COMMUNITY PRESERVATION COMMITTEE

**RECOMMENDATION: Approval \$140,300 (9-2-0).** The Advisory and Finance Committee advises Town Meeting to approve Article 13B. Town Meeting approval will authorize the acquisition of a parcel of land containing 36-acres located off of Long Pond and Boot Pond Roads in Plymouth. The entire site falls within a mapped Priority Habitat for Rare and Endangered Species. Purchasing and permanently preserving this land will help to protect the quality and quantity of Plymouth's Sole Source Aquifer. This article is the second piece of funding required by the Commonwealth's Local Acquisitions for Natural Diversity (LAND) Program grant as recommended in Article 7 of this Report. The Hornblower Foundation, the Wildlands Trust and the Nature Conservancy will grant \$50,000 towards the acquisition and Community Preservation will contribute the remaining funds required in the amount of \$140,300.
