THANK YOU FOR YOUR INTEREST IN PLYMOUTH’S COMMUNITY PRESERVATION ACT (CPA)

Attached is the Fiscal Year 2020-2021 Application for CPA funding. Please check with the Clerk’s office at Town Hall or the Town web site for Town Meeting dates. The deadline for submission of applications to the Community Preservation Committee (CPC) is the last Friday in January for Spring Town Meeting and last Friday in June for Fall Town Meeting.

These deadlines are designed to provide the CPC and Town Departments sufficient time to review and discuss applications and supporting documentation, and to vote on recommendations for Town Meeting prior to the deadlines required under the Town’s warrant process. The CPC reserves the right to accept or refuse an application submitted after the above deadlines.

IN THIS PACKET YOU WILL FIND THE FOLLOWING:
1. The one-page application form with instructions.
2. A Memorandum of Understanding describing the funding process and the responsibilities of those who receive CPA funding. Please read this document carefully, sign, and return with your application to confirm that you understand the process, and what your responsibilities will be if your application is approved by Town Meeting.
3. Information on eligibility for CPA funding, the proposal review and award process, and the CPC’s goals and criteria for each of the three application categories—Open Space, Community Housing, and Historic Preservation.
4. Flowcharts showing the steps involved for each application category are found starting on page 10.
5. The appraisal process. If application is for consideration of an interest in real estate, an appraisal is required. Please review appraisal process.

Applications are accepted throughout the year. The CPC carefully reviews all applications before voting on which projects to recommend to Town Meeting. Any application not recommended to or approved at Town Meeting may be re-filed by the applicant to be considered for a future funding cycle.

IT IS IMPORTANT TO NOTE THAT WHILE THE CPC IS AN INDEPENDENT FUNDING ENTITY, ALL FUNDING DECISIONS ARE ULTIMATELY DECIDED BY VOTE OF TOWN MEETING.

• Application materials are revised annually by the CPC and presented to the citizens of Plymouth for review at an open forum.
• The application provides all necessary information about the CPA and the application process.
• The CPC may or may not choose to interview applicants.
• Applicants may be notified if questions arise before the CPC can vote on whether or not to present a project to Town Meeting.
• Once an application has been submitted to the CPC for consideration, all communication from the applicant, including questions, status inquiries, and addenda must be made in writing to the CPC.
• The CPC attempts to clearly outline the scope of the project at Town Meeting in order to define the project and educate Town Meeting members about benefits to the Town.
• After the Town Meeting vote, the applicant will be required to adhere to the language of the Article, as well as the presentation and supporting documents presented to Town Meeting.
• CPC oversight thereafter is only to approve invoices to ensure that expenses for a project are disbursed in accordance with the vote of Town Meeting.
• Applicants for CPA funding should include a financial and operational budget, and a preventive maintenance plan to ensure that future burdens will not be placed upon the taxpayers for a CPA funded project.
• The CPC reserves the right to rescind funding for projects.
• To ensure progress on CPA funded projects, the CPC requires a signed grant agreement prior to release of any CPA funds.

• The grant agreement may include provisions for a liaison to be added to the directors and/or management team for the project. The term of the liaison will end when the CPA appropriation has been expended.

• On certain projects the CPC may require the applicant to accept a designee appointed by the Town to the applicant’s governing body. Third party oversight is beneficial for long term projects where changes in management can lead to shifting objectives and stalled progress.

• Applicants must demonstrate how the project will be fully funded prior to approval of the application, or demonstrate that other funding sources are immediately available to complete the project.

• The CPC strongly encourages applicants to seek other funding sources through grants from government agencies and private foundations, and as well as contributions from advocacy groups and public organizations.

• The CPA should be recognized in any property signs, media coverage, or interviews involving funded projects. Suggested acknowledgment may be as follows: This project was made possible by the residents of the Town of Plymouth, through their contribution of CPA funds and vote of Town Meeting.

• An application for a project that will require alterations to a building for adaptive reuse must include a report from a licensed architect regarding state and local building codes, ADA and safety issues, fire department inspection, and expected costs for any changes that must be made to the building.

