Information Technology Capital FY 2026

Fiber Network Expansion Year 4 \$250,000

This project will be phased over several years, total project cost is \$1,517,316.13. We have reached capacity with our current Infrastructure. The increasing demands for building-to-building connectivity, especially for public safety radio and security, requires us to add to our Municipal Network. This \$250,000 request will complete this project.

Laserfiche Upgrade and Expansion and Records Digitization Year 4 \$287,482

This project will be phased over several years, total project cost is \$ 1,892,993.36. Digitization and indexing of permanent Town records will promote social distancing and remote access which will protect town employees, residents, and businesses. It will also strengthen local businesses' ability to conduct business transactions during any health and emergency issues such as pandemics.

To date we have configured Laserfiche software to connect with Open Gov and will be finishing up with Inspectional records this year. Year 4 request is being reduced by \$115,300.54 as HR decided to scan their files manually. We are requesting \$287,482 to complete this project
