WATER MAIN BREAK – STATE RD / ROCKY HILL RD

FOR IMMEDIATE RELEASE: 1/12/2026

PLYMOUTH, MA – On Monday morning, January 12, 2026, the Department of Public Works Water Division identified a water main break at State Road and Rocky Hill Road. The Water Division is currently working on-site to isolate the water main and will begin repairs as soon as possible.

The totality of the affected area is not yet known. Residents in the vicinity may experience temporary disruptions in water service.

Residents with questions or concerns may contact the Water Division at (508) 322-3406.

We appreciate the community's patience and understanding as crews work to resolve this issue.