In 2012 an addendum was attached to the Community Preservation Act legislation that allows towns to use CPA funds for renewal of existing town-owned parks and open spaces. The CPC is careful in its deliberations with this new potential use of funds to ensure that the Town does not depend upon CPA funding for projects that were previously in a Town budget. As the CPA changes and evolves at the state level, the Plymouth CPC works to respond to the changes. The CPC therefore is reaching out to residents to involve them in the decision making process. For example, the steering committees for village centers where the projects are located can provide valuable input into the design of a project.

As the Town prepares for the 400th anniversary of the arrival of Mayflower II, the CPC will continue to look favorably, as it has since its inception, on applications that enhance Plymouth’s economic viability and historic significance. It is important to note that since 2002, CPA funds have generated more than $10-million dollars for some of the most significant historic restoration projects in the Town.

Your questions are welcomed. The Plymouth Community Preservation Committee meets at 7 pm on the 2nd and 4th Thursday of each month at Plymouth Town Hall, 26 Court Street, Plymouth. If you prefer, you can reach the CPC at 508 789-5012.

APPLICATION REQUIREMENTS:

A complete application consists of this application page (the specific amount of CPA funding is required), along with the following:

• A detailed description of the project explaining how your proposal benefits the Town of Plymouth and how it meets CPA goals and selection criteria outlined at the end of this application packet.

• Are there any special permit, variance or other approvals required? Are there any legal ramifications or impediments to this project?

• A detailed project budget including any additional revenue sources. Will there be any annual costs to the town once the project is operational?

• A project timeline.

• Additional supporting information such as photographs, plot plans, and maps (if applicable).

• Applicant must provide all title information for the property.

• Applicant must initial each page in the space provided.
PLEASE SEND 11 COPIES (DOUBLE-SIDED) OF YOUR APPLICATION TO:
The Community Preservation Committee, Plymouth Town Hall
26 Court Street, Plymouth, MA 02360

Applications may also be dropped off at the Town Clerk’s office.
or in the CPC mailbox at Plymouth Town Hall.
The deadline for submitting an application is last Friday in February for Spring Town Meeting,
and last Friday in June for Fall Town Meeting.

MEMORANDUM OF UNDERSTANDING

Project Name:___________________________________________________________

Applicant Name:_________________________________________________________

Address:________________________________________________________________

Phone #:_____________________________ E-mail:______________________________

I understand that there are certain conditions and responsibilities involved in receiving CPA funding.
My signature below indicates that I have read the following conditions and agree to follow them if my
application is recommended to and approved by Town Meeting:
1. I understand that the funding process follows procedures described in the Community Preservation
   Act, M.G.L. Ch. 44B and that this places certain restrictions on how payments may be made.
2. In order to acknowledge the Community Preservation Act, and thus the contributions of the
   Plymouth taxpayers, I will:
   • Order, pay for and place a temporary “Community Preservation Works” sign or banner in
     front of the project. The Community Preservation Committee will provide the approved design.
     Approximate cost for the banner is generally $250–$300.
   • Acknowledge the contributions of the Community Preservation Act in all press releases,
     newsletters, and other publicity.
   • Include recognition of the Community Preservation Act if a permanent plaque or sign is placed
     on the project.
3. If requested I will supply the Community Preservation Committee with quarterly financial up-dates
   the project.
4. As needed, I will assist in the process of obtaining the required deed restriction to help protect the
   property in perpetuity.
5. The Applicant agrees to adhere to the intent and the spirit of the presentation made to
   Town Meeting.

ELIGIBILITY FOR FUNDING

The Town of Plymouth is pleased to be able to offer Community Preservation Act (CPA) funds to applicants who propose projects that will benefit the Town and include one or more of the following:
1. The acquisition, creation and preservation of open space/recreational use;
2. The acquisition and preservation of historic resources;
3. The creation, preservation and support of community housing.

The Community Preservation Committee (CPC) encourages applicants to propose projects that encompass more than one of the above categories. Use of Community Preservation Act funds may not include maintenance of real or personal property or use of land for a stadium, gymnasium or similar structures.

