Chair outlined topics to be discussed over the coming months.

Lee Hartman updated towns tentative plans for roundabout, rezoning, private economic development and in turn traffic mitigations. He also informed us of the Plymouth Equity Fund in charge of marketing which would add \$2 million into funding for roundabout. Talks with the state are still going forward regarding the ramps and Hedges for roundabout project.

Robin Carver spoke on updating the master plan for Cedarville. Including listing accomplishments achieved in current plan, defining Cedarville area, holding outreach programs for public input, and her offer to help with the process.
