Everything to live a healthier life

If you want to know more about your health and how to make it better, ahealthyme is a great place to start. With just a few clicks, we'll show you just what you need to live a healthier life. From a health assessment to wellness workshops and interactive tools, ahealthyme is your personal online resource.

With ahealthyme, managing your health can be as easy as 1, 2, 3:

1. Start with your health assessment

Taking your health assessment is easy and rewarding. Simply answer questions about eight areas of your health. When done, we'll give you a detailed look at your health today and recommend tools and programs that will help improve it based on your answers.

2. Take a wellness workshop

Our self-paced wellness workshops are a fun way to be smart about your health. You'll gain insight on health topics that relate to you and get closer to your wellness goal.

Learn about:

- Healthy eating
- Quitting smoking
- Stress management
- Physical fitness
- Much more

3. Stay motivated and stick to your goals

Maintaining good eating and exercise habits can help keep you on track. With ahealthyme, you can record and track your activities on any computer or smartphone and see how you're doing in real time.