It is important to understand that a deed restriction on CPA funded projects is a mandatory requirement by State law. A grant agreement may be required prior to funding of certain projects.

Copies are available at Clerks Office in Plymouth Town Hall, the main branch of the Plymouth Library Reference Desk, and on line at www.massachusettslaws.com.

PROPOSAL REVIEW PROCESS

The Community Preservation Act (CPA) proposal review process is described below:
1. Upon receipt of eleven copies of a proposal, copies are distributed to all Community Preservation Committee (CPC) members. A copy also will be sent to legal counsel for opinion on eligibility. The entire CPC reviews each application to determine if the application is qualified for funding under the Act.
2. If the application qualifies, it is forwarded to the appropriate subcommittee (Community Housing, Historic or Open Space) for further review. Recreation proposals are reviewed by the entire committee.
3. The subcommittee reviews each proposal according to stated goals and ranking criteria (see later sections of this application). The CPC subcommittee may request input or recommendations from other town committees or boards.
4. At the request of the applicant or of a CPC member, the subcommittee will schedule an interview and/or site visit with the applicant, which may be attended by any CPC member. Site visits are for information only. Due to open meeting laws, applications will not be discussed until the next scheduled CPC meeting.
5. The subcommittee presents a favorable or non-favorable recommendation to the entire CPC.
6. The CPC shall next evaluate all applications using the following General Selection Criteria:
   - Feasibility
   - Efficient use of funds (multiple bids are encouraged)
   - Serves multiple needs and populations
   - Consistent with recent planning documents or other identified needs
   - Multiple sources of funding
   - Assists an under-served population
   - Addresses multiple categories of the Act
   - Requires urgent attention
   - Has means of financial support for future maintenance
   - Enhances town assets
7. The CPC will then vote on which applications to recommend to Town Meeting. Please note that satisfying all criteria does not guarantee that the CPC will recommend a proposal to Town Meeting.
8. Town Meeting votes to approve or not approve a project for funding.
9. Proposals approved by Town Meeting shall be funded by the CPC and implemented by the applicant.

10. At any stage in which an application is rejected, the committee will notify the applicant.

AWARD PROCESS

Before submitting your application please be aware of the following:

- Funds are paid out according to the guidelines of the Massachusetts Procurement Law (MGL 41). This means payment will be made for bills submitted for services rendered. In order to receive funds, the applicant must submit original invoices showing the organization’s Tax ID number (no statements or copies) with a completed and signed W-9 Federal Tax Form for each invoice submitted.

- Also required is a memo from the applicant summarizing the services covered by each invoice. These documents are reviewed and approved by CPC and then submitted to the Town for payment.

- The CPC will provide successful applicants with a detailed memo describing the complete award process, which adheres to the guidelines of Massachusetts Procurement Law.

- Funds may be spent only on items listed on the budget submitted with the application. Any changes to budgets which involve use of CPA funds must be approved by the CPC. Funding from the CPC may not be used to replace, or free up for any other use, alternate funds or revenue sources.

- It is a requirement of the Community Preservation Act that projects have a deed restriction or confirmation that the Department of Revenue is satisfied with the status of the restriction.

- Applicants agree to note the CPA as a funding source for their project. This acknowledgment must appear on any materials involving the project (i.e. press releases, brochures, etc.). In order for Plymouth’s citizens to see the result of their tax funding, a CPC designed banner or sign will be purchased by the applicant and displayed on the property for up to six months after receipt of the award and recognition of the Town of Plymouth’s CPA contribution must be included in any signage on the property.

- Signature on the application indicates that the applicant has the right to enter into contracts for the organization seeking funding and has read and understands all regulations in this packet.

OPEN SPACE GOALS AND CRITERIA

Because of increased and ongoing development pressure in Plymouth, the preservation of Open Space is becoming increasingly important. With property values rising in recent years, the acquisition of Open Space has become increasingly difficult and urgent. The CPA is a proactive tool for the community to preserve our quality of life, the purity of our water, control property taxes and find a balance between economic development and preservation. Note that all Chapter 61 notifications to the Town are considered standing CPA applications.

