CPC RECOMMENDATION: Approval (unanimous)

The Community Preservation Committee voted unanimously in favor of Article 16A at its meeting held Thursday, January 8, 2014

SUMMARY & INTENT: The Community Preservation Committee calls for a economic model; business and preventive maintenance plans for Community Preservation Act expenditures. The CPC feels the Town could generate additional income to the fees collected for the use of the 1820 Court House and Court House Green. By investing in the 1820 Court House in the center of Town, opportunities will be created to generate an income. The income would prevent the need to always have to consider a line item request in the Town budget at future Town Meetings. The fund will give an option to future Town Meetings requests. As 2020 events are planed for our downtown, the fees collected would benefit future repairs to the Court House
