# MEMO

**RE: End of Year Transfer / Rehabilitation of 2011 Pumping Engine**

The fire department is requesting an end-of-year transfer of \$45,000.00 from Salaries and Wages to complete the rehabilitation of our 2011 Pumping engine.

For fiscal 2023, the fire department received capital funding to rehabilitate our 2011 E-One Pumping Engine (Engine 1). On November 28, 2022, Engine 1 went to the dealer to begin rehab.

On February 6, 2023, I received notification from our dealer representative that Engine 1 had sustained an electrical fire in the engine compartment while at a repair shop. The extent of the damage and what may or may not be covered under an insurance claim was not fully realized until this week.

I had planned to use operational funds as the project progressed and uncovered hidden wear and corrosion; however, the scope of the rehab repair cost has returned much higher than anticipated, likely compounded due to the fire. Additionally, the time Engine 1 spent idle while waiting for the insurance process and completing the additional repairs related to the fire negatively impacted our line item for apparatus repair because of the extra maintenance costs we had using our reserve engine on the frontline.

The estimated cost to complete the project is currently \$43,600.44. I am requesting \$45,000.00 to account for the "TBD" cost of the speedometer repair.

This project aligns with the department's apparatus replacement and rehabilitation program. Once the rehab is completed, we expect an additional ten years of service for Engine 1: five years frontline and five years in reserve. Replacement of a new pumping engine exceeds \$1M, making this rehab worth the cost.

Transfer Information

Please explain in detail the reason for this request. (Attach additional sheets if more room is needed.)  
Most years we spend more than we budget for Snow & Ice per the MGL Chapter 44 Section 31D. Our current practice is to transfer the Reserve Fund Balance to the Snow & Ice Budget to reduce the amount of the deficit that needs to be raised on our Tax Rate Recap.

Will this transfer impact next Fiscal Year's budget: Yes \_\_\_ No X If Yes, please explain.