Changes in the 2012 Massachusetts General Laws, Chapter 44 B, allow CPA funds to be used for certain restoration projects that were not originally purchased using CPA funds. The Community Preservation Committee reserves the right to carefully consider such projects to ensure that they are in compliance with the wishes of the Plymouth citizens who voted to adopt the original CPA in 2002, and who may not agree with the new provisions for such uses. Demonstration of 70% match is encourage and expected for projects at sites that were not initially purchased using CPA funds.

The Community Preservation Committee solicits input from the Town’s Open Space Committee, Conservation Commission, as well as other town boards, committees and the public, in identifying goals for open space protection, which include:

Goal 1: Preserve Plymouth’s rural character.

Goal 2: Protect rare, unique and endangered plant and wildlife habitat.

Goal 3: Protect aquifer and aquifer recharge areas to preserve quality and quantity of future water supply.
Goal 4: Ensure adequate size and connection of protected natural areas to maximize environmental and habitat benefits.

Goal 5: Balance open space with development demand to reduce service demands and tax burden on town.

Goal 6: Increase the town’s ability to protect environmentally sensitive, historic and culturally significant properties.

Goal 7: Improve public access and trail linkages to existing conservation, recreational and other land uses.

Goal 8: Enhance the quality and variety of passive and active recreational opportunities for all age groups and for people with disabilities.

Goal 9: Utilize open space protection strategies (purchasing development rights as an option to outright purchases of property) that maximize protection at the lowest public cost.

Goal 10: Contribute to the Town’s preparation for the 400th anniversary in 2020 of the landing of the Pilgrims.

The following are examples of the types of Open Space (and Recreation) projects that the CPC might consider funding:

• Purchasing land or interest in land (development rights) to protect public drinking water supply, preserve natural resources, maintain scenic views, build greenbelts and trail systems, and enhance passive recreational opportunities.

• Purchasing community-enhancing green space outright or purchasing development rights through mechanisms such as permanent conservation restrictions or agricultural preservation restrictions.

• Matching or augmenting funds available under various land trust or conservation programs.

• Exercising rights of first refusal when lands are removed from agricultural, forest and recreational restrictions (e.g., Chapter 61, 61A, 61B).

• Purchasing land for public active recreation facilities such as community gardens, play grounds, trail networks and ball fields.

• Parcels of land that, when preserved, are deemed to have a significantly positive net fiscal impact on town finances.

HISTORIC PRESERVATION GOALS AND CRITERIA

The Town of Plymouth has a rich diversity of historic resources; the Community Preservation Act goals for preserving these historic resources include:

Goal 1: Protect historic resources with preservation restrictions.

Goal 2: Optimize the use and enjoyment of the Town’s historic resources for residents and visitors.

Goal 3: Maximize the economic benefits of Plymouth’s heritage and historic character for the town and region.

Goal 4: Recognize, preserve and enhance the historic heritage and character of the Town of Plymouth for current and future generations.

Goal 5: Contribute to the Town’s preparation for the 400th anniversary in 2020 of the landing of the Pilgrims.

In order for a historic resource to be eligible for CPA funding, it must first be determined to be not just “old” but of historic significance. The burden of proving historic significance is the responsibility of the applicant. In order to be of historic significance, a property must have retained its physical character and integrity and must:

1. be associated with historically significant persons
2. be architecturally significant or
3. have potential to yield important historic or archaeological information.

According to the CPA, there are 3 ways a resource can qualify as historically significant:

1. Listing on the Federal, State, or Local Register of Historic Places,
2. A written determination by the Massachusetts Historical Commission that a resource is eligible for listing on the State Register of Historic Places, or
3. A written determination by the Plymouth Historic District Commission that a resource is significant for its history, archeology, architecture, or cultural value.

If a property is not already listed on the State Register of Historic Places, and does not have written determination of eligibility by the Massachusetts Historical Commission, a request for written determination may be made through the Plymouth Historic District Commission. Application forms are available at the Plymouth Historic District Commission Office at Town Hall.

