plan to adequately do so **MUST** be presented to the Planning Board, who in turn **MUST** make the implementation of such a plan a recommendation to the Building Commission.

This plan further adds to the Financial Surety section of the bylaw concerning bonds and increases abutter notification requirements from 300 to 700 ft.

Text, map, and other information may be inspected at the Planning Board Office.

Any person interested and desiring to be heard on this request should appear at the time and place designated.
