

WINDOW RESTORATION CONTRACTORS

NOTE: The tradespeople and companies listed below repair existing wood windows. This list does not constitute an endorsement by the Plymouth Historic Commission. It does not guarantee that these contractors' work will be of sufficient quality to meet the Commission's guidelines, nor does it guarantee that their work will meet your standard of quality or cost-effectiveness.

There are different levels of window repair and restoration depending on your goals and the condition of the windows. When requesting a price quote, applicants should inquire if there are different prices for mechanical repairs vs. a full restoration and what amount of work is included for each.
