# CREMATORY INFORMATION

The choice of cremation or full burial is a personal one. If you decide on cremation at Vine Hills, be sure to inform your funeral director in advance so arrangements may be made.

## CREMATORY INFORMATION

Cremation vouchers may be purchased on a pre-need basis. Please see website for more information. There is also a family viewing room available, if desired.

# CEMETERY INFORMATION

Historic Plymouth has 33 town owned cemeteries, dating back as far as 1622. Currently the town has burial lots available for cremation and full burials in our beautiful, carefully tended cemeteries. Visit our webpage to access the Burial Records Search – a genealogy and grave location tool.

# CEMETERY INFORMATION

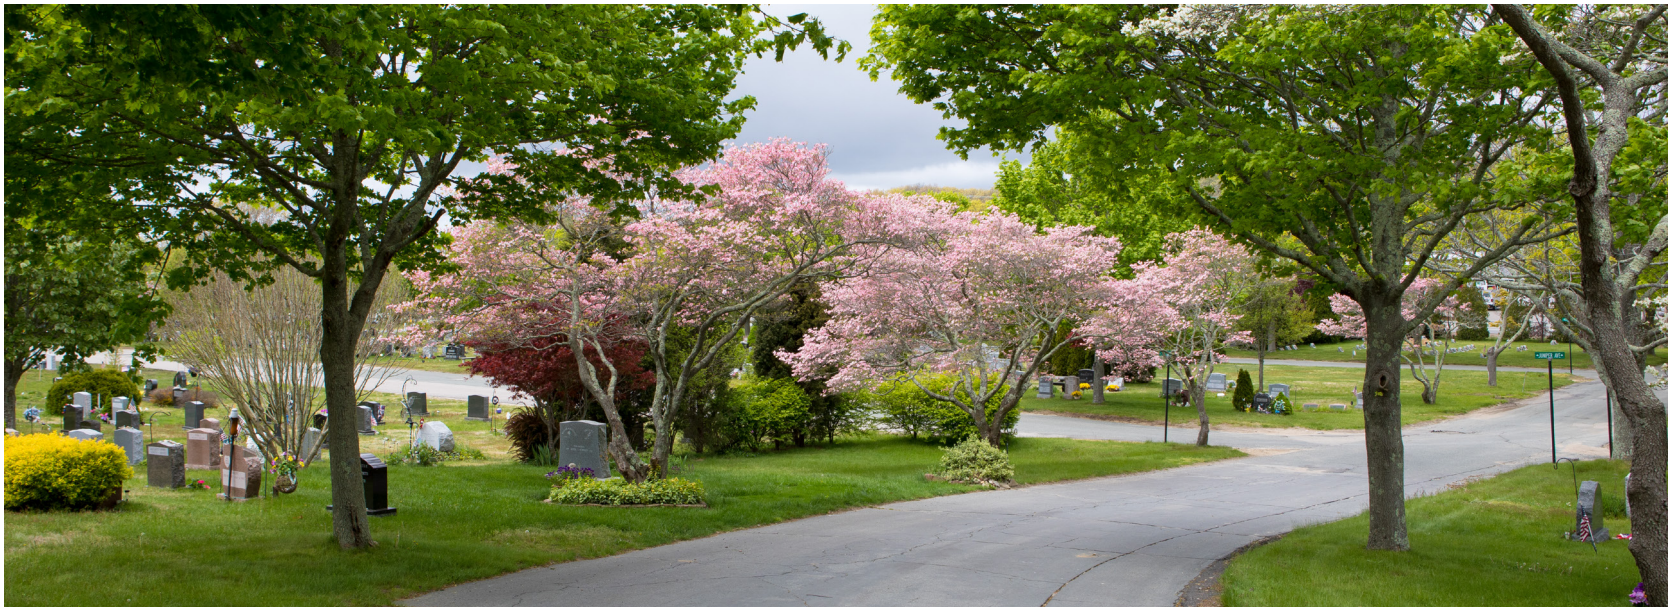

Lots for full burials and cremations are available at Vine Hills Cemetery with limited space at other cemeteries. Both residents and non-residents may purchase lots, although the cost does differ.

## GENERAL INFORMATION

All Plymouth cemeteries welcome visitors year round and are open dawn to dusk. We remind you that these are places of rest. Many of the earliest settlers to America are at peace here. Those who are buried here should be treated with the highest respect. For this reason we may prohibit certain activities. Please see our Rules and Regulations online for complete information.