In deciding whether or not to recommend funding for specific historic resource projects, the CPC will consider:

- Level of historic significance
- Public benefit
- Public support
- Appropriateness & professionalism of proposed work (rehabilitation work is expected to comply with Standards for Rehabilitation stated in the United States Secretary of the Interior’s Standards for the Treatment of Historic Properties)
- Level of additional financial or in-kind services, beyond CPA funds, committed to the project
- Administrative and financial management capabilities of the applicant in order to ensure that the project is carried out in a timely manner, and that the historic resource can be maintained with existing funds for continued public benefit.

PLEASE NOTE: The CPA specifically excludes funding for maintenance. The Act does allow for the remodeling, reconstruction and making of extraordinary repairs to historic resources for the purpose of making such historic resources functional for their intended use, including but not limited to improvements to comply with Americans with Disabilities Act and other federal, state or local building or access codes.

COMMUNITY HOUSING GOALS AND CRITERIA

CPA funds may be used to create and preserve community housing defined as housing for low and moderate income individuals and families, including low or moderate income senior housing. The Act requires the CPC to recommend, wherever possible, the adaptive reuse of existing buildings or construction of new buildings on previously developed sites.

Individual and family incomes shall be based on the area wide median income as determined by the United States Department of Housing and Urban Development. Low income is defined as an annual income of less than 80% of the area wide median income. Moderate income is defined as less than 100% of the area wide median income. Low or moderate senior income is defined as low or moderate income for persons over 60.

At present, 4.5% of Plymouth’s housing units are classified as affordable “subsidized housing” by the State’s Department of Housing and Community Development (for the purposes of M.G.L. Chapter 40B). As long as Plymouth does not meet the State’s standard of 10% of its available housing stock deemed affordable, the town will continue to be subject to the punitive impacts of Chapter 40B developments that, by state law, fall outside local zoning control.

The complexity of housing issues requires thoughtful consideration to the many options available to the Town of Plymouth. We acknowledge that funding of the housing needs of our town is a complex issue. The CPC will try to address these pressing needs with practical and fundable solutions that provide affordable housing alternatives. The Community Preservation Committee looks forward to working with developers in finding creative alternatives to conventional Chapter 40B housing.

The CPC’s goals for community housing are as follows:

Goal 1: The Act requires the Committee to recommend, wherever possible, the adaptive reuse of existing buildings or construction of new building on previously developed sites.
Goal 2: Meet local housing needs for eligible low and moderate-income individuals and families. The preservation and creation of community housing is a proven method for promoting diversity, allowing individuals and families with more limited means to afford to live in town. The town can utilize CPA funds to offer current and future residents a wide range of housing options in renovated, converted and existing residential building, mixed-use developments, and senior residential developments, supportive housing alternative and live-work spaces.

Goal 3: Ensure the new community housing meets or exceeds surrounding community standards with regard to density, architectural character, landscaping, pedestrian and other amenities, while conserving, as much as possible, the natural landscape.

Goal 4: Work toward meeting the 10% State standard for community housing. In order to ensure future community housing development is consistent with the needs and character of the town, Plymouth must work toward the state’s 10% community housing standard. Until that milestone is achieved, the town will be considered deficient in this area and will continue to be vulnerable to Chapter 40B applications.

Goal 5: Leverage other public and private resources to the greatest extent possible: Plymouth does not receive federal or state funding for community housing on an entitlement basis. We need to be creative in leveraging public and private resources to make community housing development possible. Combining CPA Funds with the various private, state, and federal resources that are available on a non-entitlement “competitive” basis will demonstrate creativity. This will include Federal Home Loan Bank Funds, State HOME funds, Housing Stabilization funds, and Housing Innovations funds, and Federal Low Income Housing Tax Credits.

Goal 6: Contribute to the Town’s preparation for the 400th anniversary in 2020 of the landing of the Pilgrims.

