MEMORANDUM

Date: May 16, 2024

To: Lynne Barret, Finance Director

From: William Coyle, P.E. DPW Director

RE: 2026 DPW Highway Capital

The DPW - Highway Division is requesting \$738,674 in fiscal year 2026 to replace 4 pieces of equipment that are in disrepair. The cost to continue maintaining these vehicles is not justifiable and in some cases the age of the equipment may create a safety concern if left in service.

Attached, please find quotes for a 1-Ton Bucket Truck, 1-Ton Utility Body, Roadside Mower and a Skid Steer. All four pieces of equipment are critical to the operations and maintenance of DPW infrastructure and highway operations.

Please let me know if you have any questions or require additional information.
