1. PURPOSE

The intent of the Plymouth “Beach” Policy is to monitor the number of individuals parking at the beach designated parking lot areas. It is also to control and monitor proper access to the beach by those who are eligible to do so. This policy acknowledges and emphasizes that providing services to Plymouth residents and maintaining proper usage must both be balanced. The policy outlines the eligibility requirements for obtaining a resident beach parking sticker for non-4x4 beaches.

2. APPLICABILITY

2.1 Resident beach parking stickers may be used to park at any town beach/pond and the White Horse Beach Parking District, excluding the Long Beach 4x4 areas.