The Community Preservation Committee will work with the Plymouth Affordable Housing Committee, Plymouth Housing Incorporated, Plymouth Housing Authority, Plymouth Bay Housing Corporation, Department of Planning & Development, Plymouth Community Development, Plymouth Redevelopment Authority and all interested organizations, groups and citizens to meet the above stated goals.

FISCAL YEAR 2020–2021 APPLICATION

OPEN SPACE APPLICATION FLOW CHART

**STEP 1**
Submit 11 Copies of the application to CPC

After an application has been submitted to the CPC, all questions and inquiries will be in writing to the committee.

**Application not considered but may be re-submitted**

**STEP 2**
CPC legal counsel reviews for eligibility and compliance

**STEP 3**
CPC provides comments to applicant regarding deficiencies by telephone or letter. Applicant may modify and re-submit the application

**STEP 4**
CPC conducts formal review of application and conducts a site visit. CPC may request additional information and/or interview with applicant

**STEP 5**
CPC votes to recommend to Town Meeting via Article placed on the warrant

**STEP 6**
CPC shepherds Article to Town Meeting. Article is presented to Finance and Selectmen with courtesy calls to Planning, precinct chairs, precinct caucuses. CPC legal counsel reviews language of Article

**STEP 7**
CPC presents article to Town Meeting for a vote

**STEP 8**
CPC legal counsel drafts Conservation Restriction (CR) for the property receiving CPA funds

**STEP 9**
CPC legal counsel and receiving organization review the draft CR

**STEP 10**
Executive Office of Energy & Environmental Affairs Division of Conservation Services (DCS) reviews the draft CR

**STEP 11**
Conservation Commission signs the CR

**STEP 12**
Receiving organization signs the CR

**STEP 13**
Board of Selectman sign the CR

**STEP 14**
Secretary of EEE&EA signs the CR

**STEP 15**
The CR is filed with the Plymouth County Registry of Deeds

Steps 8–15 describe the process of effecting the Conservation Restriction
HISTORICAL PRESERVATION RESTRICTION APPLICATION FLOW CHART

**STEP 1**
Submit 11 Copies of the application to CPC
After an application has been submitted to the CPC, all questions and inquiries will be in writing to the committee.

**Application not considered but may be re-submitted**

**STEP 1**
Submit 11 Copies of the application to CPC

**STEP 2**
CPC legal counsel reviews for eligibility and compliance

<td>STEP 5</td>
<td>Finance Department forwards the invoice and draft warrant to Accounts Payable.</td>
</tr>
<tr>
<td>STEP 6</td>
<td>Accounts Payable writes the final warrant. Final warrant is signed the Town Manager and Finance Director. Payment requests are processed on Thursdays and checks are mailed within a week.</td>
</tr>
<tr>
<td>STEP 7</td>
<td>Accounts Payable provides CPC with monthly reports summarizing payments from the previous month.</td>
</tr>
</tbody>
</table>

### NOTE:
Prior to distribution of CPC funds, applicant meets with CPC and Town Finance Department to review payment procedures and designate a Project Liaison.

Although every effort is made to pay within 30 days, there are a number of steps, anyone of which can delay the process. As a result payments are not always made within 30 days.
Applicants who are proposing a sale of interest in real estate must agree to follow the Community Preservation Committee’s (CPC) appraisal process as outlined below:

1. Both the applicant and the CPC will suggest two appraisers each.
2. Each party (the applicant and the CPC) will call the other party’s appraisers to get:
   a) an estimate of cost
   b) a description of the scope of work
   c) the date when work will be complete.
3. After interviewing each other’s choices, both parties will agree to hire one of the four appraisers.
4. The cost will be shared by both parties. If the application is approved and the sale goes through, the CPC will reimburse the seller for their share of the appraisal process.
5. The chosen appraiser will meet with the applicant, the CPC, and appropriate Town staff pertaining to housing, historical, or open space. The purpose of this meeting is in order that all will understand and be in agreement.
6. Any communication among the applicant, the CPC, and staff must be cc’d to all, so that there is confidence and agreement in the results of the work.

NOTE:
The CPC has found that the practice of appointing a mutually agreed upon appraiser is effective in defining a range of values to allow a discussion of possible sale.
